WALLY

(firm to STAN) Well I hardly see you ever worried... what is it..?

(STAN breathes and reveals his worry...)

STAN

(worried to STAN) It's just.... my son would be hard to catch.. he was really good at mazes as a kid; he's good at conning people to... confusing them.... he always was a smart kid at school. Sometimes he outsmarted me...

WALLY

(Determined to STAN) I'll make LEO smarter... I'll make him a hundred times smarter.

STAN

(worried to WALLY) But how... how can you do that now... WALLY is going to struggle to move with prosthetic legs... if they get destroyed in the line of duty..

WALLY

(determined to STAN) LEO will not be able to perform line of duty work anymore.... but I will make him an excellent detective. The best he is... (looks at STAN) brains vs brains. Detective vs THUGGED CRIMINAL...

(STAN smiles at WALLY's positivity; and expresses his support)

STAN

(expresses support; to WALLY) I will help LEO get there to... with my loads of extensive knowledge in detective work... I'll help make him better than me..

(WALLY smiles; a pause)

(WALLY watches LULU; cater to her son's side; speaking in a saddening voice...)

LULU

(worried to LEO) Leo... Leo darling....

(LEO recalls his legs being forcefully amputated by the saw at the hands of JACOB. LEO cries; WALLY walks towards his healing son; and comforts him. STAN watches on)

LEO
(cries to himself) My legs... my legs...
they were cut off by JACOB...

(LULU cries at LEO's sorrow at the loss of his legs. WALLY comforts LEO)

WALLY
(comforts LEO) I know SON... I know... I'm
sorry...

LEO
(cries to WALLY) I can't... I..

(LEO starts to feel the prosthetic legs connected to himself; and wishes to sit up. WALLY helps his son up; LEO notices with his eyes; the sight of his prosthetic legs; moving them around...)

LEO
(to WALLY) Father... I have robotic legs.

(LULU still cries at LEO's hurt over his loss of legs. The upset WALLY continues comforting his son...)

WALLY
(comforts LEO) Yes... we can't have you in
the line of action anymore... you're going
to have to a QUESTIONING DETECTIVE for now
on..

(LEO is hurt by the incapability of taking police action on foot anymore. He expresses his sadness to his father..)

LEO
(saddened to WALLY) No more action on
foot... because I no longer have legs....
no... no..

(LULU upset by all that has happened; makes her way to her son; switching places with WALLY. WALLY stands up; looking at his upset, disheartened son. LULU wipes the tears off her face; and tries to remain strong)

LULU

(saddened to LEO) Leo... Leo baby.... You can be the BEST DETECTIVE I KNOW in town... you'll be the SMARTEST DETECTIVE in-house I know in town... you'll be the brains of TRETON POLICE STATION.... I know you will be..

(An upset LEO looks at his mother..)

LEO

(saddened to LULU) You sure I will be a GOOD DETECTIVE...

(LULU remains strong; and maintains a strong voice...)

LULU

(assures LEO) Yes... you will be my son... I promise..

(STAN walks up to LEO)

STAN

(assures LEO) You will be a good detective son.. you will be... I promise you.. I promise that my son who did this to you.... will suffer criminal justice..

LEO

(to STAN) Okay.... and yes... he must be stopped..

(THE SCENE ENDS with LEO hugging his mother; with WALLY joining the hug seconds later. STAN looks in shock of the events that has just happened...)

(FADE OUT; A FLASHBACK SCENE occurs)

(LEO drops the police officer car and doll; and looks at his parents... questioning their police duties..)

LEO
(smiles to WALLY) So DAD... you are a POLICE OFFICER... It must be cool being one.. stopping all the bad thugs and crooks in town..

(LEO smiles and remains inquisitive. LULU speaks to her son...)

LULU
(smiles to LEO) Yes LEO darling... your father is the best on the job... no one else is better.

(LEO smiles)

LEO
 (questions WALLY) Holding a gun is scary but it is a responsibility of being a cop HEY DAD...

WALLY
 (Smiles to LEO) Well that's for sure son... that is for sure... you can't be silly with one...

LEO
 (smiles to WALLY) Do you think I will be a good copper one day DADA?

(WALLY smiles at LULU; then back at his son LEO)

WALLY
 (assures LEO) Yes son... you will be... I promise you that..

LULU
 (smiles to WALLY) You will learn from the best SON...

(LEO becomes excited of the future; in becoming a police officer)

LEO
 (excited to WALLY & LULU) I can't wait to be a POLICE OFFICER Mummy and DADDY... i can NOT WAIT..

(WALLY and LULU smile at their son's excitement of being a police officer in the future..)

WALLY
 (Smiles to LEO) I can't wait either son...

(A pause...)

LEO
 (questions WALLY) So DAD. As police; you must also ensure you arrest the right people right... like you wouldn't want to arrest thee wrong person for wrongful conviction... that'll be bad..

WALLY
 (to LEO) Yes... that is right son... it entails using evidence and facts to find and arrest the convicted criminal..;

LEO

(To WALLY) Woah... it sounds like a big job.... like the evidence thing...

(WALLY smiles at his son...)

WALLY

(smiles to LEO) Well.. that is the responsibility of being IN BLUE..

(LULU and LEO smile at each other... then smile as they watch their 8-year-old son continue to role play police.. FADE OUT: END OF SCENE & PILOT)
