EXT. SAN FRANCISCO, CA COAST - NIGHT - CONTINUOUS *

CAMERA ANGLE on two shadows, who got off a space-ship. They were trying to cover it up. *

MYSTERIOUS ALIEN#1 *

(Whoo) *

Well, that went as well as it went. *

The ship looks beat up. *

MYSTERIOUS ALIEN#1 (CONT'D)
(sarcasm)

Way to go, oh smart one,
you'd just had to crash at
the wrong place.

MYSTERIOUS ALIEN#2

(irritated)

Put a sock in it! At least
I'd pick something where we
won't be find out right away!
Under you, I'd question if
we'll still walk. *

2,4 SPFX: CAMAFLOUGE MACHINE ON SHIP. *

MYSTERIOUS ALIEN#1 (CONT'D)
(irritated)

So, it won't be useful for
now. I'd say we'd better go
ahead and just get going. *

MYSTERIOUS ALIEN#2 (CONT'D)

...

The second mysterious alien was silent. She carries with her
a stone with five diamonds attached to it. One of them is
shining. *

MYSTERIOUS ALIEN#1 (CONT'D)
(irritated)

What? Got cramps now? *

MYSTERIOUS ALIEN#2 (CONT'D)

I feel...something
familiar...to us...I don't
know what it is... *

MYSTERIOUS ALIEN#1 (CONT'D)

(curious)

Now that you mention it...there is
someone here that feels familiar to
us. *

They look around, as they'd continued to look. *

(beat) *

MYSTERIOUS ALIEN#2

(concerned)

He's near...I can feel in my
antennas. But for some reason...it
feels incredibly strong in such
energy... *

They'd left down to find said strong energy. *

INT. BLUE MOON FITNESS CENTER- NIGHT

Everything is **VISUALLY DESCRIBED THROUGH ANIMATION**, as having numerous gym stuff from all around. From boxing weight from all around. Someone is there training **with ferocity & intensity**.

INTENSE MUSIC: INTENSE MUSIC.

MYSTERIOUS BOY(V.O.)

(determined tone)

...must...keep...training...must-keep-getting-stronger-faster-and-more agile.

A **MYSTERIOUS BOY**, trains very hard, punching at the punching bag, with full force.

(beat)

(determined tone)

So that I may have the right, to face him. **And** win the biggest gold ever. Just so that I can avenge him. **And complete what I'd set out to do.**

GUY#1

(Weird tone)

Ha! Ha! Ha! C'mon! I know I'd got this!

There are numerous people training inside of the gym. Their dead set on finishing, for the night, but has some silliness within them.

(BEAT)

GUY#1 (CONT'D)

(Breathing hard)

Whoo, man I'm done for the night. Anymore for tonight, and my hands are gonna look wrinkly and crap. But gotta keep that eye on the prize, & win that gold. Though silver's fine too, but bronze. Hecks no. Don't want my kids thinking that their daddy was some bum, but the man that's got the gold. My god, that sounded lame.

GUY#2 wipes the sweat off of himself.

(beat)

GUY#2

(Sincere)
I'm sure you'll get it. Now
that we've got out of the way
tonight, wanna go do
something awesome tonight?
Like going to get my drink
on, maybe meet a few lovely
ladies, at the club. After
they wanna "BE MY LOVER,
WANNA BE MY LOVER LOVER"

GUY#1 (CONT'D)

(Feeling lucky)
I hope that woman is there.
My god, she's gorgeous. I
know I wanna be her lover.
