The Old Paramount logo from the 1980's to 2000's begins and starts.

And the stars come out and spin around the mountain but there is a glitch and you hear a lot of sounds from the 2000's and a lot of 2000's colors blinking and the stars changing colors. And a random George W Bush speech.

And as the logo appears, there is a lot of 2000's images showing up in the background and TV scratching sounds.

And there is also other 2000's elements playing in the background and then a Barrack Obama speech and more news events and sports events.

CUT TO:

The Apatow Productions logo begins and there is a lot of 2000's colors and 2000's pop culture in the background and a lot of TV shows from the 2000's and their intros play in the background and more noise.

FADE TO:

The Gary Sanchez intro plays but more 2000's elements plays in the background and more events from the 2000's plays in the background. And the TV stuff keeps on scratching and scratching and as the studio logo ends, the TV just completely shuts off.

FADE TO:

BLANK SCREEN

THE NARATOR (V.O.)

.....oh I never in my wildest dreams we would ever meet again especially now we have entered into a century where now women dominate the culture. And TV has become more and more wilder and sports teams are starting to be worth a lot of money to the point where we see massive stadiums and more massive buildings in our city and in our country.

(MORE)

THE NARATOR (V.O.) (CONT'D)

And the news itself has very very very radically changed since the days of the 1970's and 1980's.....if you thought there was already too much news and too much wild and crazy and too much sex and too much naked women and....well wildness and raunchiness in general...There are still some things in our life that still remain the same. And it does not matter if we are now in the year 2001 or hell, god damn even in the future like in the year 4099....you get the point...we will always have an Anchorman...not just in news...but in our culture and in this place we call....America!!!!!!.....

All of a sudden the TV turns on again and more images and sounds of the 2000's keeps on playing and then starts going really fast and the TV turns off again with a turning off sound with a very long pause.

And all of a sudden with a huge boom the Anchorman theme/Grazing in the grass starts playing like crazy.

And the letters start forming the title but this time with a lot of 2000's fonts and 2000's colors and the title "Anchorman 3: The Rise of Walter Burgundy"

FADE TO:

The main title begins with all of Ron and Veroncia's photos of them spending time with Walter over the years starting with 80's and into the 90's.

And they take him to a lot of major US events in American History.

And also some crazy and some raunchy stuff that happens to Ron either getting attacked by something or doing something really stupid.

And also in the title sequence shows Ron being there for Walter for every single in his life.

And there is also some photos of Walter with Veronica and Gary.

And also shows some photos of Walter doing his homework and other projects and doing some music and playing the piano.

More photos of Walter in high school doing a lot of crazy stuff and drinking and stealing cars.

More photos of Walter drinking and partying in the 90's as a teenager and having a lot of animals.

More photos of Walter having some Mexican food and Chinese food with friends.

More photos show up as Walter goes to his prom with his buddies and causing more trouble and doing dancing.

More photos show up in the title sequence and more of the credits keep on happening as Walter goes to see every major movie in theaters from the 80's and 90's and going sky diving with his parents. And going to theme parks and riding on roller coaster with his dad.

More photos of Ron and Veronica taking Ron on a lot of international trips and having a good time.

And title sequence ends with Walter getting ready for his graduation from the University of San Diego. And credits sequence ends.

CUT TO:

RON BURGUNDY

My son is graduating Brick and it's a very happy moment. I mean he now has 2 degrees from the beautiful college and majesty of San Diego.

BRIAN FANTANA

Ron I think it's just called the University of San Diego.

RON BURGUNDY

For some reason I like to say majesty of San Diego just because.

CUT TO:

The head master is on the stage.

HEAD MASTER OF THE U OF SAN DIEGO

Thank you everyone for being here and we want to be behind the class of 1999. And we are proud of all these young men and young women.

(MORE)

 something that maybe their entire
 family has not done in their family
 history and we don't know what the
 2000's will bring but I am very
 happy about this class. And let the
 commencement begin.

CUT TO:

Ron and everyone sitting down.

RON BURGUNDY
 I don't know but I think guy has
 not touched a women in his entire
 life or had sex.

CHAMP KIND
 I also noticed that in his voice he
 does not eat any meat which could
 mean no masculinity what so ever.

CUT TO:

 fall a sleep.

Walter tries to stay up and Walter has a lot of drinks in his
 pocket that he is hiding.

The ceremony keeps on going and Walter finally gets up on his

The ceremony music keeps on playing and Walter is really
 drunk.

CUT TO:

Ron and Veronica sitting down.

VERONICA CORINGSTONE BURGUNDY
 Oh there he is Ron!!!!

Ron sees Walter walking.

RON BURGUNDY
 Walter!!!!!!...Good job son...You
 are our little warrior!!!! And I'm
 glad you didn't go to that one
 country.

Walter keeps on walking and he gets closer and closer to
 getting his degree.

HEAD MASTER OF THE U OF SAN DIEGO
 Walter Donald Burgundy with both
 his undergraduate and law
 degree!!!!!!....

CUT TO:

Ron and Veronica and everybody is going nuts and whistling.

CUT TO:

Walter finally gets his degree but all of a sudden turns around and he starts making out with a female staff member. And everyone gets shocked and out raged.

WALTER BURGUNDY
 Oh yeah I'm going to score and get some pussy tonight. Why don't we go to a nude beach tonight what do you say baby girl?...

FEMALE U OF SAN DIEGO MEMBER
 Get the fuck off of me!!!! You are a bad man Walter!!!!

WALTER BURGUNDY
 Oh I know that I am...and now it's time for me to go to hell!!!!!!....

Walter begins to start laughing and cracking up and Walter ends up picking up the girl and Walter runs off and runs out of the ceremony and grabs his degree.

And everyone starts to see what is happening and going crazy and wild.

And Walter starts running out with the girl in his hands.

FEMALE U OF SAN DIEGO MEMBER
 No, no, no you put me down right now, I don't like you!!!!!!....

HEAD MASTER OF THE U OF SAN DIEGO
 Hey somebody stop that fucking piece of shit!!!!!!....

All of a sudden the song "headsprung by LL cool J" plays in the background.

And Walter starts running to his car with the girl in his hand. Walter puts the girl in his car.

FEMALE U OF SAN DIEGO MEMBER
 Let me go right now.

Walter shuts the door really shut.

WALTER BURGUNDY

Make yourself really comfortable
because very soon our clothes will
be off and we will have a lot of
fun darling.

Walter goes in the car and Walter starts the car and Walter goes off really fast and Walter starts speeding in downtown San Diego.

Walter keeps on driving really fast and the cops are chasing him like crazy.

SAN DIEGO POLICE OFFICER 1

Pull over to the curve right now.

Walter starts laughing and cracking up and Walter starts driving like a crazy person.

WALTER BURGUNDY

Yeah I don't believe the police is
going to be saving you tonight or
tomorrow because I knew you have
access to Chargers season tickets.
And you are going to hand them to
me.

FEMALE U OF SAN DIEGO MEMBER

I will not do any of the sort.

WALTER BURGUNDY

Well woman I can do this all night,
and I can strip off your clothes
right now and throw in the ocean or
you can stop making lies about dad
and take me to Dean Spanos right
now.

FEMALE U OF SAN DIEGO MEMBER

You wouldn't!!!!

WALTER BURGUNDY

Oh I would baby girl and I haven't
gotten over how much of a slut and
whore that you currently are and
how you cheated on me like 9 times
and this will be my personal
revenge on you as well. So what's
it going to be?!....

Walter keeps on driving really fast and speeding and more cops are chasing him.

FEMALE U OF SAN DIEGO MEMBER
 Alright okay, okay, okay, I will
 help you.

Walter stops the car and does a drift spin move with the car
 as more cops are chasing him like crazy.

Walter ends up crashing the car and looks at the girl with a
 crazy look on his face.

CUT TO:

INT. INSIDE THE OWNER'S BOX AT THE SAN DIEGO STADIUM - NIGHT

Walter and the women go into the owner's box.

FEMALE U OF SAN DIEGO MEMBER
 Let go of me right now you piece of
 shit!!!!....

WALTER BURGUNDY
 First the season tickets and then
 I'll let you go.

WALTER BURGUNDY (CONT'D)
 Are you sure that he's here?

FEMALE U OF SAN DIEGO MEMBER
 Of course he's here.

FEMALE U OF SAN DIEGO MEMBER (CONT'D)
 Dean he's here.

All of a sudden, a man in his 50's or so shows up.

DEAN SPANOS
 What the mother fucking hell is
 going on?!...How the hell did you
 get into my press box.

WALTER BURGUNDY
 It's because I stole one your
 girlfriends Dean!!!! And also I
 just graduated from the University
 of San Diego shit-head!!!!!! And
 also I will make this simple for
 you, you will let my dad come to
 games or this girl goes into the
 ocean. And I will fucking do it.

DEAN SPANOS
 Okay, okay, this is just fucking
 stupid!!!!

(MORE)

DEAN SPANOS (CONT'D)

Walter, I am never letting you or your father come to my games anymore because he has said a lot of uncalled for things about me and on how I run the Chargers. And we went to the super bowl back in 1994.

WALTER BURGUNDY

Yeah and you guys barely fucking got there and you have run this team into the gutter and running it like a fucking clown shoe. And the least you can do respect my father since he's been more successful then you will ever be!!!!!!

DEAN SPANOS

Oh okay now that's it!!!!, you see fans like you are the reason why this town sucks and I will move the team to Los Angeles at some point in your life time. And because you said that and because I have never liked you Burgundys. I have no choice but to kick your ass college boy!!!!!!!!!!!!.....

WALTER BURGUNDY

Oh bring it on!!! I'm not scarred of you one bite!!!!!!.....

DEAN SPANOS

Well you should be because you and your family and your father do not belong in San Diego!!!!!!!!!!!!.....

Walter all of a sudden get really mad and really angry and he starts to steam really bad.

WALTER BURGUNDY

(angry voice)

Alright that's it!!!!!!

All of a sudden Walter starts yelling in rage and Walter just tackles Dean Spanos and starts punching and kicking him like crazy.

Dean throws a lot of punches and kicks at Walter and Walter dodges the attacks and Dean punches him and Dean starts throwing a lot of alcohol glass bottles at Walter and Walter gets hit really hit and falls to the ground.

Walter gets up and Dean throws more punches and kicks at him and Walter picks up a chair to defend himself and Walter ends up whacking Spanos in the head 7 times with a chair.

Walter starts acting crazy and mocking and making fun of Spanos.

DEAN SPANOS
(angry voice)
I'M GOING TO FUCKING KILL YOU!!!!
YOU PIECE OF SHIT!!!!!!

Dean gets more angry and mad and yells and throws more punches and kicks at Walter and Walter gets hit a little bit but Walter does a karate noise and kicks Spanos in the face and throws a couple of punches at him and Walter kicks Spanos in the balls.

Dean tries to run away but Walter tackles him to the ground and the fighting keeps on going with them throwing a lot of punches and kicks and objects each other.

Walter gets the better of Spanos and bull rushes him against the wall and pushes him against the wall.

WALTER BURGUNDY
(angry voice & yelling)
HOW DARE YOU NOT GIVE ANY TICKETS
TO MY PARENTS YOU STUPID MOTHER
FUCKER!!!!!!!!!! YOU ARE THE WORST
OWNER IN THE NFL!!!!!!!!

Dean gets really mad and really angry and tries to tackle and come at Walter. And Walter just whacks Dean in the face and slams him to the ground.

And Spanos gets knocked out.

WALTER BURGUNDY (CONT'D)
Yeah!!! Yeah!!!! Yeah!!!!...Fuck
you Spanos!!!!!!!!....

All of a sudden the cops come and Walter gets tazed really badly and Walter gets electrocuted.

SAN DIEGO POLICE OFFICER 1
Walter Burgundy you are under-
arrest!!!!!!!!!! Lets go!!!!!!...

Walter just starts cracking up and laughing as he is being taken away. And Walter gives Dean Spanos the fiddle finger.

WALTER BURGUNDY
 You are nothing but trash
 Spanos!!!!!!...

CUT TO:

INT. SAN DIEGO JAIL - MORNING

Walter is in jail and sitting down. His door opens.

SAN DIEGO POLICE OFFICER 1
 Alright, Alright, your bail has
 been paid.

Walter gets out and he sees Ron and Veronica.

WALTER BURGUNDY
 Hello mother....

VERONICA CORINGSTONE BURGUNDY
 Walter I'm very disappointed in
 you. Stealing a car, kidnapping a
 female staff member, breaking into
 the San Diego Chargers owners box.
 You are in big trouble
 buster!!!!!!!!!!....

WALTER BURGUNDY
 Oh come on mom, I had to do those
 things because Dean Spanos is the
 worst owner in the NFL and worst of
 all he doesn't treat dad very well.
 And also what he did to dad was
 wrong. I swear this state is
 getting really bad.

RON BURGUNDY
 I can't believe you did all those
 things and you beat up Dean Spanos.
 I have been critical of that guy
 since he owned the team. He also
 got mad because I would report on
 all his stuff banned me from his
 stadium. He is very hypocritical
 douche bag!!!!!! And the stadium
 needs upgrades as well. And I did
 make out with rich ladies in the
 box a couple of times as his
 parties as well.

VERONICA CORINGSTONE BURGUNDY
 Ron!!!!!! Don't encourage him!!!!!!
 This whole thing is awful!!!!!!!!!!....

RON BURGUNDY

Alright, alright...okay Walter...we need to talk about your actions once we get home...

WALTER BURGUNDY

Dad come on!!!!!! You use to do stuff like this all the time.

RON BURGUNDY

I know son. But...I'm retired...and yeah...we will talk later.

CUT TO:

Ron, Veronica, and Walter go in the car and they start driving home.

CUT TO:

They get back to the house and Walter gets in the house and lays on the couch.

VERONICA CORINGSTONE BURGUNDY

Walter!!!!!!!!!! Off the couch.

WALTER BURGUNDY

Oh god why?!...I was just laying down.

VERONICA CORINGSTONE BURGUNDY

Walter....I know your father loves that you are crazy just like he is. But I will not tolerate your behavior and you acting like a teenager any longer, your father and I bailed out of jail 40 times while going to USD and it's getting too much to handle!!!!!!!!!! And not only you have spent money on fast food and hookers and strip clubs and nude resorts and I have had enough of your bull-shit!!!!!!!!!!.....

WALTER BURGUNDY

Mom don't get mad mom, your just focusing on the bad things, I do good things too, like I wrote a musical piece and then went on a mission trip to Africa. And then I also worked at San Diego zoo.

(MORE)

WALTER BURGUNDY (CONT'D)

I mean yes I have caused some trouble here and there but I do a lot of good too.

RON BURGUNDY

There you go!!!!!! I love that, did you kill an elephant son while you were down there? And also are the women down there topless? And also, did do any African dancing down there?

WALTER BURGUNDY

Yes I did dad and it was really fun.

VERONICA CORINGSTONE BURGUNDY

Ron!!!!!!

RON BURGUNDY

I'm just asking him question honey.

VERONICA CORINGSTONE BURGUNDY

Well your questions are not helping.

RON BURGUNDY

I know but he's got a point Veronica, and also he does bad things too but a lot of good as well. Also he did try to get us Chargers season tickets as well.

WALTER BURGUNDY

See there you go dad.

VERONICA CORINGSTONE BURGUNDY

Walter!!!!!!...I can't do this anymore...If you can't live in this house anymore, I have no choice but to kick you our and put you on the streets Walter.

WALTER BURGUNDY

Mom come on. Please don't do that. I love you guys....

VERONICA CORINGSTONE BURGUNDY

Don't give me that puppy dog speech bull shit anymore. Your fucking done!!!!!! Pack your things and get out!!!!!!...

WALTER BURGUNDY
 Mom don't do this!!!!!! Dad!!!!?....

RON BURGUNDY
 I'm sorry little man, but...I think it's time for you to be set free, and don't feel bad Walter, think of it like Dobby in the ocean, how we took care him and then he got big and then when he was a big shark, we had to let him go and we are doing that for you.

WALTER BURGUNDY
 But I don't want to leave and move out dad. Everything for me is here.

RON BURGUNDY
 I'm sorry Walter this is for your own good. And you will thank us later.

CUT TO:

INT. WALTER'S BEDROOM - NIGHT

Walter starts packing up his things and he starts looking at the photos of the memories he has with his parents and flash backing.

Walter sees another photo of him with his parents back at his piano re sidle.

And Walter looks at his photos of his friends in college. And Walter does a sigh sound.

FADE TO:

EXT. OUTSIDE THE BURGNDY HOUSE - AFTERNOON

Walter starts loading his truck and loading up his bags.

And Walter starts loading up more things and he gets done.

Ron and Veronica walk outside.

RON BURGUNDY
 Need help with anything?

WALTER BURGUNDY
 No I think I got it dad.

WALTER BURGUNDY (CONT'D)

Dad I'm really sorry that I have been a huge screw up with you guys, I know you wanted more for me, but I guess last night I let you guys down.

RON BURGUNDY

Well Walter, I know you will find your way out there, I know you will. Remember son, you have hair on balls and you are masculine like me, don't let anybody push you around and don't be a pussy and don't take shit from anybody.

WALTER BURGUNDY

Oh don't worry dad I won't. I learned from the best and learned from you.

RON BURGUNDY

I know you did pal. And I didn't want to kick you out. But you know your mother, she has a strong personality and she has a roar like lion and you don't want to get on her bad side, because she has a very hard and very mean bite. Even she was with Gary she could throw a punch and kick and use one of those metal TV sticks.

WALTER BURGUNDY

Oh I think I get what you mean.

WALTER BURGUNDY (CONT'D)

One question before I leave...Do you miss reporting the news dad?

RON BURGUNDY

Oh I fucking miss it everyday Walter, and I know for better or for worst San Diego is changing and I'm a dinosaur and I just don't got it anymore and being an anchorman is a youngman's game. It's something I remember Mack Tannan said to me when your mother and I were working for him. And then my come back as well.

(MORE)

RON BURGUNDY (CONT'D)

But...I'm old now son, and one day...the news will be fun again and whoever leads the 2000's and 21st Century will do a good job. And the news is changing. And you can only teach an old dog new tricks for so long.

WALTER BURGUNDY

Oh yeah for sure dad.

RON BURGUNDY

But that's wishful thinking though, you will find your own path son. I know you will. And don't listen your mother, I'm proud of you son. Even if you cause trouble and never stop causing trouble...I know I sure as hell never stopped back in my day.

WALTER BURGUNDY

Yeah. I'm really going to miss you dad. But I know mom is really mad and it's what mom wants.

RON BURGUNDY

I know Walter.

VERONICA CORINGSTONE BURGUNDY

Well you better get going and good luck with everything. And once you shape up, that's when you can come back.

WALTER BURGUNDY

I'll try mom. Well I better get going.

Walter hugs Veronica.

WALTER BURGUNDY (CONT'D)

Bye mom.

VERONICA CORINGSTONE BURGUNDY

Bye sweet-heart. Now just find a job. Any job and stick with it.

WALTER BURGUNDY

I'll try.

Walter hugs Ron really hard.

WALTER BURGUNDY (CONT'D)

Bye dad.

RON BURGUNDY

Good bye Walter, call me if you need anything at all.

WALTER BURGUNDY

I will dad.

Walter gets in the car and Walter begins to drive off and drive away from the Burgundy household.

RON BURGUNDY

You think it was the right thing to kick him out?

VERONICA CORINGSTONE BURGUNDY

I think it was Ron, it's for us his own good.

RON BURGUNDY

What if he gets in trouble?

VERONICA CORINGSTONE BURGUNDY

Well...it won't be our problem, he has to learn from responsibility...We can't baby him anymore.

CUT TO:

Walter is driving on the road and he starts listening to 90's music. And also listening to the radio.

WALTER BURGUNDY

Geez, how do people read these maps. I can't read this worth a shit!!!!!!....

Walter keeps on driving and he finds a motel somewhere by the water and parks his car and checks in.

Walter gets out of the car and looks at the motel. And Walter checks his check box.

WALTER BURGUNDY (CONT'D)

Oh fucker!!!! I only have 900\$ in the bank, mom must have took my 70K away!!!! Oh geez this adulting stuff is going to suck big time.

Walter goes into the motel.

MOTEL LADY

Welcome to Mermaid hotel can I help you?

WALTER BURGUNDY

Yeah how much is room for one night?

MOTEL LADY

It's only 40\$...Your not a porn star are you?

WALTER BURGUNDY

No!!!! God no!!!!!! Why?!.....

MOTEL LADY

Because a lot of trashy people including them stay here. And if you do something stupid, I call cops!!!!!!!!!!!!.....

WALTER BURGUNDY

Alright fine...Geez...fair enough.

Walter grabs his keys and goes into the room and sees how trashy it really is.

WALTER BURGUNDY (CONT'D)

Jesus fucking Christ!!!!!! Geez this fucking room fucking stinks!!!!!!

Walter gets into the room and puts his things down.

Walter lays down on the bed.

WALTER BURGUNDY (CONT'D)

Well I'm going to have to learn to budget and not be wasteful and also learn to cook as well. And God I don't know to do anything expect do music and that's it. Geez I'm going to die and throw up in this place!!!!!!!!!!!!.....

Walter turns on the TV and he starts watching San Diego news.

And Walter notices how bland and boring it really is.

WALTER BURGUNDY (CONT'D)

Seriously?!.....this is the guy that replaced dad?!.....Jesus Christ this new people suck compared to mom and dad.

(MORE)

WALTER BURGUNDY (CONT'D)

They just go on and have no energy and topics they are covering aren't good either!!!!!!...I wish dad didn't have to retire. But the times are changing like crazy. And also, I don't even know where I fucking want to go, I'm just driving around on like a vision quest like the native Americans do.

WALTER BURGUNDY (CONT'D)

I need some fresh air.

Walter goes outside and he starts walking down to the beach.

And Walter sees some young people on the beach. And he starts checking out some pretty ladies by the camp fire.

Walter looks at the water and he starts going into the water and goes swimming.

WALTER BURGUNDY (CONT'D)

Oh the water feels really good.

CUT TO:

INT. THE MAIN HOUSE - NIGHT

Champ, Brick, and Brian come over for dinner.

CUT TO:

Everyone is in the living room eating.

CHAMP KIND

Man I can't believe you guys kicked out Walter Ron, Are you sure that was a good choice Ron?

BRIAN FANTANA

Yeah Ron I'm sorry to say this to you Ron but San Diego nowadays is not what it used to be. And he's never worked a day in his life or even had a job or had money of his own.

BRICK TAMLAND

Wait who's on his own?

RON BURGUNDY

Look guys, Walter has just become a trouble maker and every place he has went, he causes trouble Especially at the USD and San Diego community college and it was time for him to grow up and see the world.

VERONICA CORINGSTONE BURGUNDY

Well I was tired of him mooching off of us for almost most of his young adult life and partying and having fun and we couldn't put up with it anymore.

CHAMP KIND

But we caused trouble too back in the 70's and 80's and nothing bad to us.

RON BURGUNDY

That's because we never got caught Champ.

BRICK TAMLAND

I like to party. Where's the party?

BRIAN FANTANA

Brick we are at a party.

RON BURGUNDY

Look guys, Walter will be fine, he's smart, he has 2 degrees from San Diego community college and also San Diego law. He will be fine.

CHAMP KIND

Yeah one problem with that Ron, book smarts does not translate to street smarts and the real world. And I don't know I think you guys spoiled him forever.

VERONICA CORINGSTONE BURGUNDY

Well not anymore he is on his own now and he will be fine.

BRICK TAMLAND

My son went to Candy world. And he's fine.

BRIAN FANTANA

Brick. I don't believe he was taken to candy world man.

RON BURGUNDY

Yeah I know, but Walter will make it. I know you will. He's strong and big and he can tackle anything, I also remember one time working with Walter and he benched like around 9 billion pounds in the gym.

BRIAN FANTANA

What?!....Get out of here Ron, nobody can bench that much!!!! I tried to do that back in the 70's and it back fired like crazy.

CHAMP KIND

Yeah i tried to back in those days but it didn't work.

BRICK TAMLAND

I bench my teddy bear last night.

RON BURGUNDY

Brick I don't think benching a teddy bear does not count.

RON BURGUNDY (CONT'D)

Look we are all worried about Walter and yes Walter is kinda a party guy and has caused trouble and been arresting for thousands of stuff. But I think my boy is special and he will make it on his own. And I have taught him so much and so has Veronica. And he will be fine.

BRIAN FANTANA

I sure hope your right Ron. I'll do I do have to admit him beating up Dean Spanos last night was really hilarious. But no that guy man. Jesus!!!!

CHAMP KIND

Yeah I agree Brian. That man is going tor destroy the Chargers and set the Chargers back 30 years. And by the time they make the super bowl and win it, we will all be in nursing homes and in wheel chairs.

(MORE)

CHAMP KIND (CONT'D)

Hell we should have put up more a fight against the 49ers in 1994. I swear we are going down the toilet with Spanos and props to your boy for beating him up.

BRIAN FANTANA

I also found out too that he does not let you or Veronica go to the games.

RON BURGUNDY

Yeah it's because I called him out a lot on his bull-shit a year before we retired. And made out with the ladies there and drank too much too. And partied too much.

Brick starts laughing and cracking up and falls on the floor laughing.

BRICK TAMLAND

Oh that is too funny....

CHAMP KIND

See look how happy Brick and all of us are. We need more nights like this. Cause...we are getting older and more gray. And yeah...

BRIAN FANTANA

Yeah my mustache does not have the power that it once had. And I'm not the sex panther I once was back in the 70's and 80's. And I still don't know I'm going hold up since I'm the only one of us that's still going.

RON BURGUNDY

Wait what do you do again Brian?

BRIAN FANTANA

Well I work for a website that delivers the news and its a site called One America news....Ah it's not the same like what we did...things are becoming so different. You guys are lucky to be re-tired.

(MORE)

BRIAN FANTANA (CONT'D)

Me, I'm still hanging in there even though I think once the year hits 2009, I'm done...I'm getting too old for this shit...the ladies in 1999 and going into the 2000's are so different and everyday it's like everyone wants to go after me for something...And I don't know Ron, Has Walter said to you that he wants to be anchorman and be in news?

RON BURGUNDY

Not that I know of. Why?

BRIAN FANTANA

Well if he does, all I have to say is good luck because it's a changing medium it's not like how we did it and yeah I fear for the future man. And the news room has become toxic and people are awful now too. And nobody is nice to each other anymore either. And I miss you guys being with me.

BRICK TAMLAND

I miss you too Brian

RON BURGUNDY

Marty starts walking off the news set and into his office.
And the same girl is working for him and comes up to him.

Walter walks into a bar and he gets a beer.

BARTENDER

Rough night kid.

WALTER BURGUNDY

Yeah you can kinda say that.

BARTENDER

Boss giving you trouble.

WALTER BURGUNDY

Not really. It's just the head
anchor at channel 13 news is a
douche bag and he is such a cunt
and manipulative entitled ass-whip.

BARTENDER

You mean Marty Willard?

WALTER BURGUNDY

Yeah that guy, at work he was being
awful to this one girl that was an
intern there and he just be-littled
her. How can people be like that?

BARTENDER

I see what you mean, I see that guy all the time, he parties and drinks around the rich side of Miami and he also makes everyone feel like shit even his cleaners and people that work him. Yeah he's not as nice as he claims to be. He's a douche-head.

WALTER BURGUNDY

Doesn't anybody expose him for what he truly is?

BARTENDER

Nah man because he has power in this city, he has lawyers and everything man, news people don't know anything about what goes on with normal people, they don't care, it's all about looking good and presentation, they don't care about it.

WALTER BURGUNDY

My dad was not like that, when he was an anchorman in San Diego, he carried about everybody and loved everyone no matter what, it didn't matter how crazy or wild or raunchy he was or silly he was, he loved his city and he enjoyed reporting news and being everyone friend.

BARTENDER

He sounds like a good guy, but that was a different era man, the 70's and 80's people cared, now people don't care about us average folk. What's your name anyway.

WALTER BURGUNDY

I'm Walter Burgundy.

BARTENDER

Wait....your Ron Brugundy's boy...dude man...I use to watch your old man all the time when I was little kid in Brooklyn in the 80's on that 24 hour news channel.

(MORE)

BARTENDER (CONT'D)

Oh my god your dad was a great news-reporter too bad news people like him don't exist anymore especially in this day and age in 2001. And your dad had balls man and he had guts.

WALTER BURGUNDY

Yeah he did. Oh man he would have a lot of stories to tell on what crazy shit he did in the 70's.

BARTENDER

But yeah keep your head up man, I know someday you will do something and your old man will be proud of you.

WALTER BURGUNDY

I sure hope so.

CUT TO:

INT. JANITOR LOCKEROOM - MORNING

Walter walks into work and he gets on his uniform and another person comes.

MICHAEL GOLDENSTONE

Ah god fucking damn!!! I can't believe I was late, I swear it's impossible to get Miami Dolphins tickets....Geez....I'm sorry man...didn't mean to bother you...I'm Michael by the way.

WALTER BURGUNDY

Walter. So you like Miami sports.

MICHAEL GOLDENSTONE

Oh fuck yeah man, I love all our teams and I wish to have my own website that covers all the teams and it would be great Especially if there was a platform or so. Especially for videos and get things that nobody else would get. Even if a soccer was here or so in the future. Wouldn't that be nice?

WALTER BURGUNDY

Oh yeah that would be awesome and really wonderful. So you janitor too?

MICHAEL GOLDENSTONE

Yeah man, I can be your helper and everything.

WALTER BURGUNDY

Well that's really great Michael, How about we get a drink after work, is that okay?

MICHAEL GOLDENSTONE

Dude that would be great. Thanks buddy.

CUT TO:

Walter and Michael keep on working and Walter keeps eyeing the intern girl.

Michael sees him eyeing her.

MICHAEL GOLDENSTONE (CONT'D)

Oh I can tell you like her.

WALTER BURGUNDY

Well I do but she wouldn't date me man, I'm just a janitor no girl would date someone like me, plus before coming here I was a big time fuck up.

MICHAEL GOLDENSTONE

So take a chance man, ask her out, also maybe try to be something other than a janitor. It's your choice as the end of the day.

WALTER BURGUNDY

I don't know Michael, my dad was an anchorman, I can't be like my dad, he was smooth, and masculine and had strength in his voice and was crazy and wild and delivered with dominance like a lion.

WALTER BURGUNDY (CONT'D)

I am just not those things Michael.

MICHAEL GOLDENSTONE

Well I think you can Walter. And I know you can man. Come we will plan it out.

CUT TO:

INT. MIAMI BAR - NIGHT

Michael and Walter are at a bar and they are drinking.

MICHAEL GOLDENSTONE

Look all you need to do get here is just be yourself man and just help her whenever that one guy is treating her like shit or so.

WALTER BURGUNDY

I don't know Michael, it's going to be hard and I don't even own a freaking suit.

MICHAEL GOLDENSTONE

I know a guy who has some suits that you can borrow. But yeah man, I think you are the real deal.

WALTER BURGUNDY

But what about you man, have you thought about going into broadcasting and being a news guy?

MICHAEL GOLDENSTONE

I have. Tons of times, but every time I tried out, I never made out and also Willard always made fun of me for my funny voice and always back tripped every chance he got and he always made sure that my foot was never in the door or never considered.

WALTER BURGUNDY

Jesus I'm sorry Michael, yeah Willard guy is such a jack ass!!!! And also he is nothing but a bully as well. Look I can help you stand up to him and then if I do that, I promise I will be a news guy and do it for you.

MICHAEL GOLDENSTONE

Oh thanks Walter, I owe you one man.

CUT TO:

INT. HOMELESS SHELTER - NIGHT

Walter closes his eyes and flash backs to his dad and opens his eyes and sees a reflection of his father.

WALTER BURGUNDY (CONT'D)

And today there was hookers running around Miami, Florida butt naked.

CUT TO:

Walter doing another line.

WALTER BURGUNDY (CONT'D)

The Miami Dolphins are building a new stadium today and in other news we have 5 swimming pools that are filled with crown royal.

CUT TO:

INT. WORK ROOM IN THE NEWS ROOM - NIGHT

Walter keeps on working and he sees Charlotte looking for her phone.

CHARLOTTE ROBERTS

Oh shit, I find the fucking thing
where is it. I know I had with me.
Oh geez I don't want to loose this
one.

Walter just sneaks up on her and Walter finds the phone by
another desk.

WALTER BURGUNDY

Excuse me miss, I think this
belongs to you..

Charlotte turns to Walter.

CHARLOTTE ROBERTS

Oh my god my phone...oh my god
thank you so much, I owe you big
time sir.

WALTER BURGUNDY

Hey don't mention it sweetie. I
also love your outfit that wear.
Where did you get it?

CHARLOTTE ROBERTS

I got it at in little Havana and my
parents got it for me. I'm
Charlotte by the way.

WALTER BURGUNDY

Walter...so how long have you been
an intern here for?

CHARLOTTE ROBERTS

Couple of months, I do this job and
I do another job but won't say.

WALTER BURGUNDY

Come on...you don't have to hid
anything from me. I'm easy and I
don't judge.

CHARLOTTE ROBERTS

Well I work as a stripper in
Miami....I know it's embarrassing.

WALTER BURGUNDY

No it's not. I think that's a
killer job especially if you are
good at it.

CHARLOTTE ROBERTS

I also get creepy guys going up to me and wanting me to do a lap dance for them.

WALTER BURGUNDY

Okay that part is not that great. But do you get any good guys hitting on you?

CHARLOTTE ROBERTS

Not all the time...look I really have to go, can I get your phone number...

WALTER BURGUNDY

Oh yeah for sure, I don't have much in my contacts but yeah sure.

CHARLOTTE ROBERTS

Oh okay my number is 875-441-2274.

Walter adds Charlotte's number into his phone.

WALTER BURGUNDY

Well let me walk you to your car.

CHARLOTTE ROBERTS

Alright okay.

CUT TO:

Charlotte and Walter go downstairs and Charlotte's car is completely toiled away.

CHARLOTTE ROBERTS (CONT'D)

Oh my fucking god are you kidding me right now?!...oh no!!!!...I can't believe I lost my car again.

WALTER BURGUNDY

Well I can get you cab home or so, I mean I know the cab number. I'll call it.

Walter starts calling the number of the cab.

WALTER BURGUNDY (CONT'D)

Hi, yeah, we need a cab over here, we are on 6th street or so, yeah we are big the channel 13 news station in the parking lot. Thank you. Bye, bye.

Walter hangs up the phone.

WALTER BURGUNDY (CONT'D)

CHARLOTTE ROBERTS
Oh thank god!!!!!!! Thank you, you
are just an angel and your so nice
to me.

WALTER BURGUNDY
Hey you know I'm not very smart but
I always try to be nice and
thoughtful to everyone. And I'll be
in there with you too make sure
nobody hurts you.

CHARLOTTE ROBERTS
Thank you your so sweet.

The cab arrives and picks them up and they get into the car.

CUT TO:

Walter and Charlotte are in the car.

CHARLOTTE ROBERTS (CONT'D)
So Walter...how did you end here in
Miami?

WALTER BURGUNDY
Well...I had no idea I was even
going to end up here but you
know...I have made a lot of
mistakes, and i caused a lot of
trouble in my past. And I actually
have been arrested a couple of
times and went to jail back when I
use to live in San Diego. And not
only that but I remember my parents
bailing me out a lot when I went to
community college and law school.

CHARLOTTE ROBERTS
You fucking went to law school?

WALTER BURGUNDY
Yeah I went to San Diego law but
it's mostly because my parents
wanted me to have another degree
and wanted me to have a lot of
different jobs but...I would never
save up and I partied a lot as
well.

(MORE)

WALTER BURGUNDY (CONT'D)

And you know because of that, my parents kicked me out especially my mom and so I remember driving and staying at a cheap motel and then I went swimming around the pacific ocean and then I was in the ocean for 2 years and sadly in those 2 years away from the world, I lost everything, my parents, my money, a home, and I really blew it big time. So I understand if you don't want to date me because I'm a loser, I get it.

CHARLOTTE ROBERTS

You don't sound like a loser Walter, you sound really nice and really educated and really thoughtful and really kind. What about your parents?

WALTER BURGUNDY

Well my father...well my father use to be an anchorman or anchor in San Diego back in the 1970s and also he went national in the 80's as well. My dad is kind of a wild and a really crazy and raunchy and a really silly and he loved to go places and go on silly adventures with his co workers around San Diego. And one memory I have of him is that he always told me the truth and always told it like it was, and he was not afraid to be masculine and be a man. And at times he wasn't always right. But my dad was my best friend.

CHARLOTTE ROBERTS

Is your father alive?

WALTER BURGUNDY

I'm pretty sure he is. But it's just been a long since i have seen him and same with my mom as well.

CHARLOTTE ROBERTS

What about your mother?

WALTER BURGUNDY

Well my mom is kinda like my dad and she was news anchor as well, it's also rumored that she was the first female anchor in San Diego history as well. But unlike dad, she was really tough on me and very stern and really strong and rough. But was very sweet and loving and nurturing as well. And i remember my dad and my mom always being there for me even though they had different personalities. But they always found a way to make it work.

The car stops and parks in front of Charlotte's apartment.

TAXI DRIVER

Alright we are here.

CHARLOTTE ROBERTS

Thank you so much.

CHARLOTTE ROBERTS (CONT'D)

Want to come inside?

WALTER BURGUNDY

Oh yeah for sure Charlotte.

CUT TO:

Walter and Charlotte end up watching the movie out cold and Walter watches the movie with her.

CHARLOTTE ROBERTS

Oh this part is so funny.

Walter is also laughing at the funny parts as well.

CHARLOTTE ROBERTS (CONT'D)

So Walter what do you see yourself doing the next couple years of your life?

WALTER BURGUNDY

Well I think other than being a janitor, I want to find something I'm good at it and stick with it forever. And hopefully be the best at it.

CHARLOTTE ROBERTS

You think you will be a lawyer?

WALTER BURGUNDY

I don't know maybe...but It could be a possibility.

Charlotte does a laugh and smiles at Walter.

CHARLOTTE ROBERTS

You sound really handsome and really sexy when you talk.

WALTER BURGUNDY

I think it's just my California accent I believe.

Charlotte starts making out with Walter on the couch and Walter starts kissing her like crazy and making out with her and touching her.

WALTER BURGUNDY (CONT'D)

Ah yeah yeah yeah baby girl. You feel so beautiful and gorgeous and really powerful and love your energy as well.

Walter and Charlotte are in bed together.

CHARLOTTE ROBERTS

Oh my god that was amazing and your penis feel really good and really gigantic. Do you go the gym?

WALTER BURGUNDY

I use to workout with my dad in San Diego and I would always bench around 900 pounds.

CHARLOTTE ROBERTS

What?!...are you fucking serious?!...geez you are a strong and very manly. And you have very sexy smooth skin as well.

WALTER BURGUNDY

Well thank you my dear.

WALTER BURGUNDY (CONT'D)

 remember. But we had a lot of fun
 man.

MICHAEL GOLDENSTONE
 Oh good. You ready to try to be

WALTER BURGUNDY
 Michael, I just don't think I'm
 ready. Also if I quit being a

 it's a big risk.

MICHAEL GOLDENSTONE
 Don't worry Walter, I'll try out
 with you for the sports anchor.

(MORE)

MICHAEL GOLDENSTONE (CONT'D)

I'll meet around the office after

WALTER BURGUNDY

MICHAEL GOLDENSTONE

WALTER BURGUNDY

WALTER BURGUNDY (CONT'D)

(typing his email)

Too whom it may concern, Dear channel 13 news, I'm going to get to the point of this email, I'm Walter Burgundy, the main reason for this email is that I'm interested in applying to be an Anchor here, I don't have a tape quite yet, i'm working on that and I don't know when the official deadline is but I just wanted to let you guys that I'm interested in reporting the news for you guys, I know my last name is very fimlar because of my dad and he was a news reporter in San Diego along with my mom in the 70's. But I want to assure you that I'm not my dad, and if I were to be an anchor for you guys I would be different but yet still have the same sprite that my dad and my mom had back in the 70's and in 80's. I am not asking for my much, just a tryout and just one chance to prove myself and that's all I need, Sincerely, Walter Burgundy.

Walter finishes up his email and sends it to main boss at the station. Walter walks into another room and he has a video camera and he starts recording himself in another room and sits down behind a desk. Walter looks at the camera and sees a reflection of his dad.

Jesus Christ I just fired our top Anchor, and this station is going down the tubes. And I have to rebuild and hire a fresh news team. I just don't know where to begun and we just need to go back to basics again. The news is nothing like when I was a kid watching Ron Burgundy and...wait a second.

Patrick opens his computer and watches Walter's tapes.

PATRICK ROSE (CONT'D)
Ahhhh Melissa...

Another girl comes into the office.

MELISSA ANDREWS
Yeah Patrick.

PATRICK ROSE
I need you to look at the tapes of
who started the fight and bring
them to me as soon as possible.

MELISSA ANDREWS
Yes sir.

Patrick keeps on looking at his papers and on his computer.

CUT TO:

Patrick looks at footage of Walter and Marty fighting.

And Melissa walks in.

PATRICK ROSE
Melissa find out that kid is that
was fighting Marty earlier.

MELISSA ANDREWS
Yeah sir I found out who it
is...It's Walter Burgundy, he was a
janitor that we hired you, um sir,
I don't think he has a clean
record, looking at his background
he has been arrested 88 times, and
have gone to jail 9 times in San
Diego, and even he went to San
Diego community college and San
Diego law, he also caused trouble
there too and his parents have had
to bail him out...last I checked he
was a staying at a homeless shelter
in Miami. And then two years ago no
one has seen him since, I also
checked that the last purchase he
made was in 1999 at a motel in San
Diego.

Patrick keeps on watching the film.

PATRICK ROSE

Oh wow so it was Marty that caused the fight and the kid was defending himself and god damn he's strong and has a lot of muscles. And your telling me that this kid that was our janitor is Ron Burgundy's kid?

MELISSA ANDREWS

Yes sir.

PATRICK ROSE

Well fuck it!!! Melissa, we have to rebuild this new station, our ratings in the dumps and we are in emergency mode right now, we need to a fresh face as our main anchor and we need a fresh news team around him. Ah do you know where the kid is now?

MELISSA ANDREWS

He sadly quit on the spot and ran somewhere.

PATRICK ROSE

Well we have to find him and find him fast. And I believe this kid could save our station and it's time we rebuild and went back to basics again.

his father.

TERRELL MAGIC RICE

Oh yeah I can't wait to see my
father and party with him in Los
Angeles.

DEANGELLO ICE MAN PHILLIPS

 is your dad.

TERRELL MAGIC RICE
 Ooooooooooh I know that he is and
 that very soon at some point he
 will hook me up with the Black
 Mamba. Oh I'm so excited.

DEANGELLO ICE MAN PHILLIPS
 Don't even tell him the truth, he

 basketball with you man. And then I
 have to take you to some black
 night clubs so you have sex with at
 least 99 black girls. You have to
 be my home boy man. Mmmmmmmmmmmmm?

WALTER BURGUNDY
 Ah Terrell that sounds great man,
 but I have a girl that I like but I
 appreciate the offer man.

MICHAEL GOLDENSTONE
 So yeah we can take you to the
 resort, do you guys have a car?

And I just want to thank my mom and dad where ever they might be and just thank them and I love you guys from the bottom of my heart...just....thank you and I hope we party hard tonight and get wasted and do a lot of dancing.

 And thank you dad for everything.

RON BURGUNDY

Your welcome Walter. Come on lets go home.

CUT TO:

EXT. OUTSIDE THE BURGNDY HOUSE - NIGHT

CUT TO:

Everyone is eating dinner and at the dinner table.

RON BURGUNDY

So Walter, how is Miami my boy, tell me everything...is it beautiful like they say it is, did you mingle with some Cuban ladies and go to nude beaches.

WALTER BURGUNDY

Ah no to the first part but yes to the second part.

VERONICA CORINGSTONE BURGUNDY

Well your father and I are so proud of you Walter, we have watched every single news segment through our dish cause we have access to every news channel in the county.

WALTER BURGUNDY

I just didn't think I would do it mom. But I just kept thinking about dad and what you said.

RON BURGUNDY

How the hell did you get to Miami anyway son?

WALTER BURGUNDY

Well dad, I was at beach driving and stayed at a motel and I went swimming and I reconnected with Doby.

CHARLOTTE ROBERTS

Who's Doby.

RON BURGUNDY

Ah Doby was our pet when we lived in New York and we use to live in a light house there and we saw a baby great white shark that needed to be recused and so we saved him and raised him and took care of him and when he was big enough, we let him go back into the with his shark friends and shark family.

CHARLOTTE ROBERTS

So you had a pet great white shark?

WALTER BURGUNDY

Yeah I did, he also took me to Miami. All though, granted, I was in the ocean under water with Doby for 2 years from 1999 to 2001 and well that's what caused me to grow a beard and smell and well be homeless as well. But that was all in the past though. So mom how is San Diego?

VERONICA CORINGSTONE BURGUNDY

Oh great Walter, your father and I go workout and go to the beach and go play tennis every day and also go hiking and yeah life has been good to us, and your dad has had more time with his buddies since you left.

WALTER BURGUNDY

Oh Charlotte you will love my dad's friends, they worked with him while he was an anchor for San Diego.

All of a sudden there is a ding dong at the door and Veronica comes and gets the door.

VERONICA CORINGSTONE BURGUNDY

I'll get it.

Veronica walks to the door and it's Michael, Terrell and DeAngelo.

VERONICA CORINGSTONE BURGUNDY (CONT'D)

Can I help you three?

TERRELL MAGIC RICE

Hi pretty lady, I would love to see you butt naked and go skinny dipping.

DEANGELLO ICE MAN PHILLIPS

Terrell that's awful. Bad boy!!!!

MICHAEL GOLDENSTONE

Don't mind him, he's obsessed with naked girls and thinks Magic Johnson is his dad and he possibly think Jerry Rice might be his father too. Is this the Burgundy residence, we are Walter's news team in Miami.

Veronica turns back.

VERONICA CORINGSTONE BURGUNDY

Walter your friends are here.

CUT TO:

Now they are eating dinner as well.

RON BURGUNDY

So you guys work with Walter.

MICHAEL GOLDENSTONE

We do, I cover sports and DeAngelo does investigative work and Walter is the head Anchor and Terrell does the weather. And Charlotte does pop culture and gadgets and health.

VERONICA CORINGSTONE BURGUNDY

My god that's a lot. I use to do that back when I worked with Ron. I also interviewed a prince in the 80's as well back when Ron and I were divorced in the 80's and back when I was dating Gary.

DEANGELLO ICE MAN PHILLIPS

Well you have an amazing and beautiful home Mrs. B and you guys have raised a really good and masculine homie. And I'm proud to call Walt my home boy. And you also have a very heavenly presence as well Mrs. B.

VERONICA CORINGSTONE BURGUNDY

Oh thank you. I love your voice you sound like Dr. J

RON BURGUNDY

And you also remind me of old boss in New York Linda Jackson. I also dated and had sex with her back when Veronica and I were divorced.

DEANGELLO ICE MAN PHILLIPS

Wait you knew Linda Jackson?

RON BURGUNDY

I did. Why?

DEANGELLO ICE MAN PHILLIPS

She was my mom...But sadly...she passed away when I was 10 years old in 1991. She told me a lot of stories about you and fuck man, she was everything to me. I remember one time in New York she got me a lot of watches and got me a Knicks jersey and took me to Super Bowl 22 and well...one day because her drinking got the better of her because she dated and slept other people, she contracted aids and passed away.

VERONICA CORINGSTONE BURGUNDY

Oooooooh you poor baby...I'm soooo sorry.

DEANGELLO ICE MAN PHILLIPS

Thank you Mrs. B and Ron man...thank you loving my mom and touching her and making her feel like a goodness man...And because of her it's why I have the nick name Ice man cause I want to be smooth like she was. And your son is a good guy too, and reminds me of you as well.

RON BURGUNDY

Your Welcome DeAngello. Your mom was a very special and firey lady.

RON BURGUNDY (CONT'D)
Come on, i'll take you kids out for
a beer.

CUT TO:

INT. RANDOM BAR IN SAN DIEGO - NIGHT

CUT TO:

TERRELL MAGIC RICE

Johnson? He might be my dad.

BRICK TAMLAND

pointers.

TERRELL MAGIC RICE
That's cool too. You look super fly
as well.

BRICK TAMLAND
Don't know what that means. But I
will take it.

CUT TO:

Champ and Michael talking.

CHAMP KIND
So you cover Miami Sports. Back in
my did San Diego sports. And saw
everything.

MICHAEL GOLDENSTONE

I plan be just like you.

CHAMP KIND

And also the sports guy also is the right hand man to the head Anchor as well.

MICHAEL GOLDENSTONE

Oh don't worry man I do that with Walter all the time.

CHAMP KIND

I was like that with his father more times then none kid. Oh I have so many stories to tell about Ron back in the 70's and 80's.

CUT TO:

DeAngello and Brian talking.

BRIAN FANTANA

So it's true that Richard Roundtree slept with a lot of women.

DEANGELLO ICE MAN PHILLIPS

Yeah it is.

BRIAN FANTANA

Your middle name is cool.

DEANGELLO ICE MAN PHILLIPS

Oh thanks. I got some cologne for you to try, there are so many good ones including the blue crystal of love. Want to try it?

BRIAN FANTANA

Oh I would love to, I'm getting sick of off brand stuff that I collect. And this stuff works.

DEANGELLO ICE MAN PHILLIPS

Yeah it does. I got it from Nordstroms and...welcome to the 2000s man. You will be a new man and a new dog as well.

BRIAN FANTANA

Thanks my brother.

CUT TO:

Walter and Ron drinking.

RON BURGUNDY

So Charlotte, you going to ask her to marry you.

WALTER BURGUNDY

I think so dad, she is everything to me, I mean I loved her since I laid eyes on her and I love her a lot just like you love mom a lot dad.

RON BURGUNDY

Well tie her down fast son cause she is sexy and beautiful and she has a beautiful and firm lady body. And her body reminds me of your mother. Her mother was smoking hot in the 70's and in the 80's as well. And she was a sex ninja in the bedroom as well.

WALTER BURGUNDY

Dad!!!!

RON BURGUNDY

Alright fine i'll stop. But yeah son I didn't want to let you go, but your mom was so mad at you and everything that like Doby, we had to set you free and son, you were living with us for too long even when you went to law school. And I would be hurting you sexually as well and you would be a virgin as today's people would say.

WALTER BURGUNDY

I know dad. It was hard. But, you had to do what you had to do. And you know deep down, it was the right thing to do.

CUT TO:

Charlotte and Veronica looking at Walter's baby pictures.

CHARLOTTE ROBERTS

Awwwwwwwwwe look at Walter with his dad in New york.

VERONICA CORINGSTONE BURGUNDY
That was when we went to the empire
state building.

They keep looking at more baby photos.

VERONICA CORINGSTONE BURGUNDY (CONT'D)
And this is him when we took him to
the zoo in New york and Walter has
always loved animals.

CUT TO:

Walter and Ron are with their friends and they are at the
beach.

TERRELL MAGIC RICE
I can't wait to meet my father.

BRICK TAMLAND
That's cool guy that sorta looks
like me. I had a son...but...they
took him away from me.

TERRELL MAGIC RICE
The fuck. Why?!....

BRICK TAMLAND
Because the bad people thought I
wasn't a good father.

TERRELL MAGIC RICE
That's fucking bull shit. But I'm
sorry man, do you still call your
son?

BRICK TAMLAND
No. He wants nothing do with me.

TERRELL MAGIC RICE
I'm sorry old man with black hair
and eye glasses.

BRICK TAMLAND
It's okay.

CUT TO:

Walter's news team and Ron's friends are sitting on the dock.

RON BURGUNDY
I tell you guys, there is no
beautiful city like San Diego.

CHAMP KIND

I know Ron, this place was our castle and now we just walk around and were old man and were dinosaurs and hopefully the new generation that replaced us is good.

BRIAN FANTANA

Yeah I know what you mean Champ. This century is so fucking weird and everything just fucking sucks and our culture has changed a lot.

RON BURGUNDY

Yeah it sure has. It sure has.

WALTER BURGUNDY

But you guys still good advice and everything and being an anchor in Miami, not every station has bought into this new age stuff and biased reporting and whatever. Like the one I'm at is back to normal standards at least. Hell the guy I took over for was really bad and really awful and he was arrogant and evil. And I kicked his ass cause he was really awful to Charlotte.

CHAMP KIND

That's good kid.

WALTER BURGUNDY

Look fellas, as long as I'm in anchor and reporting the news, I'm always going to honor my dad's legacy and honor you guys and what you guys did and keep that spirit with me.

BRIAN FANTANA

That's good kid. Were all proud of you kid, and also your reporting is going to make the world a better place.

WALTER BURGUNDY

Thanks Brian.

CUT TO:

Walter and Charlotte leave Ron and Veronica's house and they start driving back to the airport and head back to Miami.

CUT TO:

PATRICK ROSE

No not at all Walt, there is someone that wants to meet you.

A person with a red suit comes in.

KEITH RUPERT MURDOCH

Hello Mr. Burgundy...I have been talking to Patrick and I'm Ruppert Murdoch with Fox news in Washington DC. We want to hire as an Anchor with us.

WALTER BURGUNDY

Look Mr. Murdoch I know you came a way to see me but...I'm perfectly happy being in Miami and I don't think I'm ready to go national quite yet.

PATRICK ROSE

Walter, you wouldn't be leaving us, anything you would be getting more work cause sometimes during certain seasons Miami does not have a lot of news, and you going national is making it to the pros. And also Fox News is amazing, they haven't been around for that long but they love America and they love this country compared to the legacy news channels. And they could use Walter.

(MORE)

PATRICK ROSE (CONT'D)

You would be with a lot of people and meeting people as well. And you would become even bigger than what your dad was.

WALTER BURGUNDY

Alright okay Patrick. I'll take the gig, when do we start.

KEITH RUPERT MURDOCH

We start tomorrow and there is a private jet waiting for you as well.

WALTER BURGUNDY

Alright okay.

WALTER BURGUNDY (CONT'D)

Oh my god!!!! Holy mother of shit snacks and holy shit balls this place is grand.

KEITH RUPERT MURDOCH

Mr. Burgundy...welcome to Washington DC kid.

WALTER BURGUNDY

Thanks.

CUT TO:

Walter walks into the new station building. And the Fox news crew sees him.

KEITH RUPERT MURDOCH

Everyone listen up, we have new part time anchor working with us. I would love to take this time and welcome Walter Burgundy to Fox news. Welcome young man.

WALTER BURGUNDY

Thank Mr. Murdoch. Thank you for bringing me on here at this wonderful place. I don't have a lot to say but I'll be on the bench and I will come into the game if you guys need me to and I will do the best I can here. And that's it.

KEITH RUPERT MURDOCH

Well anyway, make him welcomed.

Walter starts working on some stories to cover.

A blonde girl walks up to him.

DANA PERINO

I love that suit, you look like the 8 trillion dollar man.

WALTER BURGUNDY

Oh thanks pretty lady.

DANA PERINO

Dana Perino I'm the 3rd Anchor.

WALTER BURGUNDY

Walter Burgundy. Just 6th man if we are using basketball terms.

Dana starts laughing.

DANA PERINO

Oh you are hilarious. I love you already.

Bill O-Riley shows up.

BILL O RILEY

Fucking hell I can't believe the Redskins suck. Jesus Christ I fucking hate Dan Snyder, he is destroying that team and Bush just pisses me off every day and...

Bill sees Walter.

BILL O RILEY (CONT'D)

Who the fuck are you?

DANA PERINO

Bill this is Walter Burgundy.

WALTER BURGUNDY

It's a pleasure to meet you man.

Bill shakes his hand really hard.

BILL O RILEY

Piece of advice for you kid, here in DC we don't play nice here, we are fucking competing with NBC, CBS, and ABC and those liberal mother fuckers like crazy and they do play dirty so saying man and bro to me is going to get you no where.

WALTER BURGUNDY

Yes sir.

All of a sudden Brett and Sean come into the building. And they got done with a workout.

WALTER BURGUNDY (CONT'D)

Who's that guy.

BILL O RILEY

Oh that's Idiot 1 and idiot 2, they are on the bench with you.

WALTER BURGUNDY
Do they workout all the time?

Bill mocks Walter's voice

BILL O RILEY
Of course of they do, they need to
workout so they don't become low
testosterone men.

Sean and Brett meet up.

SEAN HANNITY
Ah great workout.

BRET BAIR
Yeah that workout was awesome Sean
and you kicked ass.

BILL O RILEY
I'm pretty sure this fucking news
room does not care about your
workout and how big of idiots you
guys truly are.

SEAN HANNITY
But I broke your weekend last week
old man and we are going to get
some smoothies. Yeah!!!!!!

BILL O RILEY
Shut up Sean!!!!!!

Sean turns to Walter.

SEAN HANNITY
What's your name spikey?

WALTER BURGUNDY
Walter Burgundy, back up Anchor to
one of you guys.

BRET BAIR
Well you enjoy being us we work
out, and play videos games
including the N64 and Playstation.
Yeah don't listen to Bill, Bill is
always pissed off at something.

WALTER BURGUNDY
Oh okay.

SEAN HANNITY

So what's the boss man letting you work on today?

WALTER BURGUNDY

Well apparently he wants me to cover a bill that senator Obama wants to pass and it's a free health care and free groceries.

SEAN HANNITY

Oh fuck man that's a toughy, the main stream media loves him and will do anything to make sure he wins the presidency. But I don't trust that fucker, I'm pretty sure his last name is not even Obama.

BRET BAIR

I also herd too that he did some pretty awful things in Hawaii and in New York in the 80's and cheated a lot and he's buddy-buddy with Senator Biden as well.

SEAN HANNITY

Oh fuck I hate that guy, Biden is douche a head!!!!...I can't stand the current democrats they want to destroy our country and our way of life. And that fucking Brandon Tamland guy from fucking NBC, can't stand that guy either.

WALTER BURGUNDY

Wait...did you say Tamland.

SEAN HANNITY

Yeah why rookie?

WALTER BURGUNDY

His dad was a co anchor for my father back in San Diego and I use to see his father all the time when I was kid in New York back when they were anchors for global news.

BRET BAIR

I remember that channel, I watched it all the time, your dad was a cool guy.

DANA PERINO

I also watched your dad too and his suits looked sexy.

BILL O RILEY

Who the fuck cares about Ron Burgundy, i watched him too and the guy was a nut case and always caused trouble and he contributed nothing to the news committee. No offense kid, but it's not the 70's and 80's anymore, it's a toxic country, we are a country at war with each other and I'm sorry but your dad sadly built the current news we live in and built these neo con liberals.

WALTER BURGUNDY

I understand Bill...

DANA PERINO

Bill what the fuck is your problem?!...why do you have to criticize everything attack the rookie like that?

BILL O RILEY

Because it's the truth and the truth hurts. Look son, I know you love your old man and people do...but the reality is...the way he covered news and the model of "give people whey want to hear" it's a model that has destroyed our country and why the news is so biased and divided and he's a controversial figure. I'm sorry Walter. And he created a news world that is destroying our nation.

Walter does a sigh and his spirit is crushed a little bit

SEAN HANNITY

Bill I think your about to make him cry.

BILL O RILEY

I'm sorry Sean, he had to hear it.

WALTER BURGUNDY

No, no he's right. My dad did do some things that were not good. And it's time I herd the truth.

(MORE)

WALTER BURGUNDY (CONT'D)
 I can take the truth. I'm a man, I
 have hair on my balls and on my
 penis, I can take it.

BILL O RILEY
 Good you have thick skin because
 your going to need it here in this
 son.

WALTER BURGUNDY
 I just want to start work and get
 my first day over with.

CUT TO:

Walter is an office working on a story and writing down
 questions and things to say.

CUT TO:

EXT. THE CAPITOL BUILDING - MORNING

Walter arrives with his microphone and gets into the building
 and he sees a lot of senators and goes into the press room.

Walter gets in and he sees a lot of other media people.

And Walter tries to get his papers set up and drops his
 papers.

WALTER BURGUNDY
 Ah fucker!!! Shit....

As Walter is picking them up and a random news guy pours soda
 on his soda.

WALTER BURGUNDY (CONT'D)
 Ah what the fuck?!... who the
 and...Oh....

BRANDON TAMLAND
 Well, well, well, look what the cat
 dragged in and look what it is, new
 rookie anchor from Fox
 News....watch were your going dip-
 shit!!!! Don't step on our toes
 because us people in the main
 stream will cock you alive!!!!!!

WALTER BURGUNDY
 Well I can tell you have no respect
 for anybody. And your a cock
 sucker.

BRANDON TAMLAND

Well stay away from my territory
and be a good boy and don't report
what you shouldn't report. And I
will be back to make sure you are a
loser in this town as well.

WALTER BURGUNDY

Well I can tell that you are a
spoiled brat that got everything
handed everything because of last
name. Sure you dad is really proud
of you.

Brandon starts laughing and cracking up.

BRANDON TAMLAND

Oh my father...that fucking dumb-
ass and his dumb wife....I never
had a dad, I was raised by thugs
and white collar people and with
elite and rich and powerful and
people like the Kennedys and the
Obamas son and with Hunter and
people are powerful son. And I will
fucking kill you and get you
boy!!!!!!!!!!...better watch your
back...

Brandon leaves and Brandon gives Walter the bird.

WALTER BURGUNDY

What a fucking idiot!!! Can't
believe that guy works for
NBC...Jesus!!! Now I can see Brick
never called him, what an evil
little boy he is.

Brandon sits down and all of a sudden Senator Obama shows up.

RANDOM NEWS REPORTER

Senator Obama, how are you going to
make sure your bill passes in the
senate and get some of the
republicans on your side?

SENATOR BARRACK OBAMA

Well you know I think every people
should get free groceries and free
health care and government needs to
do a little more for the people and
President Bush hasn't done that.

RANDOM NEWS REPORTER 2

But senator are you afraid that what you want to push is what has already happened in Chicago and that Chicago has been burning down since under President Clinton?

SENATOR BARRACK OBAMA

Well no my polices that I want to pass are different from President Clinton and I feel like I can do more then Clinton and I think the war on terror needs to end. And we need accept gay people and trans people.

RANDOM NEWS REPORTER 3

Senator do you think that's a little bit dangerous for our country to do that?

SENATOR BARRACK OBAMA

No it's not, we can fix this mess with democrat polices and with a new liberalism that will fix everything.

CUT TO:

Walter shaking his head with no.

WALTER BURGUNDY

AND WHAT HAPPENS IF THAT FUCKING DOESN'T WORK SENATOR?!...I have done a lot of research on you, and you have been saying that for 5 years and Chicago is still a fucking mess and New York is a mess too. And also from researching and writing down everything it's actually been reported that big polices don't really work and have not been working for decades.

Everyone in the room is shocked.

Obama turns back to Walter.

SENATOR BARRACK OBAMA

Ah Fox New of course, I don't need to answer any of our bull shit to you guys.

WALTER BURGUNDY

Well someone has to because you have been attacking president bush and everything he's done but yet bush has actually handled 9-11 and the war on terror just fine and the only thing he has been struggling on is the economy but if you look at the numbers it's because of Socialism and communist polices that invaded our cities. Would you like to comment on that Senator?...

SENATOR BARRACK OBAMA

Alright get this guy out of here. I'm talking to anybody from Fox news.

WALTER BURGUNDY

Well you need to answer the question. You need to stop lying to the American people...

SENATOR BARRACK OBAMA

Somebody call security and get this fucker out of here.

WALTER BURGUNDY

Hey!!! You know that I'm right, people in places in Florida and Texas and Louisiana will never support you.

Security guards come and they grab Walter and they kick him out.

CUT TO:

Walter getting kicked out.

SECURITY GUARD

Stay out of here. Fuck Fox news!!!!!!!!!!!!...

WALTER BURGUNDY

You people in this toxic and are destroying our county with that piece of shit Obama!!!!!!

WALTER BURGUNDY (CONT'D)

What a fucking clown and what a fucking bitch that guy truly is.

(MORE)

WALTER BURGUNDY (CONT'D)
I can't believe are propping that
guy up!!!!...well I guess i'll
cover something else here.

CUT TO:

Walter getting something to eat and Sean shows up.

SEAN HANNITY
How did the press conference go?

WALTER BURGUNDY
Fucking awful!!! That guy does not
answer a single thing I asked him.
And I don't understand why people
in generation like him. All the
things he wants to do is everything
my dad warned about.

SEAN HANNITY
Your dad is conservative too?

WALTER BURGUNDY
Well no. Not completely but he
always said to me, to be a man and
love America and love the United
States and you know, he didn't take
no for an answer. I mean yeah he
was crazy at times but at the end
of the day, he loved San Diego and
most of all he loved this country.
Sadly people in this world want to
destroy it.

SEAN HANNITY
I don't care what Bill says. Your
dad seems like a cool guy. Come on,
i'll drive you to the white house
for the Bush interview.

CUT TO:

INT. THE WHITE HOUSE - NIGHT

Sean and Walter get to the white house and they start setting
everything up.

SEAN HANNITY
Well anyway I'm letting you do this
interview and just make sure you
ask him truthful things and not
attack him. Same with other people
on the other side.

WALTER BURGUNDY

But what if they don't want to talk to us?

SEAN HANNITY

Walter, the motto here is to be fair and balanced and even cover the other side and don't be biased. Even if people hate us. And there is a reason why boss man likes you.

Sean sees Bush coming.

SEAN HANNITY (CONT'D)

Alright here he comes...break a leg.

WALTER BURGUNDY

I'll do what I can.

All of a sudden President Bush comes and he sees Walter.

WALTER BURGUNDY (CONT'D)

Hello Mr. President...thank for agreeing to this interview.

PRESIDENT GEORGE W BUSH

Oh bless your heart young man, thank you, you seem like a good old American boy, and I always enjoy Fox news more then the main stream media, all those people do is attack me on almost everything. Including my wife Laura and the girls.

WALTER BURGUNDY

Same with me sir. Anyway lets begin.

CUT TO:

Everyone in San Diego and Miami is watching Walter interview the president.

SAN DIEGO PERSON 1

Hey everyone it's Ron Burgundy's boy and he's interviewing Bush.

CUT TO:

Ron and Veronica.

VERONICA CORINGSTONE BURGUNDY
Oh god I'll mighty.

RON BURGUNDY
This should be really good.

CUT TO:

Walter in the white house.

WALTER BURGUNDY
Now Mr. President I have to ask, what's the current plan with the economy. People in the US have lost their jobs and their 401K and things are expensive for my generation and people are still living with their parents. Before being on Fox news, I was a homeless in Miami at one point and my parents kicked me out. And what is your plan for the economy if you get a 2nd term in 2004?

PRESIDENT GEORGE W BUSH
Well Walter my boy...I just plan is making everyone has a shot of not just having a job but building businesses even in the blue states that hate me. I think we need less regulations and I know the democrats right now they want more rules and regulations and I don't believe that's going to work at all and people will be on food stamps and welfare, and that's just not the America I want, we need people to have jobs, have free speech and no censoring anybody. And the democrats and senator Obama want to go towards that path.

WALTER BURGUNDY
Hey is super douche bag sir, he kicked me out of the press room today.

PRESIDENT GEORGE W BUSH
Oh he did?....oh my word, what a flying shame, how awful of him, see what's the democrats are Walter. They think they know everything and know what's best for you.

(MORE)

PRESIDENT GEORGE W BUSH (CONT'D)

And we have to hold the red line as much as we can.

WALTER BURGUNDY

Now my next question sir, Um what is the progress of the war on terror and when we do expect to bring our troops home?

PRESIDENT GEORGE W BUSH

Well Walter my boy, we still have to fight, there are so many terriosts and All-cidi there and we have to kill those bastards son, and they want to rape and kill our women and children and i will not stop until these people and bin lidin are defeated. And I want our boys back home too but we have to fight and we have to fight to win.

WALTER BURGUNDY

Now the last question I have for you Mr. President is the current culture in our county with rap music and the black community, everything is still not under control in places in New York and Miami and our movies are becoming more biased. What's your take on that sir.

PRESIDENT GEORGE W BUSH

Well Walter, I think censoring Hollywood and movies and the community is going to fix anything I think people need to fix themselves and it's not my job to give people things and tell them what's right and wrong, people need to figure that our and if they like Rap or weed or what ever, they can have that stuff, I was on those things too and sometimes it's a takes a while to get off it. Laura would share a lot of stories of me going to jail and getting bailed by my father.

WALTER BURGUNDY

It's funny my parents got mad at me a lot too when I was in college. I didn't know that.

PRESIDENT GEORGE W BUSH
Yeah. Where did you go to school by
the way if you don't mind me
asking?

WALTER BURGUNDY
San Diego Community College and San
Diego law.

CUT TO:

Walter keeps on interviewing President Bush and goes really
well and people around the world are stopping in aw of the
interview.

CUT TO:

Ron and Veronica and people in San Diego see the whole
interview.

CUT TO:

People in Miami are also seeing the interview as well.

CUT TO:

Walter with President Bush.

PRESIDENT GEORGE W BUSH
How much do you bench by the way,
you seem like a really strong guy.

WALTER BURGUNDY
Well sir, I bench around 9 billion
pounds.

PRESIDENT GEORGE W BUSH
Holy Jesus Mother of Joseph Christ
that is a lot of weight. I bet you
get the ladies.

WALTER BURGUNDY
I actually have a girlfriend in
Miami Mr. President.

PRESIDENT GEORGE W BUSH
Well she is lucky to have you
Walter.

Walter turns back at the camera.

WALTER BURGUNDY
I think that is all we got, I'm
Walter Burgundy from Washington and
you stay classy America!!!!!!.....

The camera goes off.

THE CAMERA GUY
And we are off the air.

Sean is really shocked and happy.

SEAN HANNITY
Oh wow. What I just saw
was...beautiful and very nice and
classy...you are the man.

WALTER BURGUNDY
Oh thanks Sean.

CUT TO:

Brandon watching on TV.

BRANDON TAMLAND
(angry voice)
NOOOOOOOOOOOOOOOOOO GOD FUCKING DAMN
IT!!!!!! NOOOOOOOOOOOOOOO!!!!!! FUCK
I REALLY HATE FOX NEWS AND I
FUCKING WALTER BURGUNDY AND HIS
STUPID HAIR AND HIS STUPID SMILE
AND I JUST WANT TO FUCKING KILL
HIM!!!!!! I'M A BETTER ANCHORMAN
THEN YOU ARE AN I WORK AT

BRANDON TAMLAND (CONT'D)
(angry voice)

CUT TO:

Walter is in the news room with the Fox news people.

BRET BAIR
I watched everything, I mean you
had guts to go after Obama like
that and your interview with Bush
was amazing.

WALTER BURGUNDY

I think when I was interviewing him
I just tried to think back to when
my mom interviewed that one prince
in the 1980s.

BILL O RILEY

Yeah I can tell you have guts kid.
And the battle here has just begun.
And I can tell from your voice you
are a fighter as well.

WALTER BURGUNDY

Oh thanks Bill. I appreciate that a
lot sir.

CUT TO:

Walter goes to his 2nd apartment in Washington DC and his
cell phone rings and he answers the phone.

WALTER BURGUNDY (CONT'D)

Hello?

MICHAEL GOLDENSTONE

Walter it's Michael.

WALTER BURGUNDY

Hey Michael, what's up man?

MICHAEL GOLDENSTONE

I'm doing good buddy. We saw
everything and that interview with
the president and the press stunt
as well.

WALTER BURGUNDY

Thanks man, don't worry I'm not
leaving this is just a part time
thing.

CUT TO:

Everyone is by the phone.

MICHAEL GOLDENSTONE

Oh and Terrell wants to talk to you
as well.

Michael hands the phone to Terrell.

TERRELL MAGIC RICE

Walter did you end up finding Magic
and Kobe in Washington DC?

WALTER BURGUNDY

Ah no Terrell but I do work with some beautiful ladies at Fox news and they all horny and they are single and ready to mingle.

TERRELL MAGIC RICE

Oh yeah I have to go over there and hook up with them.

DEANGELLO ICE MAN PHILLIPS

Yeah I don't think that's such a good idea my guy. But Walter hommie, keep doing what your doing and we will be up there to see you very soon.

CUT TO:

Walter on the phone with all of them.

WALTER BURGUNDY

Oh yeah for sure DeAngello my man. Anyway I gotta go to bed but I'll see you guys in a few weeks and we have to have some drinks and throw a party in Miami when I come back.

MICHAEL GOLDENSTONE

Oh yeah for sure man.

Walter hangs up the phone and he goes to bed.

CUT TO:

All of a sudden another blonde woman knocks at the door.

LAURA INGRAHAM

WALTER BURGUNDY

Yeah I think I have to cover the new bill that President Bush wants to pass and then also reporting on more on the left that want to pass this so-called "obama care"

LAURA INGRAHAM

Yeah it's just an extension of LBJ's great society but with a different color paint to it. I'm sorry I'm such a bad girl, Laura Ingram.

WALTER BURGUNDY

Walter Burgundy.

WALTER BURGUNDY (CONT'D)

Wow!!! Man you look very beautiful and very gorgeous and very stunning and I love your golden body as well.

Laura laughs.

LAURA INGRAHAM

Oh I love you already. Are you single?

WALTER BURGUNDY

Sadly I'm taken and have a girlfriend but my co workers in Miami are single, Especially my co worker Terrell. He has a thing for blonde ladies especially if they like to be naked.

SEAN HANNITY
Holy shit!!! Walter that was
amazing man, how did you do all the
stuff?!...I can't even workout like
that to same my life.

WALTER BURGUNDY

MARTY WILLARD
 Oh well that's the thing big Walt,

BRANDON TAMLAND

 spirit of this country. And I will
 be bigger then my dad could have

WALTER BURGUNDY

(angry tone of voice)

BRANDON TAMLAND

Oh you mean old and dumb man Brick, that shit-head didn't know to take care of me and social services took me away and I was raised in China and in Cuba and I learned why those countries rock and America sucks...and like I said before, you step on us, we will ruin you and make sure you never have a career.

WALTER BURGUNDY

Well your dad was not the smartest guy in the world but he had a huge heart and loved everyone including my dad, you are nothing spit to his name.

BRANDON TAMLAND

Oh what are you going to do to stop us. Face it Walter, that punches and kicks and masculine stuff does not work here, and if your not part of the rich class, you get burned very badly Big Walt.

BRET BAIR

MARTY WILLARD

CUT TO:

EXT. THE CAPITOL BUILDING - AFTERNOON

Walter is back in the building and he starts doing a lot of
investigative work and writing down things.

Walter ends up sneaking into the building and records Senator
Obama and Senator Biden talking.

SENATOR BARRACK OBAMA

Well Joe, so far my plan is working
for me to run in 2008.

SENATOR JOE BIDDEN

Why you don't run in 2004?

SENATOR BARRACK OBAMA

Because I want to see Kerry loose
and we all know he has no chance
against Bush, and also have you
seen the guy talk, he sounds wooden
and plain, he's a like a white guy
that sounds like spoiled milk.

SENATOR JOE BIDDEN

Yeah I agree Barry. And also Hunter is doing really good making deals in China and Ukraine as well. I'm very proud of him.

SENATOR BARRACK OBAMA

Where is he now? I always hear good things about Hunter.

SENATOR JOE BIDDEN

Yeah he's at Georgetown right now at the basketball game there.

SENATOR BARRACK OBAMA

Well I gotta go, I have things to do.

Walter keeps on following them. And they go into a private room.

Walter puts a bug in the room to record everything.

CUT TO:

They are all sitting down.

CHINESE BUSINESSMAN 1

So Mr. Biden, you think this medicine is going to cure everyone and make us a lot of money?

HUNTER BIDEN

Of course it will, these drugs not only will be better than Viagra and others but it will also make people really messed up, I call the covid vaccine. It's supposed to heal people but it will actually mess up everyone and then we fool people into taking it and do a bunch of bull shit commercials. And then people will end up voting for Senator Obama and have my dad be his vice president in the future. People will eat it up like candy.

SENATOR JOE BIDEN

Oh I love the sound of that son.

SENATOR BARRACK OBAMA

Also if they come out well, I will have 2 terms and this will crush all my critiques including President Bush who are attacking me because of my full name. But soon I will gain control and people will bow to me and nobody will know anything.

CHINESE BUSINESSMAN 1

Well we can fund your campaign Mr. Obama and make sure your opponents never win and the truth is always made up as well.

BRANDON TAMLAND

And we also love your money you give us as well.

CHINESE BUSINESSMAN 1

Oh yeah I have been able to buy all the media companies like crazy including Disney. And so far we will own all the local news as well.

Walter listens to the whole thing. And Walter starts shaking his head and gets all his information.

As Walter is leaving, he trips the camera picks it up.

CUT TO:

They see Walter on the camera.

HUNTER BIDEN

Walter keeps on running and Walter gets to the stands and
Walter starts fighting the security guards and throwing a lot
of punches.

SECURITY GUY 1

Hand over the tape right now. You
are committing crime against
America!!!!!!

WALTER BURGUNDY

No you guys are!!!!!!

Walter ends up throwing a lot of punches and kicks and
tackles at the security guards and beats them up really bad.

Walter causes more trouble and more fighting and more
security guards come as back up.

Walter does more fighting moves and more punches and kicks.

Walter keeps on running around the arena and more guards are chasing him like crazy.

Walter ends up throwing a lot of basketballs at them.

CUT TO:

Hunter and Joe and Barrack see what is going on.

HUNTER BIDEN

Somebody stop that guy!!!!!!!

CUT TO:

Walter keeps on fighting more guards and doing a lot more fighting tricks and all of a sudden Walter gets tasered and electrocuted by Senator Obama and Walter falls down.

And Walter feels really weak.

SENATOR BARRACK OBAMA

Well long time no see kid. You know the last time I saw you, you were being really critical and not very nice to me.

WALTER BURGUNDY

I know everything about you and your running mate and your true agenda and how you hate America. And how much of a shit-ball you truly are.

SENATOR JOE BIDDEN

Well you should understand how powerful and wealthy my family really is and I don't want my son to get exposed to the public.

WALTER BURGUNDY

Your son is nothing but anti-American criminal and a communist. You and shit-ball are everything America is against.

Marty and Brandon show up.

MARTY WILLARD

Well you better get use to it kid, because very soon, I will destroy everything you built.

BRANDON TAMLAND

I'll throw him off the building.

They all start laughing and they end up throwing Walter off the building and injuring Walter really badly. And Walter gets taken to the hospital.

FADE TO:

WALTER BURGUNDY

I refuse to believe that, I will get better and go back to being normal again.

CHAMP KIND

BRICK TAMLAND

You had a good run Walter. But overall not strong enough to kill me and with this sword I'm going to kill you in big time burning death.

WALTER BURGUNDY

You know something Marty, the news gods notice a lot on how you and your mainstream anchors hate America and I think you have no connection to either of them at all.

Marty starts laughing and mocking Walter.

MARTY WILLARD

WALTER BURGUNDY

Yeah it wasn't easy but I pulled through.

The giant peacock starts making some noises.

And it starts to talk.

THE GIANT NBC PEACOCK

All of you will always be blessed.
And Walter you have honored your
mom and dad and defeated the
mainstream media anchors. And they
might have destroyed my news
company. But I know who the true
anchors are. And Walter this is for
you.

The NBC peacock all of a sudden gives Walter a medallion and
Walter wears around his neck.

WALTER BURGUNDY

Thanks.

THE GIANT NBC PEACOCK
