YOUNG LINK
Aw what a beautiful day.

Link climbs down from his tree house and he starts going to the pond and looking at the river.

Link turns his head and he sees the other kids with their ferries.

Link feels very sad and depressed that he does not have a fairy. Link sits by the river and a girl with green hair walks to him.

SARIA

I knew that I would find you here.

YOUNG LINK

Oh hey Saria. How are you?

SARIA

Oh I'm doing good Link. Yeah being with you by the river is always really fun and really wonderful.

YOUNG LINK

Yes it is. I just wish I had a fairy just like everybody else. And always feel like I'm not like everybody else and I wish I could find out who I truly am. and I also wish I can come of Kokriki Forrest as well.

SARIA

Don't worry Link, I believe you will do some really wonderful things in your life. I also made this for you as well.

Saria hands Link a Kokiri sword.

YOUNG LINK

What's this Saria?

SARIA

This is the Kokiri sword and it's the hidden treasure here in the forrest. I think you will be able to use it to protect yourself in the future.

YOUNG LINK

Thank you Saria.

SARIA

Your welcome Link.

As Link and Saria are sitting by the river. Another kid walks to both of them.

MILDO

What in the world are you doing hanging out with little pessant?!...I don't care if you like to be yourself but you will never one of us in this forest Link!!!

YOUNG LINK

Well maybe I don't want to be here forever Mildo!!!! And maybe I have much bigger dreams then living here!!!! And you should also leave Saria alone!!!!!!...

SARIA

Link it's okay just ignore him.

MILDO

Oh what are you going to do blondie!!!! You have nothing, and you have no money to survive outside the forest. What the hell would your parents think about you right now?!.....

MILDO (CONT'D)

Nobody here likes you and nobody will ever love you and you will always be an out cast in this forest Link!!!!!!! And Saria just likes you because she feels sorry for you and knows that you are different from all of us.

YOUNG LINK
 You are the single biggest liar
 ever and that is complete
 nonsense!!!!!!

Mildo takes out a big stick and Link gets out his sword and throws a sword attack and cuts the stick and kicks Mildo in the face and forces him on the ground again.

Mildo gets really angry and tackles Link to the ground flat on his his face.

MILDO
 You will never be part of this
 forest!!!!!!

Mildo and his followers leave. Link gets up.

YOUNG LINK
 Asshole!!!!!!

As Link sits down, a blue fairy is flying through the woods and he sees Link.

Link keeps on resting and thinking to himself and the blue fairy taps him on the shoulder. Link turns back right away and sees the fairy.

NAVI
 I can tell that you have really
 good fighting skills and that you
 are very brave as well.

YOUNG LINK
 Yes but sadly I lost pretty badly
 and my opponent was a lot more
 superior then I was I'm afraid.

NAVI
 Well even you lost really bad, you
 have the heart and knowledge of a
 knight and the skills of a king as
 well. What's your name by the way.

YOUNG LINK
 My name is Link and I was son of
 Hillarius and Zanna.

NAVI
 It's a huge pleasure to meet you
 Link.

(MORE)

NAVI (CONT'D)

The reason I came here was because I was sent here by Deku Tree and he is looking for someone who can destroy his cruse.

YOUNG LINK

But I thought the Deku tree was powerful and the was closest thing to a god in this forest?

NAVI

That was what the legend said many years ago. But it's sadly becoming very not true today. And he placed under a spell by a monster name Gannon. And with the fighting that I saw, you seem to very worthy to take on this curse.

YOUNG LINK

I don't know if I can, I don't have any weapons or any armor with me. You will have to perhaps find someone else.

NAVI

There is sadly nobody like you though. Have you ever thought about why you are so different from the other children that live here Link?

YOUNG LINK

Yes I have thought about that many times. And I wish I did have more friends here as well.

NAVI

And I really know how I can help you.

YOUNG LINK

When do we start?

NAVI

As soon as possible and we don't have a lot of time.

CUT TO:

NAVI
On your right.

Link runs through the final tunnel and he sees deku tree and stops.

NAVI (CONT'D)
I was able to find him.

DEKU TREE
Good Navi, Link I am very glad that you are here. The main reason why I called you is because the inside of me has been cursed by Gannon and I have also had visions of you and been watching you for a long time as well.

DEKU TREE (CONT'D)
And don't worry, Navi will be able to guide you inside of me, so you will not be alone at all.

The Deku tree opens parts of him.

DEKU TREE (CONT'D)
Go Link and please do what must be done.

YOUNG LINK
Oh okay. Yes sir.

Link starts running inside of the deku tree and Navi follows him.

CUT TO:

Link and Navi go inside the tree and he starts looking around and he climbs up to 2nd floor.

As Link is looking around, a lot of spider monsters and forest monsters start attacking him.

Link finds a ledge and climbs up. Navi catches up to Link.

NAVI
Are you alright Link?

YOUNG LINK
Yes I am.

Link sees a chest and he opens up the chest and he finds a sling-shot and he also finds tiny and huge nuts as well.

YOUNG LINK (CONT'D)
Well sounds like this weapon will
be used to destroy my enemies.

Link keeps on looking around and he notices how bad the tree.

YOUNG LINK (CONT'D)
Sounds like the Deku tree has been
cursed really bad if some parts of
the roots look like complete hell.

Link goes into one of the doors and he notices more monsters coming to attack him.

More forest monsters start attacking Link and try to hit him. Link does a lot of flips and jumps and Link throws more attacks at the monsters and kills 5 of them in very brutal fashion.

Link starts screaming and yelling and kills more monsters around him and Link gets out a stick and hits some of the monsters in the head and forces them against the wall.

As the monsters are killed, some of the monsters turn into rubies. Link grabs the rubies and puts them in his pocket.

NAVI

You will need to save a lot of these rubies and they use them as currency in Hyrule.

YOUNG LINK

Alright okay Navi.

Link gathers more rubies in his pocket and he sees another stick and he lights the stick on fire. Link sees another spider web and Link does a strike at the web and he lights it on fire and burns it.

Link falls down through the hole and he lands in the water.

Link swims up to the surface and he swims to the shore.

Link gets to shore and he notices that the door is slammed shut with bars around it.

YOUNG LINK (CONT'D)

I really wonder how we are going to open this door.

As Link gets to the door, he hears plants growing and the deku scrubs making noises.

DEKU SCRUB 1

Indeed, But you will never get past me and my friends and we will make sure that we kill you!!!!

The Deku scrubs get really angry and really mad and they start firing a lot of big nuts at Link. Link does a backflips and Link takes out sling shots and he fires around 20 sling shot nuts at the Deku scrub monsters.

One of them grabs Link from behind and throws him against the wall and slams his head against the wall.

DEKU SCRUB 1 (CONT'D)

We are going to feed you to our leader you stupid boy!!!!!!

Link gets really angry he starts screaming he punches the monster in the face and kicks it in the stomach.

Link takes out sword and he throws 7 different sword attacks at the deku scrubs and kills all of the scrub monsters. One of the monsters fires a nut at Link. Link gets forced against the wall. Link gets up throws more sword attacks at the deku scrubs.

Another one tries to grab Link, but Link gets out a stick burns the deku scrub monster while lighting the stick on to a fire.

The Deku scrub starts burning up really badly and screaming and yelling.

The monster dies and it turns into a key. Link grabs the key and Link runs to the door and opens the lock and the bars open the door.

NAVI

We have to get into this door lets go Link.

Link goes through the door.

CUT TO:

Link and Navi are in a big room and it's very pitch black.

NAVI (CONT'D)

Oh dear I can't see a thing.

YOUNG LINK

I can't see anything either I'm afraid.

Link keeps on looking around and he sees a lot of spider webs.

YOUNG LINK (CONT'D)

This place is scary beyond belief.

Link turns his head left and right, as he does this Navi notices a monster looking eye.

NAVI

Link Look!!!!!!

Link turns his head and he sees the evil eyed monster. The monster sees Link and jumps down.

QUEEN GOHMA

I have been waiting for you!!!!!!
And I am the monster that Gannon created you will not be able to stop me!!!!!!

Gohma does a monster yell and her extra arms start attacking Link.

Link takes out his sword and he screams and yells. Link does a backflip and Link throws multiple sword attacks at Gohma.

NAVI

It's the Kokiri's emerald it will
be very important to use in the
future Link.

Link gets in the blue portal and the portal takes him out
of the Deku tree.

CUT TO:

EXT. OUTSIDE OF THE DEKU TREE - AFTERNOON

Link lands on the ground through the portal.

DEKU TREE

You have done well Link by killing
Queen Gohma, but sadly it will not
be enough to cure my curse that is
inside of me. And I believe you
are ready to go to Hyrule and go
to Hyrule castle Link and know
more about who you are as well my
boy.

YOUNG LINK

Is there anything you can tell
about the Kokiri's Emerald before
I leave?

DEKU TREE

Yes, the stone that you picked up
is part of the tri-force and you
must find 3 of them to enter into
the temple of time and enter into
the sacred realm. And you must go
in there before Ganondorf does.

DEKU TREE (CONT'D)

And you will also know more and
more about your parents as well
Link.

All of a sudden, the Deku tree all of a sudden starts
turning grey and black and he starts dying and all of the
leaves from the tree start falling down off of him.

As Link does see tree die, he then starts running and he
goes through the main entrance of the forest.

CUT TO:

EXT. AROUND THE BRIDGE - AFTERNOON

Link is running on the bridge and Saria shows up.

SARIA

I really didn't know you were
leaving Link.

Link turns back.

SARIA (CONT'D)

I knew this day would come
eventually. And I know that you
were always very different from me
and the people in the forest. But
no matter happens. You will always
be my best friend Link.

Link walks up to Saria and gives her a really huge hug.

YOUNG LINK

Don't worry Saria, I will come
back and visit you and you will
always be in my thoughts and
dreams as well.

SARIA

Thank you. I also wanted to give
you this as well. it's an Ocarina
that I have had for a long time.
And I just wanted to give it to
you and just in case you ever get
board on your journey. You can
always play something.

YOUNG LINK

Oh wow that sounds really amazing
and really wonderful Saria. Don't
worry, I will take very good care
of this item as well.

SARIA

I know you will Link.

YOUNG LINK

And no matter what happens, you
will always be my friend.

Link gives Saria one last hug and he runs to the other

NAVI

Yes this Hyrule field Link. This is the huge land of the royal family as well.

YOUNG LINK

It's really beautiful Navi. And it's so big as well. I really don't know where to begin.

Link starts running and Link looks up and he sees a giant owl on one of the trees.

KAEPORA GAEBORA

Hello young man, I see that you are going to Hyrule castle.

YOUNG LINK

Yes I am. My fairy and I are heading there right now.

KAEPORA GAEBORA

That's really wonderful and really great. When you get there you will see a lot of interesting and strange people that will help you on your quest.

YOUNG LINK

Have you ever seen the King of Hyrule in person?

KAEPORA GAEBORA

I have. And you will really like him a lot and he is very friendly as well.

YOUNG LINK
What about the princess?

KAEPORA GAEBORA
That is something you will have to
find out on your own.

Kaepora starts flapping his wings and he starts flying up
in the air and heading towards a very random direction.

YOUNG LINK
That was a very interesting
creature. And I always thought
that owls only came around night
time.

NAVI
Yeah there is a lot of things that
you don't know about Hyrule Link.

Link keeps on running and Link sees a lot of elements. Link
also starts getting closer and closer to entrance to the
Hyrule market as well.

Link enters inside of the Hyrule kingdom and Link keeps on
looking around.

CUT TO:

Link get to the main part of the Hyrule market and he sees
a lot of people and he sees all the businesses and fun and
the party atmosphere.

YOUNG LINK
Wow this place is amazing and
really wonderful.

NAVI
Oh you have no idea.

Link looks up and he sees the view of Hyrule castle.

YOUNG LINK
And I believe that be the castle.

As Link starts walking there, a girl with red hair sees
Link and she starts fallowing him.

YOUNG MALON
I really wonder who might that boy
be. And he looks like he is from
the forest. And I have never seen
those kind of people before.

CUT TO:

EXT. OUTSIDE OF THE CASTLE - AFTERNOON

Link gets to the castle and he sees the guards around him.

YOUNG LINK

Oh wow that is a lot of guards.
And I really wonder how in god's
name I'm going to get past all of
them?

NAVI

Yes that's a really good question.

Link begins to walk and he gets taped on the shoulder.

Link turns back and he sees Malon for the first time.

YOUNG MALON

Hello...I saw you in the market
and I really love your green
outfit and your green hat a lot.
Are you from the forest?

YOUNG LINK

Well...yes I am actually from the
woods. I'm Link by the way.

YOUNG MALON

I'm Malon. So what are you doing
going to the castle?

YOUNG LINK

You know I really believe you are
a very gorgeous and a very
stunning girl and it's great that
you want to know more things about
me. But I just really don't have
time to explain everything to you.

YOUNG MALON

But can I come with you Link?

YOUNG LINK

Well...Can you try to make sure
not to get past the guards?

YOUNG MALON

Sure thing forest boy?

YOUNG LINK

Alright okay. But you have to
listen to everything that I tell
you to do. Understand?

YOUNG MALON
Alright okay Link.

Link and Malon start climbing up the leaves to another ledge and they run to the hole and climb down the ladder and go out through the door.

They get outside and they start sneaking around and they sneak around the field without getting caught and climb up another leaves on the wall and they get to the main street of the castle.

Malon turns her head to the left and sees more guards coming.

YOUNG MALON (CONT'D)
I guess we hit a dead end Link.

YOUNG LINK
I really don't believe we have yet.

Link starts walking to the water.

YOUNG MALON
What are you doing?

YOUNG LINK
I'm going into the water and swimming past the guards.

YOUNG MALON
I'm not going in the water!!! My clothes will get wet. And clothes in Hyrule are very expensive.

YOUNG LINK
But I thought you said you would listen to everything I told you do?

YOUNG MALON
I will it just going into the water with clothes on is crazy and not elegant.

YOUNG LINK
Well you can always take off your clothes and go into the water. Isn't that what other people do?

YOUNG MALON
I am not taking off my clothes and going into the river non-clothed.

(MORE)

YOUNG MALON (CONT'D)
And then my father will get upset
that I am naked in public.

YOUNG LINK
Well you better make a choice,
it's either you jump down and swim
clothed or non clothed. Or, you
get caught by the guards and they
put you in jail in their dungeon
or what ever god knows the castle
has.

Malon thinks about it for a couple of seconds and she takes
off her boots and goes into the water with Link.

YOUNG LINK (CONT'D)
Just make sure you hold on tight.
The current I believe is very
strong and powerful.

Link and Malon are in the water and the water current
starts dragging them to the other side of the castle.

Link and Malon grab on to the ledge and they climb up and
they start walking to the back of the castle.

As they are doing this, they see a big man with a mustache
and wearing overalls and he is sleeping.

YOUNG LINK (CONT'D)
What the bloody hell?!...

YOUNG MALON
Oh it's father he must have been
fallen a sleep again while
delivering milk.

YOUNG LINK
Is there a way to wake him up?

YOUNG MALON
Sadly there is not. I mean we can
see if wakes up by tomorrow I
believe.

Link gets a little bit flustered.

YOUNG LINK
Malon, I don't know if I have time
to wait for your father to wake up
I have tasks that I have to do.

YOUNG MALON

But you don't have any way of getting into the castle.

YOUNG LINK

Well then I will make a plan to get into the castle. It's not that bloody hard to do.

YOUNG LINK (CONT'D)

But for now, lets just get some rest.

YOUNG MALON

Alright okay.

Link lays down on the grass part and he closes his eyes.

Malon lays down next to Link.

YOUNG MALON (CONT'D)

So do you miss the forest?

YOUNG LINK

Sometimes I do, I know I think about my friend Saria a lot and always wonder about how she is doing and all that wonderful stuff.

YOUNG MALON

Oh that's amazing. Well at least you know what your doing. In Hyrule children live with their parents and I really don't know if I will grow up to be a successful young lady.

YOUNG LINK

I am sure you will do just fine Malon.

YOUNG MALON

Your really think so Link?

YOUNG LINK

I know you will.

Link and Malon start sleeping on the grass.

As Link is sleeping, he starts having dreams of his parents death and about Hyrule civil war.

YOUNG LINK (CONT'D)

Mother, Father!!!!!!!!!!...

Link in the dream keeps on running to save his parents. But as he does this, Ganondorf sees him and kills Link in the dream.

GANONDORF DRAGMIRE

Hyrule!!!!!!!

CUT TO:

Link gets inside of the castle and he sees the guards guarding the castle.

NAVI
That sounds like we are trapped
Link.

YOUNG LINK
Well it looks like we are. But not
by that much.

Link starts sneaking around the castle and hiding in the trees and also hiding behind other objects and getting past the guards.

Link gets to another part of the castle and he climbs on to a wooden platform and he carefully crawls through the wood platform and gets through the guards.

all of this.

Link keeps on walking more and he walks more and more.

NAVI
Do you think the princess is over
here Link?

YOUNG LINK
I don't know Navi, she might be
here, but really who knows.

As Link keeps on looking around, he sees a little girl in very royal looking clothes.

NAVI
Maybe that girl over there knows
where she is.

YOUNG LINK
Yes lets go to her.

Link starts walking to her and Link notices that she looking at the window.

YOUNG LINK (CONT'D)
Excuse me madam, miss...Do you
know where the Princess of Hyrule
can be?

The little girl turns back and she sees Link for the first time. And she is shocked.

YOUNG PRINCESS ZELDA
Who are you?...How were you able
to get past all the
guardsmen?..And where did you come
from?

YOUNG LINK
Well my name is Link and I'm from
the forest south of Hyrule. And I
was sent here by the deku tree and
he told me that you know something
about the tri-force.

YOUNG PRINCESS ZELDA
Well you have come to the right place. For a long time I have dreams and visions of the future and that darkness would haunt the land of Hyrule. And I have told my father about these dreams but he never believes me.

YOUNG LINK
Well I believe you.

YOUNG PRINCESS ZELDA
You do Link?

YOUNG LINK
Yes I do. And then also before I got here I do have one of the spiritual stones as well.

Link goes into into pocket and he shows Princess Zelda the Kokiri's Emerald.

Zelda grabs the emerald and she looks at it.

YOUNG PRINCESS ZELDA
Oh this one of the crystals in my dream that will open the sacred Realm in the temple of time.

YOUNG PRINCESS ZELDA (CONT'D)
But you must find them very quickly Link. Because right now Ganondorft is trying to find them so that he can be the future king of Hyrule.

YOUNG LINK
Don't worry I will do what ever takes to get them all.

YOUNG PRINCESS ZELDA
Oh you so kind and very sweet.

YOUNG LINK
Thank you.

YOUNG PRINCESS ZELDA
So how long where you in the forest for?

YOUNG LINK
Well I believe for most of my life.

(MORE)

YOUNG LINK (CONT'D)

But I believe my mother and father were named Hilarius and Zana I believe. And I didn't know very much about them other than their names.

YOUNG PRINCESS ZELDA

Oh that's really interesting. Maybe my father would know cause he has ruled Hyrule for a very long time.

YOUNG PRINCESS ZELDA (CONT'D)

Come look at the window Link,

Link walks to the window and he sees the thorn room.

YOUNG LINK

Wow this is very amazing and really stunning. And the great hall has a lot of shinning jewelry and everything.

As Link is looking at the window, he notices Gannondorf bowing to the thorn.

YOUNG PRINCESS ZELDA

I know it looks like in person, he is pledges to my kingdom but really there is a lot of evil in darkness in Gannondof's eyes.

YOUNG LINK

Yeah I have also had dreams about him as well. And I did know from somewhere he was one of the generals from the Hyrule civil war as well.

YOUNG PRINCESS ZELDA

He was. But I believe there was some part of that war that has not been told and I believe there is more everything than what happened all those years ago.

As Link and Zelda are looking at the window, Gannondorf turns around and Link gets scarred.

Link ducks down.

YOUNG PRINCESS ZELDA (CONT'D)

Did he see you?

YOUNG LINK
Sadly I believe he did.

YOUNG PRINCESS ZELDA
Oh it's okay Link, he won't notice anything.

YOUNG LINK
Are you sure?

YOUNG PRINCESS ZELDA
I know he won't.

YOUNG LINK
I didn't get your name sadly.

YOUNG PRINCESS ZELDA
I'm princess Zelda.

As Link and Zelda are talking they notice footsteps coming towards them. And Gannondorf comes out of the shadows.

GANONDORF DRAGMIRE
Well good evening your majesty, I just wanted to check on you to make sure this boy from the forest is not troubling you.

YOUNG PRINCESS ZELDA
He actually is fine Gannondorf. It is you that is troubling me. And I know you have lied to my father many times today as well.

GANONDORF DRAGMIRE
Oh nonsense princess, I'm you and the royal family of Hyrule and making sure you are safe.

YOUNG PRINCESS ZELDA
Well that is non of your concern and Impa's position not yours.

GANONDORF DRAGMIRE
I see. I know you don't have good feelings about me princess but one day, you see that controlling all the land of Hyrule is everything your father will want, he just does not know it yet.

YOUNG PRINCESS ZELDA
My father does not want such a thing.

(MORE)

YOUNG PRINCESS ZELDA (CONT'D)
And I really believe you should
leave before I call the guardsmen
to escort you.

GANONDORF DRAGMIRE
Oh that is very harsh of you my
princess. But then Hyrule won't
have a 2nd in command since you
are too young and naive.

GANONDORF DRAGMIRE (CONT'D)
And who must you be young man?

Link does not say a word to him.

GANONDORF DRAGMIRE (CONT'D)
I see a boy from the forest, I do
notice the hair and eyes from
somewhere in the past. Your are
very fortunate that the princess
allows you to be here, because if
not, I would throw in the dungeon
and have you be beaten and thrown
out of the palace. And I did
notice you spying as well forest
boy.

YOUNG PRINCESS ZELDA
Get away from him Gannondorf, he
does not need your negativity.

Ganondorf walks up to the princess.

GANONDORF DRAGMIRE
You are fortunate, that I am very
kind to your father because I was
the king and I throw both you
children out of the castle. I see
you tonight.

A woman with gray hair see Ganondorf with Zelda and Link.

IMPA
That is enough Dragmire!!!! Leave
the children alone!!!!...Also,
last I herd, you were not as
superior to the royal family like
the Sheikahs are. Now get out!!!!

GANONDORF DRAGMIRE
You three will regret your choice
very soon.

Ganondorf walks away.

Impa turns to Link and Zelda.

IMPA

Don't mind him. Ganondorf is always very mean and very hot and very self-fish as well. I also saw your skills to get through the guards. You are a brave boy.

YOUNG LINK

Oh thank you.

IMPA

And also I admire a young man really loves adventure and not afraid of a challenge either. Do you play music.

YOUNG LINK

Um..Well...

Link starts looking for his ocarina.

YOUNG LINK (CONT'D)

I actually do.

IMPA

Good. Because I am going to hand you something that has been paused down from generation to generation and this called "Zelda's lullaby"

Impa starts playing Zelda's lullaby and Link follows Impa and a lot of magic comes into the ocarina.

IMPA (CONT'D)

Good, good, Now must get you out of here before the king finds out you are here.

Impa puts her hand on Link's shoulder. Princess Zelda starts running to Link.

YOUNG PRINCESS ZELDA

Link, before you go, I just wanted to give you this.

Zelda hands Link a letter and Zelda gives Link a kiss on the cheek.

YOUNG PRINCESS ZELDA (CONT'D)

Be careful and good luck Link.

Impa takes Link out of the castle.

CUT TO:

EXT. HYRULE FIELD - AFTERNOON

Link and Impa walk out of the castle and get to the entrance.

IMPA

It really seems to me the princess really likes you a lot Link. And really believes you could be the hero that Hyrule really needs.

YOUNG LINK

Well parts of me believes I may not be ready. But I will really try my best though.

IMPA

I know you will Link. Both Zelda and I are counting on you.

Link looks at the mountains.

YOUNG LINK

What is that over there?

IMPA

That is kakariko village. And also Death Mountain is also there as well where the gorons are as well. And from there, legend says that the Goron's ruby is also there as well.

IMPA (CONT'D)

Now go Link.

Impa backs up and she throws nuts and she disappears into smoke.

YOUNG LINK

Well she knows a lot about fighting. But we have to get to Death Mountain.

Link starts running to the stairs and he enters into the village.

CUT TO:

INT. THE KING'S BEDROOM - NIGHT

The King of Hyrule looks down at the village.

KING HAYLAN (PRINCESS ZELDA'S FATHER)
I am a lot of fear that village
will get destroyed if we don't
send any guardsmen to cavern to
help to Gorons.

There is a knock at the door.

KING HAYLAN (PRINCESS ZELDA'S FATHER)
(CONT'D)
Come in.

Ganondorf comes into the door.

KING HAYLAN (PRINCESS ZELDA'S FATHER)
(CONT'D)
Ganondorf, You are here. Have you
found out where the triforme might
be?

GANONDORF DRAGMIRE
No sir. But I hate to be the bear
of bad feelings but it seems your
daughter is in trusted a little
boy from the forest south of here
my lord.

KING HAYLAN (PRINCESS ZELDA'S FATHER)
Oh don't worry about my daughter
says Ganondorf. I don't believe
you would ever betray me in any
way shape of form. And you would
never try to take away my thorn or
the crown as well.

GANONDORF DRAGMIRE
I also believe when I was looking
at the boy, he looked like
Hilarius just from the eyes and
the hair.

KING HAYLAN (PRINCESS ZELDA'S FATHER)
That's impossible, Hilarius and
his wife have been dead for almost
10 years. And I do remember he was
my best guardsmen.

GANONDORF DRAGMIRE
But he also was foolish and
un-wise and unworthy to the royal
family as well.

KING HAYLAN (PRINCESS ZELDA'S FATHER)
 Well who ever the boy is, we must
 keep a very close on him and see
 where he goes as well.

GANONDORF DRAGMIRE
 That is a splendid idea my lord.
 But doubt he will get very far.
 And I'm sure the Gorons will kill
 him because after all, they hate
 humans and are very stupid as
 well.

KING HAYLAN (PRINCESS ZELDA'S FATHER)
 I don't think I would call them
 that Ganondorf, But I do believe
 we should send guardsmen there for
 safety. Because I don't believe my
 daughter's new friend won't be
 able to do it on his own.

GANONDORF DRAGMIRE
 Nonsense my lord, They don't
 deserve help from the royal family
 and they have not paid any of
 their debts down in almost a
 century. There is no point in
 wasting our time with them.

CUT TO:

EXT. KAKARIKO VILLAGE - AFTERNOON

Link gets to the village and he climbs up one of the stairs
 and he sits down and he starts playing and messing around
 on his ocarina.

As Link is playing some notes. As Link is playing notes, he
 starts playing Epona's song out of randomness.

Link keeps on playing the theme to the fullest. And all of
 a sudden a red and white horse shows up.

YOUNG LINK
 Well hello there. I didn't know
 you liked music as well?

The horse does a horse sound.

YOUNG LINK (CONT'D)
 I don't know if I have any food
 for you.

The horse comes closer to Link and lays it's head next to Link.

YOUNG LINK (CONT'D)
What's your name by the way?

Link keeps on looking at the horse.

YOUNG LINK (CONT'D)
Well your welcome to be with me, I
know I have to go to death
mountain and I know that's not
going to be easy, so you really
should not come with me at all.

Epona gets up and looks at the mountain. Link looks at the mountain.

YOUNG LINK (CONT'D)
Well alright then, off to Death
mountain we go.

NAVI
Are you sure that it's safe to
bring a horse on a very dangerous
journey Link. What if it gets
killed.

YOUNG LINK
Well you can't fight with an
animal because they are smarter
sometimes then humans.

Link gets on Epona and Epona starts running through the stairs and get to the gate.

GUARDSMEN 1
Halt!!!!!! Only someone from the
royal family are allowed to enter
death mountain.

Link gets off Epona and he starts looking for the letter and he finds it and shows it to guard.

GUARDSMEN 1 (CONT'D)
Oh what's this. It's a letter from
the princess.

The guard grabs the letter and he starts reading it.

GUARDSMEN 1 (CONT'D)

My, my what kind of game is the princess playing now, She must be up to here childish games once again. Well you and your horse can pass but be careful up there.

The guard opens the gate and Link gets back up on Epona and starts running inside of the trail to Death mountain.

to find out.

Link keeps on running and following the music. Link enters one of the last entrances.

CUT TO:

Link enters into a part of the woods and he sees a maze.

Link hears more of music and goes into the maze.

But as Link does this, a lot of wolves come out of the ground and they growl and hiss at Link.

Link takes out his sword and his shield and the wolves try to attack Link and try to bit him.

Link screams in rage and Link throws a lot of sword attacks and gets scratched really bad and gets forced to the ground.

Link gets up right away and he grunts his teeth and Link throws more sword attacks.

The wolves attack Link and try to bite him and Link does a back flip and Link does a sword attack and stabs the wolves really bad.

Link ends up killing the wolves and the door opens and Link goes through the woods.

Link keeps hearing Saria's song and Link jumps off walls and more evil red deku scrubs attack him and Link throws more sword attacks and kills them.

Link moves closer and closer and he goes up the stairs.

Link keeps on looking around and he sees Saria playing her own Ocarina.

Saria sees Link.

SARIA

Link you are here. I thought you were never going to come back.

YOUNG LINK

I thought so as well. But then I entered lost woods through Goron city and I was following your music I believe.

SARIA

You want to learn how to play.

YOUNG LINK

I would love to.

Saria starts playing Saria's song and Link repeats to her the song.

SARIA

You got it Link. This is a song that I have and if you ever want to talk to me on your journey, you are always welcome to play this song.

YOUNG LINK

Alright. Yes for sure.

YOUNG LINK (CONT'D)

But what about you though Saria, you are by yourself here in this forest. Saria, I believe you should come with me to Hyrule.

SARIA

I really don't know if I can do that Link. My home is here. And I believe you will find your true home very soon. I know you will. Good bye Link.

Saria disappears into the shadows and Saria is gone.

Link starts running away and heading back into Lost woods.

Link keeps on walking and he goes into the entrance to Goron City.

CUT TO:

Link gets back into the city and he walks down the stairs and he sees the door and he sees a huge sign that has tri-fore on it.

NAVI

Do you believe playing Zelda's lullaby will work?

YOUNG LINK

Only one way to find out.

Link starts playing Zelda's lullaby and the door starts opening up.

DARUNIA

Who dares come to my city?!...

YOUNG LINK

I have come sir, my name is Link and I was sent here by Princess Zelda and I'm looking for the Goron's ruby.

DARUNIA

Well I will not give you the Goron's ruby.

(MORE)

DARUNIA (CONT'D)

Mainly because the King of Hyrule and Ganondorf have not filled their own promises of killing King Dodongo and because of that my own people were eaten by him. And I will not do any more business with the Royal family at all.

YOUNG LINK

Well I am not with the King of Hyrule or with Gannondroft and I am not affiliated with those men what so ever. And I can kill King Dodongo for you will no debts attached.

Darunia finally comes out of his room and he sees Link for the first time in person and is very speitcal of Link and looks at Link head to toe.

DARUNIA

I believe you have gone completely mad if you think a child such as yourself can destroy a really huge monster, let alone a dinosaur that has haunted my city for thousands of years. And if you go, then more people from the kingdom will send their men after me and my citizens as well.

YOUNG LINK

Well maybe sir, maybe I don't know if I am a knight or so. But I do know that my father was a guardsmen for the King. And I am willing to die trying to save Hyrule even if it kills me.

DARUNIA

Well I don't know if you are completely stupid or just a non intelligent little bugger. But if you want to kill yourself. Be my guest. I will give you this bracelet to help you but don't expect any help from me or my men.

Link walks away from Darunia.

YOUNG LINK

Bye thank you.

Darunia does not say a word to Link. And one of his advisors comes to him.

GORON 1

Do you really believe that he will kill the monster?

DARUNIA

Of course not. The little boy will probably burn himself to death and break one of his legs as well. He does not have a pray of a chance in God's name.

FADE TO:

EXT. DEATH MOUNTAIN - MORNING

Link is walking away from Goron city and keep on walking.

NAVI

Well that was very unexpected.

YOUNG LINK

Not really Navi, Because even though I'm a child, a lot of people in this land are always going to doubt me and they can't care who I am, or who I'm with, or even where I came from, you have to deliver results.

Link keeps on walking and he sees one of the flower bombs by the ledge. Link grabs the bomb and throws it to the ledge.

The bomb explodes into flames and blowing up the entrance to the cave.

I feel I alright I suppose.
Unfortunately however, I got
really beaten by that monster
really bad. And I believe I will
have to go to someone who has
medical experience.

NAVI

Hopefully someone in the village
can help you.

YOUNG LINK

Yes I agree.

As Link is by the entrance, Darunia lands on the ground
with a couple of other Gorons.

DARUNIA

Well done Link. I believe I have
truly mis-judged you young lad.
You were able to defeat King
Dodnogo and save my city as well.
You really are a true hero. And we
truly thank you.

YOUNG LINK

Oh your welcome sir. Sadly it was
not easy to kill that monster but
I am glad that I was able to do
it.

DARUNIA

Well you did something that even Ganondorft or the King of Hyrule couldn't even do. Are you sure you a boy from the forrest?

YOUNG LINK

You know that's a good question. And I still don't know what my orginal orgins are quite yet. But I know I will find out very soon I believe.

DARUNIA

Well I never give this to anybody let alone a humman. But you demonstrated your corrage and also bravery as well. And I believe we do someone like you in chrage of Hyrule. Now here is the Goron's Ruby.

Darunia gives Link the Goron's ruby.

DARUNIA (CONT'D)

Please take it as a gift from my people and I.

YOUNG LINK

Thank you.

DARUNIA

And also before you leave Link, And I wish I told you this before, but there is also a fariy from the royal family and I believe a giant owl that goes on top of the mountain. And I believe those two things should help you on your quest.

YOUNG LINK

Link takes out his ocarina and he plays Zelda's lulbaby.

NAVI

You sure playing that song will do anything?

YOUNG LINK

I don't know, but I think now everytime I see that sign, I will always play Zelda's Lulbaby.

As Link is done playing, a beautiful and stunning woman comes out of the water laughing very happily.

ROYAL FAMILY FAIRY 1

Who comes to my fountain?

YOUNG LINK

I do miss. My name is Link and I am the son of Hilarius and Zanna. And the melody was passed to me by Princess Zelda.

ROYAL FAMILY FAIRY 1

Well you have come to the right place Link. And I see that you are broken little boy as well and has been in battle.

 choose you. This spell of mine
 should help you.

The fairy starts using her magic and creating a beam around Link and link's burned up marks and scares start going away. And Link sword gets fixed and has even more magic in it as well.

ROYAL FAMILY FAIRY 1 (CONT'D)
 I was able to heal you. And also
 give you more magic to your sword.
 And in time, you will find the
 answers about your parents as well
 Link.

The fairy goes back into the water and Link runs out.

FADE TO:

EXT. ON TOP OF THE MOUNTAIN - AFTERNOON

Link gets back outside and he looks down.

YOUNG LINK
 I really wonder how we are going
 to get down and also get through
 all the explosions?

NAVI
 Well from my own perspective, it
 seems to me that the mountain is
 very active. But it's very, very
 odd because we just killed King
 Dodnogo in the cavern and got the
 Goron's Ruby.

YOUNG LINK
 I sadly believe the Cavern has
 nothing to do with the mountain
 and it could be because of
 something else.

As Link turns back he sees Kaepora on one of the signs.

KAEPORA GAEBORA
 Link, I am very glad to see you. I
 herd the news that you were able
 to find the Goron's Ruby. That is
 fantastic and very splendid. And I
 also over herd your conversation
 with your little fairy on getting
 back to Hyrule.

YOUNG LINK

Yes because of the explosions and eruptions of the mountain.

KAEPORA GAEBORA

Yes I agree my boy, Every time I have flown up here, It's always hard to avoid to the rocks and explosions. And I feel like this mountain is still crused but for a major different reason. But I can give you a lift back to the villege.

YOUNG LINK

That would be splendid kaepora.
Thank you so much.

Link comes to Kaepora and he jumps on his back and climbs up. Kaepora starts flapping his huge wings and he begins to fly.

Kaepora starts flying really fast and Link starts seeing the views of Death Mountain and Goron City.

Link is really amazed at the views and Kaepora keeps on flying down.

YOUNG LINK (CONT'D)

Wow this is very beautiful very up here.

Kaepora keeps on flying.

CUT TO:

Kaepora gets finally gets to the villege and lands on one of the houses.

Link gets off of Kaepora.

YOUNG LINK (CONT'D)

Thank you so much Kaepora.

KAEPORA GAEBORA

You are quite welcome young man. Now I must go to what ever takes me next. Oh and before I leave you Link, Under the fountain lies some secerts that you should see.

YOUNG LINK

Alright okay Kaepora.

Kaepora flaps his wings and he flys off into the sky and he is gone.

NAVI

What kind of secerts was he talking about Link?

YOUNG LINK

I don't know Navi, but what ever they might be, I'm going to find out one way or another. Come on!!...

Link starts running and he jumps off of the roof and lands on the ground. And Link starts running to the fountain.

CUT TO:

EXT. AROUND THE FOUNTAIN - LATE AFTERNOON

Link and Navi get to the fountain and Link sees the water in the fountain.

NAVI

I wonder how we are going to get rid of all the water?

Link starts hearing the rain song somewhere and he sees a man with a very interesting instrument.

GURU GURU

Oy, little boy, I didn't know that you liked my song mate.

YOUNG LINK

Yeah it's a very interesting song, I will see if I can try to play it.

GURU GURU

Well I wish you luck mate, because it is very hard to play.

Link gets out his Ocarina and he starts fallowing Guru's notes from his head and he plays the song of stroms.

As Link plays the song, it trully starts to rain and as it's raining, the water in the fountain starts going away.

NAVI

Link, the water is going away.

GURU GURU

Wow after all the years of living here, I have never seen the water go away that fast. You must have some magic in you boy.

YOUNG LINK

I don't know maybe. Thank you so much for teaching me your song.

GURU GURU

Your welcome mate.

Link starts running down to the fountain and climbs down. Link finally gets down there and he places a bomb by the door and blows up the door.

Link and Navi get inside of the fountain.

CUT TO:

INT. INSIDE OF THE FOUNTAIN - AFTERNOON

As they get inside, they notice right away that it's very dark and very scary and also very creepy.

NAVI

Oh my word, this place really does not look good.

Link keeps on walking and he sees a hole and Link crawls through the hole.

Link sees a door and he keeps on running.

Link and Navi find a way to get inside and they start exploring.

As Link is exploring Link gets attacked by monsters and Link gets slammed to the ground.

Link kicks one of the monsters in the face and Link takes out his sword and he starts fighting 4 different monsters.

Link cuts one of the monsters and stabs another one in the stomach.

More monsters start showing up and Link screams and yells and he does more sword attacks.

Link is able to kill the monsters and Link starts running and he goes into another door. And Link sees a lot of paintings on the wall and they are paintings of his mom and dad.

YOUNG LINK

I wonder who those people are on the wall?

YOUNG LINK (CONT'D)

And also the man in the photo has the same type of hair and colored eyes like I do as well.

NAVI

Maybe there could more secrets about those people here.

YOUNG LINK

Yes I agree Navi.

Link keeps on looking around and he finds a key that is in the ground.

Link finds the key and he puts the key into his pocket and he starts going up the wooden ladder.

Link climbs up the ladder and he is able to get back into the main floor of the temple.

Link turns back and he sees an empty hole and he sees a small hole and he crawls under the hole.

As Link gets back on his feet and Link sees a very dark and dirt like room.

As Link is in the room, he sees writing on the wall. Link looks at the writing.

YOUNG LINK (CONT'D)

Oh this looks really interesting. And it look like someone was able to write something and it says "I was able to create an item that will be able to see the lies and traps that demons and the overall naked eye cannot see. Not even the royal family knows about this item. I really hope that it can fall into the right hands of a strong warrior. Hilarius.

NAVI

Oh so it really looks like your father created this item. But I really wonder where I might be in this room.

As Link is looking around a red and white hand comes out of the ground. As Link keeps on walking, Link gets grabbed by the hand and the hand starts grabbing him very tight.

As Link is grabbed the dead hand monster and it starts coming towards Link.

DEAD HAND

I'm going to make sure you die
just like your mother and father
did!!!!!!!!!!... And you will die
under this fountain as well.

The Dead hand tries to bite and head butt Link. Link finds a way to get free and he yells and swings his sword at the dead hand's face.

The dead hand screams and yells really bad. Link takes out his deku shield and protects himself. The Dead Hand is able to destroy the shield and Link does a back flip and Link throws his sword at the monster really hard and stabs it in the neck.

Link gets out his sling shot and he starts firing his sling shot at the dead hand monster.

Another hand grabs Link and throws him against the wall.

Link gets out a stick and the dead monster tries to punch Link in the face and Link whacks the Dead hand monster in the face and kicks it in the face.

Link gets punched in the face in the face Link jumps really high up in the air and grabs his sword and Link's eyes turn green and Link begins to charge up his sword and Link swings a lot of fairy magic out of his sword and does a lot of spin attacks.

Link destroys all the hands and the dead monster tries to head butt Link and bite him. Link throws another sword attack and the dead monster bites on the sword.

Link starts grunting and Link gets a huge deku nut and Links yells and throws a huge nut at the monster and stings it really bad.

Link Punches the monster in the face and it releases his sword and stabs in the mouth really badly. Link screams and yells again and Link cuts it's head off and a lot of blood starts coming out.

The dead monster lands on the ground and the hands around the room start to die and go down.

As the dead monster is dead, a huge chest magically appears.

Link walks over to the chest and he opens the chest. As Link looking through it he sees the lens of truth and grabs it.

NAVI

What do you think it might be Link?

YOUNG LINK

It some kind of item with a red eye on it. And I don't know what it does quite yet but I will hold on to it. But I also wonder...Why would my father come down here all those years ago if this well had a lot of monsters inside.

NAVI

Maybe with all of his skills he found a way to avoid all of them and maybe knew some secrets about the royal family himself.

YOUNG LINK

Very fair point. Come on lets get out of here Navi.

NAVI

Oh okay Link.

Link and Navi start heading out of the well and Link runs out of there from the same way he got in.

FADE TO:

EXT. KAKARIKO VILLAGE - NIGHT

Link climbs up the well and he gets back to the ledge.

Link finally gets to the soil and he starts looking around.

NAVI

So where to Link?

YOUNG LINK

Well...I think we just need to find a place to stay. And I know there was a horse that I was riding on to the mountain and I want to see if I can find it.

NAVI
Alright okay Link.

Link begins to run and Navi starts following him out of the villege.

Link begins to sleep on the grass.

NAVI
Link.

YOUNG LINK
Yes Navi?

NAVI
Do you really think your parents would be proud of you and what have you become?

YOUNG LINK
Well sadly I don't know if I can say. But I'm sure they would be.

As Link is sleeping, Link starts hearing a horse sound.

Epona starts running to Link and Epona starts licking Link.

YOUNG LINK (CONT'D)
Oh well hello there, And you liked what I played on my ocarina as well.

YOUNG LINK (CONT'D)
I can really tell that you like
music. I really wonder who owns
you anyway.

As Link is with Epona, Malon comes out out of nowhere and
sees Link.

YOUNG MALON
Oh Link you are here. I didn't
know if I was ever going to see
you again. And I also really loved
meeting you at the castle as well.

YOUNG LINK
Oh yes indeed.

YOUNG MALON
Do you have anywhere else to go?

YOUNG LINK
Sadly I do not.

YOUNG MALON
Well okay. We if you want you can
sleep in my house.

YOUNG LINK
Listen to me I know that's very
kind of you to do so, But I don't
know if I can do that because in
the morning my fairy and I have
somewhere we need to go and...

Malon grabs Link by the wrist and takes him inside one of
the barns.

INT. THE LON LON RANCH BARN - NIGHT

Link and Malon get into one of the barns.

YOUNG MALON
Father we have a guest.

Malon sees her father sleeping.

Talon is sleeping but he starts to to wake up.

TALON
Oh I'm sorry I was just sleeping
again. I'm sorry Malon.

INGO

UGH Talon is like the 33rd day
this week that you have been
sleeping this week. And then all
the work gets left to me to do
it!!!!!!

YOUNG MALON

No I'm sure father works on the
ranch when he could. But we always
apperate what you do as well Mr.
Ingo.

Link looks at Ingo.

INGO

What in the world are you looking
at boy?!....

YOUNG LINK

Nothing sir, I just really amazed
at your ranch that's all.

Link turns back to Malon.

YOUNG LINK (CONT'D)

Look I apperaite you showing this
place but we...

YOUNG MALON

Malon hands Link a bottle of milk

YOUNG LINK

Oh thank you so much. You have no
idea how much I really need this.

YOUNG MALON

Your welcome Link anytime.

CUT TO:

Link and Malon are outside with Epona around the horse
field.

YOUNG MALON (CONT'D)

Wow look at the stars, I believe
one of my dreams that I have is
that I really hope a charming and
handsome prince would come to see
me and swep me off my feet.

YOUNG MALON (CONT'D)

Link.

YOUNG LINK

Yes Malon.

YOUNG MALON

Do you have any dreams for yourself or something in your life that would like to accomplish. Do you ever want to be a prince or a king or anything like that?

YOUNG LINK

Well Malon, I actually really don't know what my dreams really are. And I think my biggest dream is that I really hope that one day I can grow up and I can see the world and also be the best swords men in all the land of Hyrule. And also have a lot of rubbies and be stable as well.

YOUNG LINK (CONT'D)

Where is your mother?

YOUNG MALON

She passed away when I was really little.

YOUNG LINK

I'm really sorry Malon. Yes for me I know what it's like to loose people that you love very dearly.

YOUNG LINK (CONT'D)

She didn't die in the Hyrule civil war did she?

YOUNG MALON

No she did not, she died of something else.

YOUNG LINK

Oh. Well no matter what happens, I'm always going to be here for you Malon. And I will make sure nothing bad ever happens to you as well.

YOUNG MALON

Thank you Link.

As Link and Malon are laying down, Link notices a giant owl coming towards him

Kapora lands around the fence and sees Link and Malon.

YOUNG MALON (CONT'D)
What in the world?!...

KAEPORA GAEBORA
Hello Link, I see that you were able to defeat the monster that was inside of death mountain. And I believe I would be able to take your next destination which is Zora's Domian.

YOUNG LINK
Really are you sure Kaepora?

KAEPORA GAEBORA
Yes Link.

KAEPORA GAEBORA (CONT'D)
Now Link just hoop on my back and I will take you to Zora's Domian.

YOUNG LINK
Alright okay Kaepora.

Link starts going on Kaepora's back.

YOUNG MALON

YOUNG LINK

Kaepora sees parts of the river and Kaepora starts flying down and he drops Link around the river. Link gets off of Kaepora.

KAEPORA GAEBORA
Good luck Link.

Kaepora starts flying up into the sky.

Link and Navi start heading towards the river and Link starts running through the water and climbing up a lot of objects.

Link and Navi finally get into the domain and they are both amazed on how beautiful it really is.

NAVI
Wow this place is really amazing
Link.

YOUNG LINK
Yes I agree. The water in this
cave is just really beautiful and
very stunning and very crystal
clear as well.

NAVI
How in the world are we going to
find the last spiritual stone here?

YOUNG LINK
That's like what I'm trying to
figure out as well.

YOUNG LINK (CONT'D)
Come on lets take a look around.

Link starts exploring the cave and he turns his head and he sees the water fall and other Zoras talking to each other. Some of them are even swimming in the water and having fun.

YOUNG LINK (CONT'D)

This is going to get pretty hard,
because these people don't look
like they are in any big time
danger.

NAVI

Maybe we should go find their king
and see what he has to say.

YOUNG LINK

That's a good idea Navi.

Link and Navi keep on going up and they start seeing the
king.

As they get more closer, they see that the king is really
sad and not speaking.

YOUNG LINK (CONT'D)

Excuse me sir?

KING ZORA XVI

How are you and how did you get
inside Zora's Domian?

YOUNG LINK

Well my name is Link and this is
my fairy name Navi. And I was
really wondering where the Zora's
Sapphire. Do you know where it
could be possible?

KING ZORA XVI

Well son I believe it might be
inside Lord Jabu Jabu. And it was
given to my daughter princess Ruto
because her weeding ceremony is
tomorrow. And she was going to
feed Lord Jabu Jabu but he ended
up sallowing her. My men have
tried to get Lord Jabu Jabu to
open his mouth but he has not
responded to any of my commands or
my men.

YOUNG LINK

Oh no I'm sorry sir. Well, maybe I
can try to help and rescue your
daughter.

KING ZORA XVI

I don't know if I can do that.
You are a human and the King and
Ganondroft are just strange people
and they put big time taxes on
myself and my people to do so.

YOUNG LINK

Oh no sir I won't charge a single
coin. And I was able to help the
Gorons not too long ago and I
believe I can be up to the task
without any ruppies.

KING ZORA XVI

Oh okay my boy. Thank the good
lord, You are a very brave soul.
Please do rescue my daughter and
bring her back my boy.

YOUNG LINK

I will do my best sir.

Link and Navi get to Zora's Fountain and they start running
towards Lord Jabu Jabu.

Link runs up the stairs and sees him.

NAVI

So the King of the Zoras want us
to fight him like right now? This
sounds really hard.

YOUNG LINK

Nonsense Navi, After all, he does
not look very threathing.

Lord Jabu Jabu does not saying anything.

NAVI

Maybe he just does not want to fight. And Maybe he just needs something to eat.

YOUNG LINK

Well okay. We just need to catch a fish then.

Link climbs on one of the trees and he dives into the water and he gets out a bottle and he catches the fish in the bottle and swims back to the surface.

Link starts swimming to the shallow end of the fountain.

NAVI

Well sounds like you were very successful in fishing.

YOUNG LINK

Well I just really hope it works. Come on.

Link starts walking towards Lord Jabu Jabu.

YOUNG LINK (CONT'D)

Hey boy, I got a nice little fish for you to eat. And if you eat, you can spit out the princess and this will all be over and I won't have to attack you or anything.

Link opens the bottle and drops it on the ground. The fish starts jumping around.

NAVI

Sounds like nothing is happening.

YOUNG LINK

I guess so Navi.

As Link turns back Lord Jabu Jabu suddenly starts opening his mouth and he starts sucking Link into his body.

Link and Navi start screaming and yelling.

YOUNG LINK (CONT'D)

(screaming)

NAVI

NAVI

Are you alright?

YOUNG LINK

Yes so far, I'm okay just my fore-head and brain are just shocked. But overall, I believe I'm alright.

NAVI

Alright okay. Good.

Link gets up and he goes through another door and he sees an emepty room. Link also sees another blood viruis vein.

As Link is looking around, he sees a female zora child standing in front of him.

Link runs up to Princess Ruto.

YOUNG LINK
Hello, you must be the princess,
I'm Link and I was sent to rescue
you by your father.

YOUNG PRINCESS RUTO
Well I'm not leaving here without
the Zora's sapphire. And I am not
going back to my father!!!!

YOUNG LINK
But you have, otherwise you are
going to die in here and your
father and the rest of your people
are worried about you. And I have
to take you back.

More jelly fish start coming towards them and Link picks her up and starts running.

YOUNG PRINCESS RUTO
What on earth are you
doing?!...Put me down Zora!!!!....

YOUNG LINK
I can't we have to keep going.

Link keeps on running while having Princess Ruto in his arms. Link keeps on going through many doors. As Link is running, Link all of a sudden starts running and he falls down through a hole.

Link and Ruto fall through the hole and they end up in an empty room.

YOUNG PRINCESS RUTO

YOUNG PRINCESS RUTO (CONT'D)

Uh oh...

The Barinade does a really huge monster roar and it grabs Princess Ruto and takes her up in the air.

YOUNG PRINCESS RUTO (CONT'D)

Help me!!!!!!!....

Link takes his sword out and he starts throwing a lot of sword attacks at the barinade monster. Link cuts on one the arms of the monster. The monster throws another punch at Link and punches at Link in the face and knocks his sword out of his hand.

Link gets forced against the wall and Link slowly gets up and he gets out a boomerang and Link starts screaming and yelling and throws around 8 different boomerang attacks.

The Barinade monster starts getting really weak and the huge jelly fishes start coming towards Link.

Link runs to his sword and Link's eyes turn green and Link starts charging up his sword and a lot of magic starts coming out of the sword and Link starts throwing 12 sword attacks with magic.

Link ends up killing a lot of Jelly fish and the barinade monster starts rising up and reveling more jelly fish and long eletricty arms.

Link ends up picking it up and Link starts looking at it.

YOUNG LINK

My word, I really can't believe I was able to find this last stone. But I really feel like I shouldn't take it. What I am doing? this is not mine.

Link starts looking around and he sees princess Ruto and he runs to her.

YOUNG LINK (CONT'D)

Are you alright?

YOUNG PRINCESS RUTO

No I am not alright you dumb fool, Do you really expect to get anything in return for throwing me a side and not carrying me!!!!

YOUNG LINK

Oh I'm sorry princess. Well, if it makes you feel any better, I believe this belongs to you.

Link grabs the Zora's sapphire out of his pocket.

YOUNG PRINCESS RUTO

Thank you. And also the truth is that I was not swallowed, I was hiding from my father.

YOUNG LINK

May I ask why?

YOUNG PRINCESS RUTO

It's because does not know what is best for me and he arranged a marriage to someone without asking my permission. And he always believes that I'm always going to be his little princess. And I have my own feelings and I have my own life!!!!!!!!!!...And I don't want an arranged marriage!!!!!!!!!!...

YOUNG PRINCESS RUTO (CONT'D)

And I am not my father's little girl anymore!!!!!!!!!!...

Princess Ruto all of a sudden starts crying and tears start coming out of her eyes.

Link slowly starts coming up to Princess Ruto and hugs her very gently.

YOUNG LINK

There, there my dear. And well at least you have a father that loves you and really wants the best for you. We can talk about this more and more if you want?

YOUNG PRINCESS RUTO

Oh my lord!!!!...Now I feel really sorry for you and all this stuff really makes me sad. So where do you see yourself in the future?

YOUNG LINK

I wish I knew. The only thing I know is that I must save this great land from being destroyed and rescue anyone that really needs my help.

YOUNG PRINCESS RUTO

But that's going to be such a sad life Link. And you will have so many problems and so many troubles.

YOUNG PRINCESS RUTO (CONT'D)

So what are you going to do now?

YOUNG LINK

Well I don't know. But I know that I must go and go where ever the gods take me.

Link gets up but Ruto grabs him.

YOUNG PRINCESS RUTO

NOOO NOOO!!!!!!!!!! Link don't go please. Just please stay with me.

YOUNG LINK

(MORE)

YOUNG PRINCESS RUTO (CONT'D)
Aren't you worried that she won't
be there when you get back.

YOUNG LINK

YOUNG PRINCESS RUTO
Well before you go Link, I just
really want you to have this.

Ruto suddenly starts handing Link the Zora's Sapphire stone.

YOUNG PRINCESS RUTO (CONT'D)
I know I was really suppose to
give this to my future husband.
But I believe you have really
earned this because you have shown
me that you are a true man and a
very gentle man who is kind and
sweet. And I really love you Link.

Princess Ruto hugs Link and Ruto gives Link a kiss on the
check.

YOUNG PRINCESS RUTO (CONT'D)
Also when I give this to you,
please remember me and please
don't forget about me.

YOUNG LINK
I won't Ruto.

Link gets up on his feet and he jumps into the water and he
starts running back to Hyrule castle.

YOUNG PRINCESS RUTO
Be careful Link...

Hello is there anybody inside, I'm here to see Princess Zelda and I have the spirtuarl stones. Hello?

Link runs upstairs and he sees a lot of blood on the ground.

YOUNG LINK (CONT'D)

Look I don't know if I know any medical what so ever, but maybe I can go get the guards to help you or so. I just really don't know I am going to help you.

KING HAYLAN (PRINCESS ZELDA'S FATHER)
 It's okay. My time as King has
 come, and the things my daughter
 has said, are now coming
 true...And I didn't listen to her.

YOUNG LINK
 It's okay, we all make mistakes
 sir.

The King keeps on breathing very heavily.

KING HAYLAN (PRINCESS ZELDA'S FATHER)
 Who are you my boy?

YOUNG LINK
 That's what I'm trying to figure
 out as well sir.

KING HAYLAN (PRINCESS ZELDA'S FATHER)
 Come closer to me my boy.

Link comes closer to the king on his bed. And the king
 looks at Link's eyes.

KING HAYLAN (PRINCESS ZELDA'S FATHER)
 (CONT'D)
 Ooooooh...I know who are you...You
 are Hilarius and Zana's boy.

YOUNG LINK
 You knew my father and mother?

KING HAYLAN (PRINCESS ZELDA'S FATHER)
Yes I did, Your mother was
 a very sweet lady and then your
 father...was a really good
 guardsmen for me. And he was very
 loyal to the royal family. And he
 was also my top guard as
 well...you have his eyes and his
 hair color.

YOUNG LINK
 But where on earth is everyone,
 and why are you the only one in
 your kingdom and...

Link looks at the window and he starts seeing a lot of
 explosions and guards getting killed and houses and
 businesses getting destroyed.

The skeleton monsters start killing a lot of people and
 destroying people. And everyone is screaming in fear and
 running to get out of the kingdom.

And there is a lot of fire and flames everywhere. Ganondrof and his greedo theives come and they are coming towards the castle.

GANONDORF DRAGMIRE
Get the Princess of Hyrule and
bring her to me!!!!!!

SKELETON MONSTER
With pleasure my lord!!!!!!...

Link sees all this and is really shocked and really scarred.

YOUNG LINK
Oh dear...

Link runs back to the king.

YOUNG LINK (CONT'D)
We have to get you out of here
your majesty!!!!!!....

KING HAYLAN (PRINCESS ZELDA'S FATHER)
No my boy, I have seen my days,
And my kingdom is taken from me.
And my daughter is gone!!!!!!...

YOUNG LINK
No sir, we still have time to
rescue her.

KING HAYLAN (PRINCESS ZELDA'S FATHER)
No my boy, Only you can do that.
But...I want to give you something
before I go.

The King gets on his feet and coughing out blood.

KING HAYLAN (PRINCESS ZELDA'S FATHER)
(CONT'D)
Just kneel my boy.

YOUNG LINK
Oh okay.

Link takes a knee in front of the king.

KING HAYLAN (PRINCESS ZELDA'S FATHER)
Link, son of Hilarius and Zana.
You have shown so much bravery
trying to rescue me. I give you
this necklice as a token to you.
And I will crown you the hero of
time.

The King bends down and gives Link a necklice that has the tri-force on it.

YOUNG LINK
Thank you so much your majesty.

KING HAYLAN (PRINCESS ZELDA'S FATHER)
Good bye my boy.

The King passes out and blood starts coming out of his mouth.

YOUNG LINK
Noooooooooooooooo!!!!!!!
Please!!!!!!!

Link starts hugging the King of Hyrule and tears start coming out of Link's eyes.

Link finally comes to his senses and he gets up and he walks out of the room and he starts running upstairs really hard.

CUT TO:

Link gets to the top and he sees Zelda and Impa on the other tower.

YOUNG LINK (CONT'D)
Princess Zelda!!!!!

CUT TO:

Impa stars firing a lot of her magic at a lot of skeleton monsters that are coming at both her and the princess.

As Impa is attacking the monsters, Ganondorft finally shows up.

IMPA
Ganondorft, I should of known it was you planning all of this!!!...Where is the King?!...

GANONDORF DRAGMIRE
The king is dead Impa. And soon I will be the king of Hyrule and then I will rule the entire world as well once I get my hands on the tri-force.

YOUNG PRINCESS ZELDA
You are you wrong Ganondorft. The hero of time will come and destroy you and heal our world!!!!...

GANONDORF DRAGMIRE

The hero of time is a myth and it
will never happen!!!!!! And I will
destroy and kill both of
you!!!!!!...

Ganondorft screams and tries to crush both Impa and Zelda.
Impa jumps on the in the air and Ganondorf tries to attack
both of them.

Impa screams and takes out her knife and punches Ganondorft
in the face and gives a cut around his left eye. Ganondorf
screams in pain.

Impa keeps on running with the princess in her arms.

IMPA

Don't worry we will get out of
here.

YOUNG PRINCESS ZELDA

But what about Link?

IMPA

I'm sorry but if we stay here,
both of us will be killed.

CUT TO:

Link starts running to Impa and Zelda but one of the
skeleton monsters come and try to attack Link.

SKELETON MONSTER 1

You will never get passed me
boy!!!!!!...

Link screams and yells and the skeleton monster defends
himself very strongly and whacks Link in the face with his
sword.

Link falls off the ledge and he lands on the ground without
being harmed. Link gets up and he sees the market and
everything burning around him.

Link sees Impa and Zelda on the white horse.

YOUNG LINK

Zelda!!!!!!!!!!

Zelda sees Link and is really sad and she throws the
Ocarina of time in the water.

Link gets really tired and can't catch up to Impa and
Princess Zelda.

YOUNG LINK (CONT'D)
Zelda....

CUT TO:

Zelda on the horse.

YOUNG PRINCESS ZELDA
It's up to you now Link.

CUT TO:

Link jumps into the water and he grabs the Ocarina of time out of the water.

YOUNG LINK
I really don't know what this is.
But I guess Zelda really wanted me
to have it.

Link grabs the Ocarina of Time and puts in his pocket.

As Link is standing, he hears thunder and lighting and hears Ganondorf's horse making a soft noise.

Link slowly turns back and he sees Ganondorf on his horse and Ganondorf sees Link.

GANONDORF DRAGMIRE
I saw you grab the Ocarina of Time
and put in your pocket. I command
you as the new King of Hyrule that
you hand the Ocarina of Time to
me. Or I will my guards to arrest
you.

Link starts breathing heavily and he starts raging up.

YOUNG LINK
No!!!! You are not the true king
of Hyrule!!!!...

GANONDORF DRAGMIRE
You really believe you will able
to stop me and stop my army and
kill all of men and my
theives!?!...Well you sure are mad
and you are very non-intelligent
just like your father!!!!!!...

YOUNG LINK
You don't know anything about my
father!!!!!!...

GANONDORF DRAGMIRE

Oh I know a lot about you Link.
And also I know a lot about your
father as well. And have you ever
asked yourself why he moved to the
forest.

FADE TO:

FLASHBACK SCENE

Hilarius starts doing his guardsmen duties and Ganondorf
sees him.

GANONDORF DRAGMIRE (V.O.)

I was really jelouis of your
father and how was in line to be
king of Hyrule himself. And I
thought the King made a bad choice
in choosing him. So I framed him.

Hilarius is in a store and Ganondorf fallows Hilarius and
frames him for steeling something and the guards arrest
him.

GANONDORF DRAGMIRE (V.O.) (CONT'D)

I knew he didn't understand the
kingdome well so I got him in
trouble.

CUT TO:

Hilarius returns his gear and armor to the great hall to
the King.

KING HAYLAN (PRINCESS ZELDA'S FATHER)

I'm sorry my boy, But a crime is a
crime.

Hilarius leaves without saying anything and leaves the
castle for the last time in his life.

GANONDORF DRAGMIRE (V.O.)

I know from then on, nothing was
standing in my way for the thrown
and I was pleased when the theives
killed him and your mother because
I knew outsiders didn't belong in
Hyrule.

CUT TO:

The King is in his room looking at the window and sees dark clouds coming and starts thinking about Hilarius and sees paintings of him in the great hall.

GANONDORF DRAGMIRE (V.O.) (CONT'D)

But even killing your father, that still wasn't enough and Zelda was right, I truly didn't care about the king what so ever and I was tired in being just a soilder. So I did what any person that wanted power would do.

The King turns back and Ganondorf smiles and blasts a lot of magic at the king and a lot of blood starts coming out and is dying and Ganondorf walks out of the castle.

CUT TO:

Back to the present

GANONDORF DRAGMIRE

And now, you will not stop me!!!!...

Link gets electrocuted really bad and gets forced to the ground and feels really weak.

Saria's Ocarina slips out and Ganondorf grabs the ocarina.

GANONDORF DRAGMIRE (CONT'D)

And finally, I have the ocarina of time and it's mine. And I knew that the hero of time was a myth. And I'm more closer to rulling the world with you out of my way.

Ganondorf hits his horse and Ganondorf starts running and chasing after Zelda and Impa.

Link sees Ganondorf go into the darkness.

YOUNG LINK

I was too late, Zelda is gone and even getting the stones was not enough Navi.

Link starts feeling really sad.

NAVI

Well hopefully there is place to go with all the stones.

YOUNG LINK
Yes I hope so Navi.

CUT TO:

EXT. TEMPLE OF TIME - AFTERNOON

Link walks into the temple of time.

Link starts running to the gray podium.

NAVI
This place is really huge.

YOUNG LINK
Yes it is.

NAVI
Sounds like you really need to use
an ocarina to open this door.

YOUNG LINK
Yes I agree.

Link starts digging through his pockets and he finds the
Ocarina of time.

Link starts playing the song of time in front of the
podium.

As Link is done playing the song, the spiritual stones
appear and they start going on podium.

As the stones are on the podium, a huge light appears above
the temple door and the door right away starts to open.

NAVI
Link you open the temple.

YOUNG LINK
Yes I did. Come on.

Link starts running more and more inside the temple and
Link sees the Master sword for the first time.

YOUNG LINK (CONT'D)
Wow...That sword looks really
powerful.

NAVI
Yes it does indeed.

Link starts walking up to the sword very closley. As Link gets to sword, Link closes his eyes and he starts flash backing to his parents.

YOUNG LINK

What do you think I should Navi?

NAVI

I think you have to pull it Link.
You can do it.

Link takes a huge deep breath and he slowly grabs the mater sword.

Link feels the enegy of the sword going into his hand.

Link screams and yells in rage and pulls out the sword. As Link does this, a lot of the blue and green magic starts trapping Link and Link starts seeing a lot of time pass him by and Link is trapped inside of a diamond.

As Link is inside the diamond, he sees a lot of Hyrule getting destroyed and a lot of darkness come to Hyrule.

Link slowly starts closing his eyes.

As Link is closing his eyes, Ganondorft comes into the temple of time. And he sees Link in the temple of time.

GANONDORF DRAGMIRE

As expected, I know that you had the Ocarina of time, and my guards and I were able to fallow you in here and lead me inside the scared ralem. And now Hyrule is under my command and owe it all to you!!!!

Ganondorf starts laughing and he countines to laugh as he walks out of the temple of time.

ADULT LINK (CONT'D)

What on earth?!...Who the bloody hell are you?!....

RAURU

Hello Link. I am Rauru. I am the stage of light. And I am also the first stage that you found. And I have been inside of the temple of time for a lot of years Link. And you were placed inside of the temple for 10 years because you were too young at the time to be the hero of time.

ADULT LINK

Oh my it's been 10 years...I have so many questions about everything...Do you know if Malon or Saria or if Princess Ruto are okay and are they alright?...And is Princess Zelda alright as well?

RAURU

They are all alright Link. And Ruto and Saria are both sages that you need to find in order to defeat Ganondorf.

Link finally looks at his reflection of himself and he is very shocked.

ADULT LINK

Oh dear I have changed and aged so much.

RAURU

Yes you have changed a lot Link. But I believe that you are still that little boy that came to Hyrule for the time. And I know the king choose well when he choose you to be the hero of time.

ADULT LINK

But I know things are not the same with Zelda and I know that I have to not only find her but also find Saria, Malon, and Ruto as well.

ADULT LINK (CONT'D)

How many sages do I need to find?

RAURU

You have to find five of them. But I know that you will be able to do it. Good bye Link.

Rauru starts using his magic and he sends Link down in a crystal and Rauru gives Link the light medilan.

CUT TO:

The blue beams start going down around the master sword stone.

The beam dissappear.

NAVI

Wow that was something else. I guess you won't be able to use your old weapons that you had when you were a kid.

ADULT LINK

No I will not not navi. But I really don't know where to start, it's going to be a such a long journey.

NAVI

Just search your feelings Link and try to save as many friends as possible. And if you do that, you will rescue all the sages I promise you.

ADULT LINK

Oh okay.

Link starts to walk away and Navi stars to fallow him.

As Link is walking away, a myserouis warrior shows up.

ADULT LINK

Alright. I guess that would be Saria. That's going to be really hard because I haven't been back to the forrest since I was little.

SHEIK

Yes it will be dangerous. But I will be with you every step of the way. And do what must be done Link.

We are going to save Malon!!!!...

NAVI

Where are we leading?...

ADULT LINK

Lon lon ranch!!!!...

Link keeps on running and he runs out of the castle.

CUT TO:

Link heads out of the castle and he sees the Lon Lon Ranch property.

NAVI

a problem Navi. Come on.

NAVI
Link isn't that Talon's brother?

ADULT LINK
Yes it Navi. I guess he runs
everything now, From what I
remember he didn't like Malon's
father and now...well he ran Talon
out of the ranch.

NAVI
Do you think Malon could be here
as well.

ADULT LINK
There is only one way to find out.

Link starts digging into his pocket and he finds a hook
shot gun and Link shoots the gun on to the roof.

Link starts running on the roof and he jumps off the roof

NAVI

And it looks like she is in a lot of trouble as well.

ADULT LINK

I promise you if they hurt her, I will destroy however tries to touch her.

Link starts hearing greedo solders and Ingo walk into the house.

INGO

Do you know why I tied you up Malon?

ADULT MALON

Is it because I failed at my duties again.

INGO

It is also that. But it's also because you are just like your father and lazy just like him and now that I run the ranch, your servies are no longer needed here. And we are going to send you to Ganondrof's castle.

ADULT MALON

You can't do that. The ranch is the only home that I have ever known. And my father would be very dissapointed in how you have ruined his ranch.

INGO

I am much better at running this ranch then your father was. And you mean nothing to me!!!!

INGO (CONT'D)

And don't worry when I come back from delivering a horse to Ganondrof, I will send men to capture you and also take you to him as well.

Link? I haven't seen you in 10 years. And how did you know that I was here?

ADULT LINK

I actually really didn't. I just really missed you a lot. But come on, we really have to get out of here right now Malon.

ADULT MALON

Link I don't know if we can get out. the whole ranch is guarded by Ganondorf's greudo thieves and guardsmen and also Ingo is working for Ganondorf and is using all the king's money on the ranch. And without a horse, we can't escape.

ADULT LINK

Oh no there is always a way Malon.
Where is your father in all of
this madness??...

ADULT MALON

My father is gone Link. Ingo and
Ganondorf's men kicked him out of
the ranch and now he does not have
a place to sleep. And since then,
Ingo has taken the whole ranch
over.

ADULT LINK

It's okay I'm going to get you out
of here Malon. Just trust me.

What in the world?!...Who the
blood hell are you?!...Where is
Malon?!...

Link looks at Ingo with a pissed off look on his face.

INGO (CONT'D)

Wait a minute...I know who you
are!!! Your were the boy from the
forrest 10 years ago back when I
was just a normal worker for
Talon. Now you have 2 choices,
either you leave and get out of
here and you don't get arrested
and taken to King Ganondorf or you
refuse and I have guards arrest
you. Which is it going to be young
man?

Link still does not say a word to him.

Ingo gets really mad and angry at him.

INGO (CONT'D)

Why the blood hell can't you say
anything?!...And how about I make
the choice for you!!!!!!...

Ingo tries to punch Link but Link dodges Ingo's punch and kicks Ingo in the face and shoves him against the wall and Link pushes him against the wall 7 times. Ingo turns back and takes out a whip and tries to hit Link with a whip, Link takes out his shield and protects himself. Ingo tries to whip Link but Link defends himself with a shield and Link strikes at Ingo gives him a cut on his neck.

Ingo yells from the cut and Ingo and Link kicks Ingo and Link grabs Ingo by the head and slams him against the head.

ADULT LINK
You will not go anywhere near
her!!!!!!...

Ingo gets up and tries to tackle Link but Link kicks Ingo in the stomach and knocks him out really bad.

Link hears more greedo soldiers coming.

ADULT LINK (CONT'D)
Come on!!!

Link grabs Malon's hand and they start running and they head out of the horse and Link takes out his sword.

We have to get out of here Link...

Link looks around and more theives are coming to them.

Ingo sees them and he has a bow and arrow in his hands.

INGO
Don't let them escape!!!

Malon gets really scarred. Link takes out his hookshot gun and Link points his hookshot gun and Link starts going up and Malon hugs and grabs on to Link for dear life and she screams.

Link and Malon zoom up to a tower and Link and Malon climb up.

Malon starts to slip and Link grabs Malon's hand and helps her up.

More Greedo theives start coming towards them.

INGO (CONT'D)
You can't hid from forever Malon.

Malon gets really scarred.

ADULT MALON
What are we going to do Link?
There is more coming?...

Link does not get panic at all and Link takes out the ocarina of time and Link starts playing Epona's song.

As Link plays the song, Epona starts coming to Link and she starts running to the tower.

ADULT MALON (CONT'D)
Epona...

ADULT LINK
Alright we are going to jump off
this tower now...

ADULT MALON
What?!...

Link grabs Malon and picks her up in his arms and Link jumps off of the tower.

Malon starts screaming but she calms down and looks at Link's face and how handsome he looks and smiles.

Malon puts her arms around Link.

Link starts lowering himself very slowly and they both get on Epona.

More bad guys start coming towards Link.

ADULT LINK
Hold on!!!!....Ya, ya!!!

Malon starts getting really tired and really sleepy.

NAVI
Well you have to drop her off somewhere she can't come with us.

ADULT LINK
Yeah I guess your right Navi. We can always check out the villege and hopefully that place has not been corrupted.

Link taps on Epona and Epona starts taking them to the villege.

Link keeps on looking around and Link sees a young woman
with red hair

ANJU

Hello, can I help you two?

ADULT LINK

Yes you can, We are looking for a
place to stay? Do you any place

to stay here as long as you want.

ADULT LINK

Thank you so much. Well I don't
know if I need to stay for a long
time though. But I was really
wondering if you can let my friend
stay here.

ANJU

Where are you headed to young man?

ADULT LINK

I sadly have no idea but I just know that I have to save Hyrule and try to make Hyrule what it was before Ganondorf took over.

ANJU

That sounds like a really huge task. And that sounds incredibly hard as well and I really wish you luck as well.

ADULT LINK

Thank you.

ADULT LINK (CONT'D)

So how long have you lived in this villege for?

ANJU

For my life and I never saw Hyrule back when it was a heathy location. But I did see a little boy clothed in green always going on adventures and going to many different places.

ADULT LINK

I think the little boy that you are talking about is me. Because I really use to do that a lot back when Princess Zelda was in Hyrule.

ANJU

You met Princess Zelda?

ADULT LINK

I did yes. And not only was she very beautiful and very stunning...but she was also a really smart girl. And all the stuff she would say about the tri-force and how powerful it is. Is really not a joke and it's very real.

ANJU

Oh I believe you. Especially with all the dark elements that are happening around this land.

ADULT LINK

Yes I agree. I actually had to save my friend Malon because that Ingo person was going to kidnap her and send her to Ganondorf and do god knows what with her.

ANJU

Is your friend alright now?

ADULT LINK

She is, yes.

Link and Anju and Malon keep on eating food.

CUT TO:

Link is sleeping on a bed and as Link is sleeping, he keeps on having dreams about Zelda and having nightmares that she might be dead.

ADULT LINK

Yes I will Malon. I promise you.
And I won't be gone for very long.

Link starts heading out the door and Link goes on Epona and Link hits Epona and Epona starts running out of the villege.

ADULT LINK (CONT'D)

Link walks into the main entrance and Navi follows him inside.

CUT TO:

Link gets to the main part of the forrest and all the properties are destroyed and a lot of evil dark weed monsters and bats are flying around the woods.

NAVI

Where in the world is everybody?

ADULT LINK

That is a really good question.
The forrest looks like it's completety destroyed and all of Ganondorf's magic also came here as well.

Link keeps on walking around and Link sees a lot of monster soilders around the forrest. Link hides right away.

like that monster is long gone.

Link starts running and he jumps on one of the ice burls.

NAVI (CONT'D)
Well that was very scary.

ADULT LINK
Yes I agree.

Sheik appears out of nowhere.

SHEIK
I knew I would find you here Link.
And I can assume very well that
you are looking for Princess Ruto.
And she is alive. But unfrogetly
however, all of the Zoras have
left Hyrule because of Ganondorf
and headed to Termnina. The Zora's
domain is now frozen and I don't
think the ice in there will never
melt. But there is a way to rescue
her and I will teach you the
serenade of water.

Sheik takes out the harp and Link takes out the ocarina of time. Sheik plays the sernage of water and Link repeats her and they start playing it.

ADULT LINK

Very interesting musical note no doubt. Thank you.

SHEIK

Your welcome Link. But yes, this piece of music will allow you to get to Lake Hylia and get you to the water temple.

SHEIK (CONT'D)

Good bye Link.

KING ZORA XVI

I can imagine you already saw Zora's Domian and how everything is frozen. Well sadly I don't know if there anything we can do unfreeze everything. But you can head to the Water Temple and defeat the evil spirits inside there.

ADULT LINK
What about you?

KING ZORA XVI
I will be gone and head to
Termaina with my people and please
find my daughter inside the water
temple. And your going to need
this.

FADE TO:

Link's spirt lands him one of the lands by the lake.

Link starts looking around and he sees that all of the water is drained out.

NAVI
How in the hell did this
happen?!...

ADULT LINK
I believe some sort of spirt that
Ganondroft created drained the
lake. And I can only imagine Ruto
is in grave danger.

Link jumps off the ledge with his iron boots on and sinks into the water.

Link gets out his hook shot and shots it at tag and opens the gate.

ADULT PRINCESS RUTO (CONT'D)

Did you hear everything that I told you?

ADULT LINK

ADULT PRINCESS RUTO

The evil spirt inside of the temple attacked and Sheik was able to save me.

ADULT LINK

That's good. Well I don't know if you you should be here Ruto. I you will be killed and you don't have any weapons on you.

ADULT PRINCESS RUTO

That's not important Link. I just want to be with you and help you just like you helped me all those years ago. And also help you save Princess Zelda as well.

ADULT LINK

Alright, what we do first?

ADULT PRINCESS RUTO

Well first thing we have to do is the get water level down and then get to the top through different path ways.

ADULT LINK

Sounds simple to me.

Link sees the tri-force and he starts playing Zelda's lully and it starts draining the water.

ADULT PRINCESS RUTO

How did you know that was going to drain the water?

ADULT LINK

I didn't actually. I just guess.

ADULT PRINCESS RUTO

The only thing that hasn't changed is your sense of magic.

Link shoots at his hook shot and grabs Ruto and lowers them down very carefully.

They land on the ground and they go to another path way and run in there and Link and Ruto see the moving platforms going down.

ADULT LINK

Oh dear...

ADULT LINK

Why the fucking hell should I believe someone like you? because all of a sudden you surrender and now your a morale person all of a sudden.

NABOORU

ADULT LINK (CONT'D)

But Zelda, one thing I don't
understand, why did you turn into

Well it's mostly because after
Impa and I escaped from the
castle, And I told Impa that I was
in big use if I turned into one of
her people. And at first, Impa
didn't want to do so, but I
convinced that we would get caught
either way and so Impa used her
magic and turned me into a boy.

ADULT LINK

Is that the truth Zelda?

ADULT PRINCESS ZELDA

Yes Link. But I am very grateful
that I was able to be on your
adventures with you and that
Sheik was able to come to your
rescue when ever you needed it.

Well thank you Zelda. But I am a
little dissapointed I can't see
Sheik anymore.

Zelda laughs and Link laughs as well.

you so much Link.

I knew at some point you would show up Link. And it has taken me a long time to find both the triforce of wisdom and courage. But I never expected the 2nd one to be in such a stupid boy like yourself. And unlike Zelda's father the old king of Hyrule I knew he would die under his own lack of stupidity especially in not believing his own daughter. And then I knew in getting your father terminated from duty would also put me more in line for the thrown.

ADULT LINK

What the devil are you talking about?!...

GANONDORF DRAGMIRE

You don't know do you boy?...Your father also had the tri-force of courage and was more in line for thrown than I was. But during the war, I knew how much of an outcast idiot he truly was. So I was able to believe stuff on him without any logic and run your mother and him out of Hyrule and terminated from being a royal guardsman. And that was able to notice you that day you sneaked into the old Hyrule castle. The person from your past reminded me of your father.

ADULT LINK

So you are the reason why my father and mother died in the war.
