(angered tone)
 Just so you'll know, I'll
 kill you all and make sure
 you rot for this! For my
 sisters and ruining our ways
 of life! I'll kill you
 straight up for all of those!
 You lousy hatlots!

MUT HUGERTAR
(determined tone)
 I did what I had to do! I'd
 had to make a much better way
 of life for them! I have to!
 Someone like you wouldn't
 understand! Because you've
 already lived luxurious to
 begin with! And is already
 powerful to begin with.

Both of them continue to collide with him.

ASTARTE COCO (CONT'D)
(angered tone)
 Better, life for them huh? A
 better life for them? You
 disrespected my sacrificed
 sister's will and the treaty.
 You'd just had to get in our
 way now did you?! You took
 our original clients, and
 took our spotlight!

MUT HUGERTAR (CONT'D)
 ...I...

Started kicks Mut multiple times, and starts kicking more.

ASTARTE COCO (CONT'D)
(Angered tone)
 You've had to make it almost
 impossible for us Coco's to
 thrive?! Struggling to merely live!
 After the treaty, we've had?! Just
 for your own arrogance! Because
 that's all that this is for your
 whole clan! You overglorified
 harlot! Don't you talk as though
 you're the victims when you took
 away what made us special!

Mut starts to grow angrier by her statement.

MUT HUGERTAR

(angered tone)

No...you don't know...you don't know any of our struggles at all! So don't talk like you know what struggling means to us at all! What do you know about our struggle?!

MUT grows more angered by this. She clenches her fist with raw anger.

MUT HUGERTAR (CONT'D)

(angered tone)

What would you, You, your whole clan have shiny, beautiful skin! Incredible, amazing bodies! Glowing, blonde hair! Even incredible longevity and prone to no diseases at all! How can you even comprehend to relate with us? We've been cursed for ages! We the human race!

*

MUT throws another punch at **ASTARTE**. Connects & causes her pain.

ASTARTE COCO

Argh!

MUT HUGERTAR (CONT'D)

(angered tone)

Having to suffer from diseases of the ill-est, most vile kind! Sucking away our longevity, and to be fragile and physically inferior in every way! Suffering, that's all we've ever felt for generations! And being so powerless to do anything about it! The Chief Angels have given us a second chance at life! A second chance for everything! They've guided us to a better future! You'd can't always walk over us like this! I'd had to make a better life for them! So that they can be worth something!
