tell you.

Zeke, AJ and Snot are turning their head to Charlie Mancuso.

CHARLIE MANCUSO

(to Zeke)

We've seen Trophy Truck Racing is too hard for you, cause to driving settings were bad for you by sliding off the way. But we gave you an easier vehicle for you on the Off-Road version of Motorsports. Did you ever tried to drive a Monster Truck?

ZEKE

(nodding to Charlie Mancuso)

Errr.. yeah, yeah. I was 18, and that Monster Truck I tried to drive in, was much more better and comfortable than a Trophy truck.

CHARLIE MANCUSO

(to Zeke)

Before I reveal the news again, I would like to ask you personally how old you are?

ZEKE

(to Charlie Mancuso)

I'm 26 now.

CHARLIE MANCUSO

(to Zeke)

Alright.

Charlie turns his head to AJ and Snot for a while.

(shaking no to  
Charlie Mancuso)

No, my both parents are dead. They died from an airplane crash with many others, and me and my brother "AJ" are both taking care of our teenage sister "Lisa" who's studying on High School.

CHARLIE MANCUSO

(to Zeke)

Oh wow.. I feel really sorry for you guys.

CHARLIE MANCUSO

(to Zeke)

But anyways, let's go back to the main conversation. The news I'm going to reveal is, you're invited to compete at Monster Jam. But started at the Arena event of the Thunder Nationals in Grand Rapids Michigan.

That's amazing! But which Monster Truck will I drive on that event?

CHARLIE MANCUSO

(to Zeke)

You're going to drive Don Frankish popular Dinosaur machine named "Jurassic Attack".

ZEKE

(nodding)

That's quite interesting.

ZEKE

When is that first Monster Jam I have?

CHARLIE MANCUSO

(to Zeke)

It's on the upcoming Saturday.

ZEKE

(to Charlie Mancuso)

AJ

(to Zeke)

Heyy!!

ZEKE

(annoyed to AJ)

Can it please be quiet here?!  
because Lisa is doing her

your stupid taking into account,  
you fucking dick faces!

 (to Donna)  
 I know, it's no big deal at all.

Then at the track during Lee O'Donnell's freestyle run driving the Fox, he hits the crush cars, and with a bicycle he lies down on his side. And his Freestyle run is over.

She survived the nose dive after going for the bus stack, and continues on 4 tires, and now she takes it easy to prevent a destruction to her truck.

After that Donna is making a strong donut.

That makes sure that Barry gives Donna huge support on her Freestyle run.

BARRY WEBB

(to Donna via his  
headset)

Great donut, Keep going!

Even Snot enjoys it.

SNOT

(like a skater bum)

It's a Monster Mutt Donut Time,  
baby! (Dog bark sound on a funny  
way like a skater bum with a  
crazy face)

Lisa is giggling with a what the hell face to Snot.

Donna goes for the high ramp, and makes a nice airtime.

KEN STOUT (O.S.)

A nice air by Donna Webb. She got  
the woman power today!

With an easy, turn Donna goes for the yellow van stacks at  
the ground, and makes a sky wheelie with a pogo after that,  
that makes her doing a wheelie.

KEN STOUT (O.S.)

The yellow crush cars are  
screwed...

SCOTT DOUGLASS (O.S.)

A nice sky wheelie, and Oh my! A  
pogo after that, and it includes  
a wheelie!

Donna is turning off her engine due her Freestyle run is  
over.

KEN STOUT (O.S.)

Time of the run is over!

SCOTT DOUGLASS (O.S.)

(Announcing)

Ladies and Gentlemen, DONNA WEBB,  
IN MONSTER MUTT DALMATIAN!!

Barry and Chris gives Donna a huge applause.

BARRY WEBB

(to Donna via her  
headset)

Well done, daughter! Nice run!

That makes AJ, Lisa and Snot being very interested too.

AJ  
(to Lisa)  
You're right, sis! She really has  
talents too!

Lisa turns her head to AJ

LISA  
(to AJ with a wink)  
You see, I told you.

Lisa turns her head back to the track.

Donna steps on the roof of her truck, and thanks the crowd  
and wants the crowd to hear from them.

INT. ZEKE'S DRIVERS CAB - FEW MINUTES LATER

Few minutes later, it is time for Zeke's Freestyle run. While  
he puts on his racing balaclava and helmets as follow, all by  
his racing gloves, and starts his engine.

INT. FORD FIELD, DETROIT, MICHIGAN - CONTINUOUS

AJ, Lisa, Snot, and Travis are ready for Zeke's Freestyle  
run.

SCOTT DOUGLASS (O.S.)  
(Announcing)  
Monster Jam Fans, the next  
Freestyle run is for the man from  
Irvine, California, ZEKE TOMAC IN  
PASTRANA 199!

Travis is excited how Zeke will survive the Freestyle run in  
stadium events.

TRAVIS  
Let's see what he can do in  
stadium events on Freestyle  
competitions.

Zeke drives into the track through the tunnel.

AJ, Lisa and Snot are creeping for Zeke.

AJ  
(to Zeke)  
Come on, Zeke!

LISA  
(to Zeke)  
You can do it, big brother!

Zeke goes for the low racing ramp, that makes him doing a little air.

Then Britney walks out from and stands next to the tunnel, closer to AJ, Lisa, Snot and Travis.

TRAVIS  
(to Britney)  
Are you ready for the massive freestyle of your boyfriend?

Britney turns her head to Travis

BRITNEY  
(to Travis)  
Just shut up.. cause I'm doing my job and I need to focus!

Britney turns her head back to Zeke in his Pastrana 199 Monster Truck on the track.

Zeke makes a nice air over the high ramp.

That start of the Freestyle impressed AJ, Lisa, Snot and Travis, while Britney is focusing coaching and watching Zeke doing his Freestyle run.

LISA  
He can drive Monster Trucks so easily...

AJ  
(to Lisa)  
Much better than Trophy trucks.

Zeke is going for the yellow crush cars, and makes a nice air, with an easy landing.

KEN STOUT (O.S.)  
Nice air, over the yellow crush cars.

SCOTT DOUGLASS (O.S.)

It is the Pastrana 199 truck, Travis Pastrana's truck, but Zeke Tomac drives it, while he is already sponsored by Monster Energy.

Britney is coaching Zeke while she still stands next to the tunnel.

BRITNEY

(to Zeke via her headset)

Keep it easy, Zeke. Even though it is a stadium track, just avoid your truck destroying itself.

Zeke is going for the high ramp for the 2nd time, with an easily landing, then he immediately goes for the back side of the bus stack.

INT. ZEKE'S DRIVERS CAB - CONTINUOUS

Zeke is still focusing on his freestyle run, while he told Britney that's a little boring run on that way..

ZEKE

How I survived it, might look boring.

INT. FORD FIELD, DETROIT, MICHIGAN - CONTINUOUS

Britney is still coaching Zeke to keep going.

BRITNEY

(to Zeke via her headset)

Don't worry, you do it great, keep going your freestyle run, sweetie!

Zeke goes for the bus stack again, but from the right side, and makes a nice airtime, and goes over the back-right side of the high ramp.

SCOTT DOUGLASS (O.S.)

A nice air, over the bus stack, with a perfect landing!

KEN STOUT (O.S.)  
you never expect it from that  
driver from Irvine California.

As follow, Zeke is doing a donut, thats been turned into a cyclone.

KEN STOUT (O.S.)  
Now he goes for a donut. And that  
donut turns into a cyclone!

Lisa, AJ, and Snot enjoys Zeke's donut.

SNOT  
(like a skater bum)  
Donut time, baby! Whoo!!! (Engine  
sound on a funny with with funny  
face, like a skater bum)

Lisa is giggling with a what the hell face to Snot.

LISA  
(giggling to Snot)  
Why are you so funny every time?

SNOT  
(funny with a funny  
face like a skater  
bum)  
This is who I am..

Lisa is giggling and turns her head back to Zeke in his truck doing Freestyle on the track.

But Britney is still coaching Zeke.

BRITNEY  
(to Zeke via her  
headset)  
Strong cyclone donut! Keep going!

Then Zeke goes for the yellow crush cars with a nice air. And then he immediately, goes for the back side of the high ramp, with a little sky wheelie with a perfect landing on his back tires.

SCOTT DOUGLASS (O.S.)

Zeke Tomac shows his amazing skills he has, but this time he has much more skills than in the Thunder Nationals event in Grand Rapids of last week, and a Nice sky wheelie over the High Ramp!

KEN STOUT (O.S.)

He should belong to the stadium events, cause of this!

Then he goes for the blue white crush cars racing ramp, that makes him doing a nice air.

KEN STOUT (O.S.)

Ezekiel or just Zeke, proofs the crowd and the whole Monster Jam on what I said a few seconds here before.

and with a strong turn, he makes a nice air over the bus stack again, but with landing by his backfires on the bus, he makes a nose dive, and makes a wheelie as follow.

KEN STOUT (O.S.)

And now we see a nice airtime over the bus stack..

SCOTT DOUGLASS (O.S.)

But Ken, Watch This!! A nice wheelie after that nose dive!

Zeke drives on four wheels again.

That impressed Britney, while AJ, Lisa, Snot, and Travis enjoys it.

BRITNEY

(to Zeke via her headset)

Nice wheelie, bae! Just keep going!

After that Zeke, hits the right side of the high ramp, that makes him doing a little bicycle, and he rolls his truck over, and lies down on his side.

KEN STOUT (O.S.)

A bicycle after hitting the side of the high ramp, and Oh no!

SCOTT DOUGLASS (O.S.)

He rolls it over, and he is done!

Zeke's engine turned off while he lies down on his side, Britney runs to him, just like the Monster Jam Officials.

BRITNEY

Oh shit...

With help from Britney and a Monster Jam official, Zeke climbs out of the truck, and putted off his helmet and racing balaclava.

SCOTT DOUGLASS (O.S.)

Ladies and Gentlemen, He is okay due he climbs out of his truck, make some noise, for ZEKE TOMAC IN PASTRANA 199!

Zeke wants to thank the crowd, and wants the crowd making a big applause for him.

INT. FORD FIELD, DETROIT, MICHIGAN - 15 MINUTES LATER

While Dennis Anderson in Grave Digger drives into the track through the tunnel, Zeke, Britney, Lisa Donna and Chris are watching the Dennis Anderson's Freestyle.

LISA

(giggling to Zeke)

Was it scary to lie on your side after a crash inside a Monster Trucks?

Zeke turns his head to Lisa for a while.

ZEKE

(giggling to Lisa)

No, of course not, what are you talking about? Lol..

LISA

(giggling)

So it wasn't that bad, right?

ZEKE

(giggling)

What do you think? I have a protective uniform on and I wore a helmet with protections.

Donna turns her head to Zeke and Lisa about a fact.

DONNA

But Dennis Anderson was injured more often and sometimes broke body parts.

Zeke turns his head to Donna

ZEKE

(to Donna)

Uhm.. wow.. how did you know that??

DONNA

(little giggle to Zeke)

duh.. I watched a lot of Monster Jam on TV before I debuted in Grand Rapids. Do you think I'm stupid or something?

ZEKE

I recognize that with every Monster Jam fan who even desperately wants to become a driver.

Britney wants to give Zeke, Lisa and Donna a sign to just watch Dennis Anderson's freestyle.

BRITNEY

Guys, just let's watch the Dennis Anderson's Freestyle.

Dennis Anderson did a big air over the bus stack, and by bouncing on his two left tires, he almost flips it over, but saves it by support of the backside of the high ramp.

SCOTT DOUGLASS (O.S.)

A big air over the bus stack, that's and twice bouncing on two left tires, and prevent to roll over by a supporting save, thanks to the backside of the high ramp!

After that, Dennis Anderson is going to make a donut.

KEN STOUT (O.S.)

Donut time, for the Black and Green Wrecked Machine! Driven by the man from Kill Devil Hills, who build that truck too since 1982.

Then he goes for an airtime over the high ramp, but while he made bounced landing on his two back tires, he hit the bus stack really hard, with a shake he crushes the bus, that makes him doing a nose dive with a wheelie on two backfires, and stands on 4 wheels again.

SCOTT DOUGLASS (O.S.)

Now he goes for the high ramp, to thank it for the save, and Oh! Wait a minute! Oh my!

KEN STOUT (O.S.)

I can't believe it! He shared while he crushes the bus stack, and a nice wheelie after the nose dive!

SCOTT DOUGLASS (O.S.)

I've never seen that before!

With a sharp turn, he goes for the bus stack again for taking revenge.

KEN STOUT (O.S.)

Now he goes for the bus stack again for taking revenge!

But he hit the right side of the bus stack, and crashed on his side on a crazy way that includes losing the hood.

SCOTT DOUGLASS (O.S.)

But he hit the side, LOOK! THAT'S A BRUTAL CRASH, LOSES THE HOOD! AND HE'S DONE!

KEN STOUT (O.S.)

Holy smokes!

While the engine is turned off, that crash by Dennis Anderson shocked Zeke, Lisa, Britney, Donna and Chris, that this happened!

LISA

(gasp)

Oh my gosh!

BRITNEY

(gasp)

Oh no!

DONNA

(gasp)

ZEKE

(shocked)

Holy shit!

CHRIS

(shocked)

I hope he's not injured!

The Monster Jam Officials run to Dennis Anderson in Grave Digger who's lying on his side.

AJ

I'm glad that his son will take it over from him.

Zeke turns his head to AJ

ZEKE

Well, that's easy to say.. While the Driver has protection, the crash doesn't kill the driver.

Zeke walks back to his room.

ZEKE

AJ

Alright, good night!

ZEKE

AJ

(fooling like a joke)

Come on, bro.. You should be able to take a joke about something that happened a while back.. or are you a wimp?

Lisa gets really annoyed about AJ on this moment.

You're definitely not going to achieve your goal!

Zeke turns his head to AJ

ZEKE  
(annoyed to AJ)

Don't interfere!

AJ  
(to Zeke)

Yes I do! I moved away from you to Ohio to get away from your bullshit about how I act! and you are my enemy! not only you, all of you!

LISA  
(mad to AJ)

Oh my god, AJ what the fuck is your problem?!

AJ

We're going to explain everything

Lisa, Britney and Snot is going to talk with Travis about the

Zeke sighed alone in front of his truck.

Suddenly Donna walked over to him.

DONNA

(to Zeke)

So.. You're having a really bad  
fight with your brother, if I see  
it correctly.

Zeke turns his head to Donna

ZEKE

(with sigh to Donna)

Yes, you saw that correctly. Man  
oh man, that idiot really screws  
up everything.

DONNA

(nodding yes)

You can say that. My father has a  
big conflict with my uncle, but  
then during the family business..  
and after that they never saw  
each other again, which is even  
more chill for him..

ZEKE

Well, hopefully I'm done with his  
nagging now and can continue with  
my goal of a long term contract  
with Monster Energy.

Donna turns her head to Zeke for a while.

DONNA

(to Zeke)

How did your Monster Energy  
promotion go with your manager?

ZEKE

Yes, it was definitely cool, and now this event in Houston and then I will achieve my goal.

That sentence from Zeke impressed Donna, and they give each other a hand box.

DONNA

Look, that's good to see! always be positive and believe what you're going to achieve!

After their hand box, Donna needs to let Zeke know that she needs to go to her Monster Truck, where Barry and Chris awaits her.

DONNA

I have to go to my Monster Truck, where my father and brother are waiting for me.

While Donna starts walking back to her truck, she turns her face to Zeke for three seconds.

DONNA

(to Zeke)

See you at the track!

Zeke shows his thumb up with a wink, Donna shows her thumb up back to Zeke, and continues walking to her truck.

Zeke is turning his face forwards and takes a deep breath.

Britney, Lisa, Snot and Travis walked over to Zeke.

TRAVIS

(to Zeke)

Yo Zeke, do you still have confidence to go for your long-term Monster Energy contract?

Monster Jam Fans, we are 2 minutes away from the Monster Jam Freestyle competition. But we make sure about an update, and that is due the Engine trouble Jimmy Creten got with Bounty Hunter after finishing is losing race against George Balhan in an Escalade, so that means, he is not able to compete at the Freestyle competition of tonight. A few drivers that includes Zeke, Donna, Adam Anderson, George Balhan, and John Seasock, are walking to their Monster Truck, straight from the tunnel.

Travis and Britney awaited Zeke next to his truck.

BRITNEY

(to Zeke)

Zeke, before you get your turn for the Freestyle run, I want you to remember this. if you ever forget, I will help you remember.

Britney turns her head to Travis, for his turn to explain to Zeke.

TRAVIS

(to Zeke)

This is another stadium track, you can go massive but show your spectacular skills, but you can also go 100 miles per hour. and by both of that, the fans will go crazy.

BRITNEY

(smiling sexy to Zeke)

Then promise me to get higher scores. Agreed?

ZEKE

(nodding yes to  
Britney and Travis)

You get my yes.

Britney is glad to hear it, Travis and Zeke gives each other a hand box.

Hey that's your fellow-Monster Energy sponsored driver..

Zeke turns his head to Travis for a while.

ZEKE

You saw that right.

Zeke turns his head back to the George Balhan in An Escalade on the track doing his Freestyle run.

As first, George Balhan goes for the blue white racing ramp, and makes a wheelie as follow.

That impressed Zeke and Travis.

ZEKE

Hey, that's how I know George Balhan..

TRAVIS

(to Zeke)

How did you know that?

ZEKE

I've watched Monster Jam a lot before I debuted in Grand Rapids a few weeks ago.

Donna walks to go step into her truck already.

DONNA

I'm going to already step into my truck, before I'm ready.

Zeke turns his head to Donna for a while.

ZEKE

(to Donna)

Good luck already.

DONNA

(to Zeke)

Thanks.

After that moment, George Balhan goes for the crush camper.

KEN STOUT (O.S.)

There goes the Crush camper!

and makes a sky wheelie and lands on his right back tire, that makes him bouncing on his right front tire, and rolls it over, but tries to make a save, by hitting the gas throttle during leaning on his nose.

KEN STOUT (O.S.)

A nice kinda sky wheelie!

SCOTT DOUGLASS (O.S.)

But look at his, LOOK AT THIS!!

and the back tires goes up into the sky, and lies down on his side due he is not able to save it.

SCOTT DOUGLASS (O.S.)  
HE TRIES TO SAVE IT, BUT OH NO!

KEN STOUT (O.S.)  
But not able to stand on for  
wheels again. it was very  
spectacular

SCOTT DOUGLASS (O.S.)  
but it was unfortunately a short  
Freestyle run.

Zeke, Travis and Britney were surprised about that.

TRAVIS  
Dang dawg.. That's a pretty shot  
run by the way..

BRITNEY  
That sucks for him when he landed  
on a wrong way..

Few minutes later, it's the turn for Donna's Freestyle run.

Donna started her engine, and drives forwards.

SCOTT DOUGLASS (O.S.)  
Monster Jam Fans, the next run is

Massachusetts, DONNA WEBB in  
MONSTER MUTT DALMATIAN!

Zeke is already standing next to his truck, while Barry is going to coach Donna before her freestyle really can start.

BARRY WEBB  
(to Donna via her  
headset)  
Alright Donna, when Chris throws  
the bone, then you can start the  
Freestyle run!

Donna prepared for a bone throwing by Chris, while Chris makes a throw move with the bone. Then he immediately throws the bone and runs directly to the wall, while Donna is start driving forwards.

Barry gives that compliment to Donna.

BARRY WEBB

(to Donna via her  
headset)

Good job, Donna! Now you can  
start your run!

Donna goes for a little air over the little dirt ramp, that  
makes her doing a little nose dive and slap wheelie.

KEN STOUT (O.S.)

stadium event, while it is her  
2nd stadium event, after her

With a sharp turn, she goes for the blue white crush cars.

KEN STOUT (O.S.)

The blue white crush cars are  
screwed, but what will be the  
result of it?

and makes a sky wheelie over it, and makes a little pogo as  
follow.

SCOTT DOUGLASS (O.S.)

That's a nice sky wheelie!

KEN STOUT (O.S.)

This is where she's really good  
at, while it's one of her amazing  
skills.

And keeps going her freestyle run.

That impressed Zeke, Britney and Travis, and while Barry keeps coaching her, Chris walks up to Barry.

BARRY WEBB

(to Donna via his headset)

That's a good one!

CHRIS

(to Barry)

Throwing a bone, might be dangerous.. but I survived easily..

Donna goes for a little air over the little dirt ramp for the 2nd time, that makes her doing a wheelie after an easy landing.

KEN STOUT (O.S.)

Well Scott, she's doing the Monster Mutt wheelie!

SCOTT DOUGLASS (O.S.)

That's absolutely easy to see!

Zeke, Britney and Travis are still impressed by Donna's Freestyle run.

BRITNEY

(nodding by crossing her arms with a smile)

I've so much respect for that girl..

ZEKE

(to Britney)

I get into my truck and look ahead from my driver's cab.

BRITNEY

(sexy smile to Zeke)

Alright sweetie.

Zeke and Britney are kissing on each other's mouth for 2 seconds, and Zeke is already going to step into his truck.

Donna is going for the crush camper, and shows her spectacular air over the crush camper.

KEN STOUT (O.S.)

There goes the crush camper. and survives it easy.

After a good landing, she makes a strong wheelie.

SCOTT DOUGLASS

And another wheelie! Another Monster Mutt wheelie during this Freestyle run!.

That impressed Britney and Travis, and Barry give her another compliment, and Chris gives her a huge support.

BARRY WEBB

(to Donna via his headset)

Yeah! Now we're talking!

CHRIS

(cheering Donna)

That's my sister!

Then Donna goes for the backside of the blue white racing ramp, and with a strong turn, she goes for the large van stack.

She made a nice air over the large van stack.

KEN STOUT (O.S.)

A nice air over the large Van stack.

But she landed with her left front tire, at the red crush car of the red yellow racing ramp.

SCOTT DOUGLASS (O.S.)

But WAIT A MINUTE!

But with a huge bounce with the backfires a little bit up in the air, she lands on the four wheels again, with a broken rear steer.

SCOTT DOUGLASS (O.S.)

That's a nice save, but she broke the front rear steer of her truck! But she keeps going her run, possibly..

That makes sure, that Barry trying to give Donna a sign to end the run, due the broken front rear steer.

BARRY WEBB (O.S.)

(to Donna via his  
headset)

Donna, end your run! cause you  
broke your front rear steer!

INT. DONNA'S DRIVERS CAB - CONTINUOUS

Donna agreed.

DONNA

Alright, Dad. No worries!

Donna drives back to her track pit, after her Freestyle run.

SCOTT DOUGLASS (O.S.)

A good sign of Webb's dad and  
crew chief to end the freestyle  
run for that reason. But ladies  
and Gentlemen! DONNA WEBB in  
MONSTER MUTT DALMATIAN! And She  
gets a score of 26 points from  
the judges.

Donna parked her truck at her track pit, and steps out of her  
truck.

Donna put off her helmet and her racing balaclava, while she  
walks to Chris and Barry.

BARRY WEBB

(to Donna)

Good job, Donna. You did it  
great.

DONNA

(to Barry Webb)

Alright, I know.. enough  
compliments, but let's see how  
the next one's are doing their

headset)

You know what you have to do.

With using a little high speed limit, he goes for a nice air over the large van stack, and he made a good landing after a little nose dive.

KEN STOUT (O.S.)  
That's a massive air over the  
large van stack, and he's a good  
freestyler at the stadium track  
as well.

That impressed Britney and Travis, while Lisa and Snot are cheering him up.

BRITNEY  
 (to Zeke via her  
 headset)  
 Now we're talking!

LISA  
 (cheering up Zeke)  
 Let's go big brother!

SNOT  
 (cheering up Zeke  
 like a skater bum)  
 Yeah Zeke!! Whooo!!! (Engine  
 sound with a crazy face)

It even impressed Donna and Chris too, while they're watching Zeke's run too.

CHRIS  
 (to Donna)  
 He seems to be quite aggressive  
 on the track.

DONNA  
 (nodding)  
 He does that perfectly..

Zeke is going for the backside of the red yellow racing ramp.

SCOTT DOUGLASS (O.S.)  
 We know for sure that he has more  
 up his sleeve.

But with a strong turn, he goes with a high speed limit for the blue white racing ramp.

KEN STOUT (O.S.)  
 Well, That's starting to look  
 good, Scott.

But with another turn, he goes for the crush camper, and tries to crush the camper.

SCOTT DOUGLASS (O.S.)  
 BUT LOOK, KEN! HE'S TRYING TO  
 MESS UP THE CRUSH CAMPER, CAUSE  
 HE WANTS TO CRUSH THAT CAMPER!

But goes over the side of it, and makes a sidewall save.

KEN STOUT (O.S.)

This could go wrong!

SCOTT DOUGLASS (O.S.)

And that is A NICE SIDE WALL  
SAVE!

That impressed Britney and Travis, but Lisa and Snot are amazed to see that and cheering him up again.

BRITNEY

(to Zeke via her  
headset)

Well done, Zeke!

LISA

(happy cheering up  
Zeke)

Yeah! Awesome!

Zeke is going aggressively for the backside of the blue white racing ramp.

With a strong landing, Zeke makes a wheelie.

KEN STOUT (O.S.)

And a Nice wheelie as follow!

But while he makes a wheelie, he hits the blue with crush cars, and rolls it over.

SCOTT DOUGLASS (O.S.)

But this turns out to go wrong,  
THAT HE EVEN HITS THOSE CRUSH  
CARS IN THE MEANTIME, AND ROLLS  
IT OVER!

But with hitting the gas throttle, with support from its nose, he tries to save it on a spectacular save, but he's not able to turn it back on four wheels again.

KEN STOUT (O.S.)

BUT WAIT A MINUTE! HE TRIES TO  
SAVE IT!

SCOTT DOUGLASS (O.S.)

But not able to turn it back on

Scene 19

Characters needed: Zeke.

INT. LINCOLN FINANCIAL FIELD, PHILADELPHIA, PENNSYLVANIA - 5 YEARS LATER

Zeke is competing at Monster Jam during the stadium event named "Path of Destruction", and as promised he's behind the wheel of the Monster Energy truck. And is doing a great Freestyle run.

ZEKE (V.O.)  
Yup that was my adventure in 2007. That's how I've got my 25 year athlete sponsorship contract with Monster Energy.

Zeke goes for a massive airtime, he made a perfect landing, but he goes easily over the wheelie ramp, and survived it easily.

ZEKE (V.O.)

Now we are 5 years further, 2012. I'm behind the wheel of Monster Energy, and together with Damon Bradshaw, I represent Team Monster Energy.

Zeke goes for an air over the yellow van stack at the ground, and after a perfect landing, he hit the backside of the racing ramp, carefully, and makes a nice bicycle as follow.

ZEKE (V.O.)

I'm married with Britney, and Lisa lives together with her boyfriend after she finished college in Arizona. But thank god, I've never seen my asshole brother "AJ" anymore since our last conflict, but he moved to Ohio to work for a Formula One team.

As follow, Zeke goes for a massive airtime and sky wheelie combination. With an easy landing, he goes easily over the crush cars with bus stack. And with a strong turn he goes for a big air over the bus stack, and with a perfect landing, he goes easily over the wheelie ramp.

ZEKE (V.O.)

When I have kids, I'm going to teach them for being world's best Monster Truck Drivers on the planet. I have a successful Monster Jam career, while I'm sponsored by Monster Energy.

Zeke is going for a donut that turns it into a cyclone.

ZEKE (V.O.)

Without support from Britney Lisa, my best friend "Snot", and my manager "Travis, aka Big-T" my dream wouldn't never come true. But With their support, It finally works for me.

Then Zeke is trying to make a bicycle trough the side of the wheelie ramp, but falls down on the yellow van stack at the ground, with support of the nose,

ZEKE (V.O.)

My name is Ezekiel Tomac, aka Zeke. And this was my start of my Monster Energy athlete sponsorship adventure.

trying to make a save by doing a kind of backflip into the sky, he crashed on his side, and is lying upside down that ended up his Freestyle run earlier.
