Coach K tells the players he's proud of them. He says a speech and hands a basketball to Kevin and hugs him and walks out the door. Meanwhile Brandy is super drunk feeling a little sick but trying to hold it together. Jordan then announces they are going to play a game. They are playing charades. After about 3 people pull a paper to act it out, Brandy tells Kevin she'll be right back and rushes to the restroom, where she pukes and passes out on the side of the toilet feeling sick holding her stomach.

The voices are saying Say something! I can't hear you! they said this for sometime then Kevin looks and there are about 6 people in all

black with animal masks on. So Kevin starts to walk faster and they walk faster. They begin to start throwing rocks at him chanting those words. He starts breathing slowly and slowly the he gets a message from Brandy of the video from the party and connects his phone to his laptop on the kitchen cabinet. He's watching the video and see's no evidence of anyone that could have chased him. after watching video over 8 times he then realizes something. He looks at Jordan in the video and noticed Jordan had on all black. So as he continue to watch the video he see's 5 more people wearing all black. Kevin hops out the bathroom stall and smiles at Jessica holding a knife in his hand. He scrapes the knife across the glass, walks up to Jessica in her face and repeat the phrase

KEVIN

Say something! I can't hear you! 3X

Jessica, Jessica, Jessica

I never seen you to be the one who pranks but I noticed that Samuel was apart of the bunch and you will do anything for him even if you didn't want to

JESSICA

KEVIN

Sorry! Your Sorry! do you know what I've lost! well it doesn't really matter now because you all are going to die but all of your deaths are not going to be mute but LOUD!

Kevin stabs Jessica in the stomach and pulls knife up to her neck bleeding to death, coughing up blood, then cuts off her tongue. Kevin then wipes his knife off with her hair then

EXT/ BRANDY DRIVING- NIGHT

(Brandy & Camille is on Cell Phone
Talking to one another)

Brandy hears her voicemail that Camille left and called her
back. Camille answer the phone and ask if she knew what
happened to Jessica and she said yes. Camille ask if she can

ask her dad what happened to Jessica exactly how she died and what evidence did they find. Kevin put a mic in Brandy car so he's listening to the conversation. Camille told Brandy that Brian will meet up with you later to get information from her. Brandy ask Camille how are the others taking this? Camille tells Brandy hard and confused. Camille said well how is Kevin taking it, after everything that happened to him.

BRANDY

Honestly, Camille he's really not showering any emotion's. But he's been on medication's so I totally understand, he almost lost his life.

CAMILLE

(frantic)

Do he remember what happened that night?

BRANDY

honestly, he doesn't.

CAMILLE

good

BRANDY

What do you mean good?

CAMILLE

I mean, would you want to remember a night like that it's good that he doesn't.

BRANDY

Yeah, your right. I couldn't relive a tragedy like that. Something that was strange was his outburst when I mention Jordan's name.

CAMILLE

Well you know Jordan never liked Kevin even as kid's, plus to top it off knowing the feeling's he had for you but you still fall for a mute all star athlete. I'm just saying Kevin was better than Jordan at everything and taking his girl hahaha

BRANDY

First of all I was never Jordan's girl, That was just one time and I was

drunk that night.

CAMILLE

Yeah but you never told him that it was nothing. But anyways girl enough of them. Call your dad and ask him about Jessica death.

BRANDY

okay, wait last question Camille, what happened that night before Kevin left the party? I was drunk and passed out and had a hangover but when I went to look for Kevin he had left.

CAMILLE

I'm really not sure, we played a game and he said that he had to pick his mom up from airport.

BRANDY

Oh okay I see. well girl let me call my dad.

CAMILLE

okay bye
(Brandy calls her dad on the phone and Kevin is listening to phone call)

BRANDY'S DAD

Hello, Baby how are you?

BRANDY

I'm doing good, just wanted to know what happened t Jessica and what evidence did they find?

BRANDY'S DAD

You know I can't tell you that because we are doing an investigation, we think this could be an serial killer on our hands.

BRANDY

Dad, come on please just tell me.

BRANDY'S DAD

I can't but what I can tell you might be disturbing so if you want to know or else I won't

BRANDY

DAD I'LL BE OKAY I CAN HANDLE IT

BRANDY'S DAD

okay, so who ever killed her meant business and it was personal. The killer cut her with a sharp object from her stomach to her neck. The killer has to be a male to have that much strength to cut up from her stomach to her neck. That's not all. The killer cut her tongue off.

BRANDY

(sad and disgusted)
what the Fuck!

BRANDY'S DAD

We were unable to retrieve any murder weapon, but we did find a Red Marker near Jessica hand. Also on the mirror was writings in Red from that same marker that said,

Say something. I can't hear you.

I didn't understand that phrase, I was puzzled.

BRANDY

Yeah, it doesn't make any sense dad, why would she write that on the mirror. That night Camille said she was supposed to go with them but she went to the restroom and told them not to wait up. I don't get any of this. Please dad catch that sick bastard!

BRANDY'S DAD

I will, oh yeah and every camera in the school was erased so we don't know times or traffic of people in the hall. we are doing an investigation on that as well. So how is Kevin doing? I like that kid, my future son-in-law

BRANDY

Daddy quit it hahaha

BRANDY'S DAD

Seriously I like him, I know he's probably taking this hard. he's been through a lot. we are still trying to find out who was chasing him that night but we have to put that on hold to find this killer.

BRANDY

Yeah, your going to be busy. Well dad love you talk to you later.

(Brandy hangs up the Phone and calls Camille)

(On phone with Camille)

BRANDY

Hey Camille so my dad told me that Jessica was killed with a knife cut from her stomach up to her neck. The killer cut her tongue off

CAMILLE

What the Hell, her tongue. Damn that's Fuck up!

BRANDY

Yep it is, and they found a Red Marker near her hand and there was writing on the mirror

CAMILLE

what did the writing say?

BRANDY

it said.....

(Brandy was driving in the canyon and lost connection)

CAMILLE

Hello? Hello? Brandy, you there, she must be driving through the canyon.

(calls Brian and tells him everything)

CAMILLE

Brian we have to sneak in the police station and find the evidence because Jessica phone is in there and she have messages of our pranking plan on Kevin.

They Factory Reset Jessica's Phone erasing everything and breaking the phone. Brian here's the officer and tells Camille to get out of here and I'll meet up with you tomorrow. She agree and leave out the back exit. Brian is picking up the tongue with 2 pencils then grabbing it with news paper. Brian takes a look at an article on the desk that says Kiesha and Kevin Wright win lawsuit against Canyonville Hospital lawsuit for an amount of 1 Billion dollars. Brian is shocked and knows that Kevin is rich so he takes a picture then forward it to Camille with subject saying this Mute bastard is rich! soon as he's getting ready to leave, he hear a noise in the back, and he checks it out then here the door shut and locked. Brian freaking out trying to open the door. Kevin kills the officer. Over the intercom, chanting

Say something! I can't hear you! 10xs

Brian remembers those words they said. He's scared. He try's to open door and it open, he takes off running towards exit but looks behind him and see's Kevin with a knife. chanting

Say something! I can't hear you! 3x

BRIAN

Kevin! what is this! what are you doing? How are you speaking?

KEVIN

KEVIN

Kevin run's up to Brian to stab him but Brian grabs Kevin hands and the knife falls out to the floor. Both of them trying to grab the knife. They are wrestling on the ground but Kevin had a knife on his ankle in a knife holster and stabs Brian in the throat, one end to the other end. Cutting Brian shirt off. He carved

Say something! I can't hear you! in his chest and cuts off his tongue.

KEVIN

grabs Kevin phone and text Camille to meet him at a location in the woods to talk about what to do next. Across the hallway jails wall says

Say somethin Brian blood

CAMILLE

(on phone with Devon)
Hey Devon, we where able to get Jessica's phone so the cops can't read any messages from the Pranking incident.

DEVON

Good, because I was worried, whats next?

CAMILLE

Brian texted me to meet him @ Bridge Road in the woods Left of the street so I'm waiting.

DEVON

Isn't that a few miles away from Kevin's house?

CAMILLE

I'm not sure. But check out that message I've sent you about Kevin.

DEVON

Kiesha and Kevin Wright win lawsuit against Canyonville Hospital lawsuit for an amount of 1 Billion dollars.

Damn! This fool is rich. We should have kidnapped him

CAMILLE

I know right, Just playing I'm ready for all of this to be over. This is crazy. All of this never should have happened. We lost our friend.

DEVON

Well did you find anything else besides Jessica's cell phone.

CAMILLE

Matter of fact I did, I found pictures from the crime scene, I haven't looked at them yet but I have time now, Let me take a look.

(freighting and shaking as she looks through the pictures)

Devon I am scared, I know whose doing this

DEVON

What! what does the pictures say? what's on them?

CAMILLE

(Scared Voice)

Say something! I can't hear you! is written on the Mirrors with a Red Marker. Brandy was trying to tell me this but her phone connection went out. Do you get it? Jessica's tongue was cut out of her mouth. Kevin is mute so that's why he cut out her tongue. Kevin wrote those words on the Mirror because those where the words

(Kevin starts clapping and smiling)

CAMILLE

Kevin is that you? How are you
talking? I'm sorry please don't kill

Camille takes off and drops her phone and runs to a
Underground Bunker and opens it up. Devon is on the phone
still and yelling Camille are you okay. Kevin gets on the
phone.

(Kevin on phone with Devon)

KEVIN

She's okay Devon, for now

Say something! I can't hear you! 2x
(Kevin hangs up the phone and puts
it in his pocket)

EXT/ UNDERGROUND BUNKER- NIGHT

(Devon is on the phone with Jordan)

Devon Tells Jordan everything and but Jordan doesn't believe
it. He don't believe Kevin can kill anyone. so Devon tells
Jordan to go to the Hospital and check up on Brian because he

He's cutting out the tongues and
writing:

Say something! I can't hear you! to
make it visible to us because we
chanted those words. Kevin knows it
was us. Dude Brandy sent me a video on
accident a recording of the party and
meant to send it to Kevin. So if Kevin
got that video then he put the pieces
together, all 6 of us wore all black.
He figure that shit out!

JORDAN

DEVON

JORDAN

DEVON

JORDAN

thinking about money I want this dude

DEVON

(hangs up the phone)

EXT/ UNDERGROUND BUNKER- NIGHT

Kevin sneaks up behind Devon and knocks him out with a bat
and ties him up in a chair next to Camille both blind folded
and eyes covered, with a rope on their necks attached to the
a machine . Kevin removes their blind fold and stares at
them. He removed Devon Tape off his mouth. Devon yells and

cuss Kevin out, You Mute Retarded Bastard!

KEVIN

Is that right?

DEVON

What the Fuck! You can talk?

KEVIN

I can now, you guys are going to die a brutal death so please get out anything you want to say

Kevin pull off Camille tape off her mouth and she is crying begging to let her go. Kevin walks over to the raider and presses play and turn the volume up loud.

Say something! I can't hear you! is playing out the raider super loud, so loud you can't hear the screams from Devon and Camille. Kevin pulls a lever that pulls the rope and they choked to death then he let the down. Cut out both of their tongues, cut their neck and let the music play continuous. Kevin hears a text from Devon phone read HERE! Kevin.

Right as Kevin walks out the Bunker to sneak up on Jordan, Samuel has a big rock and knocks Kevin out.

INT/ KEVINS HOUSE LIVING ROOM- NIGHT

Kevin is tied up and Jordan and Samuel has guns. They ask Kevin how could you kill 4 of their friends. They never thought he could be a killer but they realized that when he hit his head, something changed in him making him numb to violence. They seen all the pills poured out in the bathroom sick so they knew he wasn't taking his medication. Jordan and Samuel punches and beats on Kevin making him bloody. They are calling him a Mute serial Killer and start laughing. They tell Kevin the whole plan of why they did what they did. They knew that Kevin and his mom won 1 billion dollars. Kevin mom changed their last names so no one would find out.

JORDAN

you see Kevin I did my research on you and your family, I know that your dad left at a early age and when I met up with him he had a whole other family. That means you have step brothers and sisters but there's one in the family that are close with us both but you killed him. Devon was your step brother. This whole plan was not my

brilliant plan. It was actually his.

Kevin dad walks out from the dark and begin to clap and says good job to Jordan. Kevin dad knew his Ex wife had won that money but because they were divorced, he didn't have no right to any of the money so he had to come up with a plan fast. He told him that when he found out that he was mute, he didn't want nothing to do with him. Kevin's dad looks at Jordan and says now! Jordan shoots Samuel 4 times and he dies and throws the gun. Jordan tells Kevin that the money was just too much to pass by, Jordan tells him he had to get a piece of the pie. The lights outside shuts on. Kevin's dad says I guess Brandy has joined the party. Jordan go find her and kill her.

Kevin dad is telling Kevin that he is proud of him and that everything he learn playing basketball comes from him.

4 Gunshots goes off and Kevin's dad tells Kevin that his girl is dead so now he has nothing. Kevin Dad said your mute, a killer and have nothing to live for. Brandy walks in with a gun pointing at Kevin's dad. Kevin's dad is impressed that she took the gun from Jordan, but tells her there aren't anymore bullets in the gum sweet heart. He grabs her and tosses her. He choking her, she some how grabs a knife and stabs him and runs upstairs. Kevin's dad tell Kevin he's going to have fun with her before he kills her.

Kevin is wiggling out of the tied up ropes and end up getting free. Kevin's dad grab and chokes Brandy and rips her clothes to rape her but Kevin' tackles him while Brandy runs down stairs and grab the other gun. Kevin Dad is telling her to put the gun down, and that he'll give her money, and she lowers the gun and Kevin's dad rushes her and wrestle her for the gun and Kevin walks down bleeding form being punched. Kevin yells Get off of her, and they both looked never hearing him speak before and she shoots Kevin dad in the head, but she fell on a knife when wrestling early and bleeding out. Kevin grabs her.

BRANDY

Your Voice is Beautiful
(She bled out)

Cops bust through the door and tell Kevin to get on the ground. Once they handcuffed Kevin and put him in the cop car, Kevin mom drove up. They let Kevin go.

KEVIN'S MOM

(Talking with Kevin in Sign
Language)

They both hung and get in the car and drives away. Kevin looks out the car window and smile as they drive away
