Why did Roscoe have you in a headlock  
Kirk?

Come on dude you don't have to lie to  
me, He was serious. That look in his  
eyes told a different story. What's  
up? are you in some trouble with him  
too

KIRK  
Man, to be honest Brayden, you was  
always a real stand up dude, people  
feared you in the hood but every since  
you hung around your bro you became  
soft and nice but that's a good thing.  
I wish I had a brother that could help  
me stay on the right track. Michael  
was special Brayden and I was jealous,  
that he took my best friend from me.

BRAYDEN  
First of all nobody can take my  
brother place and you still my best  
friend, You just started running with  
the wrong crowd and you quit football.  
You was the #1 prospect in football  
Kirk, but once you started hanging out  
with Roscoe, you gave that up. I'm not  
going to do that with my talent plus  
my brother is why I'm even still  
playing basketball. You think I want  
to keep playing basketball knowing  
that I will never see my brother in  
the stands ever again?

KIRK  
I feel you Brayden. I miss him too. We  
had great memories growing up.  
Remember when we your brother fake  
like he was sick with a fever and me  
and you would give him ice cream and

cookie, to find out he tricked us by putting a hot rag on his forehead and kept heating it up hahaha

BRAYDEN

(Kirk and Brayden laughing)  
Yeah I remember that, we did everything together, What happened to us Kirk?

KIRK

We went our separate ways but anyways we have a problem. That Coke I gave you was a mistake, please don't do drugs anymore because my life and my sister life is on the line. Roscoe said if you don't win these next games then me and my baby sister is dead and he isn't playing! He told me I'm responsible for any loss because I gave you the coke so I need you to win Brayden.

BRAYDEN

(Brayden and kirk shake it up and became good friends again)  
Okay I got you dawg. I have a question Kirk.

KIRK

What's that?

BRAYDEN

I seen my mom and Roscoe talking the hall and they seem like they knew each other for a long time, that's the vibe I was getting. I just don't see how my mom get involved with someone like Roscoe

KIRK

Man Brayden you my boy but there's some things I just can't say or that's my head. What I can say is that they knew each other way before you and your dad met so they where good friends.

BRAYDEN

If they are good friend why would he kill them?

KIRK

Well, Roscoe only cares about his money. If anyone comes between him and his money is dead.

BRAYDEN

(Angry and Pissed grabs Kirk by the collar of his shirt)

Also he said he knew who my brother killer was! Did you have anything to do with that? If yes then ima kill you!
