EXT. VILLAGE DRAGONS / SQUARE - DAY

TERENCE (18s, jet black dragon with double tail) is strolling through his hometown. HUGO (15, brown dragon with gray polka dots) Runs towards him.

HUGO
(suffocated)
Terence, it's good that I find you.

TERENCE
What is on offer?

HUGO
They call you to the council.

HUGO and TERENCE head towards a large house opposite Yamail.

INT. VILLAGE DRAGONS / ELDERLY COUNCIL - DAY

At a sign from TERPSIPCORE (50, dark-colored dragon, denoting that it is an ancient dragon) sitting in front of the door, TERENCE stands in the center of the great hall.

TERPSIPCORE
Do you know why you were called,
young man?

TERENCE
No sir.

TERPSIPCORE
You have been summoned to this
council because of your inability
to use your wings for what Mother
Dragon gave us wings for.

BEATRICE (age unknown, orange-hued dragon) rises from her seat and stands next to TERENCE

BEATRICE
With all the respect this council
deserves, I consider it to be being
unnecessarily cruel and unfair.

TERPSIPCORE
And why is that, miss?

BEATRICE
Terence is a young dragon. Most of
the dragons here did not learn to
use the gift of the Dragon Mother
until you were 25 or 30 years old.

Many of the dragons present make gestures of affirmation.

TERPSIPCORE

We all know that it is a very arduous learning, but at least most of us present made the attempt

look at TERENCE and then at BEATRICE alternately without letting ourselves be overcome by fear of failure.

TERENCE looks down in shame.

BEATRICE

And that means this council has a right to make a young dragon feel ashamed, right?

TERPSIPCORE

No, but since young Terence seems unable to control his fear, he must leave Dracoville. You will have to go deep into the fairy forest and stay there until you learn to use the gift of the Dragon Mother.

After several minutes of discussion, TERENCE leaves the council crestfallen.

EXT. FAIRY FOREST / FIELD - MOMENTS LATER

TERENCE reaches a clearing in the forest. Look around. Suddenly in the clearing appears ANALÍA (20, brunette with dark hair and skin and eyes).

ANALÍA, seeing TERENCE sitting, begins to recite a few words in another language while taking a twig from her left boot.

TERENCE

Calm down, little witch. I am not a dracomino.

ANALÍA

Dracomino?

TERENCE is made on its front legs to lie down with its head raised.

TERENCE

(serious)

First witch who does not know that the dracomins are an elite of warrior dragons. Cream and cream

(MORE)

TERENCE (CONT'D)

(sarcastically)

This is incredible. The first witch I meet, and she seems to be ignorant of the world to which she belongs.

ANALÍA

Don't laugh idiot dragon. Why are you here?

TERENCE

Not that you care but I was exiled for not knowing how to use my wings to fly. And you, why should I meet such an irritating witch?

ANALÍA

Exiled for being considered a "danger to the village of sorcerers" for not knowing how to use my powers.

TERENCE feels identified with what ANALÍA tells her although her instinct tells her that the young woman is not telling everything.

DAYS AFTER:

ANALÍA leaves in the middle of the night and TERENCE follows her without being seen. The dragon sees ANALIA talking to 2 ANAL and PERTOGAL (orcs of unknown ages armed to the teeth and dressed in threadbare clothes)

TERENCE

(whispers)

What does Analía do with a pair of orcs?

ANALÍA

We can not wait any longer

PERTOGAL

Tell us where we should attack and when.

ANALÍA

It will be in a few days, Pertogal. Dracoville will live his moment of greatest weakness for his Yamail.

ANAL

Yamail?

ANALÍA

Yes, Anal. It is its sacred center. Each dragon village has one because several dragon clans inhabit each village.

PERTOGAL

The place from which the Dracoville dragons obtain their magic, power and energy.

EXT. VILLAGE DRAGONS / SQUARE - MOMENTS LATER

Terence runs back to his village and alerts the leaders of the dragon clans.

TERPSIPCORE

What are you doing here boy

TERENCE

The village is in danger. Call the leaders, ask them to meet at the council of elders.

MOMENTS LATER:

INT. VILLAGE DRAGONS / HUT OF TERENCE - NIGHT

TERPSIPCORE does what TERENCE asks. BEATRICE arrives together with HUGO just as the last of the clan leaders enters the council.

TERPSIPCORE

I'm sorry about the urgency call, but young Terence has something to tell us.

(to Terence)

Speak boy.

TERENCE

Dracoville is in danger.

DRAGON 1

That's impossible. Our village has no enemies.

DRAGON 2

It is true. We have always lived in peace with other creatures in the supernatural world. Even with humans.

Several dragons present make gestures and noises affirming what was said by their companions.

TERENCE

You are right, but it seems that not all of the Dragon Mother's children live in peace with us.

Many of those present roar in protest.

BEATRICE

(Screaming)

Silence! If Terence talks like that it's because there must be a reason behind such a claim.

HUGO

(to Terence)

Speak up, pal.

TERENCE

(clears throat)

As ordered, I went to the Fairy Forest to learn how to use the gift of Mother Dragon. I had just arrived when a young woman named Analía appeared before me. She claimed to be a sorceress expelled from her village for not knowing how to use her powers. A few moments ago I overheard a conversation between Analía and a pair of orcs.

TERPSIPCORE

Do you know their names?

TERENCE

Yes. She called them Pertogal and Anal.

DRAGON 1

You lie.

DRAGON 2

(sarcastic)

Do you really think that 2 orcs without caste or home want to attack Dracoville?

HUGO

(to dragon 1)

Uncle Percival, I ask you not to speak like that.

(MORE)

HUGO (CONT'D)

Terence is my friend and you know
as well as I do that he is no liar

BEATRICE

(to dragon 2)

Why not, Erdogan? I remember very
well when those 2 orcs were
expelled from their village on
charges of one of those present.

TERPSIPCORE

Your memory is wide and faithful.
Surely you also remember that such
accusations were proven on a solid
basis.

BEATRICE

(serene)

Of course I remember that.
Something they said comes to mind.
If my memories do not fail Pertogal
and his brother Anal, at the gates
of this same village, swore
revenge.

All the attending dragons roar in protest.

TERPSIPCORE

Calm down, brothers. If what the
young man says is true, this is
what we should do.

EXT. FAIRY FOREST / TERENCE AND ANALÍA CAMP - AT THE SAME
TIME

ANALÍA returns to camp. He doesn't see the dragon anywhere.

ANALÍA

Where's that stupid dragon?

ANALÍA looks for PERTOGAL and ANAL. Find ANAL.

ANAL

What are you looking for here?

ANALÍA

We must hurry. The dragon I live
with in the forest is nowhere to be
found.

PERTOGAL arrives.

PERTOGAL

What are those noises?

ANALY

We must hurry. We must attack
Dracoville at this time.

PERTOGAL

Quick Anal. Find our people. You
know where they are. Tell them to
join us right away.

ANAL leaves.

EXT. VILLAGE DRAGONS / DOORS VILLAGE- MOMENTS LATER

Terence, together with Beatrice, Hugo and the leaders of the
dragon clans await Analía and the army of "stateless" orcs
commanded by Pertogal

PERTOGAL

ATTACK!

All the orcs pounce on the dragons present. Some dragons use
their claws to defend themselves from attack, others start to
fire to repel orcs.

Terence sees Analía heading towards the center of the
village, where the Yamail is located, and at awkward steps he
takes the flight towards her.

EXT. VILLAGE DRAGONS / PLAZA IN FRONT OF YAMAIL - MOMENTS
LATER

TERENCE

Where do you think you are going,
Analía?

ANALÍA

(angry)
Get out of the way, useless dragon.

TERENCE

You know I can't afford it.

ANALÍA

I do not care. The Yamail of this
village will be destroyed this very
night, whether you like it or not.

TERENCE

Again I tell you this again, and I'm sorry to be a parrot without memory but ... I can't allow it.

TERENCE and ANALÍA fight. TERENCE launches a fire flare.

ANALÍA

(impressed)

When did you learn to do that trick?

TERENCE

What trick?

ANALÍA

You just blew me out, stupid dragon, and you almost hit me.

TERENCE

SURPRISE! What did you think dragons do if not?

ANALÍA is furious and casts a spell directed at the Yamail behind TERENCE. The dragon stands in the way and is knocked unconscious.

INT. VILLAGE DRAGONS / HUT OF TERENCE - HOURS LATER

TERENCE begins to wake up very slowly. He sees BEATRICE in front of him, smiling at him motherly as HUGO launches himself on him.

HUGO

(happy)

Good to know that you're okay, bro!
You gave us all a good scare.

TERENCE

(disoriented and with a thick voice)

What happened?

TERPSIPCORE enters at a steady and calm pace. He sits at the foot of TERENCE's bed, facing the young dragon.

TERPSIPCORE

You fought bravely to protect Yamail, young Terence. Unfortunately, the witch you were facing threw you a spell that has knocked you unconscious until now.

TERENCE

(fearful)

Should I go back to the fairy forest?

TERPSIPCORE

(smiles indulgently)

Of course not, young man. In fact your act of heroism has saved the village.

BEATRICE

Stop beating around the bush, "Terpsi." Can't you see the boy is nervous?

TERPSIPCORE

Agree. You can't even have fun with those young people now.

(sighs)

Because of your act of courage and heroism the council has decided, for the first time by mutual agreement, that you can return to Dracoville.
