What is that grandpa?

JEFFERY JEFFSON

That my boy...Is a mountain. A Mountain called Topolis, where 3 classes of society lives in.

SKIPPY MCDUSTY

Classes, like in school? So it's a giant school?

MAY MA

No silly. Classes of society are divided into 3 classes, lower, middle and upper class. People who live in the same social class typically share a similar level of wealth, educational achievement, type of job, and income.

JEFFERY JEFFSON

But due to the fact that the 3 classes are divided into 3 sections, lower at the bottom, middle in the middle, and the upper class at the top they don't live in the same social classes.

SKIPPY MCDUSTY

(smiles)

Someday I want to go to Topolis.

(CONTINUED)

MAY MA

If you're going to Topolis someday,  
you'll meet a lot of people, see  
lots of things.

Jeffery pulls out a rat out from behind his back and holds  
it by it's tail to Skippy. Skippy looks scared and nervous  
as he sees the rat in front of his face.

JEFFERY JEFFSON

And lots of rats.

Skippy SCREAMS and hides behind May Ma.

SKIPPY MCDUSTY

(freaks out)

Ewww, Ewww, Ewww. Rats are scary  
and hairy I don't like them.

MAY MA

Now, now Skippy you won't see a lot  
of rats in Topolis.

SKIPPY MCDUSTY

That's good, but there is 1 thing I  
want to do when I go to Topolis.

JEFFERY JEFFSON

And what is that?

Skippy looks up to Topolis in the distance and smiles at it.

SKIPPY MCDUSTY

(smiles)

To unite all of the classes into 1  
big society, so people can live  
together in 1 class.

of this place.

JEFFERY JEFFSON

Yes...Everyone here has a story.

ARCHIE in his 70's, creative, cunning, thoughtful, has a  
grey beard and green eyes, is eating his dinner.

BRENDON

Archie was a salesman, but he  
failed for not making too many

GOLDA ZEVEL  
May Ma?

DOTTY  
(food in his mouth)  
Is she like your grandmother?

SKIPPY  
Something like that.

MAY MA  
I am more like his guardian, he  
treats me like I'm his grandmother.

JEFFERY JEFFSON  
(smiles)  
Around here, we treat each other as  
family.

Golda and Dotty look around the campfire seeing all of the villagers LAUGHING, smiling and getting along.

GOLDA ZEVEL

(CONTINUED)

BRENDON

What are people like at the top of Topolis?

GOLDA ZEVEL

Some of them are snotty and rude, and some of them just think about themselves.

JEFFERY JEFFSON

So it's a place full of greedy people eh?

GOLDA ZEVEL

Looks that way.

SKIPPY MCDUSTY

But around here we are not greedy, we treat each other nicely and friendly.

DOTTY

(food in his mouth)

I guess things around here are different.

Dotty SWALLOWS his food. Golda picks up Dotty and pets him.

GOLDA ZEVEL

(smiles)

It seems so.

Jeffery POURS a bucket of water on the fire putting it out.

JEFFERY JEFFSON

Anyway it's time for bed for everyone.

GOLDA ZEVEL  
(grossed out)  
How could this be home sweet home  
if it looks like this?

BRENDON  
(smiles)  
It may look like this, but it's  
home to us.

SKIPPY MCDUSTY  
And since you are our guest you get  
the guest bed.

slime, or anywhere dirty.

JEFFERY JEFFSON  
It looks like that Golda, but it's  
way we live.

Dotty is SPLASHING in a damp pillow.

leans against the window and looks through it.

GOLDA ZEVEL (V.O)

At least we're heading out in the  
morning. Once me and Dotty are  
home, I'm going to relax. I wonder  
how everyone else are doing right  
now?

Our oath is kept until it's through.

GOLDA ZEVEL  
That is the most disgusting oath I had ever heard of.

steps out of Royalron.

JULIE Z

You never let literally anyone out  
of Royalron.

MADAM Z

And Golda is the only 1. Take a  
task force with you to  
that...Disgusting garbage lands and  
pick her up.

JULIE Z

(smiles)

Yes mother.

Julie stands up from the floor and walks out of the throne  
room.

MADAM Z

Oh and by the way Julie...

Julie turns around to face Madam Z again.

MADAM Z (CONT'D)

Destroy anyone who gets in your  
way.

JULIE Z

(smiles)

Yes mother.

Julie walks down the red carpet and exits out of the throne  
room. Madam Z stands up from her throne and looks out the  
window with her hands behind her back. She smiles evilly  
while staring through the window.
