EXT. BACKYARD - NIGHT

Jack is drinking a beer and enjoying the moon light. Johnny finally sits down and he tired out of his mind.

JACK UTONIUM

Rough night?

JOHNNY BRAVO

Bro you no idea. I don't what kind of girls invited but they all want these guys in suits that have money. What ever the hell happen to old days where girls were attracted to guys and finding out their strengths like their muscles. It's not all about money at times.

JACK UTONIUM

Um...that still happens...

JOHNNY BRAVO

It does?...Oh...Well anyway where are my manners? Johnny Bravo.

JACK UTONIUM

Jack Utonium. So what do you do for a living Johnny?

JOHNNY BRAVO

Well I kind of don't have a job at the moment. But I do however sell my own shampoo and soap to people.

JACK UTONIUM

How much have you sold?

JOHNNY BRAVO

.....Not a whole lot...

JACK UTONIUM

It's okay I understand. I was like that too when I was young. Not a lot of direction.

Johnny and Jack start drinking a beer with each other and Johnny notices the cuts on Jack.

JOHNNY BRAVO

Forget my sense of questions but what are those cuts from?

Jack looks at his cuts and turns back to Johnny.

JACK UTONIUM

Oh well they are from a climbing accident that happened.

JOHNNY BRAVO

Oh no I'm sorry man.

JACK UTONIUM

It's okay don't be.

MAYOR OF TOWNSVILLE

Hello Jack...

Jack looks up and sees him.

JACK UTONIUM

Oh Mr. Mayor, you finally came. I didn't think you knew about this party.

MAYOR OF TOWNSVILLE

I really accept someone of your ratings to invite the person that really took you into this town. And I get no phone call from you.

JACK UTONIUM

Mr. Mayor please it's my girls birthday.

MAYOR OF TOWNSVILLE

I didn't know you had children. Probably explains why are you don't age very much. Your lucky you live in a house.

JACK UTONIUM

And you are lucky that I am powerless otherwise I would use my own samurai sword and stab you...

MAYOR OF TOWNSVILLE  
And then I would call the police  
on you and your girls would be  
turned into social services.

Johnny starts eyeing Miss Bellum.

JOHNNY BRAVO  
Hey are you enjoying this party  
baby girl?

MISS BELLUM  
I am. You?

JOHNNY BRAVO  
I am enjoying it very much. You  
want to come to my place after all  
this?

MISS BELLUM  
I would love to. I also really  
love your muscles and your blonde  
hair.

JOHNNY BRAVO  
Why thank you. I also love your  
red beautiful hair as well.

JOHNNY BRAVO (CONT'D)  
Come on lets give these guys a  
moment.

Johnny and Miss Bellum leave without both the professor and  
the mayor knowing they are gone.

Johnny's car and Johnny drives off with her.

MISS BELLUM  
Wahoooooooooooooooo!!!!!!!

CUT TO:

EXT. THE BACKYARD - NIGHT

JACK UTONIUM  
Yeah if you blocked that I would  
have gone through you in a second.

MAYOR OF TOWNSVILLE  
Yeah like you would have a say.

Jack starts poking the mayor in the shoulder.

MAYOR OF TOWNSVILLE (CONT'D)  
Jack you really shouldn't do that.

JACK UTONIUM  
Why because your too important to  
fight a samurai?!...

MAYOR OF TOWNSVILLE  
No...because of this.

The mayor gets out a taser and gets electrocuted really  
bad. Jack lands on the ground really hurt.

MAYOR OF TOWNSVILLE (CONT'D)  
No so powerful without your sprits  
are you?

The party stops is in shock. And teenagers say a bunch of  
stupid words in the background.

The girls see what's going on and rush to the professor's  
defense.

The girls get ready to attack.

The mayor gets really scared and backs away.

JACK UTONIUM  
It's okay girls. I can handle  
myself.

MAYOR OF TOWNSVILLE  
You should be lucky Jack that you  
have such powerful daughters  
because another hit and you would  
of been dead.

JACK UTONIUM  
Just get the hell out of my  
house!!!!!!...Oh and Miss Bellum  
just left with that Bravo person.  
So good luck getting a ride!!!!!!...

MAYOR OF TOWNSVILLE  
Go fuck yourself!!!!

JACK UTONIUM  
Well that's a lame comeback from  
someone who is suppose to be the  
powerful person in the city!!!!!!...

The mayor keeps walking way.

CUT TO:

INT. INSIDE THE HOUSE - NIGHT

The professor and Ashley start cleaning up the house and the girls are helping.

BLOSSOM

I am sorry you got attacked professor.

JACK UTONIUM

It's okay Blossom. There are just people in this world that just don't like us.

BLOSSOM

But there was so many people at the party though however.

JACK UTONIUM

Well just because people are there. That doesn't mean they like you Blossom. It's more complicated then that.

BLOSSOM

Oh okay. Are you sure your going to be okay?

JACK UTONIUM

Yeah I am fine.

JACK UTONIUM (CONT'D)

Now go upstairs. You have school in the morning.

BLOSSOM

Oh okay.

Blossom starts going upstairs to her room and Bubbles and Buttercup are there.

BUBBLES

Well I must say that was a really wonderful and amazing party. And I had fun swimming in the pool, dancing and then talking to this other cute guy.

BLOSSOM

That's great Bubbles. I think we had fun I believe.

BUTTERCUP

Well I meet this one girl name  
Luzy at the party and she didn't  
have nobody to talk to at the  
party so I talked to her.

BLOSSOM

What was she like?

BUTTERCUP

Oh she was very down to earth.

BLOSSOM

Okay. Well anyway you guys. I am  
worried about the professor and  
his health. Don't we think we  
should do something to cheer him  
up.

BUTTERCUP

No he is going to be fine Blossom.  
Plus Mom will probably cheer him  
up. We have school in the morning  
and we should be focused on that.

BUBBLES

I agree. I can't wait for tomorrow  
and meet new people and adventures  
we might do.

BUTTERCUP

I really don't like the sound of  
that.

BUBBLES

Why not?

BUTTERCUP

Because every time you say  
adventures we end up getting  
ourselves into trouble and then  
the professor has to bail us out.

BUBBLES

Okay you do have a point there.  
But I'm sure we will be okay  
tomorrow.

BLOSSOM

Yes I think we will.

CUT TO:

DEE DEE

Those girls look really cool  
Dexter. We should go say hi to  
them.

DEXTER

Dee Dee lets just first get to  
school.

DEE DEE

Oh okay.

CUT TO:

The bus keeps on driving to the school.

CUT TO:

EXT. OUTSIDE THE HIGH SCHOOL - MORNING

The girls start walking to school and they see a lot of high school elements including clicks.

BUBBLES

Do you think some of these people  
where at our party?

BUTTERCUP

No not really. I don't know a lot  
of people showed up in the first  
place.

BLOSSOM  
Can we just focus on school right  
now.

BUTTERCUP  
What Blossom it was totally  
relevant point.

CUT TO:

The girls go into their first class and they sit down at  
their seats.

BUTTERCUP (CONT'D)  
I can already tell I'm going to  
hate this school!!!!...

BUBBLES  
I don't know there are some other  
things to like about. Like for  
example, they have a picture of a  
king in the classroom.

BUTTERCUP  
Yeah...That's called english  
history Bubbles!!!!

BLOSSOM  
Would you just knock it out  
Buttercup!!!

BUTTERCUP  
What?!...It's the truth!!!

More students come into the classroom and they sit at very  
different places.

As more students are coming into the classroom, Dexter  
comes into the classroom and he sits in the back as the  
rest of the students come.

BUTTERCUP (CONT'D)  
I really wonder who that guy is?

BUBBLES  
I don't know he seems really shy.  
Maybe we will find out later today  
and he could become a good friend  
for us.

CUT TO:

A man with blue button up shirt walks into the room.

CARL

Alright people quite down. I know this weekend was really fun and all. But now we have to get back to school things.

BUBBLES

And we also love the painting of the King in the classroom!!!!!!...

CUT TO:

The class is shocked by what Bubbles said. And Buttercup face hits herself.

BLOSSOM

What she means to say is that King Arthur is awesome.

The girls go back to their seats and other girls in the classroom start gossiping about them.

Dexter sees the girls sitting down.

DEXTER (WHISPERING)

Man these girls sure look like the little girls I saw back when I was little. I have to try to get to them and they also see what they are like.

CUT TO:

INT. THE LUNCH ROOM - AFTERNOON

The girls are in line and they start getting lunch.

BUTTERCUP

Well that went well!!!.....

BUBBLES

Oh I don't think it was that bad.  
I just said what was on my mind  
and if we did time travel it would  
of have been fun to meet him.

BUTTERCUP

Bubbles what you said didn't make  
any sense and a lot of the girls  
in the classroom think that you  
like sugar daddies.

BUBBLES

I kind of don't know what that is.

BUTTERCUP

Point proven.

BLOSSOM

Okay, okay, okay I know in our  
first class things didn't go well  
but we will improve our social  
skills over time and plus this is  
just our first day of high school.  
I'm sure it can't get any worse.

As the girls are walking they see a lot of bad things  
happening around them such as popular kids picking on  
average students.

And the girls see other bad things happening as well.

BUTTERCUP

Oh jesus Well we are not going to  
have a lot of friends for the next  
3 years here!!!!.....

BUBBLES

Wait who is that guy over there?

The girls see Dexter with his notebook.

BUTTERCUP

He is just some weird guy with a notebook Bubbles and sitting by himself what's so freaking special about that?!...

BLOSSOM

I don't know Buttercup. Bubbles does have a point. Maybe he looks friendly. And he is coming towards us...

BUBBLES

Oh maybe he likes me.

BUTTERCUP

Just be quite Bubbles.

Dexter walks to up the girls.

DEXTER

Hi!!!! I really loved you guys introduction in class.

BLOSSOM

Oh thank you.

DEXTER

I'm Dexter by the way. I am really fascinated by you girls. Do you want to sit with me?

The girls and Dexter start walking to Dexter's table and sit down.

DEXTER (CONT'D)

BUBBLES

Oh well our dad is scientist and he works for a company and that's all I know.

DEXTER

Wait did you say scientist?

BUBBLES

Yes I did. Why?

DEXTER

Wow that's a really huge dream and goal for myself to be a boy genius and have my own lab and make a lot of invitations and potions. So what's your dad's name?

BUTTERCUP

His name is Jack Utonium. We can give our phone numbers if you ever want to talk to him.

DEXTER

That would be really wonderful and really fantastic. Any time works for me. I have another question as well.

BLOSSOM

Lay it on us.

DEXTER

How come you always have eyes that match your outfits. I'm sorry if that's stupid question.

BLOSSOM

Well do you promise not to tell anybody.

DEXTER

I promise Blossom.

BLOSSOM

Well....Okay here is the thing. We are not normal teenage girls. We were born with super powers and we were created in a chemical pot. I know that sounds really strange.

DEXTER

No I don't think that's strange at all...That's awesome. What is your mother like?

BUBBLES

Well she...she works a lot of jobs so it's usually our father who brings home the money. But she is super nice as well.

DEXTER

Is it okay if I come over tonight?

BUBBLES

Of course it is Dexter. We love you already.

BLOSSOM

Yeah we will tell our dad your coming.

Princess and boys?

The Rowdy ruff boys and Princess Morbucks show up.

PETER MORBUCKS (CONT'D)

You see Timothy every penny you

industries. And you wouldn't want  
your daughter finding out what you

stolen from people.

TIMOTHY WALKMAN

do this anymore.

PETER MORBUCKS

PRINCESS MORBUCKS  
Well he is not going to recover from that.

PETER MORBUCKS

You did well my princess. Why  
don't you let Suzy out and then we  
will decide what to do with her.

The princess uses her heath vision and unfreezes Suzy and  
Suzy starts running to her dead father.

Suzy starts hugging her dad and she starts crying and she  
rests her head on her dad's chest.

PRINCESS MORBUCKS

It sounds like you will have a new  
family that will take care of you  
and you will obey us from now  
on!!!!...

BLOSSOM  
Oh thank you.

DEXTER  
It's kind of better then my house. Mine just looks old where as yours looks very futuristic and cool.

Oh thanks. Well anyway I just wanted to say thank you for coming over Dexter and we really appreciate it a lot.

DEXTER  
Oh it's nothing you guys.

JACK UTONIUM  
Girls!!! Dinner is almost ready!!!

BUBBLES

Oh and the chicken is always really good as well professor.

DEXTER

Thanks for inviting me to dinner Mr. Utonium.

JACK UTONIUM

Oh your welcome young man. So you met the girls today at school. Which is so nice because it's always good for the girls to have friends that are good.

DEXTER

Oh yeah for sure sir. Yeah they are very nice and very kind to me. And they are also very sweet ladies as well. And they are also very beautiful and stunning as well. And you both sure have raised some really good kids.

ASHLEY UNTONIUM

Oh thank you Dexter. So Dexter. Do you have a plan on what you want to do when you graduate from high school?

DEXTER

Well Mrs. Untonium well for me I really want to be a scientist and hopefully have my own lab someday in my life.

ASHLEY UNTONIUM

Oh well that is such a great goal.  
What do your parents do for a  
living?

DEXTER

Well my dad is a CEO at a company  
that works for gold and it's best  
gold company in Townsville.

JACK UTONIUM

I think I read something about  
your dad in the paper and he I  
hear he has a good reputation.  
What is your mother like?

DEXTER

Well my mom is Gym fitness teacher  
at a gym in Townsville.

ASHLEY UNTONIUM

Oh that's really interesting. Do  
you also have a sister?

DEXTER

Yes I do and her name is Dee Dee.

JACK UTONIUM

Oh okay. Well Dexter if you need  
any help with any science related  
things I am very glad to help you  
get there and I'm sure the girls  
will have a good idea as well.

DEXTER

Thanks Mr. Utonium. By the way I  
notice that you are good at making  
Chinese food. How do you know how  
to cook it so well?

JACK UTONIUM

Well Dexter...There are some  
things about me that have a very  
huge story to them. And before I  
was a professor and scientist. I  
use to be a college student and I  
also worked for the CIA as well.

BUTTERCUP

You never told us about this  
professor.

JACK UTONIUM

Oh yeah back in the day I beat up  
some pretty bad people.

ASHLEY UNTONIUM

Oh yeah. He was really good at his job and he knew how to find clues and find the bad guys as well.

DEXTER

Yeah for sure. You also have aged really well the both of you. I'm sure both my parents would love to know your secrets.

JACK UTONIUM

Well young man. There is not a much secret. Just always take care of yourself, eat right, get a lot of sleep, and always work out when you can.

DEXTER

Oh okay I see.

BLOSSOM

So what was it about with the mayor of Townsville during our party professor?

JACK UTONIUM

Look Blossom it was nothing. The mayor and I have our differences. And sometimes adults when they get angry it's a lot more complicated.

BLOSSOM

Oh okay.

CUT TO:

EXT. THE MORBUCKS HOUSE - AFTERNOON

Peter walks into his lab and he pulls a map out of his pocket of the city of Townsville.

Richard walks over to see the map.

RICHARD HARDLEY

Sounds like our new plan is to blow up Townsville and also steel all the money that's there.

PETER MORBUCKS

Very correct Richard. And it will be so good that nobody will suspect it.

PETER MORBUCKS (CONT'D)  
And then of course all we have to  
do find the money and the other  
research the girl's dad had and  
then give all the information to  
Mojo jo jo.

RICHARD HARDLEY  
Sounds really good. Where do we  
start?

PETER MORBUCKS  
We start around the high school  
and then head to mayor's office.

RICHARD HARDLEY  
I also have a secret weapon that  
can we use to break into banks and  
the power system.

A strange high school kid with black hair and a white  
highlighting comes into the room.

RICHARD HARDLEY (CONT'D)  
This Mandark and we can use most  
of his knowledge to break into the  
bank and he start building the  
bomb.

MANDARK  
I will get started on the bomb  
right away.

CUT TO:

EXT. THE HIGH SCHOOL COURTYARD - AFTERNOON

while. I hope nothing bad happen  
to her.

BLOSSOM  
Yeah for sure. Something seems  
really weird and We have to find  
out what it is.

BUBBLES  
Yeah maybe we should go to Dexter  
and see if he knows anything on  
where Suzy could be.

CUT TO:

The person is doing his job and storing files and putting check inside the main safe.

Tie her up!!!

The Rowdyruff boys grab her and they tie her up in duck tape. And she starts screaming.

BLOSSOM

I don't know but we have to find out and try to save as much people as we can.

The girls start running to the lunch room.

CUT TO:

The Rowdy ruff boys cause more trouble and damage around the lunch room and Princess Morbucks kills more people and punches them in the face and kicks them.

Buttercup tackles one of the Rowdy ruff boys and slams him against the wall and punches him in the face. Blossom kicks Boomer in the face and grabs him by the neck and slams him to the ground.

Bubbles punches Butch in the face and freezes him really bad.

Princess Morbucks gets a out a sword and she tries to stab one of the powerpuff girls and she throws many different sword attacks at one of the girls.

Princess Morbucks slams Bubbles against the wall and kicks Buttercup against a pile of broken lunch tables. Blossom dodges the sword attacks from Princess Morbucks and kicks her in the face and grabs her by the hand and bitch slaps her.

The Princess falls to the ground sprays more fire out of her hands to try to burn Blossom. Blossom jumps in the air and Princess throws more punches and kicks at Blossom and Blossom dodges the kicks and punches and kicks Princess

Morbucks in the face. Morbucks punches Blossom in the face and kicks her in the stomach.

Blossom screams and The Princess throws Blossom to the ground.

PRINCESS MORBUCKS

I was made to be a ruler and a queen. You are just a leader of your sisters And it's another reason why you will burn under my flames and under my new army of super powered mutants!!!!

BLOSSOM

You will never get away with this!!! And you are not a ruler of anything!!!

PRINCESS MORBUCKS

Oh that's what you think!!!

CUT TO:

The robot shows up again and Butch, Boomer, and Brick start attacking Buttercup and Bubbles.

Bubbles starts spraying electricity breath out of her mouth and electrocutes Butch and Boomer really bad. And Buttercup uses her plant powers and spice powers and blasts a bunch of spice at the Rowdy Ruff boys and force them against the wall and knock them out.

Mandark's robot sprays more dangerous chemicals at the Buttercup and Bubbles and Bubbles grabs the robot by the legs and spins it around and throws it at against a broken car.

Mandark comes out of the robot all beaten up and Buttercup punches Mandark in the face and kicks him in the stomach.

BUTTERCUP

Sounds like your not too bright of a person!!! And you are going to tell us who you are working for?

MANDARK

I won't tell you anything!!!!

Buttercup grabs Mandark by the neck and slams him against the wall really hard.

BUTTERCUP

If you don't tell us. My sister  
and I are going to burn you whole  
skin to the ground!!!

Mandark starts laughing.

BUBBLES

This guy is completely insane.

MANDARK

You know blond girl. You are  
correct!!!

Mandark slaps both Buttercup and Bubbles and uses his metal  
gloves and shocks both of them really bad.

Mandark throws a lot of punches and kicks at the girls and  
grabs one of them and electrocutes them very badly. Bubbles  
sprays more eletrcity from her hands and Mandark uses  
another metal shield and blocks it back at them. Both of  
them jump and dodge the attack.

Mandark starts laughing in a very insane matter.

MANDARK (CONT'D)

You stupid girls can't win against  
my big and huge brain. My  
knowledge will over power anybody.  
Including weird people like you  
freaks!!!!

Mandark sprays more thunder and lighting and at Buttercup  
and Bubbles and Buttercup dodges the attack and kicks  
Mandark in the face and forces him against another broken  
car.

Mandark as he gets up gets tackled from behind by Bubbles  
and gets grabbed by the hair.

BUTTERCUP

We are taking into the police!!!!

Mandark keeps on laughing.

BUTTERCUP (CONT'D)

What is so god damn funny?!...

MANDARK

You really think the police is  
going to listen to you girls when  
my mentors and his children have  
all the money and power in the  
world. Wrong!!!

Butch, Boomer, and Brick show up and cause a huge explosion. And Buttercup and Bubbles get attacked very brutally.

BUTCH

We got to the money let go sliver boy!!!

MANDARK

Oh no I want to enjoy killing these girls first!!!

Buttercup sprays eletrcity out of her hand and burns Mandark's hand really bad and Mandark's screams in pain.

MANDARK (CONT'D)

This won't be the last time you will see us. You colored pattern wearing freaks!!!

Mandark escapes with the Rowdyruff boys.

BUBBLES

No they got away!!!!

BUTTERCUP

We will deal with them later. We have to go find Blossom.

CUT TO:

Princess Morbucks throws more punches at Blossom and Blossom avoids the punches and kicks. Blossom sprays more heat vision and eletrcity at Princess Morbucks and Princess Morbucks kicks Blossom from behind and causes a huge explosion with her powers and forces Blossom against the ground.

PRINCESS MORBUCKS

Give up Red head!!! You and Your sisters will never stop my brothers and my dad.

BLOSSOM

Your not doing any good. And being a ruler is not the way to get what you want!!!!..

PRINCESS MORBUCKS

I think it's the only way. And my dad is right you are a like your father Samurai Jack. And how weak he is!!!!!!...

BLOSSOM

You don't know anything about our father!!! And don't know anything about me or my sisters!!!!

PRINCESS MORBUCKS

Oh my brothers and I know so much about you three girls.

Morbucks creates a staff and she throws more staff attacks and Morbucks and whacks Blossom in the face.

PRINCESS MORBUCKS (CONT'D)

I also know where Suzy is and soon more people that your close to will die as well. Just like Dexter will and so will his sister and his parents!!!!

Blossom gets in rage and blasts more heat vision at Princess Morbucks and throws more punches and kicks at her. and Blossom punches her in the stomach and forces her against the wall.

BLOSSOM

You leave Dexter and his family alone!!!! And stay away from him!!!!

PRINCESS MORBUCKS

Oh that's a shame because I know I would be a really good match maker for you two.

Blossom throws more attacks at Princess Morbucks. And Blossom punches Princess Morbucks in the face and knocks her to the ground.

BLOSSOM

It's over!!!! Give up.

PRINCESS MORBUCKS

No red!! It's just about to begin!!!

Princess Morbucks kicks Blossom in the face and forces her against the wall. Buttercup and Bubbles show up.

BUBBLES

Blossom!!!

PRINCESS MORBUCKS

The more you keep chasing us. The more we will have the morale high ground.

The Rowdyruff boys show along with Mandark.

PRINCESS MORBUCKS (CONT'D)  
Let go boys!!!

Morbucks, The boys, and Mandark escape.

BUTTERCUP  
We have to tell the professor.

CUT TO:

INT. THE LIVING ROOM IN THE HOUSE - LATE AFTERNOON

The girls walk into the house

BLOSSOM  
Professor are you home?

JACK UTONIUM  
Yeah I'm here girls. What's the  
problem? Are you guys having boy  
troubles?

BLOSSOM  
No none of those things, Professor  
there was a huge attack at our  
school and there are these evil  
kids one princess like girl that  
has same powers as us. And then  
there are three boys that look  
like us and then a crazy guy with  
black and sliver hair that is evil  
wants to build things that are  
evil. Do you know anything about  
this?

Jack starts thinking about and he starts flash backing to  
when he fought Peter as Samurai Jack.

JACK UTONIUM  
I think who the person that  
created those kids girls. Come in  
my lab.

CUT TO:

Buttercup hands Jack a little tiny bottle of chemical that  
was left back at the school. Jack puts the chemical under a  
microscope and sees the chemicals.

BUBBLES  
So what is it Professor?

JACK UTONIUM

Bubbles this chemical that I'm looking at is the same chemical that I used when creating you girls all those long years ago. But a person that I once knew name Peter Morbucks was a scientist that I met back when I was a little younger. And he had such a creative mind that he wanted to experiment on almost everything. Even animals and people. And my old college roommante name Richard Hardly was a friend of mine before he turned evil. And he was working for an evil scientist name Arnold Kunisher. And their old evil plan was to blow up the United States at the time back in the 1960's.

BUTTERCUP

Did their plan work professor?

JACK UTONIUM

It didn't work because your mother and I caught them and they went to prison for their crimes and their scheme.

BLOSSOM

Do you know how they escaped?

JACK UTONIUM

My best guess is that someone bailed them out of jail and then stole the chemicals including chemical X and sugar, spice, and everything nice to create the evil girl you all are talking about. But maybe added a lot of evil things such as poison and other chemicals. And then did the same thing when creating the boys using a snails and a puppy dog tail.

BUTTERCUP

Well what ever they are doing now they are going to plot the same thing against the city of Townsville.

JACK UTONIUM

Correct Buttercup.

BLOSSOM

But when what does Suzy have to do with all of this?

JACK UTONIUM

It sounds like her father was working for Morbucks and Hardly. And they are also working for another person as well. I want all three of you to do now is to find out where Morbucks and Hardly and I will do the best I can to help you guys.

BUBBLES

Okay professor.

JACK UTONIUM

And also you must spend time with Dexter and his family. Because if not, Dexter can be in morale danger.

BLOSSOM

We will do that professor.

CUT TO:

EXT. SOMEWHERE IN TOWNSVILLE - AFTERNOON

Ed, Edd, and Eddy walk out of the subway and they start heading to their apartment.

EDD (DOUBLE D)

Well sounds like that day of work didn't go well.

EDDY

Oh who cares we at least had some jaw breakers to take home and make like a candy milkshake with.

ED

That sounds like fun. I hope there is another rated R movie to watch.

As they are walking they see a poster for a hiring.

EDD (DOUBLE D)

Hey look at this. New Science jobs 30 dollars an hour plus possible raise.

EDDY

Are you kidding we must apply for those jobs. Heck we then can buy more things as well. What time is it going to be at?

EDD (DOUBLE D)

It doesn't say.

ED

Well guys. That sounds wonderful. We can use the money. Hopefully we can open our own jaw breakers store in Townsville and then hopefully get girlfriends.

EDDY

I am the one who is going to operate Ed.

ED

Oh man.

CUT TO:

INT. TOWNSVILLE APARTMENTS - NIGHT

The Ed boys get back to their apartment and they start watching TV.

ED

Now this is a very good show.

EDDY

Double D do we have any drinks left.

CUT TO:

Double D goes to check on the drinks and there are no drinks.

EDD (DOUBLE D)

Dude I think we are out my man.

ED

Oh that's too bad because I would loved to drink a lot of soda and beer and then be hyper in the morning.

The Ed boys start to hear some noise downstairs.

EDD (DOUBLE D)  
Now what in the hell is all that racket.

EDDY  
Come on lets go find out.

CUT TO:

The boys go downstairs and knock on the door.

JOHNNY BRAVO  
Yes who is it? Is it another beautiful girl that wants to see me?

EDDY  
No Idiot. We can hear the noise from upstairs and can you please keep it down.

JOHNNY BRAVO  
I don't know if I can do that. I am enjoying this girl so far. Ah yeah.

ED  
Can we come in?

JOHNNY BRAVO  
Sure why not.

EDD (DOUBLE D)  
Ed!!!!

ED  
Oh I'm sure this is going to be just fine.

Ed opens the door with no common sense and they walk in Johnny making out with Miss Bellum.

Miss Bellum is shocked and covers up.

JOHNNY BRAVO  
Oh hey Ed boys. How nice of you guys to drop by. It's better to see another person other then Carl.

ED  
Hey Mr. Bravo. How was your day?

JOHNNY BRAVO

Oh my day was really great. I went to a bar and then went to a men's store and got some new clothes and some other stuff as well.

EDDY

Don't you freaking have a job?

JOHNNY BRAVO

Um no...But in all fairness I have always been a good saver. And then being around Jack U is always a good sign.

EDD (DOUBLE D)

Wait who?

JOHNNY BRAVO

Well I mean I know I just became good friends with Jack Utonium and he is a good guy and that's where I met Bellum.

ED

Well that sounds like a very wonderful story.

JOHNNY BRAVO

Thank you Ed.

EDDY

Well can you please just not make any noise.

JOHNNY BRAVO

I can't help it. It ruins my mojo.

EDDY

Jesus Christ!!!

EDD (DOUBLE D)

Well don't you worry that you are going to get sued.

JOHNNY BRAVO

No not really. Whenever something bad happens to me. I just completely move on.

ED

That is a very good strategy of life my man. I like that.

(MORE)

ED (CONT'D)

By the way, we kind of have a job thing to go to tomorrow. Is it okay if you can drive us?

JOHNNY BRAVO

You mean at Morbucks warehouse?

EDD (DOUBLE D)

How did you know about that?

JOHNNY BRAVO

Bro everybody in town knows about those openings. People like you working there and then getting good raises and working in all this fancy science stuff that I can't even understand myself. And yeah Carl works there.

JOHNNY BRAVO (CONT'D)

But I can drive you guys there and back. Just please don't let Carl see me.

ED

You got yourself a deal Mr. Bravo.

JOHNNY BRAVO

I like the way you think Ed. I will pick you guys up in the morning.

CUT TO:

EXT. DEXTER'S HOUSE - AFTERNOON

The girls come to Dexter's house and they knock on the door.

Dexter's dad answers the door.

DEXTER'S DAD

Can I help you young ladies?

BLOSSOM

Yes is Dexter home?

DEXTER'S DAD

Yeah he is. I will go get him.

Dexter's dad goes to get to Dexter.

DEXTER'S DAD (CONT'D)  
Dexter your friends are here.

Dexter comes and he sees the girls.

DEXTER  
Girls you are here. Come in.

The girls walk into the house.

CUT TO:

INT. DEXTER'S HALLWAY IN THE HOUSE - AFTERNOON

Dexter and girls are walking to his bedroom.

BLOSSOM  
You have a really nice house  
Dexter. I really like it.

DEXTER  
Thanks Blossom.

BUTTERCUP  
It looks like a house from the  
1950's.

DEXTER  
Well that's kind of because it is.  
But that's the important part. I  
want to show all of you something.

They keep on walking intel they get to Dexter's room.  
Dexter opens his closet and revels a big hole.

The girls go inside the hole and they see a big huge space.

BUBBLES  
Wow this is really cool. What do  
you plan with all of this?

DEXTER  
Well I think for me my goal is to  
hopefully built a lab down here  
because I really love science.

BUTTERCUP  
That's going to cost a lot of  
money. And I'm sure looking at  
your parents I'm sure they can't  
afford it.

DEXTER

Who said anything about my parents building it. I'm going to build it Buttercup.

BUBBLES

That's going to sound really hard Dexter.

DEXTER

I know it will be hard. But I think I can do it.

BLOSSOM

Well it's something you really believe you want to do. We will support you and help you. And I think from looking at the professor's lab for so long. I think we truly have an idea on what a lab looks like. But I think yours will be bigger and powerful. I just don't know where we start.

DEXTER

A Junk yard is one place.

The girls and Dexter smile at each other and the song Common sense by J Hus plays in the background.

CUT TO:

The girls and Dexter start collecting a lot of metal and a lot of metal pipes.

Blossom creates an air bag with her freeze breath. and Buttercup starts creating a lot of spices as the glue.

CUT TO:

The girls start creating chemical containers and bottles for Dexter. Dexter starts building all the other parts of the lab including the computer screen and keyboard. Dexter also starts building the door, the elevator and sliding tube to go down.

CUT TO:

Buttercup and Bubbles start building the tables and other sorts of machinery in the labs.

CUT TO:

The girls and Dexter start building the remotes that will power the lab. The girls start using their powers to melt all the metal and metal elements for the lab.

Buttercup starts hooking up the wires and eletrcity with her powers and Bubbles does the same thing.

CUT TO:

Dexter and Blossom start creating chemicals in the containers.

The chemicals start flowing really right.

DEXTER (CONT'D)

Perfect.

CUT TO:

The girls and Dexter put the finishing touches on the laps.

DEXTER (CONT'D)

Okay lets give this a try.

Dexter turns on the switch and everything starts powering up in the lab.

The lab lights up and it looks very beautiful and stunning.

DEXTER (CONT'D)

Wow!!!...It's beautiful and amazing. It's everything I imagined it being. Thank you so much for helping me create my lab. I owe you guys one.

BLOSSOM

Oh no worries Dexter. We are glad that we could help you. And I think your going to be a great scientist.

DEXTER

Oh thank you Blossom.

BUTTERCUP

So what kind of things are you going to build with you new lab?

DEXTER

Sadly I don't know but for now, I will really enjoy it.

CUT TO:

INT. DEXTER'S ROOM - NIGHT

The Girls and Dexter start looking at magazines in their bedroom.

BLOSSOM

So do you think this lab that we build is really going to help your future?

DEXTER

It really might. It can get me to move out of this house, And maybe have my own place by the time I graduate. What about you guys?

BUBBLES

You know that's a really good question. We kind of don't know what our dreams are. Nobody has ever asked that before.

BUTTERCUP

I mean we could always get jobs and be like everybody else even though sadly we don't know what we are good at other then crime fighting.

DEXTER

Not to be personal or anything like that? But have you guys have thought about more about what your father is like before he became a professor?

BLOSSOM

I don't know we have always known him as the professor. Sadly we just don't call him dad or anything like that. Just because our family is very different from the average family.

DEXTER

Like does that mean the professor and his wife both have powers in a sense?

BUBBLES

Maybe. I just never thought it was polite to ask them.

BUTTERCUP

But even if the professor and Ashley were superheroes that probably wouldn't be a strong the way we are.

DEXTER

We I don't know girls. I think one day I believe you might need your father to stop these evil people and sadly according to my studies, there could be more on the way.

CUT TO:

Dee Dee is in the hall way and she hears more of the conversation that is going on. Dee Dee opens the door.

DEE DEE

Hey Dexter and...Oh hello are these your new friends?

DEXTER

Yes they are Dee Dee. Dee Dee, we have had this talk many times, You need to knock before you come into my room.

DEE DEE

Oh well I always like to come in and just see what your doing in. I'm his sister Dee Dee.

BLOSSOM

I'm Blossom and these my sisters Bubbles and Buttercup.

BUBBLES

I didn't know you also had two bunny ears hair styles as well. Where do you go for your hair?

DEE DEE

Oh well my mom takes me to a hair salon that is right in Townsville.

BUBBLES

Oh wow nice that's really awesome Dee Dee.

DEE DEE

But I don't know I would love to see more of your stuff Dexter.

DEXTER

Dee Dee, I have told you before  
that there are just some stuff  
that you just can't mess.

DEE DEE

Oh I don't know. I just want to  
see and touch things that are  
dangerous.

BUTTERCUP

Don't you freaking worry that you  
are going to touch or press a  
button to a machine and then end  
up getting burned up. Or worry  
that you will drink a chemical and  
then turn into a monster or any  
creature and then never be able to  
turn back into a human?

DEE DEE

No not really. I love exploring  
different places. I can't wait to  
see Dexter's Lab?

Buttercup face slaps herself.

BUTTERCUP

Oh my god!!!!

DEXTER

Yeah I feel your pain Buttercup.

BLOSSOM

Look Dee Dee I think it's great  
and all that you want to explore  
Dexter's well...new lab but I  
think for the most part you should  
let Dexter at least give it a go  
first before maybe coming into the  
lab.

DEE DEE

I don't know I still want to go  
in.

BLOSSOM

I see. Don't you have any other  
girlfriends that you like to see?

DEE DEE

Not yet but hopefully I will. I  
haven't really had much luck since  
moving here.

BUTTERCUP

Well don't worry you will.

DEE DEE

Oh okay.

DEXTER

Okay Dexter. Well Blossom, Bubbles, and Buttercup and myself are in something really important so try to do something else for a little while.

DEE DEE

Oh okay Dexter.

Dee Dee leaves and Dexter shuts the door to his room.

BUTTERCUP

Is she always like this to you?

DEXTER

Sadly yes.

BUBBLES

I don't know I lived her two buns on her hair but her social skills could really use some work. But she is very attractive though.

BLOSSOM

Yeah I agree Bubbles.

DEXTER

And hopefully with this lab, this will help with going to gold warehouse tomorrow for my internship.

BUTTERCUP

Thank you so much. So what is going to happen to me now?

Well in a couple of hours from now, I am going to get on the phone with social services maybe you move to a different state so that one in Townsville will hurt you ever again.

JACK UTONIUM (CONT'D)

PRINCESS MORBUCKS

But then what's going to happen to you then?

MOJO JO JO

Nothing will happen. I will just be the one helping you be the princess and new queen and ruler of Townsville and you can even name the place something else as well.

BUTTERCUP

They even kidnapped our best friend from school and looked her up in the house and treated her like crap.

MAYOR OF TOWNSVILLE

Look I know that stuff is awful
