STEFAN

Stefan listened to the other person on the phone, a voice was heard:

(CONTINUED)

VOICE ON THE PHONE (O.S)
Didn't Bernitt's letter say that the rebels whose identities were known to mingle in the party would then be arrested at once?

STEFAN
Yes, I know, but my wife? Look, even if my wife is close to my brother she is unlikely to comply with a very strange request. It's just my brother's excuse.

VOICE ON THE PHONE (O.S)
Then why after you refused your brother committed suicide and 7 congressmen died mysteriously?

STEFAN
I don't know, everything will be clear when I get to the United States.

VOICE ON THE PHONE (O.S)
more clearly? It's not that simple.

ARNOLD (CONT'D)

She is still 5 years old. Really cute.

Step towards the projector then turn it on.

ARNOLD (CONT'D) (cont'd)

Think of it as your home, Me and Bernitt as father and son. You can also call me papa. Sorry, I shot it on a projector, but it's very elegant, right?

As he walked into his chair the projector began to show a countdown of 5 ... 4 ... 3 ... 2 ... 1 ...

Arnold Returning to his chair, Arnold and Stefan watched the video from the projector, Stefan watched carefully. The video in the projector shows:

Bernitt and Arda are in a room, someone is lying weak, occasionally he is coughing, someone is weak in bed saying:

SOMEONE IN THE BED

This is a private talk with Bernitt, you better be outside, Arda.

Arda left the room, from outside she closed the door, the camera shot when she was outside, she closed while facing the back, the camera shot by establishing shot, when the door was closed the room became dim.

SOMEONE IN THE BED (cont'd)

Listen...

The projector turned off suddenly along with Arnold's face growling.

ARNOLD

Sorry, that's the only video left.

Stefan punched the table hard.

STEFAN

Son of a bitch!

Arnold casually said:

ARNOLD

Relax, your wife is sent out of the room, so the plan is known only to the mysterious man and Bernitt.

(CONTINUED)

STEFAN

(raise voice)

But at least Arda knew what thorny problem they were going through! Even though Arda doesn't know that stupid matchmaking! Arda said she doesn't know anything! Obviously she's lying!

MICAH

Yes. I don't intend to mention his name either. Thank goodness you didn't know.

STEFAN

I know my wife is close to my brother, but now I think their relationship is broader.

MICAH

Then?

STEFAN

Then why don't I know?

MICAH

Come on ... You know.

Stefan paused in surprise.

MICAH (CONT'D)

Where have you been all this year?

STEFAN

What do you mean?

MICAH

You were also in the house when Bernitt and he talked about something.

STEFAN

None of the voices from the people I called resembled that person.

MICAH

I'm not playing with you, they're all members, so that's all I can do.

STEFAN

(shocked)

Member? Whats do you mean member?

MICAH

(talk while laughing)

Well, looks like I missed it. There is no other way, I have to do it.

STEFAN

Do what?

Micah opened his sunglasses, stood up, walked towards the middle of the road and stopped right in the middle, he opened his hands wide and smiled, he said:

MICAH

I am home.

GARCIA

You said lightning hit the taxi that hit Micah to death and then you passed out and were here, right?

STEFAN

Yes, that is so. I remember very well.

GARCIA

Did you hear the explosion?

STEFAN

I forgot, it was only the strike, not the sound, that I remember.

GARCIA

Your testimony cannot be proven, the taxi driver is still alive.

Stefan gasped.

STEFAN

Still alive?

GARCIA

It seems that a taxi struck by lightning is only in your delusions. Immediately contact the party who can restore you.

(talking to one of the people standing)

(CONTINUED)

Call him here.

ONE OF THE PEOPLE CONTACTING STEFAN

Okay.

The man walked over, spoke to the policeman standing by the door, then the policeman guarding the door asked someone to come in.

Roby (37) who was small, with long curly hair and thick glasses entered, he immediately went to Stefan's bed. After arriving in front of Stefan, he bowed his head.

ROBY

I am Roby who yesterday hit Mr. Micah, I was really careless, did not see anyone stretching his arms standing in the middle of the road.

Stefan gaped.

GARCIA

He got out of the car 10 minutes after hitting Mr. Micah, no one saw or heard the lightning but you. Rudy was ten minutes into the cab out of fear, lots of eye pain, maybe almost anything that filled the street.

Stefan was still gaping, he then felt thirsty.

STEFAN

I'm thirsty. I need water.

Garcia asked another person.

GARCIA

Anxiety?

THE PEOPLE WHO DID GARCIA

Possibility.

Garcia took the water container that was on the table, he also took the glass on the table then poured the water into the glass.

GARCIA

GARCIA

You can?

Roby was nervous, he nervously replied:

ROBY

But I said I'll be home soon when the case is over, since this is over I think now I can go home.

GARCIA

Tell your wife you happened to meet a middle school friend at the location.

Roby was silent for a moment, he was like a clumsy person, and a few minutes later he replied:

ROBY

O...Okay.

The camera slowly approaches the clock on the table that is being put down, the second hand is ticking, the coughing sound of the patient, the patient's visitor, the nursing nurse, the checking doctor, and Garcia and his colleagues who are leaving the location can be heard clearly changing. Gradually the sunlight began to dim, very slowly the light shining on the wall slowly darkened.

Cameras shot in total, Roby took a seat he daydreamed. Stefan lay looking at a grandmother who had been put on an IV. Shot on the grandmother, the 65 year old Asian grandmother is seen gasping for breath. The camera refocused on Stefan.

STEFAN

You know God is the greatest designer, not that man.

Roby snapped out of his reverie.

ROBY

Wh ... What?

STEFAN

It is nothing. How many children do you have?

(CONTINUED)

ROBY

This year my third child will be born.

STEFAN

Thank God.

ROBY

I hope he will be born amidst the laughter of the crowd.

STEFAN

I hope so. Change the world

ROBY

(chuckles)

Yes. For better or for worse.

Stefan chuckled, then he said:

STEFAN

Can I play over to your house after I recover?

Roby was silent for a moment, he coughed, and answered:

ROBY

No problem.

The camera that was looking at the wine being poured into the glass slowly broadened its vision. Stefan's upper body was awakened, while Stefan's lower body was relaxed, Roby was massaging Stefan's lower body.

ROBY

You didn't call me wrong. Before being able to rent a car for a taxi I was a house-to-house therapist.

STEFAN

My wife always says, there is never a coincidence, even when I sleep with bedbugs of the universe and God is actually planning five steps and I say forward.

ROBY

Your wife is definitely religious.

STEFAN

I don't care because I don't believe it. I think I'm getting drunk.

ROBY

Just half a glass of wine?

STEFAN

Drunk on religion, you bastard!

Stefan laughed, Roby was confused for a moment, then Roby laughed.

Pause for a moment.

Roby returned to massage Stefan's legs. Stefan moved his body a little to take the wallet on the table, Roby glanced for a moment, he was nervous.

ROBY

No need to pay.

STEFAN

This is for the pizza guy, is he downstairs already?

ROBY

(blush)

Oh. Forgive me.

STEFAN

I did intend to pay you but with Pizza, I also buy it for your family at home. Your son likes pizza, right?

Roby stopped massaging

ROBY

How do you know?

Roby was scared, he slowly stepped back into a sitting position. Stefan sat down, he took and turned on his cellphone, opened the Facebook messenger and showed Roby, a chat between Stefan and Maurice was seen, the contents:

Maurice:

When my dad gets a massage, give me tips on Pizza, all for me, because I really like it. Okay, boss?

Below that is also a photo of a smiling Maurice

STEFAN

Your son ordered.

ROBY

(grunts)

That damn kid.

Roby was silent for a moment then he stood up and sat beside Stefan, he looked at Stefan who was sitting holding a glass.

ROBY (cont'd)

Are you still thinking about the case? Everyone has forgotten it, it's been about 3 months, just let the police move.

Stefan looked at Roby, then he looked back to the front, he held the glass filled with wine tilted and shook it left and right. Then the bell rang, Stefan got up.

(CONTINUED)

Don't write it openly on the table, but write it in a way so that no one or no camera sees, I know even though this place is quiet this place has CCTV. And after writing on paper, try only for ourselves to see my question or your answer.

Arnold laughed very loudly, at the same time the burger order came. the waiter put the burgers on the table.
