**INT. LARGE DINING ROOM**

The family were sat around a large table about to have dinner

TONY  
Your pregnant

MONICA  
Yes, Tony

TONY  
I thought uncle could not get you  
knocked up

MONICA  
Well he did and I'm proud of his  
achievement

NELSON  
I told auntie about your female  
friend

TONY  
Did you grandpa

NELSON  
Yes,

TONY  
What does she think of her

NELSON  
You can ask her what she thinks

TONY  
Okay, auntie

MONICA  
Yes, Tony

TONY  
What do you think of me having a  
lady friend

MONICA  
I don't mind you having a lady  
friend but does she have to be a  
size of a hippo

TONY  
I don't get what you are saying

MONICA

Tony I love you but having a thing  
for big women is not it

TONY

Why is that

MONICA

It does not suit your standards

TONY

What standards

MONICA

So you want people to look at you

TONY

I don't give a shit what people  
think Nancy is my woman friend

MONICA

So you don't mind fucking a walrus

TONY

If it makes us happy then yes

NARNIA

Big and chunky

ASH

Plumping, plumping

DONCASTER

Can we move on to a different topic

ASH

So soon I was hoping to hear more  
about Tony's love for big women

NARNIA

It takes all the space up

MONICA

Now look what you have started Tony

TONY

It was you that started the  
conversation which I'm glad you did

ASH

So big brother what made you have a  
thing for big women

TONY

You know Ash I don't have a clue

ASH

Did you get up one morning and saw  
big women on the internet

TONY

I don't know why I have a thing for  
plus sized women

ASH

Are you sensitive towards them

TONY

No, I just find them attractive

NARNIA

There like teddy bears you can hug  
them and love them forever

ASH

Form the scale of bigness how big  
you like your women

TONY

Not too big

ASH

So you don't like your woman Mobily  
obese

TONY

She needs to have some movement in  
her

ASH

What is your cut off point

TONY

If she's above a size 5X that is my  
cut of point

ASH

Okay,

DONCASTER

Can we please talk about something  
else

TONY

Sure uncle

DONCASTER

So Ash and Narnia how was your first day at school

ASH

I did not have enough money to get a milkshake with my school meal

NARNIA

Your school has milkshakes

ASH

Not just any ordinary milkshake it's the super thick kind you get in fast food diners

DONCASTER

I will give you more money

NARNIA

What else does your school have

ASH

A medical and a therapy centre

NARNIA

A therapy centre

ASH

Yes,

NARNIA

Do the students have problems

ASH

It's there if the students need it

NARNIA

Does your school have a pool

ASH

It's at the school's sports centre

NARNIA

Sports centre

ASH

Yes,

NARNIA

What about a spa

ASH

It's a school not a hotel

MONICA

So your point of view of the school  
has changed

ASH

It's too early

MONICA

Let me give you some fact about the  
school it is where your brother  
attended

ASH

Tony went to the same school

MONICA

Yes, dear

ASH

That makes it better

DONCASTER

What about you Narnia how was your  
first day at school

NARNIA

I was given homework

DONCASTER

Homework on your first day

NARNIA

Yes, and I'm very sad

DONCASTER

What is your homework about

NARNIA

I have to create a 200-word story

DONCASTER

A 200-word story you say

NARNIA

Yes, Dada

DONCASTER

Okay, do you have a story in mind

NARNIA

No, Dada

NELSON

How about you write a story about a kitten or a puppy being rescued by a little boy or girl

TONY

Or a princess fighting a dragon to save her prince from a wicked force

NELSON

That's a little advance for a 5-year-old

TONY

You don't know how far a 5 year-olds imagination can go

MONICA

How about you write a story about a family of mythical creatures and human beans

NARNIA

Such as

MONICA

Unicorns, Elves, Pixies, Dragons, Witches, Monsters, and Dinosaurs

NARNIA

Dinosaurs is a boy thing

MONICA

There is no such thing as a girl or boy thing

ASH

How about you write a story about us

NARNIA

A story about the family

ASH

Yes,

NARNIA

There is nothing interesting about this family

ASH

As a matter of fact there is

NARNIA

Explain,

ASH

I will let the adults explain

DONCASTER

Explain what Ash

ASH

The interest of the family

DONCASTER

Who is asking

ASH

Narnia said there is nothing interesting about the family

DONCASTER

She is right there is nothing interesting about this family

ASH

Why are you hiding the fact that we are royalty

NARNIA

Royalty,

ASH

Yes,

NARNIA

Dada and Mama are king and queen

ASH

Not quite but when Dada and Mama tie the knot Dada will be a prince

NARNIA

A prince

ASH

Meaning he is in line to the throne

NARNIA

In line to the throne

ASH

Yes,

NARNIA

Does this mean I will be a princess

ASH

Yes,

NARNIA

Is there more to the family

ASH

Yes, there is more to the family

NARNIA

Please tell

ASH

Not only the family has royal blood  
we are also...

DONCASTER

Alright Ash you said enough

NARNIA

Royalty that's awesome but it does  
not help with my homework

Tony's phone rings beside him he picks it up

TONY

It's my chubby boo excuse me for a  
minute

Tony gets up from the table and goes over to the corner of  
the dining room and answers the call

TONY (CONT'D)

Hay there baby girl

**INT. MEDIUM SIZE BATHROOM AT NANCY'S HOUSE**

Nancy on her phone chatting with Tony

NANCY

Hay there handsome

TONY

It's a joy to hear your voice what  
are you doing

NANCY

I'm sitting on the toilet taking a  
shit

TONY

Does it stink

NANCY

A little bit

TONY

Are you going to wash your ass afterwards

NANCY

Of course I'm going to wash my ass

TONY

That's good because the last thing I want is shit covered panties and a dirty asshole

NANCY

What do you mean

TONY

If we are going to fuck someday my baby's ass needs to be clean along with her panties

NANCY

Is it a turn off for you

TONY

A Hugh turn off

NANCY

Don't worry my panties and ass will be clean for you always

TONY

Nice, so how is your sister

NANCY

She's fine

TONY

Good to hear is she okay with the two of us being boyfriend and girlfriend

NANCY

She is a little sceptical because of my past history

TONY

You mean the whole leaked nude thing

NANCY

Yes,

TONY

What made you think that exposing  
yourself online was a good idea

NANCY

I was 16 and in love

TONY

With whom

NANCY

A college fuck boy

TONY

What was so fuck boy about him

NANCY

Blonde hair, nice eyes, six-pack  
bod and a 5-inch dick

TONY

That's a rookie number to me

NANCY

What 5 inches

TONY

Yes,

NANCY

What about dicks that are small

TONY

Surgery,

NANCY

That's so mean

TONY

No woman wants a pinkie finger  
size dick going inside of them

NANCY

Some women do

TONY

Anyway I would like you to do  
something

NANCY

What do you want me to do

TONY

I can't say because my family are  
in the middle of eating

NANCY

You can always call me back

TONY

You want me to do that instead

NANCY

Yes,

TONY

Okay,

NANCY

It was nice talking to you

TONY

Until then darling

NANCY

ASH  
Why are you not asleep

NARNIA  
I'm thinking

ASH  
Thinking about what

NARNIA  
What story to write

ASH  
Is that why your not asleep

NARNIA  
Yes,

ASH  
When is your homework due

NARNIA  
Wednesday,

ASH  
That is too soon

NARNIA  
I think Mama and Dada should go to  
the school and tell the teacher I  
can't do it

ASH  
You want Mama or Dada to tell your  
teacher that you can't do the  
homework

NARNIA  
I don't mind not getting a star by  
my name

ASH  
Don't say that

NARNIA  
I rather be laughed at

ASH  
An idea has come to my mind

NARNIA  
What is your idea

ASH  
How about I write a story and you  
copy it

NARNIA  
Do you have a story in mind

ASH  
As a matter of fact I do

NARNIA  
What is your story

ASH  
It's about a vampire family

NARNIA  
A vampire family

ASH  
Yes,

NARNIA  
Tell me about this vampire family

ASH  
Well there is a mummy vampire a  
daddy vampire and a child vampire  
living in a palace on its own land  
near a forest where a family of  
wolves are living

NARNIA  
Write that down for me

ASH
