EMILY MCALLISTER

Dad is it true that Uncle Buzz use to have a huge spider in his room?

KEVIN MCALLISTER

It is Emily, Your uncle use to have a big spider but you have nothing to worry about it, the spider is dead and he died years ago.

EMILY MCALLISTER

How did he die Dad?

KEVIN MCALLISTER

Nobody really knows. You will have to ask Uncle Buzz. But I'm so excited, Christmas in the windy city is always really wonderful. Also in New York Christmas is really great there as well.

EMILY MCALLISTER

Dad is it true there are scary people in New York? Cause going to big places really frighten me a lot.

KEVIN MCALLISTER

Oh non-sense cupcake and yes there are scary people, but you just have to remember to treat people very nice and get to know people and treat people the way you would want to be treated. And don't believe any lies.

MELISSA MCALLISTER

And dad likes to tell a lot of stories as well. So what you have gotten your mom?

KEVIN MCALLISTER

That's a good question Melissa, I know I got her jewelry last year, and then I also got her a lot of United Miles as well. But she is just not a big traveler anymore every since dad died.

MELISSA MCALLISTER

Are your other uncles coming?

KEVIN MCALLISTER

Yeah they will be there. They always are.

CUT TO:

Kevin and his wife and Emily get out the airport and Kevin calls an Uber from his phone and they get into the car and drive there.

And the car leaves.

MELISSA MCALLISTER

Looks like nobody is home.

KEVIN MCALLISTER

No if I know mom, she probably is working on work stuff in her office in the old basement I use to sleep in with Fuller.

The Door opens and Kate opens the door.

KATE MCALLISTER

Well look it is. Oh my baby boy is here.

KEVIN MCALLISTER

EMILY MCALLISTER

Hi grandma.

The rest of the family comes inside with their suit-cases.

KATE MCALLISTER

KEVIN MCALLISTER

Oh we are okay mom. How have things been? I saw that you started your own in jewelry and coat firm through the new computer I bought you.

KATE MCALLISTER

Oh it's going really well. But it's just I have no one to celebrate my new success with, and things have been hard since dad died. And traveling to places is not same without him.

KEVIN MCALLISTER

It's okay I really miss dad too. But Buzz will be here very soon however.

Emily is sitting down on the couch and playing an ipad and playing a game.

EMILY MCALLISTER

Buzz picks up Emily in his arms.

BUZZ MCALLISTER (CONT'D)  
How is my favorite Nicee doing?

BUZZ MCALLISTER  
And you have gotten so big, You remind  
me of your dad when your dad was your  
age. We are going to order pizza soon.

Buzz's wife shows up with her kids as well.

KEVIN MCALLISTER  
And Jessica. How are you?

Kevin also gives Jessica a really huge hug and plays with her  
kids as well.

ONE OF BUZZ AND MELISSA'S KIDS  
Hi Uncle Kevin.

KEVIN MCALLISTER  
Go play with in the play room with  
Emily.

The kids are all really happy.

BUZZ MCALLISTER  
Man I can't believe it's been this  
long. And you continue to amaze me  
everyday Kevin. And to think you went  
to New York by yourself and were here  
home alone as well.

KEVIN MCALLISTER  
Hey you know Buzz, if I never said any  
of those bad stuff to mom and then  
made up for it, I don't where I would  
really be.

CUT TO:

INT. THE KITCHEN - NIGHT

Everybody is eating pizza and drinking soda.

Fuller is drinking soda with Uncle Frank and Uncle Leslie and Kevin's other family is there as well.

MEGAN MCALLISTER

So Emily, is dad getting you anything for Christmas yet?

EMILY MCALLISTER

I really don't know Aunt Megan, Dad hasn't really done anything with us quite yet.

Linnie comes into the conversation.

LINNIE MCALLISTER

Well one of these days your aunties are going to take on a girl's day.

EMILY MCALLISTER

That would be a lot of fun.

Fuller comes into the conversation.

FULLER MCALLISTER

Well we probably are going to go to the mall tomorrow. And your dad will get you something.

EMILY MCALLISTER

You really think so Uncle Fuller.

FULLER MCALLISTER

I know he will cupcake.

CUT TO:

Kevin getting another slice of pizza.

KEVIN MCALLISTER

Ah I have missed having Chicago Pizza.

Uncle Frank walks to Kevin.

FRANK MCALLISTER

So have you gotten anything for Emily this Christmas.

KEVIN MCALLISTER

That's a good question Uncle Frank. We are going to mall tomorrow And I will ask you.

FRANK MCALLISTER

We better wake up early cause traffic in Chicago is very crazy.

KEVIN MCALLISTER

Gotta stay positive Uncle Frank. And we will get there.

FRANK MCALLISTER

Ah just like your dad. Some things never change. So where you and Melissa staying?

KEVIN MCALLISTER

Oh we haven't planned that far yet. Maybe just some hotel in Chicago or so. Just to give mom space.

FRANK MCALLISTER

I see. Just make sure you get there early because if I remember correctly your mom and dad never really had good wake up calls.

KEVIN MCALLISTER

Oh I know. You want me to get you another beer Uncle Frank?

FRANK MCALLISTER

Sure why not.

CUT TO:

Buzz is eating pizza and having a soda and eating a pizza. And Kevin sits next to him.

BUZZ MCALLISTER

You excited to go to the mall?

KEVIN MCALLISTER

Hell yes. It will be great, the kids will look at toys, we get them toys, and then big food and ice cream. Oh and other things as well.

BUZZ MCALLISTER

Dosen't your company partner with Amazon and Ebay.

KEVIN MCALLISTER

Yeah why?

BUZZ MCALLISTER

I herd on the news, that they do  
business this new company called wet  
and sticky.

KEVIN MCALLISTER

Buddy let me see.

Kevin grabs the newspaper and reads a little bit of it.

BUZZ MCALLISTER

Do the words Wet and Sticky mean  
anything to you?

KEVIN MCALLISTER

They do. The thieves that tried to  
kill me when I was little, but long  
ago, they are probably behind bars or  
dead at this point.

BUZZ MCALLISTER

I would be on the lookout for them.

KEVIN MCALLISTER

Didn't you say one time, that we lived  
in the most boring neighborhood in the  
United States?

BUZZ MCALLISTER

Sadly not anymore. Do you think mom  
knows?

KEVIN MCALLISTER

I try not to tell mom anything. Plus  
mom has been through a lot since dad  
died.

BUZZ MCALLISTER

Yeah your right about that buddy.

Fuller walks into the conversation.

FULLER MCALLISTER

What you guys talking about?

KEVIN MCALLISTER

Just a company that I work for Fuller.  
And about tomorrow at the mall.

FULLER MCALLISTER

Sweet. It should be great. We haven't

spent Christmas as a family in almost 20 years. And you have raised a really good girl. It just blows my mind you were able to raise a good daughter even though we left you all alone for 2 Christmas in a row.

BUZZ MCALLISTER

Yeah about that. Kevin I am really sorry about all the crap that I did to you when were kids. And back then I was a really huge jerk to you.

KEVIN MCALLISTER

Oh it's okay Buzz. It was a long time ago, And it's okay I had problems to with both mom and dad.

KEVIN MCALLISTER (CONT'D)

But you know we both grew up and we forgave each other for little differences like that.

FULLER MCALLISTER

Christmas shopping should be fun tomorrow With our wives and our kids.

KEVIN MCALLISTER

Absolutely Fuller.

EMILY MCALLISTER

EMILY MCALLISTER

KEVIN MCALLISTER

I don't know if that could realistically happen. What else do you want?

EMILY MCALLISTER

KEVIN MCALLISTER

Wow those are all wonderful and really amazing stuff Emily. And your mom and I are going to do the best we can. And we may not get you everything for

Christmas but mom and dad are going to make sure you have the best Christmas.

EMILY MCALLISTER

Oh thank you dad.

Emily hugs Kevin really hard and really tight.

EMILY MCALLISTER (CONT'D)

I love you dad.

KEVIN MCALLISTER

I love you too sweetie. And if you believe in Santa Claus and believe in Christmas and the magical world and always give to people and are nice, anything is always possible Emily.

EMILY MCALLISTER

Is that truth dad?

KEVIN MCALLISTER

I know it is sweet-heart.

KEVIN MCALLISTER

Come on, I'm going to toss up before you go to bed.

Kevin picks up Emily and throws her up in the air. And lands her on her bed.

That's a great evil plan grandpa.

HARRY

And you and Marv's daughter are going to help me pull it off.

Marv walks into the office with a Jersey Mike's sandwich and a lot of Gatorade.

MARV

Morning Harry Sorry I'm late, I really love the new Slurpee machines in our new building we got.

HARRY

That's very smart Marv, you are almost 62 years old and you still eat junk food?!....

MARV

Well I always take my vitamins before coming here. And our weapon we are building is going wonderful.

HARRY

Good. Because we are going to rob the

mall later today. And Brenda and your daughter are going to help us.

MARV

Don't you think we should help them Harry.

HARRY

Marv I'm like in my 70's and your 62, both of us are retired, but we can still use our brain and mind to hack into technology stuff even though our physical robbery and thief gifts have left us. Plus need to train the next generation of bad guys.

MARV

I guess your right Harry. After it's not the 90's or the 2000's anymore.

Marv's daughter walks into the office.

JOAN (MARV'S DAUGHTER)

Morning dad. New Mission.

HARRY

Yes actually, robbing one of the malls in Chicago and hack into bank accounts. And you two are going to do it.

JOAN (MARV'S DAUGHTER)

Don't worry Harry sir, we are on it.

hungry.

The rest of the family comes.

BUZZ MCALLISTER

JOAN (MARV'S DAUGHTER)

They start walking underground and they use a smart phone to hack into the main vault.

BRENDA (HARRY'S GRAND-DAUGHTER)

Perfect.

Brenda starts typing on the computer and she presses a button on the phone.

HARRY

Are you in the vault?

BRENDA (HARRY'S GRAND-DAUGHTER)

THE MALL OWNER

Everyone we have been robbed!!!!!! And all our money is gone!!!!!!

A lot of people in the mall start going really crazy and start running around everywhere.

THE MALL OWNER (CONT'D)

I suggest that everyone get out of the mall right away.

The Mcalisters start going really crazy just like everyone else and start running out of the mall. Emily is very distracted with what is going around with her.

Emily is still running with her parents and family and ends up dropping one of her bracelets on the ground.

Emily picks up the bracelet. Emily tries to run to catch up with her family, but it's too late and the main door closes.

EMILY MCALLISTER

Uh oh.

Emily starts running and she goes into one of the stores. She goes into the toy stores and she hides behind a lot of giant teddy bears.

CUT TO:

Brenda and Joan get out of the mall with money inside of a keycard.

BRENDA (HARRY'S GRAND-DAUGHTER)

JOAN (MARV'S DAUGHTER)

They get into the toy store and they pull the lever on the candy tubes and get a lot of chocolate and other candies as well.

BRENDA (HARRY'S GRAND-DAUGHTER)

Oh this will be great espcailly when we can make cookies and other sweets for grandpa and your dad.

JOAN (MARV'S DAUGHTER)

Oh yeah definatly Brenda.

As they are robbing the candy and toy store, Emily is hiding behind the teddy bears and she takes out her smart phone and records Joan and Brenda robbing the place.

As Emily is taking pictures and recording everything, Emily knocks over a tube of candy canes and makes a noise.

BRENDA (HARRY'S GRAND-DAUGHTER)

What the?!...What was that?!....

JOAN (MARV'S DAUGHTER)

I don't know.

BRENDA (HARRY'S GRAND-DAUGHTER)

Are you sure everyone is out of the mall?

JOAN (MARV'S DAUGHTER)  
 Pretty sure everyone is out.

Emily sneezes and one of the giant teddy bears falls down.  
 Brenda and Joan turn back and see her.

Emily gets really scarred. And Joan and Brenda start going  
 towards Emily.

BRENDA (HARRY'S GRAND-DAUGHTER)  
 Alright sweetie, if you just give us  
 the phone and the photos and videos  
 that you did. We are not going to hurt  
 you, We can make this very easy or  
 very hard.

JOAN (MARV'S DAUGHTER)  
 Also I'm pretty sure your parents  
 wouldn't want you to be lying to them  
 would they.

BRENDA (HARRY'S GRAND-DAUGHTER)  
 Also if you don't, we will kidnap you  
 and take you with us. What's it going  
 to be little girl...

Emily is really scarred and she reaches into her pocket and  
 she sprays pepper spray and a taser out of her pocket and  
 electrocutes Joan and Emily really bad and forces them  
 against the wall.

Emily gets really scarred and she starts running away.

Brenda and Joan keep on chasing Emily and they grab on to the ladder but are too heavily and fall down.

Joan is much lighter and she is able to climb up and keep on chasing Emily.

LINNIE MCALLISTER

KEVIN MCALLISTER  
Well I must say that was a good day of  
Christmas shopping, everything is  
going to get ordered and a lot of good  
Christmas traditions as well.

BUZZ MCALLISTER  
I don't know, I have a feeling you  
forgot someone.

KEVIN MCALLISTER  
Well, I always keep my wallet with me,  
debit cards, credit cards, phone.

Melissa looks around the house and her eyes get really big.

MELISSA MCALLISTER  
Oh I know, something is wrong, we  
forgot Emily at the mall.

Melissa runs back to Kevin and Buzz.

MELISSA MCALLISTER (CONT'D)  
Emily is missing!!!!!!...

KEVIN MCALLISTER  
What?!....

MELISSA MCALLISTER  
Kevin I checked everywhere we forgot  
her. Kevin what are we going to do,  
I'm so worried.

KEVIN MCALLISTER  
It's going to be okay Melissa, Emily  
is going to be fine, I have every  
single woman weapon on her, lets not

panic.

Fuller and Kevin's sisters walks into the room.

MEGAN MCALLISTER

What is going on?!....

KEVIN MCALLISTER

Emily is missing and Emily is not here.

Kate also accidentally walks into the conversation and she hears Kevin say Emily is missing, and a lot of things are going into her mind espcailly the events from the first two movies.

KATE MCALLISTER

(screaming)

Emily!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Kate faints really badly.

BUZZ MCALLISTER

Mom!!!!!!!!!!!!!! Someone call 911.

Melissa calls 911.

And a lot of the doctors come her down and give her medicine.

DOCTOR 1

You feeling better Mrs. Mcallister?

KATE MCALLISTER

Yes I am. I fainted really badly and I had a nasty fall because of hearing my grand-daughter is by herself.

The police are also there as well.

COP 1

It's going to be okay, we are going to find her. Plus your sons are here.

KATE MCALLISTER

Oh thank god, my son was home alone for 2 Christmases and my grand-daughter is all by herself in Chicago.

Uh dear the spirits are punishing me  
for how awful a mother I was.

KEVIN MCALLISTER

No, Mom it's alright, Mom you sure  
don't want to lay down or have Buzz  
and I get you something to drink like  
whine or anything like that. And it's  
okay Emily is going to be okay, she is  
smart girl, I have trained really well  
to be by herself.

KATE MCALLISTER

Oh Jesus Christ!!!!!! I think I'm going  
to faint again.

COP 1

Do you have a photo of the girl.

KEVIN MCALLISTER

Yes I do officer. But you have nothing  
worry about, she has weapons on her  
such as Pepper spray and small little  
taser on her as well.

KEVIN MCALLISTER (CONT'D)

I mean if I may as Emily's father,  
when I was little I was also home  
alone when I was a kid in 1990 and 2  
years after that, And so since I have  
had experience being left behind  
accidentally. So just like any good  
dad, I gave her things to use.

COP 1

That's great sir, we need more parents  
like you in this crazy day and age. We  
are going to do everything we can sir.  
Do you know where she could go in  
Chicago.

MELISSA MCALLISTER

Sadly no, she has never been in  
Chicago before in her life, we live in  
New York but my husband is from here.

KEVIN MCALLISTER

Well my company that I work has a lot  
of hotels that are owned and they know  
who I am have photo- reognition of  
my daughter, so if she can find those

hotels, she should be alright.

KEVIN MCALLISTER (CONT'D)  
We are going to call her on Face-time  
later tonight.

got recorded by a little girl as well.  
And we are going to take a look.

Harry turns on camera and they see video footage of Emily.

HARRY (CONT'D)  
Wait blonde hair, I recognize the

color of hair from somewhere and she looks a lot that little creep we tried to kill in New York and also in his home as well. I don't know she looks a lot like him.

MARV

Yeah but she does not have the foul language, or the brains, or the rebellious personality of that little dude all those years ago, Also this is going to be super easy.

HARRY

Yes I agree Marv. She is not going to go too far either, Especially since the little pal always went into broken houses and his home, this little girl has nothing.

HARRY (CONT'D)

Have any idea where is going?

JOAN (MARV'S DAUGHTER)

None, maybe a homeless shelter or something.

HARRY

Alright, keep a look out for her, if you need reinforcements, let me know.

BRENDA (HARRY'S GRAND-DAUGHTER)

Thanks grandpa.

HARRY

Now go.

Brenda and Joan leave Harry's office.

MARV

And what do we do Harry?

HARRY

We sit back, hack into as much cameras as we can and then send more people to help Joan and Brenda out. And with our shinny Chicago skyscraper, nobody will stop us.

Harry does an evil Grinch like laugh.

Mcalister's daughter. I hear a lot of  
good things about your dad and how he

HARRY

Ah I knew you would say that little pal. But this time you don't have any your little toys, gadgets, or anything. And I have the upper hand this time little creep, and Marv and I are more stronger then ever. And also because of them as well...

Harry presses another button and Maddie gets lowered into a pile of snow and into a freezer.

HARRY

Your know something little pal, you are right. Espcailly cause in a matter of mintutes I will drop your wife into a snow freezer that I built and then she will be dead.

KEVIN MCALLISTER

Actaully you girls will be in a much worse place.

Brenda and Joan turn back and see Kevin.
