INT. DINING AREA - MORNING

A LARGE GROUP of children stand and sit.

A HAT sits on a table MOANING and SCRUNCHING its mouth.

WOMAN lifts hat, calls boys name, walks up.

BOY
(confused)
Why am I so cold all of a sudden?

HAT
SHIVERIN!

WOMAN
How do you know, you didn't even...

HAT
He feels the path he's going
towards.

Boy walks off uncontrollably SHAKING.

A GROUP of boys sit, SHAKING just like him.

BOY 2
Why on earth did they have to call
this group Shiverin?

BOY 3 across other table dumbfounded.

BOY 3
Those low temperatures really help
numb the brain, huh?

Boy 2 SHIVERS more confused.

BOY 3 (CONT'D)
WOW!

GIRL called up, woman puts hat on her.

GIRL
Put me in any group, I ain't scared
of nobody.

HAT
HUFF N' PUFF!

A GROUP SHOUTS and YELLS from outside the dining area.

Girl rushes towards them.

GIRL
 I'd stay, but ...
 (pauses)
 I can't ... I ain't scared of
 anyone of you!

She rushes off as quickly as she says that.

Boy sits SHIVERING.

BOY
 Why doesn't Huff n' puff ever come
 in and join everyone else?

Shiverin SHIVERS more.

RANDOM BOY
 They all just throw temper tantrums
 and say crap then rush off ... you
 know.

Puffs chest out.

RANDOM BOY (CONT'D)
 Huff N' Puff ... they'll huff and
 they'll puff and then nothing.

RANDOM HUFF N' PUFF (O.S.)
 You are lucky we aren't in there!

Random boy looks at Shiverin like told you.

BOY
 I'm so cold.

Woman picks up hat, calls GIRL 2's name, she walks up.

Girl 2 sits; Hat goes on.

HAT
 Hmmmm, interesting; you could fit
 in many.

GIRL 2
 If you put me with the cold people,
 I will shred you.

HAT
 Are you sure? Your behavior seems
 quite fitting for them.

GIRL 2
 Anyone but them.

SHIVERS thinking about it.

HAT

Okay, if you say so... GRIFFINDOOR!

She smiles, SIGHS relief.

HAT (CONT'D)

I wouldn't be so quick to think what you are getting into is better.

GIRL 2

Why?

HAT

It's not the Griffindoor you are thinking of; there is a large Griffin protecting the door, and won't let you in. You must sleep in the hallway ... GRIFFINDOOR!

GIRL 2

What?!?!?

LOUD GRIFFIN ECHO!

HAT

GRIFFINDOOR!!!

Hat MUMBLES incoherently making mouth noises.

WOMAN

(looks at hat)

There is no one to come up with anything for right now, why are you making noises like you are thinking?

HAT

I'm trying to get something out of my teeth and it won't come out.

Girl 2 walks over to Griffindoor.

All uncomfortably stretch.

She sits unhappily.

Woman lovingly looks at all those around.

WOMAN

The sacrifices we make at times to do and help the ones we love.

Hat's mouth NOISES INCREASE.

WOMAN (CONT'D)
Want me to pick it?

Shows wand.

HAT
YES!
