

Patchless:

Fade in:

Ext. (I-84 int highway strip- Day

Engines roar, blue and red blood patches flash as bikes pull into a cracked parking lot, a gray overcast sky looks over the urban town, a place that's seen better days.

Sheriff Marcus Darnell(50s weathered, wary) stands across the street, watching , his jaw tightens as the news spreads on handheld radios: the boricuas president sentenced to 25 years.

Cut To:

Lola Cruz (37), leather jacket tight, gold hoop earrings, a cigarette dangling from her lips, steps out of a Harley her eyes scan the crowd- calculated and cold.

Nearby, June Callahan (45) pearls around her neck pristine but hard-eyed, adjusts her pastel cardigan as she steps out of a dusty suv.

Shanice "Niecey" Black, sharp blazer, carries a laptop bag, her expression unreadable as she walks up.

Trixie(25), wild- eyed tattoos peek from under ripped sleeves, licks her lips and smirks while dragging a pack of smokes from her packet.

Camila Vega /Camila Rios (20s)
Hoodie up headphones in slips
quietly through the crowd with a
smartphone in hand.
