NERDY GUY

Man this place is huge.

ZACH MORRIS

It's not that big...

NERDY GUY

What the hell. Who are you?

ZACH MORRIS

Kid, I'm just someone you really need to hangout with. Life is a big adventure and there is more life then just school.

NERDY GUY

But I don't know have money and my parents won't let me do anything.

ZACH MORRIS

Fuck your parents!!!....Come one lets get out of here.

NERDY GUY

What's your name by the way?

ZACH MORRIS

My full name is Zachary...But you can call me...Zach

Zach and nerd walk out of the school and go into Zach's car.

Zach puts on shades and starts up his car and he rides out of school.

Zach starts driving all over Malibu beach and Zach is looking at a lot of beautiful women in bikinis. Zach starts driving around downtown Los Angeles and drives around Staples Center.

Zach and the kid go into a lot of malls they see a lot of stores.

Zach starts walking really smooth and he starts dancing in the mall. The Nerd start looking at him with a werid look on his face.

Zach all of a sudden grabs another very beautiful girl and starts dancing with the girl. The girl leaves and Zach slaps her ass and Zach keeps on dancing and walking.

Zach all of a sudden goes into a forver 21 store and starts looking at really cool clothes.

Zach sees another really beautiful girl and he starts taking a lot of pictures of her using her iPhone.

Zach walks out of the store and he keeps on dancing and walking all of over the store.

Zach goes into more stores does the same thing and he flirts with a lot of girls.

Zach smoths and he stands on top of the elevator and he hangs on the bell and the bell rings.

Zach does a backflip and he lands on the ground and he countines to dance for the whole sequence. More girls are joining him

Zach keeps on walking and he high fives a buissnessman in his early 40's.

THE BUISSNESSMAN

You got style kid. Keep it up.

Zach does more dance moves and shakes his head and ends the dance pointing at the screen.

MAXWELL NERDSTROM
Can you take me home??...

ZACH MORRIS
What you didn't enjoy my dance I had a moment ago.

MAXWELL NERDSTROM
Dude, you were making a fool out of yourself and dancing like Austin Powers. I would be so embarrassed if I were you.

ZACH MORRIS
You have to think positive Maxwell. Sometimes in order to get a girlfriend or anything. You have to act like a fool and girls love a funny guy.

MAXWELL NERDSTROM
Well I think you might have a problem. Dude, do you do drugs??

ZACH MORRIS
A little bit, I take 2 pills of viagra one in the morning, then 2 in the afternoon. And trust me, they post your testosterone like a fucking horse.

Zach all of a sudden makes horse noises in front of Maxwell.

MAXWELL NERDSTROM
Dude please stop that.

Zach keeps doing it.

MAXWELL NERDSTROM (CONT'D)
Dude your not a horse please stop!!!

Zach sees a really hot girl go into a restaurant.

ZACH MORRIS
Oh I wonder who that girl is...I'm going to meet her.

MAXWELL NERDSTROM
Dude she is not interested in you.

Zach makes another horse and he starts walking in there.

MAXWELL NERDSTROM (CONT'D)
Zach, get the fuck back here!!! Oh
god this is going to be a long
school year.

CUT TO:

INT. BAYSIDE GYM - AFTERNOON

Oh the fuck should I know. He is
probley in Los Angeles.

LISA TURTLE
Oh Jesus Christ what the fuck he
is doing there?!

SAMUEL "SCREECH" POWERS
I don't know, last time I was
there with him he spent a lot of
time at the pool there and he went
into women's locker room 15 times.

CUT TO:

Zach gets out of the pool and without thinking he goes into
the women's locker room.

Zach starts kissing the girl from head to toe.

SAMUEL "SCREECH" POWERS

I have told him that many times he never listens to me.

LISA TURTLE

Remember the time he trashed my house.

CUT TO:

All of a sudden, Zach starts chasing another beautiful girl around the house butt naked.

ZACH MORRIS

(shouting in excitement)

YAHOOOOOOOOOOO!!!!!!!!!!

LISA TURTLE
Well god it's like our sophomore
year and Zach still hasn't
changed. I'm very worried about
him.

SAMUEL "SCREECH" POWERS
I'm worried about him too. But
Lisa, I just have other things to
worry about. Zach is his own man.

Kelly, Jessie and Slater show up.

A.C. SLATER
What are you guys talking about?

LISA TURTLE
We are just talking about how Zach
is not here.

JESSIE SPANO
How does that not surprise. That
boy is just going to get himself
into a lot of trouble. Also
everything he does is not
politcally correct. I wonder what
his damn parents think?

A.C. SLATER
His parents don't know Jessie.

JESSIE SPANO
That actaully makes a lot of sense.

KELLY KAPOWSKI
Okay you guys, look Zach is not perfect but we have to remember how he got this way and how Karen and Tori broke up with him. And guys, we don't have much time with Zach and we should at least enjoy the time with him.

SAMUEL "SCREECH" POWERS
Yeah I guess your right Kelly.

Zach walks into the gym and the cheerleaders are going crazy for him.

RICHARD BELDING
(speech)
Alright now here is your class president. Zach Morris.

Zach walks up to the stage.

Bleding turns to Zach.

RICHARD BELDING (CONT'D)

Also as your class president, I will make sure that every person here is welcomed both school wise and outside of school. But also my fellow classmates, You should all be blessed that you are all wonderful and beautiful people.

All of a sudden, the cheerleaders blow kisses to Zach and wink at him.

ZACH MORRIS (CONT'D)
(speech)
Also, lets keep going on what we have done as a class and lets make this year be better and lets embrace our true talents both inner and external. Always use the most of it as much as possible.

KELLY KAPOWSKI

LISA TURTLE

Not true, Since when do we have a good school year?

JESSIE SPANO

Yeah everytime we do something we always get into trouble because of you Zach.

ZACH MORRIS

But that's what we do. Bayside is just has a lot of dumb rules. I can't control that.

SAMUEL "SCREECH" POWERS

Don't you think your behavior is a little out of control sometimes.

ZACH MORRIS

Dude you have to think positive even during really embarrassing moments. I see those moments as fun moments and life moments.

A.C. SLATER

Well I don't know everytime we do something it's never boring with you around.

ZACH MORRIS

Thank you Slater.

SAMUEL "SCREECH" POWERS

CARRIE BLISS

RICHARD BELDING
I'm not sure about that. I'm sure
he was in the mall again. I don't
trust these kids.

CARRIE BLISS
Well okay there was some things in
there that didn't make any sense
but at least he tried Richard.

RICHARD BELDING
Well I don't know we should keep
an eye on him.

CARRIE BLISS

Craig comes and sees Zach and Stacy.

CRAIG STRAND

Stacy is there a problem here?..

STACY CAROSI

CARRIE BLISS

Zach, look I know Karen and Tori not liking you has really took a toll on you. But I think this behavior has really got out of hand and you need to shape up. You have to think about people that like you not people that think they like you.

SAMUEL "SCREECH" POWERS

INT. A RICH HOUSE IN LA - AFTERNOON

ZACH MORRIS

Hey let me go!!!! What else do you want from me?!...

Maxwell's friends throw Zach into a room and they tie him up back to back.

ZACH MORRIS (CONT'D)

Mr. Belding!!!!

RICHARD BELDING

Oh great it's you. The last person I would want to see. Well you know what you happy now? Our school is destroyed because of you. And I'm about to get fired as princepal.

ZACH MORRIS

Mr. Belding please listen to me. I didn't do any of that stuff that Maxwell said.

RICHARD BELDING

I don't know if I believe you Zach because you always mess around at school with your friends and don't respect authority that much.

ZACH MORRIS

Mr. Belding just hear me out.

RICHARD BELDING

Why the fuck should I Zach Morris?!

ZACH MORRIS

Because princepal Belding. I think you made a good choice in expelling me and you are right I'm not a good student and I am not a good person. And I'm sorry for destroying your school sir. You know I sometimes wish that Karen didn't date me because if I didn't, I would be much better off. And to this day...

Zach starts crying and tears come out his eyes.

ZACH MORRIS (CONT'D)

(crying)

The only reason I do the things that I do is because my parents are always gone and I have got with girls is because nobody takes me seriously in this world. And also Mr. Belding, I have always looked up to you in a lot of ways. And also Belding I will tell you the truth, I do the opposite of those things now. I have a girlfriend that truly loves me for who I am, I have the best friends in the world, And even though I'm expelled from your school. I got a job working as an Uber driver because I want to be like you sir. And the reason I do all those things is because I just got over Karen or Tori and I thought doing stuff outside of school would help But sadly...it has not...

Zach continues to cry.

RICHARD BELDING

....Wow this is very powerful stuff Zach. Zach I'm impressed I knew you thought of me that way. You know I have truly mis-judged you Zach. So Slater, Jessie, Screech, Lisa and Kelly were telling me the truth all this time.

ZACH MORRIS

But it doesn't matter. You are right about me Mr. Belding and I'm no good to anybody.

RICHARD BELDING

Zach, That's not true. I know for a fact your friends and family love you.

ZACH MORRIS

God I don't even know where my friends are at this point. They are all gone and I'm here about to face getting beaten up.

RICHARD BELDING

Well Zach, I think I'm proud of you for telling me the truth and your not as bad as I thought you were. Zach, as princepal...You can come back to Bayside High!!!!

The door opens and Maxwell comes in.

MAXWELL NERDSTROM

Not under my watch you are not!!!

ZACH MORRIS

Why are are you doing this Max??

MAXWELL NERDSTROM

Because I fucking hate you and your friends and your crazy parties and that you fucking treat people like me like spit!!!! And how you fucking let that pathic Screech take my girl away. And I'm going to blame Belding's kidnapping all on you!!!

ZACH MORRIS

That is really terrible. You shouldn't do this!!!

MAXWELL NERDSTROM

Oh says the guy that parties a lot and has sex with women. I want to get flith like you out of my school and have you be damaned for life.

ZACH MORRIS

What about the time I took you to the mall?

MAXWELL NERDSTROM

I was joining you to find out who you are Zach and what you are like. And also exspell all your friends as well.

ZACH MORRIS

You know what, you are a worthless and classless human being...

MAXWELL NERDSTROM

my school and I'm the class
president and I want my school

yourself for trouble Morris

All of a sudden the light go off.

SAMUEL "SCREECH" POWERS (CONT'D)

(on the tape)

Stop everyone!!!! Zach Morris is not the guy you think he is!!! Yeah he does a lot of crazy things and some things that he is not proud of but come one. I have known Zach Moriss through out my whole life. And Zach is a etremely good guy and he even though he is a party animanl at times and he thinks about girls 24/7 Zach is a very considerate person and always takes time for you and he tries to understand you and what you are like and he really tries to connect with you. Zach loves to have fun but he knows when to leave stuff behind and get on his with school work. Also, Zach wasn't always a play boy and he was with karen and Karen dumped because he wasn't smart enough. Well today, Zach is the most smartest person that I know and he didn't do the stuff he does because he loved but because nobody took him seriously or cared him. Well today, Me and other friends of us care about him deeply.

It goes to Jessie's part in the video.

JESSIE SPANO

(on the tape)

Zach can sometimes be really silly and he yes he does check out women a lot...what guy doesn't. Every time I saw Zach, He talked to girls but he would always try to under-stand girls and he loved girls a lot to understand them. I remember one time when I was with Zach, He always gave me really great coments and told me how beaufitful I was when I came to school. And I think Zach would not just a great class president but a U.S. President as well.

The video goes to Slater.

A.C. SLATER

(on the tape)

You know the thing about preppy is that he is prep like but deep down. Zach always did the right thing even when sometimes it did cost him social points. Zach not only is a great class president but he is a great friend and someone that you enjoy not only being around, but also he is a great guy and when he is out of line, I always guide him no matter what.

The video goes to Lisa.

LISA TURTLE

(on the tape)

The first time I met Zach, He really made me feel right at home. And just because I was in an inner city kid, It didn't matter to Zach Morris. He always hung out with me. And Zach always made me feel very special inside. Even though I'm single, Zach always treated me right like If I was a member of his family.

The video finally goes to Kelly.

KELLY KAPOWSKI

(on the tape)

Zach, as your girlfriend not only are you very cute and handsome, You also a great young man that many girls like. Zach, I know sometimes you wanted to protect me from all the crazy stuff that you do, But Zach, you are my crazy guy and I will always love you no matter what!!!

All of a sudden the video ends and everybody in the assembly starts going crazy.

Zach goes up to the stage and he hears people chanting his name.

Everybody starts quieting down.

ZACH MORRIS

Wow...This is really great thank you everyone. Thank you so much....You know Thank you letting me come back as your school president. Because I have realized how I took everything granted including my own friends and the teachers here. You know, yesterday...I was driving around a couple of differnet places and I think sometimes we think the world is a really huge and scary. But you know, sometimes it's not and as long you countine to work hard and know what you want. And Yes Maxwell Nerdstrom in his video was a little right, I did do some of those things I will not surgar code it one bite. But you know, I can change for you guys and that's what's great about high school is that you might be someone else in high school but you can be somebody really different. Also, I hope to be a better student to my teachers. And I promise all of you. I will change and I want to say thank you for letting me come back. Thank you god bless Bayside High.

All of a sudden everybody in the assembly is going crazy. And Zach walks out of the gym.
