Experience

Cinematographer and Editor | Self Employed | March 2013 - Current

Working on projects for clients such as Winnebago Industries, Blackshear Baptist Church (Flowery Branch, GA), and The Television. I have covered weddings, interviews, and worked as Director of Photography on shorts and one feature length film.

Video Editor/Studio Manager | Legacy World Wide | March 2016 - May 2017

Manage the studio through planning of shoots, scheduling crew members, preparing budgets, and maintaining all equipment (lights, cameras, rigging/grip, and facilities). in charge of lighting sets and determining composition for cameras. I was also tasked with editing a long form (30 Minute) TV show for clients. This includes motion graphics, titles, lower thirds, and 4-5 cameras per show, color grading, and audio sweetening.

Videographer | Mount Pisgah UMC | March 2015 - January 2016

In charge of writing, shooting, and editing content to be used across many platforms within the church. Prepping and loading all graphics, video, and slides for the Sunday services. Directed 3-5 camera broadcasts of the worship and sermon during the Sunday morning service. These broadcasts get shown throughout the church campus, in the main sanctuary, over Livestream, and are recorded for posting to the web.
