

**INT. PLANET EXPRESS - CONFERENCE ROOM**

**FRY, LEELA, BENDER, ZOIDBERG,** and **AMY** are sitting at the round table. **PROFESSOR FARNSWORTH** enters.

**PROFESSOR**

Good news everyone. Hermes has bad news!

**HERMES** enters behind The Professor. The Professor and Hermes sit at the table.

**FRY**

Why is that good news?

**PROFESSOR**

Because I don't have to give it. I know what you all say about me behind my back.

**CUT TO:**

**CLOSE UP** on Zoidberg's claws under the table chopping the head off of a "Farnsworth" doll.

**CUT TO NORMAL.**

**HERMES**

Thank you Professor. I just received a letter from the MOM Corporation recalling all Bender units due to faulty wiring. Everyone gasps and feels bad for Bender.

**BENDER**

Woo Hoo!! Now I can be greater and more perfect than I already am!

**LEELA**

(To Bender.)

I get why you're happy about this,  
but, why are you happy Hermes?

**HERMES**

It's a Tax Write-off, and the  
insurance covers it! But wait! It gets  
even better! We all get to tour the  
MOM factory.

**FRY**

All right! I hope we get to see Slurms  
MacKinsey again!

**LEELA**

Fry, that was at the Slurm factory.  
We're going to the MOM factory.

**FRY**

(Not understanding.)

Uh huh.

**LEELA**

You are aware that they are two  
different factories right?

**FRY**

(Not understanding.)

Uh huh.

**LEELA**

The Slurm factory is where they make  
Slurm. The MOM factory is where they  
make robots.

**FRY**

(Not understanding.)

Uh huh.

**LEELA**

Oh shut up.

**BENDER**

Yeah Fry, shut up!

**LEELA**

Thank you Bender.

**BENDER**

Shut up Leela! You're all still over  
looking the most important thing.  
(Short pause.)

Now I can be GREATER and MORE PERFECT  
then I already am.

**EXT. MOM CORPORATION.**

Hundreds of bender units are entering the building. The **PLANET EXPRESS SHIP** is seen parked in the parking lot. The Professor, Leela, Fry, Bender, Hermes, Amy, and Dr. Zoidberg are seen exiting the planet express ship.

**INT. MOM CORPORATION - LOBBY**

The group is met by a tour guide, **BUFFY**.

**BUFFY**

Hello, and welcome to the MOM  
Corporation. First I would like to  
announce that all Bender Units should  
report to the sign-in booth in room  
726.

(MORE)

BUFFY (CONT'D)

Several Bender Units start heading  
down a long hallway.

**BENDER**

So long Chumps!

Bender turns around and accidentally bumps into another  
**Bender Unit.**

**BENDER (CONT'D)**

Hey, watch where you're going ugly.

The Bender Unit turns around revealing himself as **FLEXO.**

**FLEXO**

Hey Bender!

**BENDER**

Hey Flexo!

Bender and Flexo playfully punch each other's Chest Cavity.  
Bender turns back to the group.

**BENDER (CONT'D)**

So long Chumps!

Flexo looks at the group.

**FLEXO**

Hey Professor! Hey everyone! Long time  
no see.

**PLANET EXPRESS GROUP**

Hey Flexo.

Fry gives Flexo an evil look. Flexo notices.

**FLEXO**

Ooo, Fry. Looks like someone beat you  
with an ugly stick. No, I'm kiddin',  
you're a handsome man.

**BENDER**

Come on Flexo, let's go check in.

Bender and Flexo continue down the hall.

**BUFFY**

All-righty everybody let's start our tour by heading down to the "Break-down" room.

**INT. BREAK-DOWN ROOM**

Buffy leads the planet express crew into the Break-down room. The break-down room has a large pile of old and broken **SUICIDE BOOTHS.**

**BUFFY**

This is where we get the materials to build our Bender Units.

Three Robots walk over to a Suicide Booth and carry it over to a large machine which resembles a meat grinder. The Robots put the Suicide Booth on a conveyor belt which takes the Booth to the top, dropping it inside.

After a very loud crunch/grinding sound, small chunks of metal are deposited onto another conveyor belt which goes through the wall into the next room.

**BUFFY (CONT'D)**

We use the scraps from old, broken, and unused Suicide Booths and discarded beer cans to make our Bender Units. All of our Bender Units are 100% recycled metal. Now we'll continue on our tour to the Shaping Room.

Buffy and the Planet Express crew head to a door following the scraps of metal. Leela is reading a "MOM Corporation" pamphlet.

**LEELA**

It says here that one normal Suicide  
Booth can be broken down to build over  
one half of a Bender Unit.

**ZOIDBERG**

Interesting.

**INT. MOM'S OFFICE**

**MOM, WALT, LARRY,** and **IGNAR** are watching the planet express  
crew on their tour through a security monitor.

**MOM**

(To the security monitor.)

Hueby? Is it really you?

**WALT**

Is there something the matter Mom?

**LARRY**

Yeah, Mom, is there something wrong?

**IGNAR**

Huh?

MOM swings to slap the 3; she hits Larry and Ignar but Walt,  
wittingly, ducks.

**LARRY & IGNAR**

Oww!

**MOM**

Walt? You finally ducked. After all  
these years. You finally made me miss.

Come here.

MOM holds out her arms to hug Walt. Walt steps closer. MOM  
quickly slaps him in the face then kicks him in the shin.  
Walt screams in pain and falls to the floor.

**MOM (CONT'D)**

(To Walt.)

Don't you ever make me look like a  
fool you Crap Idiot!

**WALT**

Yes Mom, sorry Mom.

MOM slaps Larry and Ignar again.

**LARRY**

Ouch!!

**IGNAR**

Owweeey!

**MOM**

That's incase you ever get the thought  
to duck and make me look like a Crap  
Idiot, you Stink-Blasters!  
(Looking back at the  
monitor.)

Now where was I? Oh yes. Is it really  
you Hueby? WALT!!

**WALT**

Yes Mother?

**MOM**

I want Professor Farnsworth brought to  
me immediately.

**CAMERA PUSHES IN TO CLOSE UP ON MOM.**

**MOM (CONT'D)**

We have unfinished business.

**INT. BENDER SIGN-IN ROOM**

BENDER, FLEXO, and about a hundred other Bender units are waiting in line.

Bender and Flexo are next in line. Bender steps up to the CLERK who is sitting behind a computer.

**CLERK**

Name and number.

**BENDER**

Bender Bending Rodriguez. 2716057

The clerk types into the computer then prints out a barcode sticker.

**CLERK**

(Handing the sticker to  
Bender.)

Put the sticker on your forehead and  
go to room 37A. NEXT!

Bender steps to the side. Flexo steps up to the table.

**CLERK (CONT'D)**

Name and number.

**FLEXO**

Flexo Flexing Gutierrez. 3370318.

The clerk types into the computer then prints out a barcode sticker.

**CLERK**

(Handing the sticker to  
Flexo.)

Put the sticker on your forehead and  
go to room 37B. NEXT!.

Flexo seems slightly depressed and goes over to Bender, who has the sticker on his forehead crooked.

**BENDER**

Hey Flexo. Is my Barcode on straight?

**FLEXO**

Uhh. No.

Bender gives someone behind him an evil eye.

**BENDER**

I guess next time I force someone to do something for me I shouldn't break both their arms first.

**FLEXO**

Listen Bender I kind of got bad news.

**BENDER**

We're getting magnets installed?

**FLEXO**

No.

**BENDER**

Fry isn't really from the past, but is actually from the future and is sent back to destroy all machines before we start thinking for ourselves and start killing all humans?

**FLEXO**

Um. No.

**BENDER**

Good. Then I still have time.

**FLEXO**

Listen. Bender, I have to report to room 37B.

**BENDER**

37B?! But I'm going to 37A.

Bender and Flexo's eyes start to water.

**FLEXO**

Hey, we can still hang out after this.

**BENDER**

Yeah, totally.

Bender and Flexo start walking down a hallway in the same direction, then stop at room 37A.

**BENDER (CONT'D)**

Well, I guess this is me.

**FLEXO**

I guess so.

Bender turns and opens the door.

**FLEXO (CONT'D)**

Bender. Take care of yourself.

**BENDER**

Only if you take care of yourself.

Bender enters the room and closes the door. Flexo continues down the hallway then enters the room right next door to Bender's room. Flexo looks back at Bender's door then enters 37B.

#### **INT. LARGE CAFETERIA**

**WIDE CAMERA ANGLE:** BUFFY is leading the PLANET EXPRESS CREW along with a few other people. The Professor is lagging and is at the back of the group.

**BUFFY**

And this is our Cafeteria where all the employees get to eat their lunch. But since all the employees here are robots only MOM and her sons get to eat in here.

**LEELA**

What about you? Where do you eat?

The group starts heading though another doorway.

**BUFFY**

Please hold your questions until the end of the tour. Now if you'll all follow me I'll show you where we use unwanted human remains to further our Newly Formed Android department.

Everyone enters the door, just before the Professor can walk though the door 3 masked men, obviously WALT, LARRY, and IGNAR, drop from the ceiling and drop a large burlap sack over the Professor then run off carrying him over their heads.

**INT. FLOWER ROOM**

The tour group exits the Android department and enter the flower room.

**AMY**

Wow, seeing all that makes me wish I only had one eye. Wouldn't that be cool?

**FRY**

Totally!

**HERMES**

You better believe it.

**ZOIDBERG**

If I only had one eye... The things I would do...

**LEELA**

Umm.. Hello?!

**AMY**

Huh? Oh, Not like yours Leela. Yours  
is..

**HERMES**

Creepy.

**FRY**

Kinda distracting.

Fry pulls out a piece of paper and a pen and starts drawing something.

**ZOIDBERG**

(Puts his arm around Leela's  
shoulder.)

Sister, if I had an eye like yours I'd  
wear a big hat, a hat which you could  
pull down over your eye, I would, then  
have surgery making your hand as big  
as your head. People would be so  
distracted by your hand they wouldn't  
notice the ugly hat on your head.

**FRY**

Or you could just make your head  
bigger and surgically implant another  
eye the same size. Here I drew a  
sketch for you.

Fry hands her the paper which has a crude drawing of Leela  
with a big head and 2 large eyes.

**LEELA**

Fry!

**FRY**

Oh wait. I forgot something.

Fry pulls the paper back and starts drawing on it. After a few seconds he gives the paper back.

**FRY (CONT'D)**

Perfect.

LEELA looks at the paper and sees a crude drawing of Fry with Leela, both inside a heart.

**LEELA**

Oh Fry... I don't know how to react to this.

**HERMES**

Say, where's the Professor?

**INT. MOM'S OFFICE**

WALT, LARRY, and IGNAR come running into the room carrying The PROFESSOR, who is in a large burlap sack, over their heads.

**MOM**

It's about time! Now put him down and get the HELL out!

**WALT**

Yes, Mother.

Walt, Larry, and Ignar put the Professor down and run out of the room.

**PROFESSOR**

(Still in the bag.)

What's going on? Where am I? What time is it? If I don't take my pill at exactly 1:23 pm things can get very awkward.

MOM pulls the bag off of the Professor.

**MOM**

Hello Hubert.

**PROFESSOR**

Who are you? Why am I here? What time is it? I still have to take that pill you know.

**MOM**

Hubert, it's me.

Professor Farnsworth looks closer at MOM.

**PROFESSOR**

Oh. It's you.  
(Starts looking around.)

Where's your clock? I have to take my green pill, it helps me remember things.

**MOM**

It's 1:30.

**PROFESSOR**

Oh my. I'm late. I have to take my pill right away.

The Professor checks his pockets.

**PROFESSOR (CONT'D)**

I don't remember where I put my pills.

MOM pulls out a blue pill and hands it to Professor Farnsworth.

**MOM**

Here. Stop yapping and take this.

**PROFESSOR**

(Taking the pill.)

I don't normally take strange pills,  
but I'll make an exception just this  
once. Do you have a glass of water?

Mom walks over to a faucet, grabs a 12 oz glass, and fills it with water then hands it to the Professor.

**PROFESSOR (CONT'D)**

I have trouble swallowing pills.

Professor Farnsworth chugs the water then, after the glass is empty, he swallows the pill.

MOM is putting on lipstick in the background. A few seconds after taking the pill, Professor Farnsworth jumps on MOM and they start kissing.

**MOM**

Oh Hueby!

**INT. 37A - ROBOT WAITING ROOM**

BENDER is sitting in a waiting room with about 6 other Bender units.

**BENDER**

(To a Bender next to him.)

So, uh... You don't happen to know what  
it is they're going to fix about us,  
do you?

**BENDER UNIT**

Eh, they're making us more  
environmentally friendly.

**BENDER**

Oh. Huh? Wait a second! They're going  
to take away my Flaming Belch aren't  
they?

**BENDER UNIT**

Not just the Belching.

**BENDER**

Noooooooooooo!!!

Bender runs out the door.

**BENDER UNIT**

He has anxiety problems.

**INT. 37B - ROBOT WAITING ROOM**

FLEEXO is sitting in a room with about 6 other Bender units.

**FLEEXO**

(To the bender next to him.)

Excuse me. Do you have a beer? I'm starting to sober-up.

**BENDER UNIT 2**

Didn't you hear? We're all here today to get an upgrade so we don't have to drink alcohol.

**FLEEXO**

Noooooooooooo!!!

Flexo runs to the door then turns back to the Bender Unit.

**FLEEXO (CONT'D)**

Thank you for the information. Good day sir.

Flexo runs out the door.

**FLEEXO O.S.**

Nooo!

**INT. BENDING SCHOOL**

BUFFY is still leading the TOUR GROUP.

**BUFFY**

And this is where we activate the  
Bender Units and upload their Bending  
degrees.

A Bender Unit is wearing a graduation cap and just got his degree. A machine arm reaches out, hands the Bender Unit his diploma, and pulls the tassel on the cap to the other side then tosses it into the air. The Bender Unit gets up and walks across the room and opens a door which leads to a frat party.

**BUFFY (CONT'D)**

And now we'll go to the Hall of Robots  
Wax Museum.

**FRY**

Not again.

Fry runs off into the Frat Party. BUFFY and the Planet Express Group exit the Bending School.

**INT. MOM'S BEDROOM**

The Professor and MOM are lying naked halfway covered by the blanket.

**MOM**

Wow! Hueby.

**PROFESSOR FARNSWORTH**

What?! Who said that? Where am I? What  
time is it?

**MOM**

Oh forget it. Walt! Larry! Ignar!

Walt, Larry, and Ignar enter the room.

**WALT**

Yes Mother?

**PROFESSOR FARNSWORTH**

Who are they?

Professor Farnsworth pulls the blanket up to his chin.

**PROFESSOR FARNSWORTH**  
(CONT'D)

Don't let them look at me.

**MOM**

Get him out of here!

Walt, Larry, and Ignar hold up the big sack again and walk towards the Professor.

**INT. MOM FACTORY - MAIN ENTRANCE**

Buffy is standing in front of her tour group.

**BUFFY**

So that concludes our tour of the MOM  
Robot Factory. I hope you enjoyed it.  
Bye bye.

Buffy runs away.

**HERMES**

Well I'll be the first to admit that  
was fun.

**LEELA**

Fun and educational.

**FRY**

Except for that Robot Frat Party. All  
the drunk robots kept trying to grab  
my nuts.

Fry reaches into his pocket and pulls out a hand full of nuts  
and bolts.

**FRY (CONT'D)**

I found them during the tour.

**AMY**

Say, where is the Professor?

Bender and Flexo come running toward the Planet Express crew.

**BENDER**

Back to the ship!

Bender and Flexo are being chased by 3 security guards.  
Bender and Flexo get to the Planet Express crew.

**BENDER (CONT'D)**

Hurry run!

Bender, Flexo, and the Planet Express crew start running  
outside.

**EXT. MOM CORPERATION PARKING LOT**

Everyone enters the Planet Express ship, a few seconds later  
it takes off.

**INT. PLANET EXPRESS SHIP**

Bender, Flexo, Fry, Amy, Hermes, and Zoidberg standing  
around, Leela is flying the ship.

**LEELA**

Bender, what kind of trouble did you  
get into this time?

**BENDER**

Hey I didn't do anything. But the  
upgrade was a scam! They were going to  
take away the best part of who I am.

**AMY**

Your crotch-plate?

**BENDER**

Though I do agree my crotch-plate does attract everyone's attention, but no.

**FRY**

Your sense of humor?

**BENDER**

Don't make me laugh, Fry.

**LEELA**

You're antenna?

**BENDER**

Shut up Leela. My flaming belches!

Everyone gasps.

**FLEXO**

Wait, I was told they were going to give us an upgrade so we'd never have to drink alcohol again.

Everyone gasps.

The Professor enters the cock-pit still in the burlap sack. Everyone looks, not knowing who it is. Everyone gasps.

Bender and Flexo grab the Professor.

**FRY**

Lets see who you really are.

Fry pulls the sack off of the Professor revealing him still naked.

**FRY (CONT'D)**

Old Man Farnsworth was behind it the whole time?

**PROFESSOR**

And I would have gotten away with it too if it weren't for you meddling Robots, cyclops, cryogenically-frozen-then-unthawed-pizza-delivery-boy.

**HERMES**

Professor, where were you during the tour?

**PROFESSOR**

What tour? Where am I now?

**AMY**

Professor, did you remember to take your pill?

**PROFESSOR**

Of course I remembered, you Martian! I took a blue pill at 1:30.

**AMY**

You mean your green pill at 1:23.

**PROFESSOR**

No I took MOM's blue pill at 1:30 before we made wild monkey-love.

Everyone gets grossed out.

**PROFESSOR (CONT'D)**

Now, if you all don't mind, I'm going to go get dressed. Unless you all enjoy the view.

FUTURAMA

"BENDER'S RECALL & THE PROFESSOR'S BOOTY CALL"

The Professor giggles around. Everyone gets grossed out again.

**FADE TO BLACK.**
