The Walt Disney Pictures Logo begins with thunder and lighting intro and the castle is covered in green mold and it's really wet and nasty looking.

As the intro goes a long, there is more thunder and lighting going a long and the camera begins to slowly go into the water.

A little girl with blonde hair sneaks out of her room and as she does this, a couple of alligators are spying on her.

The girl drops the bottle into the water. And the bottle begins to start floating away.

And as the bottle is floating away, a surveillance camera begins to see the bottle floating away.

CUT TO:

INT. INSIDE THE DEVIL'S BOYUE SHIP - NIGHT

An evil looking woman in her 50's wearing an evil suit is looking at the bottle.

MEDUSA

I really don't believe a message in a bottle is really going to help her get reduced by anybody. And anybody who tries to rescue her will be destroyed by all the traps that I have.

All of a sudden, Snoops walks into Medusa's office.

SNOOPS

And I saw that you requested me?

MEDUSA

Yes I did Snoops. I called you because I really need you to step up another project for penny to try to get the Devil's eye.

SNOOPS

Perfect I'm sure that little brat will help us get rich and very wealthy. And also she will have no contact with that the outside world as well.

MEDUSA

Keep on eye on her as much as can and make sure she doesn't escape.

Penny ends up listening to the conversation and Penny finds a weak spot in the boat.

Penny uses her strength and she opens the door.

As Penny opens the door, Penny begins to run around the basement of the ship and as she does this, she triggers an alarm.

The alarm starts going off like crazy and Penny starts getting really scarred and really frighten.

Penny starts running and running faster and all of a sudden, she starts to hear a lot of thugs chasing after her.

CUT TO:

Penny keeps on running from the thugs.

THUG 1

You ain't getting away from this that easily missy.

THUG 2

Yeah because someone like you is really going to make us a lot of money.

Penny grabs a knight from and stabs one of the thugs in the face.

Penny kicks another one in the face. And Penny keeps on running.

CUT TO:

Medusa and Snoops hear the alarm.

SNOOPS

Medusa it's the girl and she is trying to escape from the ship!!!!

MEDUSA

Don't let her escape the boat and
bring her to me!!!!!!!

Medusa walks to the microphone and presses the button.

MEDUSA (CONT'D)

Don't let the girl escape we need
her to get the devil's eye.

MEDUSA (CONT'D)

Snoops get her.

SNOOPS

With pleasure Medusa.

Snoops grabs a gun and he runs out of the office.

CUT TO:

The alarm keeps on going off crazy and Penny keeps on running
and more thugs are chasing after Penny.

Snoops shows up with a pistol gun and tries to shoot Penny.

SNOOPS (CONT'D)

You need to come back here girl.
You will never be adopted by a real
family Penny. And there is no one
that wants you or cares about you.

Penny begins to run and all of a sudden Snoops presses a
button and all of a sudden the alligators and dogs begin to
come after her.

Penny starts opening up some doors. And Penny starts climbing
up the stairs and Penny starts climbing up the top of the
boat.

CUT TO:

Penny gets to the top of the ship and she sees the water.

Penny has her teddy bear and Penny turns back and sees Snoops
with thugs in back of him.

SNOOPS (CONT'D)

You need to come back right now
Penny. Because we are our guardians
and Medusa wants to train you to be
2nd in line and get her the devil's
eye.

PENNY

I would rather die in the water
then go back to her and I know that
you guys are not my parents and I
know how horrible and evil you guys
are to me.

Penny hugs her teddy bear. And Penny steps back from the ship
and all of a sudden, Penny jumps off the ship and Penny is in
the water.

All of a sudden, Penny starts swimming in the water and Penny
starts coughing up water.

CUT TO:

Snoops and the rest of the bad guys.

SNOOPS

God Damn it!!!!!! I want all of you
to get the girl back here and bring
back to Medusa.

THUG 1

Yes sir!!!!!!

CUT TO:

All of a sudden a lot of thugs start going into motor boats
and heading out of the ship.

Penny sees the thugs on the boats and Penny begins to swim as
fast as she can and Penny ends up in the ocean and she sinks
in the ocean while holding on to her teddy bear.

As Penny is in the water, the water keeps pulling her and
water begins to come out of Penny's mouth.

All of a sudden a lot of waves start splashing her and the
water ends up knocking out Penny as Penny is in the water.

Penny's body gets knocked out and she ends up around the
coast of Alabama.

Penny gets drifted to shore and Penny gets up and she ends up
running on the street and ends up in a homeless shelter
somewhere.

And Penny is looking at the sunset and the sun coming up.

As Penny is looking at the sun, the title "the rescuers"
shows up.

FADE TO:

EXT. 1977 NEW YORK CITY - MORNING

There is a lot of cars going by and sounds noises.

CUT TO:

A young man in janitor's clothes begins to go on the bus and he starts heading to the United Nations through the city bus.

The young man on the bus sees a lot of crazy things and he sees some 1970's elements around him.

The young man gets to the United Nations building and all of a sudden a random bottle shows up around the building and it hits his leg.

BERNARD

The hell?!...

Bernard opens the bottle and he takes out the piece of paper.

Bernard begins to read the message and Bernard pus the message back into his pocket.

Bernard goes into a locker room and he starts getting ready to do his job.

Bernard begins to cleaning parts of the building in very random locations. And he sees a lot of meetings going on.

As Bernard is working, he sees a beautiful woman that his age walk wearing a purple button up shirt and wearing suit pants with high heels on.

And she walks into the meeting and she sits down.

Bernard keeps on working.

BERNARD (CONT'D)

God if only....

Bernard keeps on working in other parts of the building.

As Bernard is working, some of Medusa's thugs are by the United Nations building.

And some of the thugs are wire tappings the rescue aid society meeting.

And they start listening to the meeting.

MR. CHAIRMEN

Alright everyone, this morning I just received news that girl in New Orleans has escaped from a ship that is known as the devil's bayou and I believe the FBI and the CIA and the United States government right now is trying to save the girl. And we need someone who will want to be assigned this case.

Bernard keeps on working and he notices some of the thugs wire tapping into the meeting.

As the meeting goes on, the same girl raises her hand.

BIANCA

I will take on the case. And I will see what I can do.

MR. CHAIRMEN

Are you sure you want to Bianca?

BIANCA

I am very sure.

MR. CHAIRMEN

Alright then I'm assigning you the case.

BIANCA

The only thing is that I don't know where we can begin and if only there was a clue that could help us.

Bernard keeps on working and at the same time eyeing Bianca.

FADE TO:

Bernard clocks out of work using a piece of paper and Bernard starts heading to the bus.

As Bernard is on the bus some of Medusa's thugs are taking pictures of him.

THUG 3

I feel like we know that there are some people that know about the girl. One stupid janitor and then another one being a hot girl as well.

THUG 4

Come on lets fallow them!!!!

The thugs begin to fallow Bernard.

CUT TO:

Bernard gets on the bus and he sits down.

Bernard takes out the bottle and looks at the message and he starts reading it slightly.

As Bernard is on the bus, some of the thugs come on the bus and Bianca gets on the bus.

As Bernard is sitting down, Bianca notices some of the words on the piece of paper and she starts walking towards Bernard.

BIANCA

Hi, I'm sorry I just saw bottle that you had, what were you drinking?

BERNARD

Um I wasn't drinking anything I just found this bottle that had a message in it before I started work today. And I think some kid wrote it or so.

BIANCA

Wait a kid, can I see?

BERNARD

Yeah sure knock yourself out sweet heart.

Bianca looks at the bottle and she begins to read it.

BIANCA

Oh wow this the message that girl in New Orleans and wrote, How long have you had this for?

BERNARD

Ever since this morning.

BIANCA

Did you ever think about taking the bottle to the chairman?

BERNARD

No, hell no lady, I'm just some junior that works in the UN building. I'm sure that old fart would not take me seriously.

BIANCA

Well if you want you could work with me or so since you have the bottle.

BERNARD

I don't know sweetie, I'm not part of the ruling UN slash agent class that is part of the elite and all that. Plus I don't even think I'm not that smart enough to be one. Look, lady, I know you are very nice and very kind but I'm just a janitor from Long Island. Look if it makes you feel better I can give you the bottle and the note inside it and you can on your way to finding her.

Bernard gets out the bottle and gets ready to hand it to Bianca. But as he is going to do this, he starts notice the thugs.

BIANCA

What's wrong?

BERNARD

Um sweet-heart don't look now, but I believe one of the people wearing all black is defiantly not from Manhattan.

BIANCA

What do you mean?

The thugs start getting close to them.

THUG 3

We see that you have the bottle. Now hand it over!!!!!!

BERNARD

And what if I say...No!!!!!!

The thugs all of a sudden, end up getting out a pistol gun and points the gun at Bernard and everybody on the bus gets really scarred.

THUG 3

Then I believe we will have to kill you right here on the bus!!!!!! And kill your girlfriend!!!!!!...

BIANCA

Um I think we should do what he says.

THUG 3

Yeah I believe you should listen to your girlfriend before I really hurt you little man.

BERNARD

First of all, she is not girlfriend and second of all!!!!!!.....

All of a sudden Bernard turns around and Bernard kicks the thugs in the face and a fight breaks out on the bus.

The thugs began to fight Bernard, Bernard dodges all of the attacks and punches and kicks.

Bernard tackles one of the tackles and slams against the wall.

Bernard gets up the other thug gets out of the knife and tries to stab Bernard but Bernard turns back punches the thug in the face.

Bernard fights more thugs and throws more punches and kicks at the thugs.

Bernard uses his might and muscle and grabs another thugs and slams against the window and the other thug grabs Bernard and slams against a bus seat.

And punches Bernard in the face 12 times.

Bernard recovers really fast and Bernard kicks the thug in the face. And another thug tries to tackle Bernard and Bernard jumps in the air and Bernard hangs on the rail and Bernard kicks 3 thugs in the face.

THUG 3

You are dead man you hear man!!!!!!...Medusa will really want your head when you hears about you!!!!!!...And Medusa will find you people!!!!!!

BERNARD

The hell she will!!!!!!.....

Bernard gets in rage and kicks the thug in the face and Bernard punches another thug in the face and knocks him out.

Bernard sees Bianca and grabs her hand.

BERNARD (CONT'D)

Come on lets get out of here!!!!

Bernard escape from the bus and Bernard are on the side walk and Bernard sees a random New York City cab.

BIANCA

What the?!...What the hell are you doing?!...

BERNARD

Finding a car and getting out of here.

BIANCA

But that's illegal!!!!!!...We can't just steel a car.

BERNARD

We don't have a choice sweetie lets go!!!!!!...

Bernard and Bianca get into a taxi cab and Bernard starts the car and turns the keys and he starts driving off.

Bernard starts driving really fast on the road in New York City.

BIANCA

Do you any idea on what you are doing?!...

BERNARD

No I am defiantly heading to the nearest airport and getting out of this city because I'm sure some of these thugs in black clothes are here in the big apple and they could be anywhere!!!!!!!!!!...

BIANCA

You don't know that!!!!!

BERNARD

Yeah well your not going to go too far with just you handling this type of people lady Especially with how nasty and viscous they are.

Bernard keeps on driving and some thugs in random cars start following them and speeding on the road and they start shooting at them.

Bernard keeps on driving and Bianca starts getting really scarred.

BIANCA

They are shooting at us!!!!!!...

BERNARD

Yeah I know.

Bernard keeps on driving and as Bernard is driving, he starts flash backing to some of the notes on the message.

PENNY (V.O.)

I am in trouble and I'm in New Orleans help. -Penny-

BERNARD

Alright you going to have to hang on very tight because we are heading to JFK airport and heading to New Orleans.

BIANCA

I thought you said you weren't smart enough to be an agent and be part of this?

BERNARD

I did say that. But I was able to message some of the things on the note and we are heading there. And I know someone who has an airplane there that could take us there. So yeah there is some things about me that you didn't know.

Bernard keeps on driving and driving really fast.

CUT TO:

Bernard and Bianca get to JFK airport and they park in the parking garage and Bernard turns off the car and they both head out of the car.

And they start running inside the airport.

BIANCA

Now what?!...

BERNARD

Um well we just have to pretend we are a couple and pretend that we are getting tickets or so.

BIANCA

I feel like that's really foolish.

BERNARD

Well do have a better plan?

BIANCA

No.

Bernard and Bianca go in line to get tickets.

BIANCA (CONT'D)

Well if we are going to be a couple don't we have to look like one or so.

BERNARD

Oh yeah that's right I forget about that.

BIANCA

That's the thing with you Americans you always have a good ideas but not able to execute them.

BIANCA (CONT'D)

Come on, once we get tickets there should be a department store here and we could get some better clothes there or so.

BERNARD

That sounds like a great idea. Sounds like a lot better then what I have done.

Bernard and Bianca keep on waiting in line.

CUT TO:

INT. JFK AIRPORT - LATE AFTERNOON

Bernard and Bianca come out of the department store with better 1970's clothes on.

BERNARD

Do know what gate it is?

BIANCA

I mean I know it's suppose to be around the B part of the airport I believe.

BERNARD

Alright okay sounds good.

BIANCA

By the way thanks for saving my life back on the bus.

BERNARD

Oh your welcome. I didn't want to see a pretty lady like you get hurt in this city.

They keep on walking and they see the flight has been canceled. And they see it on the flight screens.

BERNARD (CONT'D)

Oh Shit!!!! That really can't be good.

BIANCA

Oh no, that's awful. And spent a lot on the tickets. And what's worst is that we don't have a lot of time intel we get to Louisiana.

As Bernard and Bianca are by the gate, a young man in his early 20's with black hair wearing normal clothes goes up to them.

ORVILLE

Hey you guys trying to get New Orleans?

Bernard and Bianca turn back and see him.

BERNARD

Yeah we are. Our flight got cancelled and We really have to get there like right now to save a kid.

ORVILLE

Are you guys like CIA or FBI or anything like that?

BIANCA

No we are just part of the United Nations society agency.

ORVILLE

Alright then. Well I have a jet plane that I was able to get from being a commercial pilot for a year. Come on, I'll show you guys, come with me.

Bianca and Bernard start following him and they go through a door and the young man uses a 1970's keycard to get in through a couple hallways.

And Bernard starts turning his head left and right.

BERNARD

So what does your plane actually look like man?

ORVILLE

Oh you will like it. I know they say the Supersonic transport lost money because the government couldn't fund it. But with some money of my own pocket and some other people around me, this thing can go really fast.

BIANCA

That sounds really exciting Mr.?

ORVILLE

Call me Orville.

BIANCA

Orville. Alright I'm Bianca and this is Bernard. And thank you so much for helping us. We really appreciate it a lot.

ORVILLE

Oh your welcome miss. Yeah I can really tell with looks on you guys faces that you guys were in some sort of trouble and in some sort of pickle as well. But don't worry you guys will really like this plane.

They keep on walking.

CUT TO:

The three of them get out of JFK airport through the hallway and they start walking outside and into an airplane garage.

Orville presses a button and the garage door begins to open and as it's opening, the door begins to open very slowly and both of them begin to notice some features of the plane.

BIANCA

Oh my god!!!!!!!

BERNARD

What in the hell?!...

The door gets open and the full features of the airplane are revealed.

ORVILLE

So what do you guys think? Do you guys like it?

BIANCA

Oh my god it's beautiful Orville. And I really love how it looks and everything.

ORVILLE

Oh thank you.

BERNARD

Buddy not only is this an airplane. This is the Supersonic transport airplane, it's the plane that being tried to build but couldn't because they lost government funding. But how in the world did you get this?

ORVILLE

Well I knew someone, that also knew someone that had parts of the airplane and I used certain parts and then some of engines as well. And then rest of it, I just put on my stuff on it and replaced some of the things that didn't work.

ORVILLE (CONT'D)

So are you guys ready to go in and climb aboard?

BIANCA

Yes absolutely.

BERNARD

I don't know about this man. What if this thing doesn't work and something goes wrong and we end up crashing?

ORVILLE

Don't worry I put a lot of safety things on here. And I think some of the things I put in might be even better then some of the normal safety things you see in other airplanes as well.

They all get into airplane and Orville begins to turn everything on and he starts powering up the plane. And Bernard and Bianca put their seat belts on.

BIANCA

Oh wow this is like really awesome and really exciting and really wonderful. I have never been on a private jet before.

BERNARD

This is like the first time I ever went on airplane in my life. And I didn't think it would be a private one.

CUT TO:

Orville in the cockpit and he grabs the microphone and he has aviator sunglasses on.

ORVILLE

Ladies and gentlemen welcome aboard this is your captain speaking very shortly we will be on our way to New Orleans, Louisiana. And this flight will be nonstop and this will be really fast on the Supersonic transport airplane and welcome aboard!!!! And fasten your seat belt and Here we go!!!!!!!!!!!!.....

Orville starts pressing a lot of buttons and the jet begins to power up and Orville starts pressing the lever more and more and supersonic transport jet starts to go really fast and begins to move a moderate pace and then slowly it begins to start going faster and faster on the JFK airport runway.

The supersonic transport starts going really fast on the runaway and goes around 300 miles per hour.

CUT TO:

Bianca and Bernard feel the speed of the airplane and things really start getting bumpy and feel the turbulence of the jet.

BERNARD

I really feel like we should of
took a train!!!!!!!!!!!!...

CUT TO:

The supersonic transport keeps on going really fast on the runaway and starts increasing it's speed and going really fast.

CUT TO:

Orville is in the cockpit and he presses the button.

CUT TO:

The supersonic transport finally blasts off into the air.

ORVILLE

(on the microphone)
And lift up!!!!!!!!!!!!!!!!.....

The supersonic transport jet finally gets up in the air and it goes over the clouds and it begins to start heading south.

CUT TO:

Bianca and Bernard look at the window and they see the 1970's skyline of New York City.

And the supersonic transport keeps on flying in the air. And heading south.

Medusa finds footage of Penny inside of a mall.

MEDUSA (CONT'D)

Well it looks like you are not very far away aren't you Penny.

MEDUSA (CONT'D)

SNOOPS!!!!!!!!!!!!!!....

Snoops runs into Medusa's office.

SNOOPS

Yes Medusa?

MEDUSA

I want you to head to Alabama and find Penny and bring her back here alive. And bring some thugs with you. And if anything tries to get in our way, kill them!!!!!!!!!!

SNOOPS

For sure Medusa. Even if it's the CIA, FBI, or the government?

MEDUSA

Oh please. Those things can't stop me because with my technology, they won't be able to find me and when they do, they won't be able to get through to me because I have men and thugs working for me everywhere. And nobody will be able to stop me!!!!!! And soon we will have the Devil's eye and we will be even more rich then anybody in the world.

MEDUSA (CONT'D)

Go!!!!!! And have some fun and kill anybody that comes in our way.

SNOOPS

For sure boss!!!!!!...

Snoops leaves the office. And Snoops walks on to a motorboat and he grabs a telephone and he starts calling people.

SNOOPS (CONT'D)

Hey sweetie, Are you by yourself?

PENNY

Leave me alone!!!!!! Get away from me!!!!

RUFUS

Look I don't think a girl like you should be out at this time of day. And also it's going to be night time very soon.

(MORE)

RUFUS (CONT'D)

And you also look like your in some of trouble. Come on you can stay with me.

Penny doesn't respond at first but she starts coming toward him.

PENNY

Alright okay.

RUFUS

In the mean-time, I'll make you something to eat.

PENNY

Thank you.

RUFUS

Your welcome. What's your name by the way?

PENNY

Penny.

RUFUS

Penny. I'm Rufus. And who were you running away?

PENNY

I was running away from very evil and very awful and very nasty people that kidnapped from the orphan edge.

RUFUS

Orphan edge. We have known of those in Alabama. What state are you from Penny?

PENNY

I'm from Queens, New York.

RUFUS

Oh wow so you are really not from here. And do you know who is after you?

PENNY

She goes by the name Medusa and not only is she evil and really nasty and awful, but she is very powerful in the southern states and has every official and every thug person working for her in some way or another. And the reason why she kidnapped me is because she really wants a diamond called the devil's eye that I believe is suppose to be worth billions of dollars and wants to be super rich as well.

RUFUS

Oh Jesus!!!!!!!!!!...

PENNY

And I believe she has every access to every security camera in the south as well.

RUFUS

Oh my god!!!!!!!!!!...Well nobody is going to hurt you or kidnap you. And I have friends and connections that are going to help you as well.

CUT TO:

Rufus goes to the telephone and he begins to call some people up.

ELLIE MAE

Hello?

RUFUS

Ellie, it's Rufus I believe I found a girl that was running away and I need you and Luke and Evinrude's help and we need to take her back to New York City as fast as possible.

ELLIE MAE

Alright we will be on our way very shortly.

RUFUS

Thanks. And try to get here as fast as possible.

Rufus hangs up the phone.

CUT TO:

Some of Medusa's thugs and Snoops start looking around the mall in Alabama and they start looking for clues.

And they even go into one of the stores that she went into.

Snoops with an evil smirk on his face, goes into the office store.

THE CASHIER

Can I help you?

SNOOPS

Yeah I'm looking for this girl. Do you know where she could have run off to?

Snoops shows the cashier a picture of Penny.

THE CASHIER

I don't think so. I don't believe I have seen that girl in my life.

SNOOPS

Really?...I'll just have to see about that.

Snoops pulls out a machine from his coat pocket and he gets out of the store and hooks up the machine wiring to the mall and they start looking through the camera footage. And they see Penny walking away from the store and writing another message in a bottle.

Snoops presses another button and sees Penny running and seeing the man in his 40's.

Snoops keeps on looking at the footage and all of a sudden sees the Supersonic transport airplane in the sky.

SNOOPS (CONT'D)

Well what do you know!!!!...

THUG 2

Well what now boss?

SNOOPS

Start looking around the state and find out who that guy is that found her.

THUG 3

What about the airplane in the sky?

SNOOPS

I will tell Medusa about that very soon. Now Move!!!!!!!!!!...

The thugs begin run away from Snoops. And Snoops begins to run to a pay phone. And Snoops starts dialing Medusa's number.

CUT TO:

Medusa in her office and she answers the phone.

MEDUSA

Hello?

CUT TO:

Snoops on the phone.

SNOOPS

Medusa, we found out where the girl is. She is in Alabama and she is with a man that looks like he is in 40's or so. And there is also a jet heading to Louisiana as well.

MEDUSA

What kind of jet?

SNOOPS

I don't know but it looks like a fast one I believe.

MEDUSA

Alright okay Snoops, I'll send some thugs in fighter planes to take it down and make sure they never reach the boat.

SNOOPS

Sounds good Medusa.

Snoops hangs up the phone.

CUT TO:

EXT. THE SUPERSONIC TRANSPORT JET IN THE SKY - NIGHT

CUT TO:

Orville in the cockpit flying the jet.

ORVILLE

Alright ladies and gentlemen we will be landing in New Orleans in less then 30 mins. And I just want thank you guys for flying the supersonic transport jet.

CUT TO:

Bernard and Bianca sitting down. And Bernard is looking at the window.

BIANCA

Are you okay Bernard?

BERNARD

Yeah I'm fine Bianca. I didn't think a couple of hours ago I wouldn't be on a jet on a mission like this.

BIANCA

Why is that?

BERNARD

Because I'm someone that went to fancy school like Harvard or Princeton or Yale or any big time schools. And I never thought of myself as a society agent all of a sudden. And also what if we don't end up finding this Penny girl?!...

BIANCA

I'm sure we will find her Bernard.

BERNARD

Yeah we find her. And then what,
how are we going to stop whoever
kidnapped her? We really don't know
what we are up against.

BIANCA

Yeah I do agree with you on that.
But so far things are going okay.

Bernard keeps looking at the window. And all of a sudden he
sees fighter jets praying on the supersonic jet.

BERNARD

Oh no!!!!!!!!!!...

BIANCA

Bernard what's wrong?

BERNARD

I think someone has found out that
we are heading to New Orleans.

Bernard gets out of from his seat and opens the cockpit door.

BIANCA

Bernard!!!!!!

ORVILLE

Hey man what's up?

BERNARD

Buddy we are under attack by some
fighter jet airplanes and they are
on our left and on your
right!!!!!!!!!!....

ORVILLE

Holy shit are you serious man?!...

Orville starts looking around and he sees the jets.

FIGHTER JET THUG 1

Stand where you are, you are flying
in private territory around the
devil's bayou. We are going to have
to ask you turn back or we will
open fire on your
aircraft!!!!!!!!!!!!!!

ORVILLE

Oh so that's way it's going to be.
Sounds like we are going to be in
an open air combat then. It's time
to open fir on you suckers!!!!!!!

FIGHTER JET THUG 1

Then you leave us no choice and we
have the authority to kill you
under the orders of Medusa!!!!!!

The supersonic transport jet is still in the sky and the
fighter jet planes are still spying on the transport jet.

FIGHTER JET THUG 2

Alright begin to fire, begin to
fire on the transport jet.

CUT TO:

Orville and Bernard in the cockpit.

ORVILLE

I think you better want to sit
down. Because I'm about to open
fire and fire missiles at these
thugs!!!!!!! Here we
Go!!!!!!!...fasten your seat belt
as well.

Bernard starts running back to his seat. But all of a sudden,
Orville begins having the airplane go into overdrive and the
jet begins to go really fast.

Bernard slips and falls down and he falls on the door as the
airplane is going up into the sky.

BIANCA

Bernard!!!!!!

CUT TO:

The supersonic transport jet starts going really fast in the
sky and the fighter jets begin to fire a lot of missiles at
the jet.

Orville takes a lot of sharp turns to dodge the missiles that
are trying to hit the airplane.

And there is a lot of explosions and fire and flames that are
in the sky.

Orville presses another button, and a lot of missiles and rockets began at the evil fighter jet airplanes.

CUT TO:

Future?!...There is no future for Penny. I kidnapped her so that way she works, and then I brainwash her to be in my criminal organization and have her be one of my thugs. Or infiltrate all of the american institutions. And have her be a criminal and work for me forever and have her have no memory of ever being an orphan or knowing her true parents. So she gets nothing in return just to be personal pet!!!!!!
