NEXT. DOWNTOWN DETROIT - MORNING

The day is going really well intel a man with black hair and a green jewelry watch drives up to one of the office buildings.

The man walks into the building and he goes through the building and gets through the elevator.

The man finally gets to his office and he looks at his bank account with around 7 million dollars and smiles.

MORGAN JOWASI

So far everything is going really well, soon I will be able to destroy the world again, just like Aku tried to do. And there will be another war, only this time, no one will be able to stop me. Not even the United States government!!!!....

His phone rings and he picks up the phone.

MORGAN JOWASI (CONT'D)

Yes!!!!!!!?

MORGAN JOWASI (CONT'D)

Oh...okay send them in.

As Morgan hangs up the phone, the children from down the lane walk into the office.

THE CHILDREN FROM DOWN THE LANE

Hello Mr. Jowasi, we appreciate your donations to our fancy stuff and our operations.

MORGAN JOWASI

No worries children...I sense your father is pleased at my work as well. And soon the inner part of Detroit will be no more. And in this form, nobody will know who I truly am behind all of this human skin.

THE CHILDREN FROM DOWN THE LANE

We agree Mr. Jowasi, We are also happy to report that the main high school is being funded very well with brain-washed teachers as well.

MORGAN JOWASI

Excellent. This will be such a good plan that not even someone like Samurai Jack and his daughters won't be able to find. And there is no one in this stupid state and stupid city that will be able to stop me!!!!!!!.....

Morgan's eyes start changing green and purple and Morgan does a very evil laugh.

The kids keep on jumping and falling and finally get to the top and the squares start coming together and turning black and white.

As the squares are coming together, drawings of the KND start flipping and transforming into digital drawings and paintings.

HOWARD GILLIGAN (NUMBER 2)

WALLABEE BEETLES (NUMBER 4)
Man I really can't believe summer
is over. I feel like summer just
started.

NIGEL UNO (NUMBER 1)
Yeah I know number 4.

WALLABEE BEETLES (NUMBER 4)
Oh by the way how did things go in
Los Angeles with saving that
Johnny Bravo person and then
completely destroying the highway
and Mr. Burger's semi truck.

HOWARD GILLIGAN (NUMBER 2)
Pretty good I believe at least
Suzy does not live with her evil
step father.

NIGEL UNO (NUMBER 1)
I agree Number 2, And also the Ed
boys made us some jaw breakers for
our candy guns as well.

HOWARD GILLIGAN (NUMBER 2)
Don't forget Johnny also helped
with some clothes and some shampoo
and body wash as well.

Number 5 and Number 3 come into the kitchen.

ABIGAIL LINCOLN (NUMBER 5)
Hey boys, Oh my god I'm starving.

Number 5 makes some food of her own and Number 3 does the same thing.

KUKI SANBAN (NUMBER 3)
So when do we leave for school?

NIGEL UNO (NUMBER 1)
Well we gotta get going really soon. I think our first classes begin in an hour.

The rest of the KND eat their breakfast and brush their teeth and the rest of the members get dressed in their outfits.

The Kids next door jump off one of the ledges and land on in a ball pit and get out and they get outside and they get into their cars and they start driving to school.

Do you have everything ready for your first day?

NIGEL UNO (NUMBER 1)

I believe so. Hopefully my other friends will be here as well. God knows where they might be. I hope they are not late.

DEXTER

Nigel I know sometimes having a group is a little hard. But things will be okay.

NIGEL UNO (NUMBER 1)

Yeah. But our last mission in Los Angeles went well.

DEXTER

Yeah I saw it on the news. Great job, When I saw the semi truck blowing up, I was just cracking up.

NIGEL UNO (NUMBER 1)

Oh yeah for sure Dexter. And also our deal with Johnny Bravo and the Ed boys turned out well.

DEXTER

I don't know who they are. But good for you guys. Is Suzy okay at least.

NIGEL UNO (NUMBER 1)

Yeah she is enjoying her new school really well. And Howard took her to prom as well.

DEXTER

Good, I am glad because I know the last couple of months she has been having quite a bite of hell. Is Howard still talking to her?

NIGEL UNO (NUMBER 1)

Yes he is.

DEXTER

Great, Anyway enjoy your first day of school Nigel and just be you.

NIGEL UNO (NUMBER 1)

Thanks Dexter.

ABIGAIL LINCOLN (NUMBER 5)
Man I really wonder if there is ever going to be any parties or anything during this school year?

KUKI SANBAN (NUMBER 3)
Oh yes I agree Abby, parties are so fun.

WALLABEE BEETLES (NUMBER 4)
Nigel, Are we going to throw any parties of any sort?

NIGEL UNO (NUMBER 1)
Maybe, I know we still have to get through this first week of school and then check on both Dream girl and Suzy and then some other things as well. But will think about it very soon.

The bell rings and a young woman with white hair starts walking to the classroom.

JUDY JETSON
Morning class. I am your home-room teacher and you can call me Ms. Jetson. And overall, I'm pretty easy I will give you assigned homework on things we study. And if anyone needs any help, just raise your hand.

A lot of the other high school students respond to her.

HOWARD GILLIGAN (NUMBER 2)
Yo guys, something does not seem right with our new teacher, she looks like she could be our age or in college. Do you think we should get to know her?

KUKI SANBAN (NUMBER 3)
Who cares about teachers, I just want to party and do fun things.

WALLABEE BEETLES (NUMBER 4)
Yeah nobody likes teachers.

NIGEL UNO (NUMBER 1)
I don't know, Number 2 might be
really on to something you guys,
Maybe we should investigate her
without her knowing about it.

ABIGAIL LINCOLN (NUMBER 5)
So when do we start?

NIGEL UNO (NUMBER 1)
As Soon as we can.

CUT TO:

INT. THE LUNCH ROOM - AFTERNOON

The kids get their food and they sit at the same table.

WALLABEE BEETLES (NUMBER 4)
If anything the one thing I don't
miss about school. Is that school
food is awful!!!!!!...

HOWARD GILLIGAN (NUMBER 2)
Yeah I agree number 4.

KUKI SANBAN (NUMBER 3)
Well for me I got some a ranch
salad and then I got chicken
noodle soup as well and my food is
really good.

NIGEL UNO (NUMBER 1)
How the hell did you get that?!...

KUKI SANBAN (NUMBER 3)
I sneaked out of one of my classes
and went to a panarea bread.

CUT TO:

FLASH BACK SCENE

KUKI SANBAN (NUMBER 3)
WEEEEEEEEEEEEEEEEEE
YAHOOOOOOOOOOOOOOO!!!!!!!!!!!!!!!!!!!!
!!!!!!!!!!!!!!!!!!!!

CUT TO:

The kids eating lunch.

NIGEL UNO (NUMBER 1)
Wow that's really incredible that
you were able to do that Kuki.

ABIGAIL LINCOLN (NUMBER 5)
Yeah I have to say that is really
impressive. So what is our plan?

NIGEL UNO (NUMBER 1)
Well it's not really my plan, it's
more like Howard's plan but we
just have to find out about our
home room teacher and what she is
like and ask her little questions
and maybe fallow her to places
without us noticing us.

WALLABEE BEETLES (NUMBER 4)
That sounds really risky and very
crazy to do Number 1, But because
I like hot girls, I'm in.

KUKI SANBAN (NUMBER 3)
Yeah I have to admit she does have
a very good sense of style in
spite of her having white hair.
Maybe she could be a superhero or
a mutant like in the comic books
or movies that we watch.

NIGEL UNO (NUMBER 1)
That could be true. We will have
to find out.

CUT TO:

INT. THE HOME ROOM CLASS - AFTERNOON

The kids and other students come back into the classroom
and sit down.

As the KND kids are sitting down, one of them notices a guy
with green hair in the hall-way.

WALLABEE BEETLES (NUMBER 4)
Man a guy with green hair and
wearing a suit, you don't see that
everyday.

NIGEL UNO (NUMBER 1)
No we do not. I really wonder who
he is.

JUDY JETSON
Alright class, your homework
assignment is to do a report on
Morgan Jowasi and how he has
contributed to our community.

WALLABEE BEETLES (NUMBER 4)
Oh god, A report already?!...My
god!!!!!!! This is not good...

NIGEL UNO (NUMBER 1)
I don't know Wally, It might not
be as hard as we think.

NIGEL UNO (NUMBER 1) (CONT'D)
Also it may have something to do
with our mission.

CUT TO:

EXT. OUTSIDE OF THE SCHOOL - AFTERNOON

A lot of the high school students run out of the school and
go to their cars or head to the school buses.

The Kids next door stay behind and they are outside in the
courtyard.

HOWARD GILLIGAN (NUMBER 2)
So what are we doing in the
Courtyard again Nigel?

NIGEL UNO (NUMBER 1)
Well I'm going to call my friend
Dexter and see if he knows
anything about our new teacher.

WALLABEE BEETLES (NUMBER 4)
But what happens if he does know,
I don't really believe he is not
that smart or as much of a boy
genius that he claims to be.

ABIGAIL LINCOLN (NUMBER 5)
Oh come on Number 4, lets just
hear the man talk.

NIGEL UNO (NUMBER 1)
Thanks Number 5. Anyway here we
go.

Nigel gets out his cell phone and starts calling Dexter.
And Dexter answers the phone through Face Time.

NIGEL UNO (NUMBER 1) (CONT'D)
Hey Dexter, it's Nigel. We have
something to ask you.

DEXTER
Well make it quick because I'm
working on another science
experiment.

NIGEL UNO (NUMBER 1)
Don't worry I will be very quick.
Do you anything about a teacher
name Ms. Jetson?

DEXTER
Can you be more specific Nigel?

NIGEL UNO (NUMBER 1)
Yeah I will try. She wears pink
clothes, and has white hair even
though she is younger.

DEXTER
Does she have a first name?

NIGEL UNO (NUMBER 1)
I don't know maybe.

DEXTER
Well not to worry, I can look into
your school files and find her
records very soon. Hold up.

Dexter starts typing on his computer.

DEXTER (CONT'D)
Computer, I need you to look up a
teacher at Detroit High School
name Jetson.

The computer starts looking up Judy.

DEXTER (CONT'D)

Okay, your teacher's name is Judy Jetson. Uh 25 or 24 years old. From New York City. But it does not show her birth year just her month and date. Last activity was that she applying for a job at the Jaw breakers factory in Chicago before that building got burned up by a bunch of Social Justice Warriors and a lot of left leaning people. It says she then moved from Chicago to Detroit to be a teacher and she was interview by someone name and I quote "Double D"....Does that name ring a bell to you guys?

The kids pause for a minute.

NIGEL UNO (NUMBER 1)

Yeah it does Dexter because long ago we approached the Ed boys in Los Angles about making jaw breakers for us to use as Jaw breaker gun bullets.

ABIGAIL LINCOLN (NUMBER 5)

Yeah and then that's when we ran into Johnny Bravo as well.

DEXTER

I see. I will see if I can dig up any new information about her. If I were you guys, I would fallow her everywhere she goes.

NIGEL UNO (NUMBER 1)

Alright will do Dexter.

As the KND are talking, A group of fancy kids hear the kids talking to Dexter and start walking towards them at the same time.

Howard notices them coming.

HOWARD GILLIGAN (NUMBER 2)

Shit!!!! Someone is coming, hang-up!!!!

NIGEL UNO (NUMBER 1)

We will talk soon Dexter Good-bye!!!!...

DEXTER
Be-careful Nigel!!!!!!...

The Kids next door hang up the phone.

THE CHILDREN FROM DOWN THE LANE
What in the fuck's name is going
on over here?!....

HOWARD GILLIGAN (NUMBER 2)
Oh nothing we were just talking to
a friend who was...well out of
town.

KUKI SANBAN (NUMBER 3)
Yes we were. And he's really smart
as well.

THE CHILDREN FROM DOWN THE LANE
Right. We also herd you were
interested in our teacher. That
does not sound very right if you
ask us.

NIGEL UNO (NUMBER 1)
No, No we just want to get to know
our new teacher that's all, we
don't want to do anything awful to
her or anything like that.

WALLABEE BEETLES (NUMBER 4)
Yeah, it's for a homework
assignment.

THE CHILDREN FROM DOWN THE LANE
Well she is dating our step father
Morgan Jowasi. And he knows about
kids like yourselves.

ABIGAIL LINCOLN (NUMBER 5)
I had no idea, you guys were his
kids.

THE CHILDREN FROM DOWN THE LANE
Well we are. And all of us will be
watching you five low IQ and very
low money kids like an eagle about
to strike at a helpless little
rabbit.

HOWARD GILLIGAN (NUMBER 2)
Well that is some really fancy
english stuff and....

THE CHILDREN FROM DOWN THE LANE
Don't ever get in our
way!!!!!!...Lets go guys.

The children from down the lane start walking away into the car.

KUKI SANBAN (NUMBER 3)
My god those kids seem very weird
and not very nice.

HOWARD GILLIGAN (NUMBER 2)
I couldn't agree more Kuki.

NIGEL UNO (NUMBER 1)
Yeah it's almost like they knew
that we were on the phone with
someone as well.

ABIGAIL LINCOLN (NUMBER 5)
Guys she is coming hide.

The kids hide in the bushes and Judy walks out of the school and to her car.

NIGEL UNO (NUMBER 1)
She is getting into her car, lets
go guys.

The kids start running to their separate cars and they start their cars.

The cars turn on and they start going into different directions to follow her.

CUT TO:

Number 5 gets on another high way and she sees Judy going on another road.

ABIGAIL LINCOLN (NUMBER 5)
I believe she is heading to a
store.

CUT TO:

Number 4 driving his car.

WALLABEE BEETLES (NUMBER 4)
Which store.

CUT TO:

Abby starts looking at the map.

ABIGAIL LINCOLN (NUMBER 5)
I believe she is going into one of
the malls.

CUT TO:

Nigel driving his car on another street.

NIGEL UNO (NUMBER 1)
Sweet. Alright lets go to the
mall.

CUT TO:

The kids keep on driving their cars and one of them sees
Judy park her car in the parking lot.

KUKI SANBAN (NUMBER 3)
I believe she is about to find
some parking. And I think I'm
about to go in the store.

NIGEL UNO (NUMBER 1)
Sweet. Just make sure she does not
see you Number 3.

KUKI SANBAN (NUMBER 3)
Do you want me to do the same
trick to her like we did to Johnny
Bravo.

NIGEL UNO (NUMBER 1)
Yeah I'm sure that will work.

KUKI SANBAN (NUMBER 3)
Yay!!!!!!

Kuki parks her car and she starts slowly going into the
store and slowly following Judy.

CUT TO:

INT. THE DEPARTMENT STORE - NIGHT

Judy walks into the store and she starts looking through
the women's section of the store.

listening to music.

CUT TO:

The KND members are around the mall and in different sections of the mall and are in different stores.

Howard gets out his cell phone and starts calling some people.

HOWARD GILLIGAN (NUMBER 2)
How are things going?

CUT TO:

Number 5 and Number 4 in different stores.

WALLABEE BEETLES (NUMBER 4)
Good so far, we are just chilling
and waiting for some action.

ABIGAIL LINCOLN (NUMBER 5)
And also this other store is
really cool as well. We just never
see this very often in our
neighborhood.

CUT TO:

Howard is in the other store.

HOWARD GILLIGAN (NUMBER 2)
Alright okay good. We have to wait
for Number 3 to give us some
information. God where the hell is
Nigel anyway?!...

WALLABEE BEETLES (NUMBER 4)
I think he is still in the front
of the store as well.

HOWARD GILLIGAN (NUMBER 2)
Well he better find a place soon
otherwise we are going to get
caught.

CUT TO:

Kuki is dancing in the store and looking through different clothes. Kuki also accidentally catches the attention of Judy and Judy starts walking towards her.

JUDY JETSON
Hi Kuki, I didn't know you went
shopping here.

KUKI SANBAN (NUMBER 3)
 Oh hi Ms. Jetson. Yeah I was just here and I just needed some new clothes I believe. And I must say you have a very beautiful and very stunning sense of style.

JUDY JETSON
 Oh thank you.

As Judy says thank you, Kuki presses a button on her phone that starts recording Judy.

The rest of the KND start hearing the recording parts.

KUKI SANBAN (NUMBER 3)
 So anyway are you with anybody?

JUDY JETSON
 Oh yes I am, I am with my Morgan.

KUKI SANBAN (NUMBER 3)
 Oh okay. So anyway what where you like before you became a teacher?

JUDY JETSON
 Oh well there are some things that I just can't tell you Kuki.

KUKI SANBAN (NUMBER 3)
 Awwwww, you can tell me anything. It's just us girls talking.

JUDY JETSON
 Well okay, Well there is nothing really much to me but I am from New York City and my dad likes to invent a lot of things.

KUKI SANBAN (NUMBER 3)
 Like what?

JUDY JETSON
 I don't really know if I can tell you Kuki.

KUKI SANBAN (NUMBER 3)
 Why not Ms. jetson?

JUDY JETSON
 Because there are some parts that are a really huge secret. Aren't your parents worried about you being out this late?

KUKI SANBAN (NUMBER 3)
No not really.

JUDY JETSON
Wow your parents seem very
trusting really well.

JUDY JETSON (CONT'D)
Well it was really nice to see you
Kuki.

KUKI SANBAN (NUMBER 3)
Alright okay good night Ms.
Jetson.

CUT TO:

Number 1 being dissapointed and Number 2 being very
dumb-founded.

NIGEL UNO (NUMBER 1)
 You kids are stupid!!!!!! And you

 Ms. Jetson either!!!!

THE CHILDREN FROM DOWN THE LANE
 Oh okay, well the real reason we
 are after her is because her

 technology that our boss wants to
 have. And our goal is to kill him
 and get all his money and the
 stuff he built and use it on the
 world!!!!!!

WALLABEE BEETLES (NUMBER 4)
 You people are sick!!!!!!...

All of a sudden, there is a ceiling door opening and the Children from down the lane escape and walk at the same time and get on a platform and get into a fancy helicopter.

THE CHILDREN FROM DOWN THE LANE
 Good bye Kids Next Door!!!!... And
 enjoy getting in trouble in
 school!!!!!!

The children from down the lane start laughing at them as they are leaving.

WALLABEE BEETLES (NUMBER 4)
 Oh my god I can't stand them!!!! I
 just want to beat one of them up
 and smash one of them against the
 wall and give them a knuckle
 sandwich.

NIGEL UNO (NUMBER 1)
 Yeah same here Number 4.

The Kids Next Door Members hear Ms. Jetson banging on the glass.

JUDY JETSON
 Somebody help me!!!!!!...

HOWARD GILLIGAN (NUMBER 2)
 Ms. Jetson!!!!!!!

The members start running and they use a special bomb to blow up the container. And a lot of water starts splashing out and getting the members really wet.

The last drips of water get splashed out and all of the members start coughing.

ABIGAIL LINCOLN (NUMBER 5)
 Oh that stuff does not taste very
 good.

KUKI SANBAN (NUMBER 3)
 Yeah I agree.

Judy's naked body starts laying on the ground and the KND members see her.

KUKI SANBAN (NUMBER 3) (CONT'D)
 Ms. Jetson?...

NIGEL UNO (NUMBER 1)
 Uh Oh..this really can't be good.
 And also that chemical ate all her
 clothes. That really can't be
 good.

ABIGAIL LINCOLN (NUMBER 5)
 Maybe we can try to wake her up.

HOWARD GILLIGAN (NUMBER 2)
 I don't think that's such a good
 idea Number 5.

KUKI SANBAN (NUMBER 3)
 Oh okay sure. She needs to wake
 up. We saved her.

NIGEL UNO (NUMBER 1)
 Wait no Number 3!!!!!!!

Kuki taps on Judy very softly.

KUKI SANBAN (NUMBER 3)
 Ms. Jetson are you okay and are
 you alright?...

Judy starts to get up very softly and she opens up and she
 starts screaming and yelling.

JUDY JETSON
 Oh no!!!! Oh my god!!!!!! Where are
 my clothes and why I am butt
 naked?!... What happen to my
 clothes?!....

NIGEL UNO (NUMBER 1)
 Look Ms. Jetson This maybe hard to
 explain but you actually got
 kidnapped by brain washed
 teenagers and they threw you into
 green liquid full of clothing
 things.

Judy punches Number 1 in the face. And gets really angry.

JUDY JETSON
 Don't you talk to me!!!! I am very
 dissapointed in you students. Not
 only did you fallow me and stocked
 me here, but your story is so
 ridiculous and so make believe.
 That I really don't believe any of
 you.

KUKI SANBAN (NUMBER 3)
But I thought you liked my sense
of style?

JUDY JETSON
You are the worst of all of them.
For putting me in that trap to
begin with. And you are the main
reasons why I am not wearing any
clothing..And there is no god damn
towel to cover me.

HOWARD GILLIGAN (NUMBER 2)
I have some clothes in my trunk if
you want any.

JUDY JETSON
All of you just shut up!!!! And
all of you are in big trouble And
I am going to report all of you to
the principal. And you kids are
going to be suspended for not only
seeing a teacher butt naked but
also stocking me and finding out
things about me as well!!!!!!!
Jesus Christ, Kids today are
getting dumber and dumber!!!!!!

ABIGAIL LINCOLN (NUMBER 5)
But then how are you supposed to
get home then?

JUDY JETSON
You Kids are crazy and leave me
alone!!!!!!!...

Judy gets really mad and she goes outside and the police
are outside and the police start arresting her.

POLICE OFFICER 1
Alright miss, you are under arrest
for not wearing any clothes!!!!!!

JUDY JETSON
Hey get off of me, They are the
ones that are the reason why I am
naked...Stop it!!!!!!!, I'm going
to get all of you suspended really
badly. You kids are weird!!!!!!!

POLICE OFFICER 1
Alright get in the car!!!!!!!...

The police car leaves and drives off into the night.

NIGEL UNO (NUMBER 1)
Oh dear this really can't be good.
And I feel really bad for her as
well.

WALLABEE BEETLES (NUMBER 4)
I have a bad feeling tomorrow at
school is not going to be a good
day.

ABIGAIL LINCOLN (NUMBER 5)
Yeah I don't think you will be
wrong on that Number 4.

CUT TO:

INT. THE HALL WAY IN THE HIGH SCHOOL - AFTERNOON

The kids start walking into the school and they start going
into one of their classes and sitting very close to each
other.

HOWARD GILLIGAN (NUMBER 2)
Nigel, Do you think anybody at
school knows about what happen
last night?

NIGEL UNO (NUMBER 1)
Let just hope not.

The kids next door all of a sudden start hearing a lot of
laughter from other students.

RANDOM STUDENT 1
Oh my god. This is some really
hilarious shit.

The random student starts giggling and being crazy and
laughing even more.

RANDOM STUDENT 2
Yeah this like something that
would happen out of a movie or
something.

RANDOM STUDENT 3
I am not surprised. She is really
hot and really beautiful and a
very sexy baby girl as well.

More students are laughing as they are coming into the
classroom.

RANDOM STUDENT 4
I hope this ends up on TMZ or
something.

More students just start cracking up.

WALLABEE BEETLES (NUMBER 4)
What in the world is going on?!...

RANDOM STUDENT 1
Hey you guys ended up on the
school newspaper about the mall
and Ms. Jetson getting arrested.

NIGEL UNO (NUMBER 1)
WHAT?!.....

The rest of the Kids next door run out of the classroom and
they see a lot copies of the newspaper.

HOWARD GILLIGAN (NUMBER 2)
What the hell?!...

Number 4 grabs one of the copies and looks at it.

WALLABEE BEETLES (NUMBER 4)
This is not what happened!!!
Someone did this!!!!!!...

HIGH SCHOOL PRINCIPAL
Indeed, why don't all of you kids
talk in my office.

CUT TO:

INT. PRINCIPAL'S OFFICE - AFTERNOON

The kids next door are sitting in their office and are in
big trouble.

HIGH SCHOOL PRINCIPAL
Oh okay we are going to start off
with the basics and ask what
really happened!!!!

NIGEL UNO (NUMBER 1)
Well sir I don't know what you
read in that newspaper and what
they said. But we were not
involved in getting Ms. Jetson
naked in public.

(MORE)

NIGEL UNO (NUMBER 1) (CONT'D)

All of us were there and it just so happened we ran into her there and a lot of crazy teenagers kidnapped her and put her in a liquid pool that caused her clothes to be eaten.

HIGH SCHOOL PRINCIPAL

And why should I believe Mr. Uno?

NIGEL UNO (NUMBER 1)

Because that's what happened. And we would never sneak into locker room or anything like that.

WALLABEE BEETLES (NUMBER 4)

Yeah it's true, Nigel is like the most decent person we all know.

HOWARD GILLIGAN (NUMBER 2)

And yeah we are all respectful to each other.

ABIGAIL LINCOLN (NUMBER 5)

Also I'm sure the person that wrote that paper didn't even go to the mall themselves last night. And also don't you think about what other activities go on here?

HIGH SCHOOL PRINCIPAL

Look Ms. Lincoln, I'm sure nothing is going on this school. And I'm sure everybody on social media knows what happens.

HOWARD GILLIGAN (NUMBER 2)

Really on what source?!...

HIGH SCHOOL PRINCIPAL

Just by the student newspaper and Ms. Jetson herself. Also, she is also in trouble for her actions herself and I believe you kids need to apologize as well.

WALLABEE BEETLES (NUMBER 4)

Apologize?!...we didn't do anything. This is all a set up and you know it!!!!

HIGH SCHOOL PRINCIPAL
Well I'm sorry but you kids are
suspended from my school for 5
months case closed.

NIGEL UNO (NUMBER 1)
Suspended for 5 months?!....That's
insane and we didn't do
anything!!! And your sources are
such bull shit!!!!!!...

HOWARD GILLIGAN (NUMBER 2)
Yeah!!! You will regret the day
you kicked us out!!!!!!...

The principal starts laughing at them. And Kids next door
are all mad and pissed off.

CUT TO:

EXT. OUTSIDE OF THE SCHOOL - AFTERNOON

HOWARD GILLIGAN (NUMBER 2)
Well that didn't go so well...

WALLABEE BEETLES (NUMBER 4)
Yeah our principal is a fucking
douche bag!!!!!

NIGEL UNO (NUMBER 1)
Yeah that's the thing. People just
don't care what you say, or what
you really did, or who you are
with or what your doing, or on
where you come from? It's all such
a piss pool of who has the most
emotion.

ABIGAIL LINCOLN (NUMBER 5)
Yeah. And how the hell are we
suppose to graduate now?!...

The Kids next door are walking out of the school. And they
turn to Number 3

NIGEL UNO (NUMBER 1)
What do you think Number 3?

KUKI SANBAN (NUMBER 3)

Well we could pick up Ms. Jetson at the police station and apologize to her and maybe buy her some lunch and some cookies and other sweets and maybe some flowers as well.

WALLABEE BEETLES (NUMBER 4)

Yeah I don't think that's such a good idea. Plus the woman hates us already for seeing her naked I'm sure she is the reason we got in trouble in the first place.

HOWARD GILLIGAN (NUMBER 2)

Yeah and also she called us weird and not normal and also called us dumb as well.

NIGEL UNO (NUMBER 1)

Look I agree, those were all awful and horrible things. But I think Number 3 is on to something and we should at least try and find out. Come on you guys.

The kids head to their car and they start their cars and they start heading to the police station.

CUT TO:

Judy is in her jail cell and she is wearing a blanket and is really mad and pissed off.

A police officer comes and knocks on her cell.

POLICE OFFICER 1

Good news, your bail was paid and your record is clean.

JUDY JETSON

Oh really?!...Thank god, please just be my mother that did it. And hope my dad didn't find out about this incident. And I just really wonder who paid it.

Judy walks out of the jail cell and she Nigel and the rest of the KND.

JUDY JETSON (CONT'D)

Oh shit!!!!!!...

NIGEL UNO (NUMBER 1)
I really had a feeling you were going to say that.

JUDY JETSON
What are you kids doing here?!...You kids already ruined my life as it is.

NIGEL UNO (NUMBER 1)
Well if it makes you feel any better. We are not your students anymore since you reported on us.

JUDY JETSON
What the fuck do your parents think of all of this?!

WALLABEE BEETLES (NUMBER 4)
Our parents don't even know that we are special Kids next door agents.

ABIGAIL LINCOLN (NUMBER 5)
Yeah. And also, we use people and the private sector to build our guns and our weapons and our clothes. And looking at you, you sure could use some.

JUDY JETSON
I am not going to stay with kids!!!

HOWARD GILLIGAN (NUMBER 2)
Well that's your choice but then you risk not having a ride and not getting any clothes. And living with your parents as well where ever they might be.

JUDY JETSON
Alright fine I will live with you kids. Where do we go?...

CUT TO:

EXT. OUTSIDE OF THE KND TREE HOUSE - AFTERNOON

The KND and Judy get out of the cars and Judy sees the tree house.

NIGEL UNO (NUMBER 1)
Welcome to our home Ms. Jetson.

Judy sees the tree house and she is really amazed.

JUDY JETSON
Holy crap this place is huge.

The Kids next door and Judy start walking into the tree house and they go through all of the elevators. And they get to the main floor.

They all get out of the elevator and start showing Judy around.

NIGEL UNO (NUMBER 1)
This is our tree house and it's top secret. And no government agency knows about us or that we are agents what so ever. So much so that we often find people that have the best abilities to help us.

HOWARD GILLIGAN (NUMBER 2)
You will really like it here, there is a huge TV here where you can watch TV and play video games, we have a lot of junk food and healthy food as well. And we even have a gym as well.

WALLABEE BEETLES (NUMBER 4)
Oh yeah you will really like the gym here a lot.

They also walk into the computer room and see the main room.

NIGEL UNO (NUMBER 1)
This is where we get our missions and talk to people as well through Skype and Face time and also through whatsapp app as well.

JUDY JETSON
Oh okay that's pretty cool.

JUDY JETSON (CONT'D)
But I have one question though, who in the world helped you guys build all of this?

NIGEL UNO (NUMBER 1)
It's really hard to explain but we were formed by a lot of different sources.

(MORE)

NIGEL UNO (NUMBER 1) (CONT'D)

And some KND legends say that a man name Jack Untouim build the Kids Next Door in the early 80's along with his apprentice name Dexter.

JUDY JETSON

But why Kids though. And why kids being secret agents?

NIGEL UNO (NUMBER 1)

Well because before he turned into "Samurai Jack" He use to work as a CIA agent with his wife and he invested another man name Arnold Kunisher back in the 1960's.

JUDY JETSON

Very interesting.

HOWARD GILLIGAN (NUMBER 2)

And we all believe a war is coming where there is a lot of globalist people want to attack the United States of America and attack the city of Detroit as well.

JUDY JETSON

And you guys think Morgan is behind all of this?

ABIGAIL LINCOLN (NUMBER 5)

We sadly don't know quite yet. But we wouldn't be surprised.

KUKI SANBAN (NUMBER 3)

Want me to show you your room Ms. Jetson?

JUDY JETSON

Um you can call me Judy Kuki since technically I'm not your teacher anymore.

KUKI SANBAN (NUMBER 3)

Alright okay.

CUT TO:

Kuki sitting down on the couch and the other members doing their things.

As they are doing this, The Ed Boys and Johnny Bravo show up.

The other members see them.

NIGEL UNO (NUMBER 1)
Ah Ed Boys and Mr. Bravo I didn't
know you guys were in Michigan.

JOHNNY BRAVO
Hey Nigel, Well anyway the Ed boys
drove me here and man I am always
amazed at your tree house and
everything kid.

EDD (DOUBLE D)
Well anyway thank you so much for
meeting with us you guys.

HOWARD GILLIGAN (NUMBER 2)
Hey no problem, what's all of this
all about Double D?

ED
Well Fighting kids with guns, I
believe we have some where
information about some of the
protestors and they were in
Chicago and they destroyed our
jawbreaker businesses. And I
noticed one of them had strange
eyes as well.

Ed shows the pictures of the protestors and Nigel looks at
the picture.

The other KND kids see the photos.

WALLABEE BEETLES (NUMBER 4)
Holy shit!!!!!!!

ABIGAIL LINCOLN (NUMBER 5)
These definatly are the same
people we saw at the mall last
night accept in your photos they
are not poisoned. But they sure as
hell look dangerous.

HOWARD GILLIGAN (NUMBER 2)
Also these losers they need to go
get a job as well.

HOWARD GILLIGAN (NUMBER 2) (CONT'D)
Do you know who else is involved
with these people?

ED
My Sister Sarah and her boyfriend
were.

HOWARD GILLIGAN (NUMBER 2)
And is that all.

ED
Yes.

Howard starts having a very shocked look on his face.

WALLABEE BEETLES (NUMBER 4)
Well I hate to break it you Ed
boys, but with our the government
being such crap, I'm sure all of
those protestors are still around
and have escaped from jail. We
have no idea who is bailing these
people out. But we will find out.

CUT TO:

Judy walks out of her room and sees Johnny.

JUDY JETSON
Johnny?

JOHNNY BRAVO
Hey what's up white hair mamma. I
didn't know you were staying here
with these kids. I thought you
were a teacher?

JUDY JETSON
I was a teacher but then I got
fired and I was arrested for being
naked in public and the these kids
bailed me out of jail.

JOHNNY BRAVO
Ah yeah. Now that sounds very wild
and very crazy in a good way. And
you are a very beautiful and a
very gorgeous and a very stunning
baby girl. Do you have a record?

JUDY JETSON
Nope. Apparently these kids know
how to hack into public records as
well.

JOHNNY BRAVO
I wouldn't be surprised. They are
talented.

CUT TO:

The Ed Boys with the Kids Next Door.

NIGEL UNO (NUMBER 1)
Alright thanks for bringing this
our attention.

EDDY
Yeah no problem. Do you guys need
any new jaw breaker guns?

NIGEL UNO (NUMBER 1)
Ah for the movement we are fine.
But I do need you guys to stay
here and maybe watch us on the
computer because I believe the
people Ed was talking about they
are here. And they are probably
are in one of the campuses here in
the state....Kids Next
Door...Battle Stations!!!!!!...

CUT TO:

The Kids Next Door go into their airplanes and they power
up the airplanes and are getting ready to take off.

The kids start taking off in the sky. And they are flying
up in the air. They see the University of Michigan and they
eject themselves out of the planes and start sky diving.

CUT TO:

CUT TO:

We are going to do our best Ed.

Bam Bam and Pepples.

ABIGAIL LINCOLN (NUMBER 5)
What in the world?!...

CUT TO:

Number 5 starts walking to Nigel's room and opens his door.

NIGEL UNO (NUMBER 1)
What's up Number 5?

ABIGAIL LINCOLN (NUMBER 5)
I think might have an idea on how
the children from down lane might
want to steel from. I found an
article about Brian Bammerson and
his wife Phoebe Bammerson and they
own a huge jewelry company in
California. And their diamonds and
jewelry are projected to be the
source for building weapons. I
think we should set up an
appointment with them. What do you
think Number 1?

NIGEL UNO (NUMBER 1)
Do you have the articule with you?

ABIGAIL LINCOLN (NUMBER 5)
I actually do.

Number 5 hands the articule to Number 1 and Number 1 starts reading it.

NIGEL UNO (NUMBER 1)
What California are they in?

ABIGAIL LINCOLN (NUMBER 5)
Los Angeles right around the city
where we were spying on Suzy and
helping her.

NIGEL UNO (NUMBER 1)
Alright to Los Angeles we go then.

CUT TO:

Number 5 and Number 1 start going into an airplane. And are talking to Number 2 and Number 4.

NIGEL UNO (NUMBER 1) (CONT'D)
Just make sure nobody gets into
the tree house and keep it an eye
out for anything that is awful and
evil.

HOWARD GILLIGAN (NUMBER 2)
Sure thing Nigel.

They get on the plane and the plane starts to take off and starts heading west.

CUT TO:

KUKI SANBAN (NUMBER 3) (CONT'D)
Mr. Utonium?

JACK UTONIUM
Yes? Who are you how did you get here?

KUKI SANBAN (NUMBER 3)
Hi Professor Untouim. I think our country might be in a lot of trouble.

JACK UTONIUM
Come in young lady.

Kuki walks into the house.

CUT TO:

Kuki is inside the house and she is looking around and she sees photos of the professor with his girls.

KUKI SANBAN (NUMBER 3)
I really didn't know you had kids of your own?

JACK UTONIUM
Yes I do, my girls Buttercup, Blossom, and Bubbles. They are not here right now because they are in college. But I'm sure you will meet them at some point.

JACK UTONIUM (CONT'D)
Can I get you anything to drink?

KUKI SANBAN (NUMBER 3)
No thank you. The reason I am here is because my friends and I ran into Morgan Jowashi who is creating a lot of anti America protestors and wants to destroy this country using them and also the delightful children from down the lane are helping him.

JACK UTONIUM
Does this man have green eyes or have anything green on him of any sort?

KUKI SANBAN (NUMBER 3)
Hey does and he even turned into
an evil and giant green gorilla.
And almost killed my friend Nigel
as well.

JACK UTONIUM
I believe I know who you are
talking about and his name is not
Morgan Jowashi and he is the evil,
awful, and deadly gorilla known as
"Mojo Jo Jo" And he was created
back in the 1960's by Arnold
Kunisher who ended up becoming Aku
as well.

JACK UTONIUM (CONT'D)
I'm sorry young lady. This
business is not for you. Only
powerful people can stop Mojo Jo
Jo.

KUKI SANBAN (NUMBER 3)
Do you know what my friends can
do?

JACK UTONIUM
Yes, you must stop the Children
from down the lane because if they
get their hands on the chemical
that brain washes people, it may
be too late and things will become
more crazy.

KUKI SANBAN (NUMBER 3)
I really hope that really does not
happen.

JACK UTONIUM
I don't think it won't my dear.

Nigel what are you doing here?

NIGEL UNO (NUMBER 1)
I think we need to talk Brian. The
Children from down the lane are
going to steel your jewelery
company.

BRIAN BAMMERSON (BAM BAM RUBBLE)
What makes you say that. Nigel, I
have all the modern technology to
protect myself.

ABIGAIL LINCOLN (NUMBER 5)
No but you don't understand, the
children from down the lane have a
lot of help and have a lot of
angry teenagers that are
chemically brain washed as well.

everywhere around the country
sweet-heart.

inside?

good life Mr. Untouim.

much as you can because things can
really change.

JACK UTONIUM (CONT'D)
What's your name by the way?

KUKI SANBAN (NUMBER 3)
Kuki.

JACK UTONIUM
And where you from Kuki?

KUKI SANBAN (NUMBER 3)

Japan though.

JACK UTONIUM
Oh I know that culture very well
back when I was your age my
friends went to Japan on a science
experiment trip and overall, I got
to see the world. But
unfortunately my best friend got
brain washed by them as well.

KUKI SANBAN (NUMBER 3)

Jack comes and he is very angry and pissed off and ready to attack.

MOJO JO JO (CONT'D)

Hello Jack...It's a pleasure for

the children from down the lane

JOHNNY BRAVO

What kind of gadget are we talking about here sir?

GEORGE JETSON

This is a remote that I build and I plan to take it to the president of the United States of America. And the president will have the authority and shield a special force field around the country.

JOHNNY BRAVO

That's a great idea and everything. But I don't believe I'm not the right person to come with you to DC.

GEORGE JETSON

Thank you for meeting with us Mr. President.

PRESIDENT DONALD J TRUMP

Your welcome George. What brings you here in my office.

GEORGE JETSON

Well Mr. President the reason I am here is because the country might be heading into another civil war very soon. And the main reason I say that is because there is someone name Morgan Jowashi is planning on destroying the United States of America. And is plan has gone as far as the 1960's.

Geroge revels photos about the bomb building how it is destroyed. And the pictures of the SJW people under brain control.

PRESIDENT DONALD J TRUMP

Holly mother of hell, Sounds like the 60's all over again. I also do remember where I was in New York City back then. Do you have anything else.

Geroge revels a picture of Arnold Kunisher and some of his blue prints.

PRESIDENT DONALD J TRUMP (CONT'D)

Well it sounds like this guy is a complete communist and socalist monster. And the fact that these people are with him is very alarming.

(MORE)

PRESIDENT DONALD J TRUMP (CONT'D)

I will have secretary of defense in every university in this country and have the CIA and FBI be on the look out. And I agree if we are not careful it could be the 1960s all over again. And history could repeat itself.

GEORGE JETSON

I agree Mr. President. I also have this for you as well.

George hands him the remote.

GEORGE JETSON (CONT'D)

My team and I developed it and it's a remote that is able to shield the country from missile attacks and create a force field as well. And I want you to have it.

The president takes the remote.

PRESIDENT DONALD J TRUMP
