

The Teens View

"No Sugar Coating Allowed"

The Teen View' will be the biggest social center on television for teens created. Every possible topic, event, and prominent figure is targeted. Nothing and no one is off limits as the host take aim often in opposition to each other arguing their side, producing a humorous yet intense environment, that teenagers can identify with because they have the same arguments daily about these topics, people and events. All major social media sites on the net will be used to allow viewers to interact with the host as they discuss a range of topics that interest the youth from ages 12 to 22. Whether you are on Facebook, Twitter or you just want to use your webcam to upload your video message with your opinion, the Teen View gives teenagers globally an opportunity to express themselves.

'The Teen View' will spark the hearts and minds of any youth who has an opinion, creating a love/hate relationship between the audience and hosts. The Teen View has the ability to grab the attention of the youth with polarizing subject matter and in straight forward teen language, no sugar coating allowed. The hosts will discuss various hot topics of the day in the news, music genres, sports, entertainment, relationships, teenage love, parents, school and the political future.

Additional segments appear once or several times per week, such as Email and Facebook messages from viewers, Teen Celebrity Interviews, Culture of Drugs, Fast Food, Youth Movements and Community Service, Webcam Opinions from viewers, Youth in Detention, Teenage Entrepreneurs, and Teen of the Week. The setting and background is similar to the View, this show will attract viewers from age 12 to 30 and all others above, who have an opinion, due to the frank and honest approach of the hosts, who are sure to humor, anger, enlighten, and inspire teenagers all over the world.
