Brian takes a look at the digital clock on the shelf next to the bed. It's 02,00h. He gets up in the bed a little and looks toward bathroom door. Brian sees a short blackout in the bathroom under the bathroom door.

We are hearing the bathroom door opening, turning off of a bathroom light, and footsteps like someone aproaches the bed. Brian opens the sheet and Dobora walks in the scene, laying back in the bed. Brian covers her with the sheet and hugs her. They are falling a sleep.

INT. OFFICE, DAY

Suddenly guy from behind surprises Brian.

He crumples the blank paper and throw it at Gordon, and than picks falling documents.

They are laughing. Gordon is sitting at the desk next to Brian's.

GORDON

(Laughs)

Brian throws another crumpled piece of paper at Gordon.

He is dreamy and confused. He gets up. Clock is showing 02,00

attention.

He gets out from the bed, slowly aproaches the bathroom door.

He is infront of the bathroom door. He watches the flashing
light coming under the door. He puts the head close to the
door in order to hear something from inside. The flashes
stops and the light turns off suddenly.

He gets back quickly in the bed.

BRIAN
(He leans toward Gordon)I notice something strange. Maybe is nothing...I don't know

GORDON

Brian hesitates.

GORDON (CONT'D)

GORDON
(Gordon starts to laugh)sorry man...please continue

BRIAN
...Like I said, she is in the bathroom every night in the dead of night but than something else is happening. (Pause)

GORDON
What?

BRIAN
The light in the bathroom is flashing and turning off and on constantly. But just before she is about to get out from it, it turns to normal again....What's your oppinion?

GORDON
 (With the pencil in his
 mouth, listening
 carefully) I think you are
 losing your mind.

BRIAN
 I thought you want understand...

GORDON
 Maybe she had bad constipation
 (laughs)

BRIAN
 Shout up!

GORDON
 Sorry man. It's probably nothing.
 But why you don't ask her wat's
 going on.

BRIAN
 I don't want to look like maniac
 that
 stocks her in the bathroom. But in
 the other hand, I'm really desperate
 to see what's going on inside.

GORDON
 (Thinks, than raises the
 look at Brian
 significantly) Maybe
 there is a way.

BRIAN
 What do you thinking?

Gordon imitates the camera lense with fingers.

BRIAN (CONT'D)
 No no no...I don't want to do that
 shit.

GORDON
 Ok...but it is the only way.

Brian is looking at him.

INT. ROOM, NIGHT

Camera shows the clock. 01,59 is changing to 02,00. Light
 starts to flash. Camera is moving towards the bed.

Brian is already awake. He is sitting in the bed watching toward the bathroom with the arms put on the banded knees. He is worried.

INT. BATHROOM, MORNING

Brian brushes his teeth. He looks at the lighting bulb above the door. He turns on the light.

He stops brushing and he taps the light bulb with his fingers. Nothing is happening.

Debra's voice is heard from the living room.

DEBORA

Honey I went to work!

BRIAN

Ok hon...see you! Have a nice day!

INT. LIVING ROOM, DAY

Brian calls a friend on the phone.

BRIAN

Hey man. Listen...I need your help

INT. APARTMENT, BATHROOM, DAY

He climbs down from the ladder. He is in his work uniform.

RHONY

All done! The camera is connected wirelessly to your laptop! The battery will hold for a couple of months. As you see (takes a look again at camera in the wall) it's completely invisible for others.

BRIAN

Thanks man! (He is feeling ashamed a little)

Rhony is quiet. He is anticipating money.

BRIAN (CONT'D)

Oh yes...sorry
(Takes out the money) Listen...I don't want anybody to know about this.

RHONY
Don't worry about that. See you.

BRIAN
Wait!
(Putts extra money in the
hand of a guy)

Rhony is looking at Brian with a dose of wonder. He takes the money and leave. Brian takes a look at camera once again.

INT. ROOM, BED, NIGHT

Brian is sleeping. Flashing light is lightining his head. He is not waking up. Camera shifts at the clock which showing 02:00h.

INT. APARTMENT, EVENING, LIVING ROOM

BRIAN
Honey!?
(The voice is hearing from
lobby)
Deb!?

He enters living room.

Brian is checking whole apartment to make sure that Deb is not in it.

He sit at the workdesk. He opens the laptop.

OS starts on the laptop screen. He opens a "Night Bird" software. Big owl as a logo appears on the screen. Software is opened. He finds the recorded video from last night and opens it.

Video starts. It shows bathroom with a light turned off. He fast forward video until he sees Debora entering the bathroom. He presses play.

Video shows Debora in the bathroom. We can see her aside and little from behind. We can not see her face, just a little profile. She stands infront of the mirror in the white nightdress. She is just standing and do nothing. Brian looks confused.

In one moment, she takes out the box from the shelf. She opens the box and slowly taking out the hair brush from it. She slowly starts to brush her hair.

The lights start to flash a little. As she continued to brush hair light starts flashing more. Lights starts to turn off and on rapidly.

Flashing and blackouting are speeding up more and more. The recoded video starts to break, distort from moment to moment.

In one moment, as video runs, couple of longer blackouts occurs. Brian is not sure but he notices that some strange is going on with Debora.

One long blackout happens. Light turns on again showing us that Debora is changed. His brown hair becomes black and long and it covers a whole face. After the small pause she raises her hand with the brush in it. Her hand is like the hand of a wich. She stops.

She turns slowly aside, towards hiding camera. Her Hair is covering her face. She raises her head and reveals her face. Her face is nasty one, like a face of the demon. She looks at the camera.

In the same time bathroom lights and recorded video go crazy.

Video shuts down suddenly.

Brian is terrified. He looks at the screen shocked. He is sttified. He is turning his head slowly to the right.

Camera is shooting him from the shelf with the blurred small object infront of the camera. He approaches to the shelf and takes the object from it. Camera clears object for us. It is a hidden camera torn out from the wall. Brian's stress culminates.

The sound of someone opening the front door of the apartment is hearing.

The front door is closing. A Wich hand locks up the door and takes the key out from the lock. Camera stays at the lock. We hear the footsteps of Debora going to the living room and entering living room.

BRIAN (CONT'D)
(With the voice from the
distance)
No...NO!...NO!..

Fade out.

THE END
