ALPHA 5

I'm am Alpha 5 and I help Zordon
inside this command center.

Zordon's head appears in the water wall.

ZORDON

Hello rangers. I am Zordon and I
use to be guardian god 60 million
years ago. I know this a lot to
take in but 60 million years ago
this planet was rulled by the
ancient dinosaurs and they
protected this planet. I guided
the dinosaurs a lot and I was
their master.

THE RED RANGER

Where are we?...

ZORDON

You are in Seattle, Washington
inside of a forest. But I will
help you with these powers.

THE BLUE RANGER

So why did you choose us?

ZORDON

I didn't choose you. The spirits
of the dinosaurs did. It's mostly
because all of you are deeply
connected and care for one another
like they did.

THE YELLOW RANGER

I don't know if that's really true
but okay.

ZORDON

But also a very terrible person
destroyed the dinosaurs and it was
an evil alien name Rita Repulsa
and she wants to destroy earth as
we know it.

THE BLACK RANGER

I don't know if I believe all of
this. This is really weird yo.

THE PINK RANGER

Yeah same here. And we should be
getting home.

ZORDON
Very well then. May the power
protect all of you.

The rest of rangers start leaving but Jason is fascinated
by everything around him.

THE BLUE RANGER
Jason are you coming?

THE RED RANGER
Yeah I will be there you guys.

Yeah you got that right
sweet-heart.

THE PINK RANGER
How are we are suppose to get
home?

THE RED RANGER
Guys maybe should of stayed back
and let Zordon show us how to get
home.

THE BLACK RANGER

floating head in the wall man?

THE RED RANGER

kids. You guys don't know reality
very well and live with yo mama
and yo daddy.

THE YELLOW RANGER

Hey don't talk to him like that!!

THE BLACK RANGER

What it's true you guys think that

and live in the worst part of
Angel Groove.

THE YELLOW RANGER

Well my life is not any easier you
smart ass!!!!

THE BLACK RANGER

Oh yeah take your best shot
against me!!

The yellow ranger punches Zack in the face and lands on the
ground.

THE RED RANGER

Guys knock it off. Stop it!!!
Look, I know we are in a different
state and place.

THE BLACK RANGER

And yeah what's your solution
about it?

THE RED RANGER

Well we could find it more about
what the suits do.

THE BLACK RANGER

Yeah like that's going to help
anything and...ahhhhhh

Zack all of a sudden starts teleporting to building that is
in Seattle.

The rangers run to the ledge.

THE RED RANGER
