MITCHELL

(to Ruby) Hello my Daughter... How was your sleep?

RUBY

(to Mitchell) Alright Papa... Alright...

(Maria stands up and hugs her daughter. Ruby hugs her mother tightly)

MARIA

(to Ruby) Good. I'm glad my daughter had a beautiful sleep. That's what us beautiful women do....

(Mitchell laughs)

MITCHELL

(chuckles; to Maria) Yes. While we men do the work, you women relax and sleep...

MARIA

(chuckles; to Mitchell) Oh no Mitchell. I do my fair share of work... I cook basically every night for us all...

(Maria and Mitchell laugh at each other jokingly; Ruby smiles as she looks at her parents. Moments later - the young, handsome knight and protector DARREN of Mitchell's residence enters inside)

DARREN

(to Mitchell) Hey Mitchell. Security is clear. No scumbags this morning...

MITCHELL

(smiles; to Darren) Thanks Darren. You work hard... I appreciate it... Thank you...

DARREN

(smiles; to Mitchell) Well that's why I get fed here... That's why your wife cooks for me every night... And um--

(Darren stops talking as he notices Ruby, Mitchell's daughter by the dining room. Darren develops an attraction towards Ruby, and has a crush on her)

DARREN

(to Ruby) Hello there Ruby... How are you this morning?

(Ruby turns her attention to Darren)

RUBY

(to Darren) Oh hello there Darren. I'm fine... What about you??

DARREN

(smiles; to Ruby) Working hard... But it's nice to see you this morning...

RUBY

(smiles; to Darren) Good to see you-

(The town hall bell goes off - it is 9AM. Mitchell notices his knight's affection for his daughter; and smiles. Maria notices this to)

MITCHELL

(smiles; to Maria) Well it's 9am honey.... You needed that sourdough bread for those poached eggs, didn't you?

MARIA

(Ruby smiles as she watches her mother leave; to fetch sourdough bread for dinner tonight. Darren continues looking at Ruby)

DARREN

(to Ruby) Ah Ruby... I uh... I'd really like to take you out for some devonshire tea one day...

(Ruby grows affection towards Darren; Mitchell notices)

DARREN

(to Ruby) That's uh... (looks at Mitchell; to Ruby) That's uh... only if your old man agrees to it...

MITCHELL

(smiles; to Darren) Yes sure... Just do your job. As long as you do your job and look after my daughter... and treat her right... Thank you....

DARREN

(to Mitchell) Will do sir.... Your daughter will be looked after well.. I am a knight after all...

(Mitchell kisses his daughter Ruby on the cheek)

MITCHELL

(to Ruby) You can go out for some devonshire tea with Darren now if you'd like..

RUBY

(excited; to Mitchell) Really Papa... Really..

MITCHELL

(to Ruby) Yes... Most absolutely. Come back before 1pm though...

RUBY

(smiles; to Mitchell) Oh thanks Papa.. Thanks...

MITCHELL

(to Ruby) No worries. Just have fun Ruby... That's all I would like...

(Ruby smiles and hugs her father. Darren looks on and smiles...)

MITCHELL

(to Darren) She's all yours... (to Ruby) I'm going to meet Simon down the bakery... Thanks...

RUBY

(smiles; to Mitchell) Okay Papa. Well have fun with Mum and Simon...

MITCHELL

(chuckles; to Ruby) Well Simon talks a lot... too damn much. But he supplies the village food; can't complain too much...

RUBY

(smiles; to Mitchell) That's right. Bye Papa.

MITCHELL

(smiles; to Ruby) Bye my precious Ruby-

(Mitchell leaves and heads to the bakery where his wife and baker Simon are. Darren looks at Ruby and smiles)

DARREN

(smiles; to Ruby) Well uh... If you and I are going out for some devonshire tea... you and I better get ready... Do you, do you got a nice... a nice dress to wear...

RUBY

(smiles; to Darren) Oh you bet... I shall not be long...

(Moments pass; Ruby changes into a green leaf-printed with green sandals - Darren remains in his knight-guard uniform and gear. Ruby is shocked to see that Darren has not changed into something more formal; like a tuxedo)

RUBY

(shocked; to Darren) Do you uh? Do you uh... have a tux... tuxedo or something?

DARREN

(to Ruby) I'd much like to remain in my knight's gear - in the scenario if... anything bad was to happen to you.... I'd like to protect you...

(Ruby is touched by Darren's interest to protect her at all costs. Ruby smiles at Darren; Darren looks at Ruby's formal attire)

DARREN

(smiles; to Ruby) Well Ruby... You look... You look beautiful... I must say that because you're... well you are...

(Ruby smiles)

RUBY

(smiles; to Darren) Well you are a most handsome, respectful knight aren't you? That is most DEFINITELY why my Papa pays you...

(Darren smiles)

DARREN

(smiles; to Ruby) Well uh... Let's head for some devonshire tea... I know somewhere special I can take you...

RUBY
(smiles; to Darren) Oh yeah. Where?

DARREN
(romantic; to Ruby) You will most certainly see-

INT. SUNSET PARK

(Moments later - Darren the knight, guides his crush Ruby to Sunset Park - an area surrounded with land, by a mysterious dungeon where no Merryville has ever visited; or know if any residents live at the Dungeon. Darren the Knight, and Ruby are seated at a picnic table - as they chat and share devonshire tea together)

DARREN
(smiles; to Ruby) Well these scones are just cooked... they're just cooked perfection...

(Ruby eats another savour scone; and smiles in delight)

RUBY
(smiles; to Darren) Yes they are just... so superb... so superb tasting... Where did you get these??

DARREN
(smiles; to Ruby) Oh Simon. The baker... Who else?

RUBY
(smiles; to Darren) Well yeah... He does have a reputation of being the only... and the best baker in town...

DARREN
(smiles; to Ruby) Well yeah... you're right...

(Ruby looks at the green-brick dungeon - the dungeon that has been standing and thought to be abandoned; for years ever since her & Darren's birth)

RUBY
(curious; to Darren) That dungeon over there... it has always been mysterious hasn't it??

(Darren looks at the dungeon)

Made in Highland

DARREN

(nods head; to Ruby) Yeah it has always been mysterious to me to...

RUBY

(smiles; to Darren) I know everyone in town seems to think no-one lives there... but what if someone actually does... and they just keep to themselves??

DARREN

(to Ruby) Nah... I think if anyone lived there, we'd all know...

RUBY

(to Darren) True... Damn it would be scary inside there then... Abandoned and empty... Imagine if that dungeon could be turned into some amenity for the village...

DARREN

(to Ruby) Yeah well that's a great idea... Not only are you pretty and beautiful, but smart and intelligent...

RUBY

(smiles; to Darren) Well thank you... You are so kind... You are so--

(SUDDENLY - an explosion blasts towards Darren and Ruby. Ruby screams and falls onto the ground in fear; Darren runs to Ruby and defends her with his body; bending downwards. The massive blaze of fire topples over Darren's body. Despite the knight fireguard protecting his body; Darren's face is severely burned. Ruby screams from shock; Darren is in shock. The blaze ends; all residents of Merryville scream in shock. Ruby is uninjured; thanks to Darren; and her magical-healing unicorn-like abilities; with which Darren is unaware of)

RUBY

(concerned; to Darren) Darren.. What happened? What the hell happened?

DARREN

(groans; to Ruby) I don't know... I don't-

(Darren groans as he lifts his severely burnt face up; and looks at Ruby. A concerned Ruby worries after seeing an injured Darren)

RUBY
(concerned; to Darren) Darren... You're...
You're injured...

(Darren groans)

DARREN
(groans; to Ruby) No I'm... I'm okay... I'm
just shocked...

RUBY
(concerned; to Darren) No please Darren. Let
me help you... Let me help-

DARREN
(annoyed; to Ruby) How can you HELP me Ruby?
I am the knight - your protector - I AM
SUPPOSED TO PROTECT YOU-

RUBY
(concerned; to Darren) And you did... Just
please... Let me help you... I can help
you...

DARREN
(annoyed; to Ruby) RUBY. ARE YOU LISTENING
TO WHAT I'M SAYING? HOW CAN YOU HELP?

(Ruby is hurt by Darren's anger towards her. Ruby grows frustrated with Darren's frustration - and confesses her magic transformational abilities)

RUBY
(frustrated; to Darren) I'M A UNICORN... I'M
A DAMN UNICORN-

DARREN
(annoyed; to Ruby) Oh please... Don't tell
me your magical fantasies...

RUBY
(screams; to Darren) I AM-

(Ruby angrily transforms into a purple unicorn. Ruby's unicorn skin is purple; with a leaf-printed caparison, with glowing green eyes; and a brown mane, with a purple horn. Darren looks at Ruby; and is shocked by Ruby's transformational abilities)

DARREN

(shocked; to Ruby) What THE? What the HELL?
I'M HAVING A DATE WITH A UNICORN-

(Ruby remains in her unicorn form and trots closer to Darren. Darren steps backwards; in complete shock)

DARREN

(shocked; to Ruby) IS THIS? WHAT THE?

RUBY

(unicorn-form; to Darren) Yes what you're seeing is real... I'm a unicorn/cross-human at birth... I was born like this...

(Darren is shocked at Ruby's unicorn form)

DARREN

(shocked; to Ruby) MY... Oh Damn... I'm shocked...

(All residents of Merryville continue to scream from shock of the sudden explosion. Mitchell & his wife Maria run to Sunset Park; and notice their daughter in unicorn-form. Mitchell is far from happy; and shouts at his daughter)

MITCHELL

(shouts at Ruby) Ruby... Ruby... No... NO...
Human Form... Now-

RUBY

(unicorn-form; to Mitchell) Papa Wait...
Wait...

MITCHELL

(shouts at Ruby) RUBY. NOW...

(Ruby transforms back to her human-form in fear of her father's anger)

MITCHELL

(angrily; to Ruby) I SPECIFICALLY TOLD YOU
FOR YEARS. TO NOT TRANSFORM IN PUBLIC. TO
NEVER SHOW ANYONE YOUR ABILITY...

RUBY

(upset; to Mitchell) Dad... Darren is hurt... He protected me from that explosion blast... Now he's hurt... I was going to HEAL HIM... (angrily) I WANT TO HEAL HIM...

MITCHELL

(annoyed; to Ruby) NO RUBY... I will contact the general surgeon at Merryville... Your ability can not be discovered by anyone. Now Darren knows...

DARREN

(worried; to Mitchell) Mitchell. I wouldn't tell anyone...

RUBY

(annoyed; to Darren) I don't care... I didn't want anyone to know of my daughter's ability... not even YOU....

(Darren is unsure of what to say or do in the highly stressful situation. Mitchell notices Darren's face)

MITCHELL

(annoyed; to Darren) Head Back Home... I'll call the surgeon... Please leave now...

(Darren obeys Mitchell; and leaves for Mitchell's residence - for medical help; and for returning to his general duties as Knight of Mitchell's Residence. Mitchell turns his attention to Ruby)

MITCHELL

(upset; to Ruby) I AM SO upset with you Ruby... Let's go home...

(Maria holds the sourdough bread on one hand, and her daughter's hand on her other hand; and they head home; following Mitchell)

INT. DEVIL'S DUNGEON

(It appears a resident has been living at the thought-abandoned Dungeon. The resident is Devil; a dragon-humanlike creature; Ruby & Darren's age; who had been abandoned at birth due to his ghastly, freakish appearance.

It turns out that Devil was the one who caused the fire explosion at Sunset Park. Devil had been watching over Ruby; having developed an attraction on her appearance; from inside his secluded dungeon he resides him. It appears that Devil had tried to kill Darren; to replace the love interest of Ruby. It also turns out that Darren is shocked to learn of Ruby's transformational ability into a purple unicorn. Devil thinks to himself)

DEVIL

(shocked; to himself) A unicorn.... A dragon and a unicorn... Now that's a match...

(Devil walks around his secluded dungeon; and imagines his future relationship with Ruby; and grows excited by every minute - planning his second murder on Darren the Knight)

DEVIL

(smiles; to himself) I've JUST. I'VE JUST got to kill HIM. AND SHE'S MINE-

(Devil blows fire in the screen)

INT. MITCHELL'S RESIDENCE - DINING ROOM

(Mitchell, Ruby and Maria sit at the dining room table. Mitchell is still very unhappy with his daughter; after showing her ability to Darren the Knight.... No one is talking at the dinner table)

RUBY

(cries; to Mitchell) Papa... I am sorry. I'm sorry. Darren was injured... I wanted to...

MITCHELL

(upset; to Ruby) RUBY. I have told you this for years. TO NOT TELL ANYONE ABOUT YOUR ABILITIES.

RUBY

(cries; to Mitchell) I know Papa. He just... I wanted to heal him...

(Meanwhile at Mitchell's Residence

Made in Highland

outside - the general surgeon at Merryville is applying antiseptic cream to Mitchell's face wounds, and applies a bandage over the wound. 5 mins later; Darren heads back inside; and notices the family in fighting)

MITCHELL

(angrily; to Ruby) WELL BAD LUCK. People WOULD TRY TO KILL YOU BECAUSE OF YOUR ABILITY (cries; to Ruby) Ruby Darling... look... You know what people are like... no one can appreciate anyone that's different... instead people just want to fight and attack them instead of just trying to understand them...

(Ruby cries and agrees with her father)

RUBY

(cries; to Mitchell) I know Papa...

MITCHELL

(cries; to Ruby) I'm just looking out for you darling... I'm just looking out for my only daughter...

(Darren approaches the scene)

DARREN

(saddened; to Mitchell) I'd just like to say sorry and apologise... I know Mitchell you didn't want me aware of your daughter's abilities.. and I'm sorry I discovered it... I'm just... I'm sorry.

MITCHELL

(to Darren) Just Darren... Please... This is a massive secret you must keep... please don't tell anyone about my daughter's abilities... She means the world to me... and I don't want some crazy person to get her, capture her, and hurt her. That's not what any father wants... You must keep this secret strictly within the family please...

DARREN

(nods head; to Mitchell) Understood sir... Understood.

(Mitchell smiles)

MITCHELL

(to Ruby) Please Darling... Your ability... you can show me, your mother or Darren. No one else...

MARIA

(concerned; to Darren) What even happened with that explosion near the dungeon?? You both were near it, I was so concerned?

DARREN

(to Maria) I have no idea Maria... For years, everyone in town thought no one or nothing lived there; nothing ever happened there. But today; was shocking...

MITCHELL

(to Darren) Well thank you for saving my daughter from the explosion... You do a great job... Thanks...

DARREN

(smiles; to Mitchell) No worries Mitchell...

MARIA

(smiles; to everyone) Come on all. I'm going to cook some sourdough and poached eggs up... Let's go...

(1 HOUR LATER - dinner of 'poached eggs on sourdough bread' is served up. Maria serves the meals to each person at the dining room table)

RUBY

(smiles; to Maria) Thanks Mum..

MARIA

(smiles; to Ruby) No worries my baby girl-

(Maria kisses her daughter Ruby on the cheek)

MITCHELL

(smiles; to Maria) Thanks Maria..

MARIA

(to Mitchell) No worries honey...

DARREN

(smiles; to Maria) And thank you to Maria...

MARIA

(smiles; to Darren) No worries our knight...

(Maria returns to sit at the dining room table. Everyone begins eating their meals)

INT. MITCHELL'S RESIDENCE - BACKYARD

(THE NEXT MORNING - Maria is trotting along the security-fenced backyard of the Mitchell Residence. Maria watches her unicorn-form daughter throttle along)

RUBY

(unicorn-form; to Maria) Mumma. Do I look cool?

MARIA

(smiles; to Ruby) Oh you look beautiful Darling... Beautiful...

(Ruby transforms back to human-form; and hugs her mother)

RUBY

(hugging Maria) I love you Mumma. So much.. so damn much...

MARIA

(hugging Ruby) I love you to my baby girl.

(Maria kisses Ruby on the cheek once again. Suddenly, Maria and Ruby hear screaming from inside - and identify it is Mitchell. They look shocked and worries)

INT. MITCHELL'S RESIDENCE - LIVING ROOM

(MEANWHILE, the ghastly-looking human-dragon Devil approaches the front door of Mitchell's Residence. Mitchell screams as he helps his knight Darren, protect the household from the dangerously, fearsome-looking predator. Darren struggles with the weight of Devil)

DARREN

(screams at Devil) GET OUT OF HERE YOU FREAK.. GET OUT OF-

(This angers Devil; as he pushes Darren forcefully with his hands. Darren groans in shock; Mitchell worries. Mitchell grabs a broom; and tries to hit Devil with it. Devil grabs the broom with his hands; and burns it by the breath.

Mitchell panics as he steps backwards; Darren stands back up with his sword; as he swings his sword; hurting Devil's dragon wings. Devil screams in agony from the sword-wound)

DEVIL

(angrily; to Darren) You'll pay for that you
DAMN KNIGHT...

(Devil grabs Darren by the hand and smacks him to the living room wall. Darren screams and falls back on the ground; Mitchell tries to defend Darren; and grabs another broom to attack Devil; this fails as Devil burns the second broom once again)

DEVIL

(sadistic; laughs to Darren) A broom...
really. What DO YOU THINK A BROOM IS GOING
TO DO TO ME?

(Devil picks up Darren. Maria and Ruby return inside - Maria screams frantically at the ghastly-looking creature; Ruby screams in fear of her father being killed by the dangerously-looking Devil)

RUBY

(screams to Devil) No.. NO. PLEASE...

(Devil looks at a scared Ruby, begging for her father's life... Devil puts down Mitchell and approaches closer to Ruby, and picks her up. Ruby worries; Maria screams frantically; Mitchell screams in a father's fear)

MITCHELL

(screams; to Devil) No... Let my daughter
go... Let her go...

MARIA

(begging to Devil) No please... Please don't
hurt my daughter... Please...

(Devil leaves with a captured Ruby, and heads to his dungeon.
Maria screams in panic)

INT. MITCHELL'S RESIDENCE - FRONT OF HOUSE

Made in Highland

(Mitchell and Darren run outside to capture Ruby; but fails. Devil breathes fire towards the two; and flies away with Ruby. Mitchell panics; Maria walks outside and cries frantically)

MARIA

(cries frantically; to Mitchell) Oh my Daughter... Our Daughter..

(Mitchell paces back and forth; and panics as he stresses about his captured daughter)

DARREN

(worried; to Mitchell) I'll save her Mitchell. I'll save your daughter..

MITCHELL

(concerned; to Darren) Please save her from that... ghastly, looking thing. Please...

MARIA

(begs Darren) Ruby is so precious to us... Please...

MITCHELL

(nods head; to Darren) Yes she is... Our Ruby is so... Please save her... We'll give you a buffet tonight if you save her... please....

DARREN

(nods head; to Darren) Will do... I'm off-

INT. DEVIL'S DUNGEON

(Darren the Knight heads to the abandoned Dungeon; where he somehow believes Devil is hiding. MEANWHILE, Devil has Ruby in a secluded cell in the Dungeon. Ruby is scared; and begins talking to Devil in fear)

RUBY

(worried; to Devil) Hello... Um... Dragon-Human... Um... What is your name?

(Devil doesn't like being called a 'Dragon-Human;' and becomes aggravated at Ruby)

DEVIL

(angrily; to Ruby) WHAT DID YOU CALL ME? WHT DID YOU CALL ME?

(Ruby realises she insulted Devil;
and has made him angry. Ruby
remains calm and breathes)

RUBY

(breathes; to Devil) I'm sorry... I'm sorry.
What is your?

(Devil breathes fire at the cell
doors; Ruby ducks but the fire
hits her. Ruby remains unharmed;
thanks to her magical healing
abilities. Devil is shocked)

DEVIL

(shocked; to Ruby) You're not HURT. You're
not HURT.

(Ruby remains calm)

RUBY

(worried; to Devil) Please... Tell me your
name... I'd like to get to know you...

(Devil is frustrated by Ruby's
immunity to fire and heat)

DEVIL

(annoyed; to Ruby) HOW THE HELL ARE YOU NOT
HURT?

(Devil breathes fire towards Ruby
again; Ruby is yet again
uninjured; and not hurt)

DEVIL

(annoyed; to Ruby) HOW ARE YOU NOT HURT?

RUBY

(concerned; to Devil) Please... Let's
talk... Let's chat...

(Devil is shocked and sits on his
tail; in front of Ruby's cell; and
is shocked of Henry's immunity)

RUBY

(breathes; to Devil) What? What is your
name?

(Devil calms down; and begins to
be attracted to Ruby)

DEVIL

(breathes; to Ruby) Devil.. The name... The
name is Devil...

(Ruby is shocked by the name)

RUBY
(shocked; to Devil) Devil... Like the Devil
in the Bible...

(Devil becomes insulted again; and
screams to Ruby)

DEVIL
(angrily; to Ruby) I AM NOT THE DEVIL FROM
THE BIBLE. MY NAME IS JUST DEVIL. DEVIL....

(Devil screams at Ruby from
outside her cell. Ruby is worried
and unsure of what to say)

RUBY
(concerned; to Devil) I'm sorry. I didn't
mean it like that. I was just...
Nevermind...

DEVIL
(annoyed; to Ruby) What.... You don't like
my name... You don't like my name..? Well
blame my pathetic parents for that....

RUBY
(concerned; to Devil) Where... Where are
your parents?

DEVIL
(annoyed; to Ruby) OH WHO KNOWS. I GREW UP
WITHOUT PARENTS. I had to fend for myself...

(Ruby is concerned with Devil's
self-esteem)

RUBY
(concerned; to Devil) I'm sorry... Were you?
Were you born like this?

DEVIL
(annoyed; to Ruby) YES. I'M A HYBRID - I
think that's what they call me. Dragon-Human
Hybrid...

RUBY
(concerned; to Devil) Oh okay... Oh..

DEVIL
(annoyed; to Ruby) Now tell me about your
immunity to fire and heat. Is it just fire
and heat?

(Ruby tries to avoid the question;
in obeying her father to not show
anyone her ability apart from her
parents and Darren)

RUBY

(concerned; to Devil) Oh I'd rather not. I'd like to talk more about you...

(Devil grows annoyed and screams at Ruby)

DEVIL

(angrily; to Ruby) I ASKED YOU A QUESTION. NOW ANSWER MY DAMN QUESTION. OR I'LL GO KILL YOUR FATHER...

(Ruby grows panicked; and obeys Devil out of fear of her father's potential death; if she does not obey Devil)

RUBY

(concerned; to Devil) No please don't... Please...

(Devil glares at Ruby in anger)

RUBY

(confesses to Devil) Okay.. Well um... I'm a unicorn...

(Devil is interested in Ruby's unicorn-form)

RUBY

(confesses to Devil) I can uh... I can transform into a unicorn... A purple unicorn to be exact... and I uh...

(Devil keeps listening to Ruby, and continues looking at her)

RUBY

(confesses to Devil) And since... well because I'm a unicorn... I have magical properties... because of my horn... Healing properties...

DEVIL

(to Ruby) Show me your unicorn form... Now...

RUBY

(concerned; to Devil) Please guarantee you won't hurt my Papa... Please...

DEVIL

(annoyed; to Ruby) I WON'T... Just do what I say...

(Ruby grows panicked, and transforms into her unicorn-form.)

Devil notices Ruby's unicorn-form - purple skin; with a leaf-printed caparison, with glowing green eyes; and a brown mane, with a purple horn. Devil is shocked of Ruby's animalistic transformation)

DEVIL

(to Ruby) And how long have you been like this?

RUBY

(unicorn-form; to Devil) Since I was born... Since I was born...

(Devil pats Ruby's mane. Ruby grows concerned)

DEVIL

(questions Ruby) Ruby... Why uh?? Why do you like that Knight so much? You and I are the same, unique individuals with animalistic transformations that no other human will ever understand... Stay with me... Ditch the Knight...

(Ruby grows concerned)

RUBY

(unicorn-form; to Devil) Did you? Did you uh cause that... cause that fire explosion down Sunset Park?

(Devil ignores Ruby's question)

DEVIL

(in love; to Ruby) Stay with me beautiful... Stay with someone you can relate to... Rather than just a normal human who will never understand your difference to them...

(Ruby grows concerned. MEANWHILE - Darren the Daring Knight swings by open the Dungeon. Devil is angered and unhappy from this and roars; and breathes fire at Darren's direction. Darren gets harmed on the face once again; Darren falls and groans. Ruby worries)

RUBY

(screams; to Darren) Darren. DARREN-

(Devil looks at Ruby)

DEVIL

(annoyed; to Ruby) SHUT UP... YOU'RE MINE. NOT HIS-

(Devil opens the cell-door with great strength; Ruby transforms back into her human-form by fear. Devil grabs Ruby by the leaf-printed desk by hand, and forcefully drags her to another location in the dungeon. Darren stands up and groans from his injuries; and notices Devil taking Ruby away. Ruby screams; Devil grows annoyed)

DEVIL
(annoyed; to Ruby) SHUT UP...

(Darren makes his way towards Devil; in the act of saving Ruby. Darren swings a sword by Devil's shoulder; Devil screams in agony, and drops Ruby. Ruby groans from being dropped to the ground; Devil roars and identifies Darren by his eyes. Devil breathes fire towards Darren's location once again; Darren gets out of the way - the firebreath creates a massive blaze; completely demolishing the exterior of abandoned dungeon to shreds. Ruby worries)

RUBY
(screams in fear; to Darren) Darren. Are you? Are you OKAY?

(Devil grabs Ruby yet again; Darren gets back up from cover and groans by his face wounds; and gets back into the fight; and swings his sword yet again at Devil's back. Devil screams in agony; and drops Ruby yet again)

DEVIL
(screams; to Darren) YOU DAMN KNIGHT. I HATE YOU ALL-

(Devil breathes fire once again at Darren; Darren jumps out of the way. Devil uses his great-immense strength and smashes the ceiling of the dungeon to shreds; and grabs Darren by the foot. Darren groans in agony; as the Devil hits Darren in the ceiling then back to the ground. Darren swings his sword at Devil's wing; completely discarding the wing off of Devil's hybrid body. Devil screams the loudest in agony; and falls to ground. Darren approaches Devil)

DARREN
 (annoyed; to Devil) You're down. YOU. ARE.
 DOWN-

(Devil groans)

DEVIL
 (groans to Darren) She's mine... Ruby is
 mine... She and I are similar.. and nothing
 like you plain humans..

DARREN
 (to Devil) No... Ruby is a good well-behaved
 person... Not like you at all...

(DEVIL screams at Darren; as he
 breathes fire from his mouth
 towards Darren's direction. Ruby
 notices this and panics for
 Darren's safety)

RUBY
 (screams) DARREN. DARREN...

(Ruby transforms into a purple
 unicorn; and quickly trots her way
 towards Darren's aid. The blaze of
 firebreath heads towards Darren's
 direction; Ruby approaches Darren
 before the blaze topples over him)

RUBY
 (unicorn-form; to Darren) DARREN. QUICK...
 ON ME...

(Darren quickly hops onto Ruby's
 horseback; Ruby quickly rides
 herself and Darren out of the
 dungeon. The dungeon quickly
 explodes)

 INT. DEVIL'S DUNGEON - OUTSIDE

(Ruby gets Darren out safe from
 any other harm. Darren still
 groans with his face wounds; the
 dungeon is now completely
 demolished. The village community
 is shocked by the incident; Darren
 is still on Ruby's horseback -
 still shocked by Ruby's second
 appearance; and the incident that
 has occurred. Darren is lost for
 words)

RUBY
 (unicorn-form; to Darren) Darren. Are you.... Are you alright?

DARREN
 (concerned; to Ruby) Are you alright?? But thanks... thanks for saving me...

RUBY
 (unicorn-form) I'm okay.... I'm-

(Darren dismounts off of Ruby. Ruby looks worried at Darren in her unicorn-form; and is concerned to what Darren thinks of her)

RUBY
 (unicorn-form) I'm sorry...

DARREN
 (to Ruby) For what?

RUBY
 (unicorn-form) I... I know you are slightly shocked by my appearance.. I'm sorry.

DARREN
 (to Ruby) No it's okay... it's not that... I mean... it's just something I'll have to get used to.. But I still like you... I still do...

(Ruby smiles. She notices the burnt face wounds on Darren)

RUBY
 (unicorn-form; to Darren) Hey Darren. Have your face directed at my horn...

DARREN
 (confused; to Ruby) Ah... why?

RUBY
 (unicorn-form; to Darren) Your face wounds... You're burnt. I can heal you with my horn... Please..

(Darren worries; and has his face directed at Ruby's horn. Ruby's horn lights up; distinguishing its healing power to Darren's face - removing the burnt wounds from Darren. Ruby stops minutes later; Darren is relieved)

DARREN
 (shocked; to Ruby) Thank... Thank you... I ah-

(Darren is shocked and embarrassed)

RUBY

(unicorn-form; to Darren) It's okay. You don't have to say anything... It's all good..

DARREN

(shocked; to Ruby) It's not that... It's... I'm just glad you're safe-

(Ruby transforms back into her human form. Darren and ruby share a passionate kiss on the lips)

INT. MITCHELL'S RESIDENCE

(Mitchell, Maria, Ruby & Darren sit at the dining table; enjoying a dinner of "Pasta Risotto." Mitchell and Maria are relieved their daughter is safe from that ghastly, dreadful hybrid.)

MITCHELL

(relieved; to Ruby) Oh my Darling Ruby... I'm glad you're safe... I'm so glad you're safe....

RUBY

(smiles; to Mitchell) It's okay Papa. If it wasn't for Darren's help - I don't know what would have happened.

(Darren smiles at Ruby)

DARREN

(smiles; to Ruby) Yeah well. That is my job after all... a job I am most honoured for...

MITCHELL

(to Darren) Thanks Darren. Thanks for saving my girl...

(Darren smiles at Mitchell)

MARIA

(smiles; to all) Alright everyone. Eat up-

(They all begin eating their pasta risotto)
