 No this can't be. I have agreements
 and other contracts I have to
 honor.

LANCE PLUMMER (CONT'D)
 Yeah what?!....

HARRY DENTALSON
 Mr. Plummer we have a huge problem.
 All of the money and all of your
 capital has been stolen last night
 sir and there was an attack on the
 main warehouse were we were
 creating the crypto coins.

LANCE PLUMMER
 I want you to find out who the hell
 stole everything and I want you to
 call the cops and get the FBI and
 CIA on the phone. Right now!!!!!!

HARRY DENTALSON
 Yes sir.

Lance hangs up the phone.

LANCE PLUMMER
FUCK!!!!!!!!!!!!!!!

CUT TO:

Lance is in a board room meeting with the board members.

BOARD MEMBER 1
Mr. Plummer I am really sorry after this news of what just happened. I am afraid we are going to have to pull out of our deal with these companies in China and in Russia and also in Brazil.

LANCE PLUMMER
No you can't do that. I worked too hard to build this company to what it is. And I can still get the money back and honor those agreements.

BOARD MEMBER 2
Well you better do it soon otherwise this company will go under and people will loose their jobs. And there will be another crypto company that replaces this one.

LANCE PLUMMER
Just give me time, I will do a personal investigation on everything. Even some of the low people if they find out.

BOARD MEMBER 3
That's impossible Lance. There is no way any of those workers have the skills to steel all of the capital. You would be fighting a losing battle.

LANCE PLUMMER
I will do what ever it takes to keep my fortune and no one is going to stop me and I'll bully people in order to save this company if it's the last thing I do.

BOARD MEMBER 1

Lance if you do that, then the police would come after you and so would the FBI and the CIA and then you would investigation.

LANCE PLUMMER

I don't care about any of that. This country is flawed and full of problems that will never be solved. And also other countries are better than this place. Investigate everyone now!!!!

BOARD MEMBER 1

Yes sir.

TYLER MAUNG

You mean like be gangsters and criminals. Robert there is no way you would take down a company like this, this company is worth a lot of money and it's just as big as Amazon.

ROBERTO "ROBERT" CORLEONE

You wouldn't be on the front lines Tyler, just doing the legal stuff. By the way how is that going?

TYLER MAUNG

It's going good Robert. I don't have the money to go to a fancy school but I have started studying a lot of legal terms and other laws especially in this city and federally as well.

ROBERTO "ROBERT" CORLEONE

And that's all I want to hear Tyler. Will talk about this more after work.

Roberto punches him again and grabs him by the neck and starts dragging him to the ground and he drags him to the garbage shoot room.

Roberto and Walter keep on fighting and throwing more punches and kicks at each other.

Roberto tackles Walter and Roberto grunts in anger and is really angry and throws more punches and kicks. And Walter throws more punches and kicks but Roberto whacks Walter his fore arm and Roberto picks up a metal bar and whacks Walter in the face 9 times and Walter falls down into the garbage shoot.

ROBERTO "ROBERT" CORLEONE (CONT'D)

LANCE PLUMMER

LANCE PLUMMER
 And people don't know who did
 this?!...Fuck just call the cops.

HIGHER UP WORKER
 Yes sir.

LANCE PLUMMER
 Fucking hell, first I loose most of
 the company money and now this!!!!

CUT TO:

Roberto gets done with work and he clocks out.

And Roberto cell phone rings. And Roberto answers the phone.

ROBERTO "ROBERT" CORLEONE
 Hello?

CAMILLIA ROSSARIO
 Robert is that you?

ROBERTO "ROBERT" CORLEONE
 Yeah what's up?

CAMILLIA ROSSARIO
 Oh nothing, I was just wondering if
 I can stay at your apartment,
 because I might not have enough
 rent to pay the land-lord.

ROBERTO "ROBERT" CORLEONE
 Sure thing Camilla. You can stay
 there as long as you want. And
 don't worry about that Walter guy,
 he is gone.

CAMILLIA ROSSARIO
 How did you manage to do that?

ROBERTO "ROBERT" CORLEONE
 Lets just say in-herited genes from
 my family. But yeah get here as
 fast as you can.

CAMILLIA ROSSARIO
 I'll do that.

 you.

 Good, that's exactly what I want to
 hear. And Don't worry Angelica will
 help you get settled in and find
 somewhere else to work.

CAMILLIA ROSSARIO
 And what about you?

ROBERTO "ROBERT" CORLEONE
 I'll be alright.

Angelica comes and she also comforts Camilla.

ANGELICA BORRELLI
 It's okay I'll make you something
 to eat and get you something to
 drink.

CAMILLIA ROSSARIO
 Oh thank you.

Roberto starts walking over to the window and he looks at the Golden Cobra Global skyscraper.

ROBERTO "ROBERT" CORLEONE
 People who beat up on the weak
 don't deserve to live and people
 who don't spend any time with
 family are not real people and real
 men. And people who act tough are
 not really tough at all. I'm going
 to destroy that company. I'm going
 to destroy Golden Cobra Global from
 within. And I'm going to destroy
 that company so bad that the CEO
 wishes he was never born or
 alive!!!!!!!!!!!!....

TOM BEESON
You think this guy might be the same guy that also stole Golden Cobra's money and blew up the warehouse and then drove all the way to that one neighborhood?

KRISTEN MATTHEWS
I don't know I think so. I think we all should look up more about that neighborhood and see why this guy choose to go there and how did he even know to go there.

Everybody is sitting down in the living room.

TOM BEESON

Mr. Corelone, how close were you with your dad?

ANTHONY CORLEONE

Well I mean when I was little I was very close to my father and I loved my father a lot. And yeah I never really knew what he did for work. All he would tell me was that he had businesses to do. And every time I came home from school, he always had guards guarding the house in Nevada. And I remember when I was a kid....

Anthony begins to break down and cry and tears start coming out of his eyes.

ANTHONY CORLEONE (CONT'D)

(crying)

.....I just remember my old man and my mom Kay arguing and fighting inside a hotel in Washington DC...And I was going to have a little brother that year but because my mom was so mad at my dad for all his bushiness...she killed my brother and had an abortion back in those days it wasn't common or main stream like it is now....But...Then all of a sudden my dad hit my mom really hard and they were yelling and screaming at each other...And I can even hear my dad's voice even...to this day. And I just remember leaving the house in Nevada for the last time and seeing my dad sitting outside in the cold. And that would be the last time I saw him before 1979,

Anthony keeps on crying.

FIONA CORLEONE

Oh it's okay honey.

KRISTEN MATTHEWS

We understand it's a very hard thing to talk about. Do you know if your aunt is still alive?

ANTHONY CORLEONE

No. Nobody knows if my Aunt Connie is dead or not. But I think the last person who is alive is her son Vincent. But I haven't spoken to him in a very long time and I have done my best to make Roberto never sees my aunt Connie or Vincent and most of all not see my father.

TOM BEESON

Mr. Corleone have you ever visited your great grandpa's house when you moved away from your parents house?

ANTHONY CORLEONE

No I haven't...

TOM BEESON

Has he ever asked you sir if he was curious at all about his grandpa or great aunt. And was there anything in the house or family that hinted any criminal interests from your son.

FIONA CORLEONE

No not really. I mean I know he didn't have much of a social life in high school, I don't think he even dated a girl at all. And when he graduated he just went to work as a garbage man and that was it. And we don't know if he saved up any money either.

KRISTEN MATTHEWS

Well Mrs. Corelone, I don't know if you son is a criminal or not or if he trying to be like his grandpa or his relatives or not. But there have been some attacks in New York City Recently and there was one attack around the Hudson River and also at the old compound where your grandpa used to live in.

TOM BEESON

We will let you guys know if we have more details.

KRISTEN MATTHEWS

Thank for your time.

Beeson and Matthews start going out of the house and heading to their cars.

CUT TO:

Beeson and Matthews in the car.

TOM BEESON

I think sadly this case is a lot more harder then we thought it was going to be.

KRISTEN MATTHEWS

Yeah and it was really hard to see him cry as well.

(MORE)

KRISTEN MATTHEWS (CONT'D)

And it really looks like has a lot of demons and there is a lot of hell in that family that we really wanted to avoid.

TOM BEESON

We have to go back and report to Crag right away. And we need to find out where their son is.

Beeson and Matthews drive off and they drive away.

Thanks for saving me. I owe you on sir.

VINCENT CORLEONE

Your welcome. Just come inside. We will have a drink.

CUT TO:

They walk into Vincent's house and Roberto notices a lot family pictures in the house and sees pictures of Vincent with Michael and Anthony and Marry and also pictures with Anthony.

VINCENT CORLEONE (CONT'D)

So what do you like kid. Scotch, beer, wine, whisky, I have it all. Yeah I'm glad I found ya in that building. And Yeah I haven't seen in rival families or gangs and gangsters in years. And I don't attack police. I prefer not to get the feds or the cops involved.

ROBERTO "ROBERT" CORLEONE

I wasn't running away from a gang or gangster or mafia family. I was running away from an empire and globalist corporation and trying to take over that company or make one better then that one.

VINCENT CORLEONE

Well that sounds a lot different then the dirty and gangster stuff I use to back in the day when I was younger in the 90's.

(MORE)

VINCENT CORLEONE (CONT'D)

And who are you kid? And what's your name? Who were those guys chasing you? And I can only help you if you give me answers kid.

ROBERTO "ROBERT" CORLEONE

Well my name is Roberto Corleone.

VINCENT CORLEONE

Wait your a Corleone. Okay, I'm going to need to see ID on that and make sure your not scamming because I know that's what people do this day and age.

ROBERTO "ROBERT" CORLEONE

Yeah I'll prove it to you.

Roberto hands Vincent his ID and Vincent takes a look at.

Vincent takes a look at it and turns back at Roberto.

VINCENT CORLEONE

Oh my god you really a Corleone. And...Your Anthony's boy...

ROBERTO "ROBERT" CORLEONE

Wait...you know my father...

VINCENT CORLEONE

Oh I know more then just your father kid...

ROBERTO "ROBERT" CORLEONE

So your my uncle?

VINCENT CORLEONE

I am. And also not only do I know your father Anthony but...back in the 70's and 80's I also worked for your grandpa Michael. And I also knew you aunt Mary and your grandma as well.

VINCENT CORLEONE (CONT'D)

I'll show you some pictures. Come kid.

FADE TO:

Vincent starts showing Roberto a lot of old photos of Michael and the rest of the Corelone family.

And Roberto just smiles and laughs at everything and there is no dialogue as they are talking.

FADE TO:

Roberto and Vincent sitting down.

VINCENT CORLEONE (CONT'D)

But yeah the last time I saw your grandpa was in 1979 after Mary was killed and from there everything got broken and your grandpa fled to Italy and was just broken by your aunt's death. And your father was crushed and devastated and really sad and Anthony stopped talking to me for a long time. And once your grandpa passed away, I tried maintain the empire of the Corelone. But sadly as time went on on and the goverment got smarter and smarter there was more laws and regulations it became harder and harder to maintain everything and more thugs that worked for international criminal organizations and police and the CIA and FBI and NSA were able to crack down on underground stuff. And within 2000's the mafia world in the US along with Corelone empire had become extincted like the dinosaurs. But yeah kid, there was terrorist organizations but the true gangster world hasn't been in the US for a long time. And family mafias are not around anymore as well. And as for me, I'm just a simple guy who defends himself but never forgetting where I came from. And It was the same thing your grandpa said all those years ago.

ROBERTO "ROBERT" CORLEONE

Well I'm really glad I finally got to meet you Uncle Vincent. And man those are some really sad stories.

VINCENT CORLEONE

And not only that, it was hard to find people who wanted to work for the Corelone family because your generation is not only really soft.

(MORE)

VINCENT CORLEONE (CONT'D)

But they don't know what it means to love your family and be loyal and don't know how to have honor and respect and most importantly don't know when to listen. And also what makes me sick is that more people in your generation rather work in the government making laws and restricting freedom than loving freedom. And they think they know everything when they really don't and are not humble what so ever. Something your grandpa preached to me like crazy when I was your age. Does your dad know that you have terrorist thugs after you?

ROBERTO "ROBERT" CORLEONE

Not really. None of them know.

VINCENT CORLEONE

Yeah you have to keep it that way kid. Because I know this life and this businesses is cruel and there is blood and killing. And I know knowing your father and how soft he is, he would be shocked if something happen to you.

ROBERTO "ROBERT" CORLEONE

Oh I know uncle. But I will get this family back to glory and have the Corleone name back to where it's suppose to be and just like what Grandpa had it. And I was wondering if you could help me. And also be an advisor to me.

VINCENT CORLEONE

Like a consignee? Yeah I will help you Bobby. And I will help you in anyway I can. And I will try to give you the best advice and tell you everything that I know.

All of a sudden Robert hugs Vincent really hard.

VINCENT CORLEONE (CONT'D)

I love you kid.

ROBERTO "ROBERT" CORLEONE

I love you too uncle Vincent.

CUT TO:

EXT. OUTSIDE OF COBRA GOLDEN - MORNING

CUT TO:

Lance is inside his office and he is really stressed out and has been drinking.

Lance is breathing really heavily.

Lance looks at more news articles. And Lance looks at his account and his account is the negative over - 7 billion dollars.

And Lance looks at another article about Harry getting killed.

Lance's cell phone starts ringing like crazy.

LANCE PLUMMER

Hello?

ROBERTO "ROBERT" CORLEONE

Hello Mr. Plummer...

LANCE PLUMMER

Who are you?!...What do you want?!...

ROBERTO "ROBERT" CORLEONE

Mr. Plummer this is Roberto Corleone, And if you haven't checked your bank info, I see you owe the banks at least 7 billion dollars. And I have been watching you Lance, And I even worked in your company and I know how you treat your employees really badly. And your higher ups beat up my friends as well. And I also stole everything from you and have broken you very badly.

LANCE PLUMMER

No, no, no this can't be happening!!!!!!...

ROBERTO "ROBERT" CORLEONE

Oh it has Lance. And it's just a matter of time before my family and my organization comes and takes over. Because I know how much of an arrogant and ignorant asshole and your big time douche bag as well.

(MORE)

ROBERTO "ROBERT" CORLEONE (CONT'D)

And you have a big time ego and how you are nothing but a spoiled little brat that needs to be put in his place.

LANCE PLUMMER

No. I will call the police and you will be arrested and I will take you down.

ROBERTO "ROBERT" CORLEONE

I really doubt that. And you are going to lose big time.

Roberto hangs up the phone.

CUT TO:

Roberto hanging up the phone.

FADE TO:

EXT. OUTSIDE OF COBRA GOLDEN WAREHOUSE - MORNING

Police officer and SWAT and FBI and CIA cars start coming to the crime scene. And everything is really destroyed.

Matthews and Craig and Beeson are investigating everything.

TOM BEESON

Well there is more destruction and we are still not close on who this killer really is.

DETECTIVE JUSTIN CRAIG

I think after last night, I think this guy is not just a killer, and he is doing more then just destroy this company, he wants to crush it in anyway he can.

KRISTEN MATTHEWS

Well I have looked in the other rooms and we haven't found anything on the killer.

DETECTIVE JUSTIN CRAIG

I'll check the main room.

Craig starts looking around in some of the rooms that are burned up.

Justin keeps on looking around and he sees Dentalson's dead body. And he some liquid DNA on the table and Justin gets a sample of it.

And he also finds more blood on the ground.

DETECTIVE JUSTIN CRAIG (CONT'D)

Ah guys I think I might have found something.

TOM BEESON

Alright I think we will be right up very soon.

Beeson and Matthews come right up. And they see some of the blood on the ground.

DETECTIVE JUSTIN CRAIG

I think if we can do a DNA test on this blood I think we can find out who the killer is.

CUT TO:

Craig and Matthews and Beeson leave the crime scene and they start driving the New York Police station. And they get out of the car and head inside.

CUT TO:

They get inside and they head inside a lab and start melting the blood and they also see the blood type and the numbers.

The machine inside the lab starts annualizing the blood.

And then a lot of papers of Robert start to show up along with his social security account and other video footage.

And then also see more papers on the computers and also online.

DETECTIVE JUSTIN CRAIG (CONT'D)

Guys, I think we know who the killer is and who has been behind the attacks on the golden cobra buildings. It's Roberto Corleone and also I think he wants to restart and reboot the Corleone family and make it a crime syndicate again.

TOM BEESON

But that can't be possible Justin, he was kidnapped and we also just saw the parents and the dad himself never wanted to be anything like his father.

DETECTIVE JUSTIN CRAIG

Well that's not really the case. And look at this according to reports. Robert was also in Italy and he inherited his grandpa's remaining wealth and transferred all that money into his account. And also he did work at Cobra Golden for a while but he also got into fights with his co workers.

KRISTEN MATTHEWS

But why would we work somewhere if he already the fuck you money?

DETECTIVE JUSTIN CRAIG

Because this is what the true Corleone family are. The family has always wanted power and dominance and they want to be more powerful then other world leader and even if Anthony didn't want to be like Vito or Michael, his son does want to be. And he will do anything to get there. And we need to strike at him while we can and arrest him before he retards the empire.

TOM BEESON

We have to tell every FBI and CIA agent everywhere and also every cop everywhere.

CUT TO:

INT. ROBERTO'S PEN HOUSE - AFTERNOON

Roberto and Vincent go into Robert's penhouse.

VINCENT CORLEONE

Oh man this place is huge and grand. Oh I have to hand it to you kid, your starting everything off on the right foot.

ROBERTO "ROBERT" CORLEONE
Thanks uncle Vincent.

VINCENT CORLEONE
So what now?

ROBERTO "ROBERT" CORLEONE
It's simple, we create an investment building that is bigger and much more grander than Golden Cobra and also steel their partners and anyone who tries to take us or the Corleone name down, they will get strike down. And with the money that I stoke from them, there is nothing Lance Plummer can do to stop us. And then from there, we take out his other partners.

CUT TO:

EXT. ON THE HIGHWAY - NIGHT

Vincent starts driving Roberto back to his apartment and they start going through all of the burroughs.

And Vincent parks the car.

VINCENT CORLEONE
Holy shit. Damn!!!! Wow you have done well kid. Your grandpa had an apartment just like this back in the day.

VINCENT CORLEONE (CONT'D)
But yeah I'll you call whenever I'm free to help you out so that way you don't have to do gang related missions by yourself.

ROBERTO "ROBERT" CORLEONE
Alright okay. Thanks Uncle Vincent.

VINCENT CORLEONE
Take care of yourself Robert.

Robert gets out of the car and Vincent drives off.

CUT TO:

EXT. AROUND THE OTHER BURROUGHS OF NEW YORK - MORNING

Roberto starts looking through his cell phone and he starts looking at random names and going to places like Harlem and Queens.

CUT TO:

ROBERTO "ROBERT" CORLEONE
Nice shoot.

DESHAUN TYSON
Ah thanks. Yo man what is a tan guy like you doing in a neighborhood like this. You could get shot little hommie.

ROBERTO "ROBERT" CORLEONE
Oh I know, But I was wondering if you wanted to be my body guard? And if you were looking for a job.

DESHAUN TYSON
Yeah I would love to work for you, I haven't found anything man. It's tough to find any work in this city.

ROBERTO "ROBERT" CORLEONE
Well if you work for me, you will be protected and I can use a big guy like you as well.

DESHAUN TYSON
Well I'm interesting. When we do we start boss?

ROBERTO "ROBERT" CORLEONE
Very soon.

FADE TO:

EXT. ANOTHER BURROUGH IN NEW YORK - AFTERNOON

Roberto looks around and he sees a big strong Hispanic looking guy playing soccer.

DIEGO LUCA
Hey you play soccer man?

ROBERTO "ROBERT" CORLEONE
I did actually. I was wondering if
you wanted to work for me?

DIEGO LUCA
Yeah sure, what kind of work are we
talking about?

ROBERTO "ROBERT" CORLEONE
Just a lot of everything. And you
will get to wear a suit and be one
of my enforcers.

DIEGO LUCA
I like the sounds of that man, not
only do I play soccer but I also
have a black belt in karate and
marshal arts. And I do boxing as
well.

ROBERTO "ROBERT" CORLEONE
Do you know how to use a gun?

DIEGO LUCA
Not but my dad would always tell me
stories of me using a gun. And We
did escape Cuba to come to this
country.

ROBERTO "ROBERT" CORLEONE
That's very similar to how my great
grandpa came here. But yeah you
work for me, you will be part of a
lot of good things.

DIEGO LUCA
I'm in man.

CUT TO:

INT. ROBERTO'S PEN HOUSE - NIGHT

Diego and Deshaun come into the elevator and they go into the
elevator and the elevator starts going up.

The elevator opens and Roberto and Tyler are waiting for
them.

ROBERTO "ROBERT" CORLEONE
I'm glad you guys are here. This is
my lawyer Tyler Maung.

TYLER MAUNG

It's a pleasure to meet you guys.

DESHAUN TYSON

So man I love your penhouse and everything but what is the first thing that we are doing?

ROBERTO "ROBERT" CORLEONE

I'm glad you asked. Gentlemen, I'm building an investment firm in New York and it will be platform a lot of companies and then we will also make companies of our own and sell everything. But it won't be easy. A lot of ghetto and shady people will want to kill you. And so you two will work as my enforcers and in return, you guys will get a good salary and other benefits as well.

DIEGO LUCA

Well there be any women.

ROBERTO "ROBERT" CORLEONE

Yes there will be along the way. But yeah working for me will be very dangerous and going on these missions will be dangerous but we will become something really huge.

DESHAUN TYSON

Well I have never left the hood before, So I got nothing to loose.

DIEGO LUCA

Yeah same here man.

Deshaun starts looking around the pen house and he sees a painting of Vito.

DESHAUN TYSON

Hey man who is this guy?...

ROBERTO "ROBERT" CORLEONE

That is my great grand father Vito Corleone. He also was a very special man. Along with my grandpa as well.

DIEGO LUCA

Yeah man I really love all of the jewelry and everything in this place.

ROBERTO "ROBERT" CORLEONE

So yeah the next mission we are going to do is we are going to blow up Lance Plummer's main building, and he is also working with people who are in line with communist Venezuelan government and also with China, what we do is we take out the building, and he loses cash flow. And also we want to capture Plummer as well. And you two will be charge of that.

DESHAUN TYSON

Good, I have heard a lot of bad things about cocky and arrogant mother fucker.

DIEGO LUCA

And also my sister use to work in that company and people there were awful towards her.

ROBERTO "ROBERT" CORLEONE

Well guys, it's time to finally take down Plummer and his other partners.

FADE TO:

INT. UNDERGROUND BASE IN NEW YORK - NIGHT

Plummer gets to the base in a limo and he starts walking into the base.

And Plummer walks in.

VENEZUELAN GANGSTER 1

Good evening Mr. Plummer, 2 warehouses in a row and no money.

LANCE PLUMMER

I know. But I can explain, there is this Italian guy that knows everything our operations. And he wants to kill all of us.

VENEZUELAN GANGSTER 1

Why should we believe you. You have not kept our agreement Lance.

CUT TO:

Roberto, Deshaun, and Diego are in a dodge charger and they sneak out of the van with black clothing on.

ROBERTO "ROBERT" CORLEONE
 Alright guys, I don't have a lot of
 a game plan but just ambush
 everyone and then I'll meet up.

DESHAUN TYSON
 Sounds good enough for me.

DIEGO LUCA
 I'm just glad I can take out people
 who are responsible for destroying
 my country.

ROBERTO "ROBERT" CORLEONE
 Well tonight is your lucky night.
 Lets go.

They all of a sudden start sneaking into the building.

And they get into separate paths.

CUT TO:

Roberto keeps on sneaking around and he pulls out a riffle gun.

Roberto starts dialing his cell phone. And he starts talking into it.

ROBERTO "ROBERT" CORLEONE (CONT'D)
 Uncle I'm inside.

VINCENT CORLEONE
 Good, I'll meet you in there very
 soon.

ROBERTO "ROBERT" CORLEONE
 Copy that.

Roberto gets inside the building and he sneaks behind a couple of henchmen and tackles them from behind and kills them.

Roberto changes out of his clothes and wears a suit and tie. And he ends up stealing the key card.

Lance is in the room and he notices all of the money is being shut down.

LANCE PLUMMER

 me. And what are you doing with
 him?!.....

 he set up everything very well.

ANTHONY CORLEONE

I can't be part of this Vincent. I just can't. This whole thing is like the devil cursing me.

VINCENT CORLEONE
