INT. MOUNTAIN TOP OBSERVATORY NIGHT TIME

EPIC SCI-FI CLASSICAL MUSIC IN THE BACKGROUND. At a Mountain Top Observatory a YOUNG SCIENTIST in his 30's, Caucasian and has blonde hair is looking through the telescope.

YOUNG SCIENTIST'S P.O.V

Through the telescope the Young Scientist sees the big dipper. He turns the telescope to a comet passing through space. The Young Scientist turns the telescope to the Aquarius constellation.

RETURN TO SCENE

YOUNG SCIENTIST

(smiles)

Wow this is amazing. It's my first day and I starting to have fun.

OLD SCIENTIST (O.S)

Now, now science is not about having fun, it's all about work.

The OLD SCIENTIST in his 70's, Caucasian and bald walks up to the young scientist with a cup of coffee in his hands.

YOUNG SCIENTIST

But dad you told me that science was fun and amazing, not about work.

OLD SCIENTIST

Those were the old days, but nowadays science is now about work. Now get to work before something else happens.

Suddenly the observatory starts to SHAKE. THRILLING CLASSICAL MUSIC IN THE BACKGROUND. The Young and Old Scientist look worried and have confuse looks on their faces.

YOUNG SCIENTIST

What's going on dad?

(CONTINUED)

OLD SCIENTIST  
The telescope.

Suddenly the telescope starts to SHAKE and BREAKS out of the observatory.

YOUNG SCIENTIST  
We got to call the G.M.F right away.

FADE IN

INT. EDMONTON CENTRAL HIGH SCHOOL

HAPPY GUITAR MUSIC IN THE BACKGROUND. The next day at Edmonton Central High school, students are walking through the hallway.

Suddenly Addison comes running through the front door and jumps up and down for excitement. Harvey, James and Darcy walk into the school and up to Addison.

ADDISON "ADDY" MONKS  
(excited)  
This is great. I can't believe I'm in a actual high school!!!

HARVEY STONE  
Yes...We know.

DARCY DILLIANS  
Totally, but could you keep it down you're embarrassing us.

Then Rupert and Timmy walk up to them and sees Addison jumping up and down.

RUPERT SKYLAR  
Who's the crazy girl?

JAMES "JIM" JAYSON  
Let's just say that she is out of her comfort zone and she is from another planet.

(CONTINUED)

TIMMY "TIM" EELSON

We can see that, but had you guys  
seen the new boy, he's in a  
wheelchair.

MARCUS MAGNO 15 years old, Caucasian, kind, smart,  
spiritual, caring, easygoing and vivacious has hazel eyes  
and brown hair and in a wheelchair come through the front  
door.

DARCY DILLIANS

Who is he?

RUPERT SKYLAR

That chair kid's name is Marcus  
Magno. He was born with spina  
bifida.

ADDISON "ADDY" MONKS

What's that?

Olivia walks over to them.

OLIVIA MOHO

It's a type of discover that  
effects the body's legs, and leave  
you paralyzed from the waste down.

ADDISON "ADDY" MONKS

(ask Harvey)

Is she your girlfriend?

Olivia is embarrassed and starts to BLUSH.

OLIVIA MOHO

(embarrassed and panicing)

Girlfriend? Please...As if...I'm  
just a friendly classmate to  
Harvey.

ADDISON "ADDY" MONKS

I can sense your love for Harvey,  
do you love him?

OLIVIA MOHO

(panicing)

I'm telling you I'm not his  
girlfriend.

HARVEY STONE

We are just friends Addison, Olivia  
doesn't need to panic about it.

(CONTINUED)

OLIVIA MOHO

Yes of course, Harvey is right. And now if you excuse me I better get to class.

Olivia walks away from Harvey, James, Darcy and Addison. Olivia is excited and thrilled while walking down the hall.

OLIVIA MOHO (V.O)

What a thrill. That new girl totally knows that I love Harvey.

Marcus wheels over to Harvey, James, Darcy and Addison.

MARCUS MAGNO

(smiles)

Hello, it's my first day here, could you guys help me find room 14.

HARVEY STONE

(smiles)

It's down the hall on your left.

MARCUS MAGNO

(smiles)

Thank you eh. My name is Marcus by the way.

DARCY DILLIANS

It's nice to meet you Marcus, we heard about you are enrolling into our school.

MARCUS MAGNO

(smiles)

Yes I am. It will be hard for me to get around here.

JAMES "JIM" JAYSON

(smiles)

You can count on us.

Addison comes up behind Marcus and puts her hands onto the handles of his wheelchair.

ADDISON "ADDY" MONKS

Come on I'll take you to room 14.

Addison runs around the others while pushing Marcus. They go down the hallway to Marcus's class.

(CONTINUED)

HARVEY STONE  
(shouts)  
Wait up Addy.

Harvey, James and Darcy runs after Addison down the hallway.

CUT TO

INT. EDMONTON CENTRAL HIGH SCHOOL STAIRCASE

Addison pushes Marcus to the staircase. They look up at the staircase, and then Harvey, Darcy and James come up to Marcus and Addison, and then they look up at the staircase and then at Marcus.

HARVEY STONE  
(awkward)  
Uhhh...Yeah I forgot...The school  
didn't install a elevator  
yet...Sorry about this.

MARCUS MAGNO  
(smiles)  
On no worries, I can handle this.

Marcus then FLOATS in the air and GLOWING BLUE ENERGY APPEARS under his wheelchair. Marcus FLOATS upward to the second floor of the school. Harvey, James, Darcy and Addison run up the stairs to Marcus with surprise looks on their faces.

HARVEY STONE  
Did you just do that?

MARCUS MAGNO  
(smiles)  
Yeah I got magnetic powers. These  
powers can make anything magnetic  
and they can also make anything  
attract to metal and attract to  
each other.

JAMES "JIM" JAYSON  
Cool. And scientifically amazing.

Suddenly Harvey's phone VIBRATES. He takes it out from his pocket and looks at it.

HARVEY STONE  
Marcus we better get going now. We  
will talk to you later.

Harvey, James, Darcy and Addison run downstairs.

(CONTINUED)

FADE TO

INT. G.M.F MASTER MOUNTIE'S OFFICE LATER

Later at Master Mountie's office, Master Mountie is sitting up at his desk with Harvey, James, Darcy and Addison sitting across from his desk.

MASTER MOUNTIE

Good to have you here. And Addison  
I hope you had a wonderful first  
day .

ADDISON "ADDY" MONKS

(hyped)

It was a blast. I really love it.  
My favorite part of school was  
climbing on the big statue.

DARCY DILLIANS

Yeah she did that when she was  
chasing after her.

MASTER MOUNTIE

A Little animal she is. Now on with  
the mission.

Master Mountie presses a button on his keyboard causing a HOLOGRAM PROJECTION of several images of stolen high tech equipment.

MASTER MOUNTIE

Around the world there had been  
several high tech equipment,  
including a giant space telescope  
being taken away.

JAMES "JIM" JAYSON

What do they want with those?

DARCY DILLIANS

(bored)

Maybe he hates nerd stuff.

HARVEY STONE

Or maybe he is a collector

MASTER MOUNTIE

Those are good theories, but no.  
Now I want you kids to protect a  
the big hardon collider in  
Switzerland, that could be the next  
target.

(CONTINUED)

JAMES "JIM" JAYSON  
(excited)  
You mean the 1 in Switzerland?

ADDISON "ADDY" MONKS  
(excited)  
Switzerland, we're going to  
Switzerland? What's Switzerland?

MASTER MOUNTIE  
(smiles)  
It's a Country. Now, you must go to  
Switzerland now.

Harvey, James, Darcy and Addison walk out of the office.

FADE TO

EXT. LARGE HADRON COLLIDER GENEVA SWITZERLAND,  
FRANCE-SWITZERLAND BORDER

SWISS CLASSICAL MUSIC IN THE BACKGROUND. Harvey, James,  
Darcy and Addison arrive at the large hardon collider.  
Addison has a confuse look on her face wondering where the  
hardon collider is.

ADDISON "ADDY" MONKS  
(confuse)  
So where is the collider?

JAMES "JIM" JAYSON  
It's underground.

ADDISON "ADDY" MONKS  
Why is it underground?

JAMES "JIM" JAYSON  
To reduce the environmental impact  
of the Collider and associated  
activities.

DARCY DILLIANS  
(bored)  
Now that's just plain silly.

EVIL THRILLING DANGER CLASSICAL MUSIC IN THE  
BACKGROUND. Suddenly the ground starts to SHAKE. James looks  
scared and worried. He hides behind Harvey and kneels down.

JAMES "JIM" JAYSON  
(worried)  
What's going on

(CONTINUED)

DARCY DILLIANS

The Ground is shaking, duh.

Suddenly the ground CRACKS UP and BREAKS OPEN. And the large hardon collider BREAKS out of the ground, and FLOATS into the air. Harvey, James, Darcy and Addison are surprise to see the large hardon collider floating in the air.

ADDISON "ADDY" MONKS

What is that?

JAMES "JIM" JAYSON

It's the hardon collider. It's floating in the air.

HARVEY STONE

Is that a bad thing?

JAMES "JIM" JAYSON

Yes it is, look.

James points his finger to the hardon collider, and a BLACK HOLE APPEARS in the middle of the collider. The black hole starts to SUCK everything into it.

Harvey uses his ICE POWERS to FREEZE his, Addison's, James' and Darcy's feet to the ground so they won't get sucked into the black hole.

JAMES "JIM" JAYSON

It must be the person who is doing this to the collider. If he rips the collider out of the ground, this happens.

HARVEY STONE

So to stop it is to put it back into the ground.

SCIENCY THE SCIENTIST (O.S)

Not Exactly.

Sciency MAGICALLY APPEARS out from James' head and stands next to James.

JAMES "JIM" JAYSON

Addison this is 1 of my imaginary friends Sciency the Science Guy.

ADDISON "ADDY" MONKS

(smiles)

It's nice to meet you to.

(CONTINUED)

HARVEY STONE

Anyway we are getting sidetracked,  
so why isn't it a good idea to put  
the collider back?

SCIENCY THE SCIENTIST

Because it will suck the Earth into  
the black hole.

Suddenly Harvey and friends FLOAT in the air by the force of  
the black hole. Harvey and friends grab hold onto the  
fencing of the hardon collider and hold onto dear life.

SCIENCY THE SCIENTIST

The only way to stop this is to  
transport the black hole to  
somewhere else.

DARCY DILLIANS

Like another Universe?

SCIENCY THE SCIENTIST

(smiles)  
That could work.

Darcy uses her DARK MANIPULATION POWERS to CREATE a GIANT  
BLACK HOLE. James closes his eyes and SPARKLY MAGICALLY  
APPEARS out from his head and FLIES into the air.

SPARKLY THE SPRITE

What do you need help with James?

JAMES "JIM" JAYSON

(shouts)  
I need your magical dust to push  
that black hole into that black  
hole.

SPARKLY THE SPRITE

(shouts)  
I'm on it eh.

Sparkly SPRAYS MAGICAL DUST out from her hands, and pushes  
the hardon collider black hole into the other black hole,  
and causing both of them to DISAPPEAR.

DARCY DILLIANS

I sent that black hole to a  
Universe where they don't have a  
black hole.

(CONTINUED)

SCIENCY THE SCIENTIST  
That's excellent.

HARVEY STONE  
Now we have to find out who did  
this.

EVIL THRILLING MUSIC IN THE BACKGROUND. Suddenly a car falls down from the sky. Harvey FIRES LIGHTNING BOLTS out from his hands at the incoming car hitting it and causing it to EXPLODE.

Suddenly more cars, trucks, fences, trees, rocks and boulders FLOAT into the air and levitate over Harvey, James, Darcy and Addison. They look up in the air and see MADDOX MAGNO in his 50's Caucasian, cruel, selfish, mean, destructive, and evil, bald and has blue eyes, is FLOATING in the air.

MADDOX MAGNO  
(mad)  
Are you the ones who created that  
black hole that sucked the collider  
in it?

DARCY DILLIANS  
(bored)  
Yeah, that was me who made that  
other black hole. Why?

MADDOX MAGNO  
(mad)  
I was going to use that for a  
machine I'm working on.

HARVEY STONE  
First of all who are you eh? And  
why are you after these machines  
eh?

MADDOX MAGNO  
(mad)  
My name is Maddox Magno, and I  
needed that for a machine to build  
the ultimate weapon never seen  
on Earth. The hardon collider was  
part of the plan, but now it's  
gone, so I have to improvise.

HARVEY STONE  
Not if we have anything to say  
about it.

(CONTINUED)

Harvey FIRES a LIGHTNING BOLT out from his hands at Maddox. Maddox uses his MAGNET POWERS to take control of the Lightning bolt and throws it back at Harvey. Harvey ABSORBS the lightning bolt into his body.

HARVEY STONE

(surprise)

I didn't knew that my lightning bolts can go that fast?

ADDISON "ADDY" MONKS

(crazy)

How about he can try this on for size.

Addison FIRES her banana shape bazooka at Maddox. Maddox uses his MAGNETIC POWERS on the incoming missile and pushes it away from him. The missile ZOOMS to the ground and EXPLODES on impact, causing Harvey and friends to fall to the ground by the force of the impact of the missile.

ADDISON "ADDY" MONKS

(surprise and shocked)

What was that about?

SCIENCY THE SCIENTIST

It could be his powers. His powers are doing this.

HARVEY STONE

His powers look familiar eh. Like he has the same powers like from someone we know?

DARCY DILLIANS

(mad)

Let's figure that out later, but now it's time for Maddox to listen up.

Darcy SCREAMS at Maddox, causing STRONG SOUND WAVES to come out from her mouth. Maddox gets hit by the sound waves, causing him to GRUNT and fall to the ground and CRASHES on impact.

Maddox raise his hand behind him and uses his powers to make the doors to hardon collider building to RIP off and LAUNCHES them to Harvey and friends.

Harvey FREEZES the incoming doors with his ice beams, causing them to FREEZE in solid lize. Harvey FIRES LIGHTNING BOLTS out of his hands at the incoming doors, causing them to SHATTER into pieces.

(CONTINUED)

MADDOX MAGNO  
(evilly smiles)  
Maybe it's time for you and you're  
friends to stick together.

Maddox FIRES ENERGY BEAMS out from his hands at Harvey and friends. Harvey and friends are magnetically charges and slam into each other causing them to attach to each other. Harvey and friends struggle to break free from each other, but the magnetic charges just make it worse for them.

MADDOX MAGNO  
(evilly smiles)  
Now that you are attracted to each  
other, there's no way you can stop  
me.

Maddox uses his MAGNETIC POWERS to FLY into the air and away from Harvey and friends.

FADE TO BLACK

END OF ACT 1

FADE TO

ACT 2

INT. G.M.F LABORATORY LATER

SCI-FI TECHNO MUSIC IN THE BACKGROUND. Back at the G.M.F in the laboratory, Harvey, Darcy, James and Addison are still attached to each other. Jolyne, Professor Nick and Professor Edward walk up to them with odd looks on their faces, while looking at Harvey and friends attached to each other.

PROFESSOR NICK  
Talk about a magnetic personality  
eh?

PROFESSOR EDWARD FREDRICK  
How did you guys ended up like  
this?

HARVEY STONE  
We got hit by a mad man who has  
magnetic powers.

DARCY DILLIANS  
(disgusted)  
And it's very terrible. I refuse to  
be like this forever.

(CONTINUED)

Master Mountie walks into the laboratory and walk up to Harvey and the others.

MASTER MOUNTIE  
(smiles)  
Talk about friends sticking  
together eh. Hahahahaha.

Darcy looks disappointed and she struggles to break free from the others, causing them to SHAKE in the process.

MASTER MOUNTIE  
Allow me to help you with this.

Master Mountie waves his hands, causing SPARKLING WHITE ENERGY to come out from them. The Energy SPRINKLES down onto Harvey and friends, and they all get separated from each other, and collapse to the floor.

JAMES "JIM" JAYSON  
(smiles)  
Hey it worked

ADDISON "ADDY" MONKS  
(smiles)  
I know eh. Now what?

JOLYNE AQUATICK  
Now we have to find out why Maddox  
is doing all of this.

Jolyne places her tablet onto the table, and presses on it, causing a HOLOGRAM PROJECTION of pictures of the stolen high tech equipment that Maddox took.

HARVEY STONE  
Now we know that he took a  
telescope, some high powered  
industrial batteries, satellite  
dishes, solar panels, a radio tower,  
a high power engine and rockets.

DARCY DILLIANS  
Good thing we got rid of the Hardon  
Collider before he uses it for the  
machine.

Professor Edward places his laptop onto the table, and presses a button on it, causing a PROJECTION HOLOGRAM of a giant circular gate to appear.

(CONTINUED)

PROFESSOR EDWARD FREDRICK  
Guys I looked up the blueprints to  
the things that Maddox needs to  
complete his device.

JOLYNE AQUATICK  
According to these blueprints they  
are designed to make a device that  
is called Project Resetter. A type  
of machine that can recreate the  
world in anyone's image.

JAMES "JIM" JAYSON  
(worried)  
If that machine gets built in the  
wrong hands, it will be  
catastrophic.

PROFESSOR NICK  
And if he uses something else then  
the hardon collider, it will be  
catastrophic.

DARCY DILLIANS  
(a little worried)  
I am thinking the same thing too.

ADDISON "ADDY" MONKS  
(scared)  
I wonder what world would Maddox  
will make out of it?

PROFESSOR EDWARD FREDRICK  
That man you described has magnetic  
powers. All we need to do now is to  
find a person who has the same  
powers. My theory is that if there  
is another person with the same  
magnetic powers that he has, it  
will stop him.

HARVEY STONE  
(smiles)  
And I know just the guy eh.

FADE TO

INT. EDMONTON CENTRAL HIGH SCHOOL STUDYHALL LATER

Later back at Edmonton Central High School, Marcus is sitting in the middle table in the study hall. Suddenly his pencil SNAPS, and the tip of it breaks off.

Marcus looks around to make sure no one is looking at him. Marcus uses his MAGNET POWERS on his pencil, causing the tip of his pencil to attach back to his pencil.

Harvey, James, Darcy and Addison walk into study hall and walk up to Marcus.

HARVEY STONE

Marcus, we need you for something.

MARCUS MAGNO

Why, what's the matter?

ADDISON "ADDY" MONKS

You know that you told us that you have magnetic powers?

MARCUS MAGNO

Yes I do...Is this something to do with my dad?

DARCY DILLIANS

Wait, you're dad is Maddox?

MARCUS MAGNO

(sadly disappointed)

It's true, my dad is Maddox. My parents devours when my dad got his magnetic powers, after drinking a Power-Up Energy Drink with the same power. Now he went mad and uses his powers for evil.

DARCY DILLIANS

That's why he is using his powers to steal all of these high tech machines, to make a device that can change the world, for the worse.

JAMES "JIM" JAYSON

That's why we need your help to stop him.

MARCUS MAGNO

(worried)

I don't know about that, what if my dad is too strong for me. And I don't want to hurt him eh.

(CONTINUED)

HARVEY STONE

Come on we need you. The G.M.F  
needs you, and if you can help us,  
we can recruit you.

Marcus still looks worried about the idea of fighting his  
dad.

DARCY DILLIANS

(bored)

If you help us, we will have the  
G.M.F to install an elevator for  
the school.

MARCUS MAGNO

(smiles)

Let's do it.

FADE TO

EXT.TEVATRON PARTICLE ACCELERATOR BATAVIA ILLINOIS DAYTIME  
LATER

EVIL THRILLING CLASSICAL MUSIC IN THE BACKGROUND. Later at  
the Tevatron Particle Accelerator at Batavia Illinois,  
Maddox FLOATS down from the sky and lands on the ground.

MADDOX MAGNO

The Large Hardon Collider was  
destroyed, but I can improvise with  
the Tevatron Particle Accelerator.  
What could go wrong?

DARCY DILLIANS (O.S)

How about utter world destruction.

Maddox turns around and sees Harvey, James, Darcy, Addison  
and Marcus are behind him.

MADDOX MAGNO

(surprise)

Marcus?

MARCUS MAGNO

(sad)

Sorry dad, I have to do this. I  
have to fight you.

MADDOX MAGNO

(begging)

Please Marcus, don't do this. I can  
change the world, and go back in

(MORE)

(CONTINUED)

MADDOX MAGNO (cont'd)  
time to prevent the devourse from  
happening.

James closes his eyes and Sciency the Science Guy APPEARS  
out from James' forehead.

SCIENCY THE SCIENTIST  
Sir, we are warning you, if you  
uses a particle accelerator instead  
of the Hardon collider as part of  
your machine, it will destroy half  
of the world not to change it.

Maddox looks sad and then becomes mad.

MADDOX MAGNO  
(serious)  
Sorry son, but I have to do this.  
Even if I destroy the world in the  
process.

ACTION ROCK AND ROLL MUSIC IN THE BACKGROUND. Maddox uses  
his MAGNETIC POWERS on some trees and LAUNCHES them towards  
Harvey and friends.

Marcus uses his MAGNETIC POWERS to stop the incoming trees,  
making them FLOAT in the air. Addison leaps onto the  
floating trees and leaps into the air.

ADDISON "ADDY" MONKS  
(crazy)  
Prepare for a 100% chance of  
pain!!!

Addison swings down her wooden barrel hammer onto Maddox.  
Maddox uses his MAGNETIC POWERS onto her hammer, causing it  
to attach to the ground. Addison tries to pull it off of the  
ground, but it's still attached to the ground.

DARCY DILLIANS  
Looks like it's my turn.

Darcy SCREAMS a SOUND WAVE out of her mouth at Maddox,  
hitting him causing him to fall to the ground. Darcy uses  
her DARK MANIPULATION POWERS to CREATE GIANT BLACK HANDS to  
APPEAR behind Maddox. The Giant Black Hands grabs Maddox,  
but he uses his MAGNETIC POWERS on the giant hands, causing  
them to fall to the ground.

HARVEY STONE  
Time to put your dad on ice.

(CONTINUED)

Harvey STOMPS on the ground, causing a STREAM OF ICE to ROCKET towards Maddox.

HARVEY STONE  
Frost Stomp!!!

The Stream of Ice FREEZES Maddox in solid ice. Maddox uses his MAGNETIC POWERS to BREAK free from the ice. Maddox uses his MAGNETIC POWERS on 3 cars, causing them to FLOAT in the air. He throws them right at Harvey and friends.

Harvey PROJECTS a FORCE FIELD out of his hands, causing the incoming cars to hit the force field, causing them to CRASH into it.

JAMES "JIM" JAYSON  
(serious)  
I think it's time for Maddox to get a hug.

James closes his eyes and Captain Cuddles MAGICALLY APPEARS out from James' head and above Maddox. Captain Cuddles falls down onto Maddox and gives him a hug.

MADDOX MAGNO  
(mad)  
Get this freak of nature off of me!!!

CAPTAIN CUDDLE  
I'm not a freak of natures, I'm Captain Cuddles and I want to cuddle with you.

Maddox uses his MAGNET POWERS on Captain Cuddles, causing him to FLY off of Maddox and gets attached to a tree. Captain Cuddles hugs the tree that he is attached to.

MADDOX MAGNO  
(mad)  
Now it's your turn.

Maddox uses his MAGNETIC POWERS to make all of the cars, rocks, boulders, and the fencing around the particle accelerator to FLOAT into the air.

Maddox throws down his hands, causing the FLOATING items to FLY down towards, Harvey and the others. Harvey FIRES LIGHTNING BOLTS out of his hands, hitting the other items, causing them to EXPLODE.

(CONTINUED)

Darcy uses her DARK MANIPULATION POWERS to CREATE a GIANT BLACK HAND to APPEAR behind Maddox. The Giant Black Hand grabs Maddox and he tries to break free from the giant black hand.

ADDISON "ADDY" MONKS

Time to make this fight more appealing.

Addison leaps into the air and FIRES LASERS out of her laser firing banana laser blaster at Maddox. Maddox gets hit by the laser fire while he tries to break free from the giant black hand.

Maddox uses his MAGNETIC POWERS on the pipes on the ground and make them FLOAT in the air. He uses the pipes on the giant black hand and breaks free from the giant hand. Maddox uses his MAGNETIC POWERS on Harvey, James, Darcy and Addison, causing them to FLOAT into the air.

MARCUS MAGNO

(mad)

DAD!!! PUT THEM DOWN!!!

Maddox is surprise that Marcus is standing up for his hands.

MADDOX MAGNO

(mad)

Son, I don't want to hurt you, but you're friends are in the way of my plans to recreate the world before I got these powers.

MARCUS MAGNO

I don't want to hurt you neither...But I have to.

Marcus uses his MAGNETIC POWERS, causing his hands to GLOW LIGHT BLUE. GLOWING BLUE LIGHT APPEARS on Harvey's James, Darcy's and Addison's body, causing them to FLOAT down to the ground.

MARCUS MAGNO

I'm sorry I have to do this.

Marcus raises his hands in front of him, and GLOWING BLUE LIGHT APPEARS on his body. He FLOATS in the air while in his wheelchair. He uses his powers on the damaged cars and they FLOAT into the air. Marcus FLINGS them at Maddox. Maddox uses his MAGNETIC POWERS to stop the damaged cars causing them to FLOAT in midair.

(CONTINUED)

Maddox CRUSHES the damaged cars into pieces and FLINGS the pieces at Marcus. Marcus FLIES away from the incoming pieces and ZOOMS towards his father. He swings his wheelchair at Maddox hitting him in the head, causing him to fall down to the ground.

MARCUS MAGNO

Sorry dad.

ADDISON "ADDY" MONKS (O.S)

Don't say sorry to your dad, he's a psycho. And speaking of psycho!!!

Addison runs right towards Maddox. She TRANSFORMS her hands into tiger claws, and swings her claws at Maddox. Maddox FLIES off of the ground to dodge the claw swing. Addison FIRES SPIDER WEBS out of her hands at Maddox, but Maddox dodges the attack and uses his MAGNETIC POWERS on the spider webbing and FLINGS it back at Addison.

Addison ducts the incoming webbing and the webbing SPLATS onto James' face. James freaks out and runs around in circles.

JAMES "JIM" JAYSON

(panics)

Gets this off of me, get this off of me.

DARCY DILLIANS

(bored)

Dude, man up.

Suddenly Addison's wooden barrel hammer comes FLYING at Maddox, and hits him in the face. Maddox SKIDS on the ground and SLAMS into a tree.

ADDISON "ADDY" MONKS

(smiles)

Hey that's my hammer.

Addison's wooden barrel hammer FLIES back at Addison, and she catches the hammer. Marcus wheels up to Addison with a smile on his face.

ADDISON "ADDY" MONKS

(smiles)

Thanks Marcus.

Suddenly the ground SHAKES and starts to CRACK up. Suddenly the Tevatron Particle Accelerator BREAKS out of the ground and FLOATS into the air.

(CONTINUED)

SCIENCY THE SCIENTIST  
It's the particle accelerator it's  
coming out of the ground.

JAMES "JIM" JAYSON  
That means Maddox is doing all of  
this.

Suddenly Darcy's communicator RINGS. She takes it out from  
her pocket and presses a button on it, causing a HOLOGRAM of  
Professor Edward to APPEAR out of it.

PROFESSOR EDWARD FREDRICK  
Junior Mounties we got some bad  
news. The Tevatron Particle  
Accelerator is still active, if the  
particle accelerator isn't turned  
off, it will explode and wipeout  
the entire state.

DARCY DILLIANS  
Relax, we shall stop it like we did  
the last time.

Darcy raises her hands in the air, causing DARK ENERGY to  
come out of them. Suddenly metal sheats FLY out and WRAP  
them onto Darcy's hands covering them, causing her to fall  
to the ground.

Maddox FLOATS in the air and HOVERS above Harvey and  
friends.

MADDOX MAGNO  
(mad)  
I won't let you do that.

DARCY DILLIANS  
Well this stinks, now what?

SCIENCY THE SCIENTIST  
(thinking)  
I recommend a strong enough electro  
magnetic pulse can disrupt the  
electricity in the particle  
accelerator to shut it down before  
it reaches critical destruction.

HARVEY STONE  
(to Marcus)  
Marcus, can you help us make a  
strong enough electro magnetic  
pulse?

(CONTINUED)

MARCUS MAGNO

Yes I can.

Suddenly parts of the ground BREAKS APART and FLOAT into the air. Maddox FLOATS up to them with his hands GLOWING LIGHT BLUE.

MADDOX MAGNO

I won't let you do that.

Maddox swings his hands in front of him, causing the parts of the floating ground to FLY towards Harvey and friends. Addison leaps into the air and swings her wooden barrel hammer at the large pieces of the ground, causing them to SMASH into smaller pieces.

She leaps off of the other floating pieces and swings her hammer at Maddox hitting him in the head, causing him to GRUNT and falls to the ground.

MARCUS MAGNO

Sorry dad, but we have to do this.

HARVEY STONE

Time to shut this accelerator down  
eh.

Harvey and Addison makes ELECTRICITY come out from their hands, and Marcus raise his hands in front of him, causing them to GLOW LIGHT BLUE, and causing the electricitt that Harvey and Addison make to TURN LIGHT BLUE.

Maddox BREAKS free from the metal wrapped around him and FLOAT into the air. Darcy SCREAMS out a STRONG SOUND WAVE at Maddox, causing him to get hit by the sound wave and fall to the ground.

James makes a Power negation collar to MAGICALLY APPEAR out of his head and he attaches it onto Maddox's neck. Maddox stands up and uses his magnetic powers, but he can't do to the collar.

Harvey, Addison and Marcus FIRES the LIGHT BLUE GLOWING ELECTRICITY at the partical accelerator, causing it to POWER DOWN and FLOAT down into the ground.
