HAPPY GUITAR MUSIC IN THE BACKGROUND. The next day at Edmonton Central High school the school bell RINGS and the students exit out from their classrooms.

The elevator door DINGS and OPENS up. Harvey, Darcy, James, Addison and Marcus come out from the elevator and walk into the hallway.

MARCUS MAGNO

(smiles)

It's so good that the G.M.F paid for installing the elevator into the school.

HARVEY STONE

(smiles)

Totally eh, it beats using your magnetic powers on your wheelchair.

James turns his attention to the poster on the wall for the school science fair.

JAMES "JIM" JAYSON

(smiles)

Hey speaking of magnetic powers, the school's science fair is coming up.

ADDISON "ADDY" MONK

(smiles)

Wow a science fair eh? Do they have any cool rides and games, because I love doing the whack-a-mole.

DARCY DILLIANS

No, a science fair is a type or fair where students show off their silly nerdy science experiments to the school board.

(CONTINUED)

ADDISON "ADDY" MONK
So no rides or games, some fair
that is.

Rupert walks up to the science fair sign up sheet on the billboard near the front office. He picks up the pencil from the billboard and writes his name on the sign up sheet.

DARCY DILLIANS
(to Rupert)
Don't you know that you can sign up
for the science fair from your
phone?

RUPERT SKYLER
(mad)
I don't care, I like this way
better.

HARVEY STONE
(Ask)
So what's your science fair
project?

RUPERT SKYLER
I'm making a robot that is powered
by garbage, and it's going to knock
out all of the other science
projects out of the fair.

Marcus takes his phone and out presses on it, signing up on the science fair sign up sheet on his phone.

MARCUS MAGNO
(smiles)
Well we are signing up to

JAMES "JIM" JAYSON
(worried)
What? Marcus you know that Rupert
is better at these science fairs,
he won 3 times in the last ones.

MARCUS MAGNO
(smiles)
Really? But with us working
together on our project, we can win
it.

RUPERT SKYLER
(smiles)
Good luck with that losers, because
you'll be in dead last in no time.

(CONTINUED)

Rupert walks away from Harvey and friends while LAUGHING. James looks scared and worried with SWEAT coming down from his forehead.

DARCY DILLAINS

I think I know what you can do for your science fair project, how humans sweat.

Suddenly Harvey's phone RINGS. He takes it out from his pocket and looks at it.

HARVEY STONE

You guys can think about that while on our mission.

INT. G.M.F MASTER MOUNTIE'S OFFICE

Later at Master Mountie's office, Harvey, James, Darcy, Addison and Marcus walk into Master Mountie's office. Master Mountie is sitting up at his desk with a serious look on his face and Jolyne standing next to him with a clipboard in her arms.

MASTER MOUNTIE

Hello junior Mounties, please take a seat.

JAMES "JIM" JAYSON

(worried)

Thank you sir.

MASTER MOUNTIE

Is everything alright with Jim?

HARVEY STONE

He's just worried about this science fair that he and Marcus signed up for.

MASTER MOUNTIE

You could worry about that later, right now there is something....fishy in the air.

DARCY DILLIANS

You mean something stinks?

(CONTINUED)

JOLYNE AQUATICK

He means that, there are flying
fishes in the air.

Harvey, Darcy, James, Addison and Marcus have confuse looks
on their faces. Jolyne presses a button on Master Mountie's
keyboard, and a HOLOGRAM PROJECTION of footage of flying
fishes over the skies of Seattle APPEARS.

JAMES "JIM" JAYSON

Now that's fishy eh. And look at
footage, there are all types of
fishes.

ADDISON "ADDY" MONK

Totally, like Trout, Tuna, Salmon,
and even tropical fishes.

HARVEY STONE

But I thought only a special type
of fish breed can fly out of the
water?

MASTER MOUNTIE

Yes that's true, but something is
effecting the other fish breeds, I
want you 5 to investigate and to
find out who is behind all of this.

HARVEY STONE

We are all over it sir.

MASTER MOUNTIE

(smiles)

Excellent. Now this person is
targeting places that have fish, so
I would like to have you kids go to
a Sushi Bar to pose as customers to
make sure that person won't attack
the fish.

HARVEY STONE

You got it.

Harvey, James, Darcy, Addison and Marcus exit out of Master
Mountie's office.

FADE TO

JAMES "JIM" JAYSON
 (looking at the menu)
 So what do you guys want to order?

HARVEY STONE
 We're not here to eat, we are here
 to find the person who is making
 all of these fishes fly.

ADDISON "ADDY" MONK
 We can do both.

MARCUS MAGNO
 Here is something we can go for our
 science fair project, the science
 of marine life, like fish.

JAMES "JIM" JAYSON
 Maybe

Darcy turns her attention to the sushi bar in the middle of the restaurant where Carla and Christina are eating sushi.

DARCY DILLIANS
 Hey are those Carla and Christina.

HARVEY STONE
 (smiles)
 Oh yeah they both hang out here
 after school.

ADDISON "ADDY" MONK
 Let's go up to them and say hi to
 them.

Addison gets out of the booth and walks up to Carla and Christina. Carla and Christina are gossiping while reading some fashion magazines. Addison walks up to them.

ADDISON "ADDY" MONK
 (smiles)
 Hey there Carla and Christina.

Carla and Christina turn their attention to Addison who is standing behind them.

ADDISON "ADDY" MONK

Yes I am eh. And It's nice to meet you.

CHRISTINA ODDONELL

What brings you here?

ADDISON "ADDY" MONK

(smiles)

Oh we are here on a G.M.F.

Suddenly James comes in and covers Addison's mouth before she spoils the details on the mission.

JAMES "JIM" JAYSON

(smiling and blushing)

It's nothing, it's nothing at all.

CARLA STONE

Oh please I know that you and my brother both work for the G.M.F even Christina knows.

JAMES "JIM" JAYSON

What?!!!

CHRISTINA ODDONELL

So how was it working at the bakery eh?

JAMES "JIM" JAYSON

Bakery?

James looks at Carla and she smiles at him so he can keep his secret. Suddenly Olivia comes walking up to the bar and sits down on a stool next to Carla and Christina.

JAMES "JIM" JAYSON

(ask Olivia)

What brings you here Olivia?

OLIVIA MOHO

Just to have you know that I am here because my father runs this place. Just enjoy your time here eh.

OLIVIA'S P.O.V

Olivia looks at the middle booth, where Harvey is sitting at with Marcus, and Darcy.

DARCY VAUDEVILLIANS
Is there a rat problem in here?

HARVEY STONE
If there was a rat, it will come running out of the kitchen.

Suddenly the swarm of fishes come out from the kitchen, causing the kitchen doors to BREAK off. The customers SCREAM and run out of the restaurant.

CHRISTINA ODDONELL
(disgusted)
Ewww flying raw fish, that is totally disgusting.

CARLA STONE
Totally.

OLIVIA MOHO(V.O)
(nervous)
I hope my handsome and strong
Harvey can handle this.

ACTION CLASSICAL MUSIC IN THE BACKGROUND. The fishes FLY down towards the customers. Suddenly the fishes stop in the air and they get pulled over towards Marcus by his MAGNETIC POWERS.

James makes a fishing net to APPEAR out of his head and into his arms. He uses his fishing net to catch the flying fishes and suddenly more flying fishes come diving down towards James and his friends.

Darcy SCREAMS a SONIC WAVE out of her mouth hitting the fishes, causing them to SPLAT against the ceiling. Harvey FIRES ICE BEAMS out of his hands at the fishes on the ceiling, causing them to freeze on the ceiling.

Olivia is hiding behind the bar. She pokes her head over the bar and watches Harvey fight the fishes.

OLIVIA MOHO (V.O)
You got my handsome Freeze Shocking
Knight.

Harvey ducks down from flying fishes, and FIRES ELECTRICITY out of his hands at the flying fishes, hitting them causing them to get SHOCKED by the electricity and being FRIED and fall to the floor.

Harvey then throws kicks at the incoming flying fishes, hitting them and causing them to SPLATTER onto the floor. Harvey uses his ICE POWERS to CREATE an ICY BASEBALL BAT to appear in his hands.

Harvey swings the icy baseball bat at the incoming fishes, hitting them and making them CRASH through the ceiling. Darcy uses her DARKNESS MANIPULATION POWERS to make a FISHING NET to APPEAR. She throws it onto the incoming fishes, and traps them in the net.

Darcy throws the net with the fishes in the air, and Addison leaps into the air and swings her wooden barrel hammer at the fishes in the net, causing it to CRASH through the wall and into the streets.

DARCY VAUDEVILLIANS

Guys, there are people still in the restaurant.

MARCUS MAGNO

We got to get them out of here.

CARLA STONE

I'll handle it.

Carla FIRES a SMALL ORANGE BALL out of her hand at the wall. The Small orange ball hits the wall, causing it to EXPLODE and makes a big hole in the wall leading to the outside of the streets.

HARVEY STONE

Thanks Carla, now we have to finish off the fishes.

Harvey FIRES ELECTRICITY out of his hands at the remaining flying fishes hitting them and causing them to get shocked and get fried.

MARCUS MAGNO

Well that is over.

HARVEY STONE

Now we have the fish thing under control we can finally get into the kitchen to look for some clues.

Harvey and friends run into the kitchen. Olivia stands up from behind the bar with her hair sticking up in the air.

SUSHI CHEF

Oh thank you kids, thank you for saving me.

Harvey takes out his G.M.F badge out of his pocket and shows it to the Sushi Chef.

HARVEY STONE

We are from the G.M.F, could we ask what happened here?

SUSHI CHEF

I don't know, but the fishes started to fly and then came out from the fridge.

MARCUS MAGNO

Hey I got an idea for our science fair project, the science behind frozen fish.

DARCY VAUDEVILLIANS

Not right now Marcus.

Suddenly the ceiling starts to SHAKE and debris falls from the ceiling.

ADDISON "ADDY" MONK

What's going on eh?

The Giant Net covers the Giant Squid. The Giant Squid ROARS while trying to break out of the giant net. Marcus uses his MAGNETIC POWERS on the shelving units, causing them to FLOAT into the air and attach onto the Giant Squid.

MARCUS MAGNO

(to Harvey)

Harvey. Time to shock this squid.

HARVEY STONE

With Pleasure eh.

ELECTRICITY comes out from Harvey's body and he throws a LIGHTNING BOLT at the Giant Squid. The Giant Squid ROARS from getting hit by the lightning bolt and falls into the kitchen.

Edmonton Central High school, Marcus and James are sitting
in the middle table of the library, reading science books.

MARCUS MAGNO
How about we can do a science
project on mold.

JAMES "JIM" JAYSON
No...It's too dirty eh. How about
we can do a science project about
the absorbency of sponges.

Rupert walks pass them with a stake of books.

RUPERT SKYLER
(walking pass James and
Marcus)
Did that last year. I won the whole
thing.

Rupert exits out of the library LAUGHING. Harvey, Addison
and Darcy walk into the library and walk up to Marcus and
James.

HARVEY STONE
How's the research going?

MARCUS MAGNO
We're trying to figure out which is
the best science project we can do
for the science fair.

JAMES "JIM" JAYSON
We went through all of the science
books and we decided on nothing so
far.

(CONTINUED)

DARCY VAUDEVILLIANS
Guys, it'll be easy to pick a
project eh. I mean the science fair
won't be until next week.

JAMES AND MARCUS
(together)
Next Week!!!

James and Marcus are surprise to hear what Darcy said.

ADDISON "ADDY" MONK
How about making something that is
easy, like a volcano or a potato
wired to a clock...Those are easy
eh.

JAMES "JIM" JAYSON
Those things are really for kids,
and we are in high school.

HARVEY STONE
But those guys are doing them.

4 TEENAGERS are sitting at a table across from Harvey and
the others, working on a model volcano and wiring a potato
to a clock.

Suddenly Harvey's wrist communicator RINGS. Harvey and the
others run behind a bookshelf to answer the call.

Harvey presses a button on his wrist communicator and a
PROJECTION of Master Mountie APPEARS out from the
communicator.

MASTER MOUNTIE
Junior Masters, we gotten word that
the world's largest aquarium in
Hengqin China as been attacked by
it's own fishes, you have to get
there right away.

MARCUS MAGNO
But what about our science fair
project?

DARCY VAUDEVILLIANS
We can worry about that later,

TENSE ACTION CLASSICAL MUSIC IN THE BACKGROUND. At the Aquarium in Hengqin, Harvey and friends run towards the entrance, as people run out of the Aquarium SCREAMING and running for their lives.

JAMES "JIM" JAYSON
I wonder why they are running out
of the aquarium for?

ADDISON "ADDY" MONK
Maybe they are afraid of water?

HARVEY STONE
I think it's something more
dangerous. Come on let's go eh.

Harvey and friends run into the aquarium.

CUT TO

INT. HENGQIN AQUARIUM

TENSE ACTION CLASSICAL MUSIC IN THE BACKGROUND. Harvey and friends run into the aquarium to see the aquarium tanks are all shattered and water is all over the floor.

They wonder where are all the fishes are.

DARCY VAUDEVILLIANS
We're in the aquarium...Where are
all of the fishes?

Suddenly a SWARM OF FISHES come flying towards them. Harvey PROJECTS an ELECTRIC FORCE FIELD out of his hands to protect him and his friends from the incoming flying fishes. The flying fishes SPLAT onto the force field and fall onto the floor.

MARCUS MAGNO
You know with all of these flying
fishes gives me an idea for the
science fair project.

JAMES "JIM" JAYSON
Like how Flying Fishes fly?

MARCUS MAGNO
Yes, that one.

(CONTINUED)

DARCY VAUDEVILLIANS

You guys can talk about that later,
right now we have to get away from
these freaky flying fishes before
something else happens.

Suddenly GIANT TENTACLES BREAK out of the ground and wrap
around Harvey and friends.

ADDISON "ADDY" MONK

Spoke too soon.

The Giant Tentacles pull them down through the floor.

The other fishes in the aquarium FLOAT in the air and

ADDISON "ADDY" MONK

I think something fishy is going to
get down around here.

DARCY VAUDEVILLIANS

All I want to know is who's behind
all of this.

JAMES "JIM" JAYSON

(scared)

Is it the giant kraken?

MR.GOLDY (O.S)

No it's not...It's me!!!

MR.GOLDY an evil gold fish, cruel, smart, fast talking,
rude, and edgy FLIES around the other fishes and come to
Harvey and friends.

HARVEY STONE

You're behind all of this, but
you're just a gold fish.

MR.GOLDY

(mad)

Yes I am a goldfish, Mr.Goldy is
the name, and the reason I'm doing

(MORE)

(CONTINUED)

MR.GOLDY (cont'd)

this is because you guys. Always over fishing us out of the ocean, throwing garbage into our waters, and even eating us.

MARCUS MAGNO

Your point.

MR.GOLDY

My point is that it's payback time. Let's get them boys.

ACTION ROCK AND ROLL MUSIC IN THE BACKGROUND. Harvey uses his ELECTRICITY POWERS to SHOCK the giant kraken, causing it to let go of him and his friends. They land onto the floor and Darcy uses her DARK MANIPULATION POWERS to CREATE a BLACK HOLE APPEAR behind the Giant Kraken. The Giant Kraken gets SUCKED into the black hole and the black hole DISAPPEARS.

ADDISON "ADDY" MONK

Now the Giant Kraken is out of the way, it's time to smash some fishes.

Addison FIRES INK out of her hands at the incoming fishes. The incoming fishes get hit by the ink and causing them to fall to the floor. James uses his IMAGINATION CREATION POWERS to MAKE a NET BLASTER to appear. He FIRES it at the incoming fishes, making them trapped inside of the net.

Harvey TRANSFORMS into his Electric Eel mode and ZIPS around the fishes and leaps into the air. Suddenly a SHARK flies towards him and opens its mouth.

Suddenly the Shark gets pulled to the wall and SLAMS into it. Harvey is confuse. Marcus FLOATS up into the air and uses his MAGNETIC POWERS onto the other fishes. The fishes all get pulled to the wall and slam into it.

MR.GOLDY

Foolish fishes. If you want something done right, do it yourself.

Mr.Goldy GROWS ARMS AND LEGS, and TRANSFORMS into a FISH MONSTER.

HARVEY STONE

(electric eel voice)

How did you get these powers of yours?

(CONTINUED)

MR.GOLDY

(monster voice)

I swam in energy drink, and that's
how it gave me my powers.

Mr. Goldy ROARS and FIRES SLIME out of his mouth at Harvey. Harvey ZOOMS to dodge the attack. He appears behind Mr.Goldy and TRANSFORMS his left arm into an ICE CLAW. Harvey swings down his ice claw onto Mr.Goldy, scratching him in the back.

Mr. Goldy grabs onto Harvey and throws him off of him. Harvey is thrown across the basement, and pushes off against the glass of an aquarium. His body is covered in ELECTRICITY as he ROCKETS towards Mr.Goldy. He tackles him, causing him to fall onto the floor.

James has a freaked out look on his face while FIRING his net blaster at the other fishes. Suddenly a swordfish ZIPS towards him. James uses his POWERS to CREATE a SWORD out of his hands and uses it to sword fight against the swordfish.

JAMES "JIM" JAYSON

(freaking out)

IF his powers are to communicate
and control fishes, now I know what
his other powers are.

DARCY DILLIANS

I know...

Darcy uses her SONIC SCREAM ATTACK onto the other incoming fishes, causing them to FLY away from her.

DARCY DILLIANS

...To transform into a freak of
nature.

Darcy uses her DARK MANIPULATION POWERS to CREATE a SHIELD. The fishes hits her shield, causing them to BOUNCE OFF of it.

Addison uses her barrel hammer to scoop in the incoming fishes. She FIRES them out of her barrel hammer up into the air.

MARCUS MAGNO

I heard of shooting fish into a
barrel, but not out of it.

ADDISON "ADDY" MONK

Speaking of shooting.

(CONTINUED)

Addison leaps into the air and FIRES her barrel bazooka at Mr.Goldy. Mr.Goldy leaps off of the ground and dodges the barrel blast. Mr. Goldy swings his claws at Addison. Suddenly Harvey comes in front of him and ELECTRICITY surrounds his tail. He swings it at Mr. Goldy, hitting him and causing him to SLAM against the wall.

HARVEY STONE

(electric eel voice)

Strange, we are in an aquaruim, and the only things Mr.Goldy controls are fishes.

James kicks away the swordfish and turns his attention to Harvey.

JAMES "JIM" JAYSON

You're right, the aquaruim is full of marine life, like whales, seals, sea lions and other marine animals.

Suddenly the fishes from the wall push off of it and FLY towards Harvey and the others. Harvey FIRES LIGHTNING BOLTS out of his hands at the incoming fishes, and Addison FIRES LASERS out of her banana laser blasters at the fishes.

DARCY DILLIANS

So if Mr.Goldy is controlling the fishes, why isn't he controlling the other animals in the aquaruim?

Marcus uses his MAGNETIC POWERS on the floor. The fishes get pulled down onto the floor by Marcus's powers.

MARCUS MAGNO

Maybe he's afraid of those animals.

Marcus uses his MAGNETIC POWERS onto a mop, and makes it FLOAT into the air. He swings it at the incoming fishes knocking them to the floor.

JAMES "JIM" JAYSON

No...It's because they eat fish.

HARVEY STONE

(electric eel voice)

Marcus you and Jim find the whales, seals, sea lions and dolphins, while we continue to fight these fishes.

(CONTINUED)

Harvey SLAPS his hands onto the floor, causing an ICE WALL to APPEAR out of the floor. The fishes hit the ice wall, causing them to SPLAT against it. James grabs hold of Marcus's wheelchair and Marcus FLOATS into the air while James is holding onto his wheelchair.

Mr.Goldy ROARS and throws a punch at Addison. Addison uses her barrel hammer to block the punch and swings her hammer at Mr.Goldy. Mr.Goldy gets hit by the hammer and SKIDS across the ground.

Addison TRANSFORMS her right arm into a tiger claw. She charges at Mr. Goldy and swings down her tiger claw onto him, SCRATCHING his face and then throws a kick at Mr.Goldy, knocking him against the wall.

MR.GOLDY

At this human.

Mr.Goldy FIRES A STREAM OF WATER out of his mouth at Addison. Addison gets hit by the stream of water, and she SLAMS against the wall. Mr.Goldy FIRES KELP out of his mouth at Addison, causing her to stick against the wall.

ADDISON "ADDY" MONK

Did he just vomit out kelp out of his mouth?

DARCY DILLIANS

It looks like it.

Suddenly Darcy gets hit by Mr.Goldy's kelp, causing her to hit the wall and stick to it. Mr. Goldy FIRES KELP RAPIDLY out of his mouth at Harvey.

Harvey RAPIDLY dodges the incoming kelp. He ZOOMS up towards Mr.Goldy, and FIRES an ICE RAY out of his mouth at Mr.Goldy. Mr. Goldy dodges the ice ray, and then swings his tail at Harvey, hitting him and makes him fall to the floor.

Mr. Goldy leaps into the air and throws a claw strike down onto Harvey. Harvey FIRES ICE BEAMS out of his hands at Mr.Goldy, hitting him and causing him to FREEZE in ice.

Suddenly the ice on Mr.Goldy's body BREAKS, and Mr.Goldy BREAKS out of the ice. Mr. Goldy throws a punch at Harvey, hitting him in the face. He then FIRES KELP out of his mouth at Harvey. Harvey gets hit by the kelp and causing him to hit against the wall, and stick to the wall by the kelp.

MR.GOLDY

This ends here humans. You're about to be fish food.

(CONTINUED)

Suddenly WHALE NOISE comes out of nowhere. Mr.Goldy and the other fishes look scared and turn their attention to the ceiling.

HEROIC CLASSICAL MUSIC IN THE BACKGROUND. Suddenly ORCAS and BELUGA WHALES BREAK through the ceiling and FLY down into the basement. They open their mouths and eat up all of the fishes.

DARCY DILLIANS

Looks like you're going to be fish food now.

ADDISON "ADDY" MONK

But he's already a fish.

Harvey uses his ICE POWERS on the kelp causing them to FREEZE and BREAK off of Harvey, Darcy and Addison. Marcus and James FLOAT down from the hole in the ceiling and land to the floor.

MARCUS MAGNO

We found the whales and the other animals.

JAMES "JIM" JAYSON

And we brought them over here for an all you can eat sea food buffet eh.

All of the seals leap into the air and eat some of the floating fishes. The Dolphins FLOAT in the air while being controlled by Marcus and eat the floating fishes.

The Sea Lions eat the other floating fishes and CLAP their fins together while BARKING.

MR.GOLDY

(mad)

This can't be happening, you humans shall pay for this.

Mr.Goldy FIRES KELP out of his mouth at Harvey and friends. Marcus uses his MAGNETIC POWERS on the incoming kelp, causing it to FLOAT and get attracted to the wall behind Harvey and friends.

Addison leaps into the air and scoops Mr.Goldy into her barrel hammer.

MR.GOLDY

(voice muffled)

What's going on? Don't do this to me.

(CONTINUED)

ADDISON "ADDY" MONK
It's dinner time for the Beluga.

Addison FIRES Mr.Goldy out of her barrel bazooka at the flying Beluga. Mr.Goldy SCREAMS as he FLIES towards the floating beluga whale. The beluga whale swallows Mr.Goldy whole.

Harvey and friends smile for a mission completed. Harvey TRANSFORMS back to his normal self, and Master Mountie, Jolyne and the other Mounties from G.M.F come into the basement.

MASTER MOUNTIE
Good work Junior Mounties, allow me to fix the aquaruum.

Master Mountie SNAPS his fingers together, causing the marine mammals and fishes to TELEPORT out of the basement.

MASTER MOUNTIE
Out Chinese Mountie agents are repairing the aquaruum as we speak.

JOLYNE AQUATICK
I'm amusing that this mission was quite fishy.

Harvey, his friends, Master Mountie and Jolyne all LAUGH. James and Marcus both realize what they are going to do for the science fair.

MARCUS MAGNO
Hey...Are you thinking what I'm thinking?

JAMES "JIM" JAYSON
Yeah eh.

(CONTINUED)

JAMES "JIM" JAYSON
And there maybe 100s of different
species in the ocean.

MARCUS MAGNO
They all live in 1 ecosystem.

The 3 Judges smile and write down the results on their clipboards.

The 3 Judges walk away from James and Marcus's project. Harvey, Darcy and Addison walk up to them.

HARVEY STONE
So do they like your project?

JAMES "JIM" JAYSON
They do like it.

MARCUS MAGNO
(smiles)
We are going to win first place for
sure eh.

DARCY DILLIANS
Now for long.

Suddenly Rupert comes into the gym with a giant engine. The 3 Judges walk up to him with interesting wondering looks on their faces.

RUPERT SKYLER
Check this out judges, this water
powered engine is going blow
everyone away.

Rupert presses a button on his water powered engine, and suddenly it EXPLODES. SMOKE comes out of the engine and Rupert starts to COUGH. The judges look disappointed and they walk back to James and Marcus's project.

The Middle Judge puts the Blue Ribbon on their project. Everyone in the gym CLAP for James and Marcus. HAPPY GUITAR MUSIC IN THE BACKGROUND.

RUPERT SKYLER
(upset)
Oh man, I thought I'm going to win
this. Now I have to do 1000 push
ups for my mom.

Rupert leaves the science fair in disappointment.

(CONTINUED)

HARVEY STONE
Good for you eh. You won the
science fair.

JAMES "JIM" JAYSON
(smiles)
It feels very good to win it.

ADDISON "ADDY" MONK
Now it's time to celebrate. Let's
go get some sushi.

Harvey, James, Darcy and Marcus LAUGH.

HARVEY STONE
How about we get some smoothies
instead.

Harvey and friends walk out of the science fair.
