OTIS HALLS

COCO COLLINS

I know right, but his power level is at 0, how did it become much more stronger then that?

SYDNEY FORCE

(looking at her phone)

According to my Power level app on my phone, his power level is....5000

GREGORY TERRY

My power level is now 5000? This is so cool.

OTIS HALLS

What 5000? Now that you have powers, you can take the same class as us.

GREGORY TERRY

I know right. Now what?

BORDON RUSHER (O.S)

How about being in a world of pain again!!!

Bordon Rusher stands up off of the ground and walks towards Gregory. The other students look nervous and Gregory turns his back and sees Bordon is coming towards him.

(CONTINUED)

SYDNEY FORCE

(to Bordon)

Sorry to rain on your parade, but with the power level that Gregory has, you won't survive.

BORDON RUSHER

Really? But he's a freshman. His power level is suppose to be smaller then that...It suppose to be 0. Screw this I'm going to keep on beating you up, new kid.

Bordon CRACKS his knuckles, and Gregory goes into his fighting stances. Suddenly the Detention Force arrives to the cafeteria area.

DETENTION FORCE OFFICER 1 (V.O)

PRINCIPAL OVERLORD
(to Gregory)
And as for you Gregory. Come with
me to my office.

Wait a minute I thought Sydney has
teleportation?

SYDNEY FORCE
Principal Overlord has the most
powers in the school.

CUT TO

INT. LEGENDARY HIGH PRINCIPAL OVERLORD'S OFFICE

They APPEAR in Principal Overlord's office. Gregory is shocked when he is in the Principal's office. Principal Overlord walks up to his desk and sits down into his chair.

GREGORY TERRY
(surprise)
Did we just teleported here, into
your office?

PRINCIPAL OVERLORD
Yes we did. Now on the matter at

MRS. GLORY

Now before we begin, I would like to introduce all of you our new student. Gregory Terry.

Now Gregory, do you have anything to say before we start class?

Gregory stands up from his seat.

GREGORY TERRY

Well that is wonderful. Now turn your textbooks to chapter 1.

Mrs. Glory SNAPS her fingers making textbooks to APPEAR on the students' decks.

GREGORY TERRY

Wow this class has everything. What's next a cup holder?

STUDENT 1

(to Gregory)

No. You need grades to buy a cup holder.

GREGORY TERRY

What is that suppose to mean?

MRS. GLORY

(explains)

You see Gregory. Grades here at Legendary High are like money and the more grades you get the more you spend. For example, if you get an A that is worth 100 dollars, if you get a B that is worth 50 dollars. If you get a C that's worth 30 dollars, a D is worth 10 dollars and if you get an F you only get 1 dollar.

GREGORY TERRY

Wow, so grades are like money here, and you can spend them or save on them. This is some high school.

Gregory opens his notebook and writes down some notes.

Otis, Gregory and Coco get startled by Sydney.

OTIS HALLS
Sydney...Is this a habit for you?

SYDNEY FORCE
A little bit. So anyway, the money
thing. Of course we can transform
our grades into money. And there's
a mall right down the hall from
here.

COCO COLLINS
Hold on, there's a mall here too?
This place just got better and
better.

GREGORY TERRY

OTIS HALLS

Wow. This is better then a normal school store. Where did Principal Overlord get all of this money to make all of this?

SYDNEY FORCE

Apparently Principal Overlord isn't rich. Roomers has it that Principal Overlord is really an ancient wizard...Or an alien.

GREGORY TERRY

Seriously a wizard or alien?

SYDNEY FORCE

I don't know. Time will tell if it's true.

OTIS HALLS

Yeah sometime they are snotty and chubby, not demonic freaks.

DETENTION FORCE OFFICER 1

(to Gregory)

Did you just do that?

GREGORY TERRY

Yes I did. It's weird, but today I
didn't have any powers, but now I
do.

DETENTION FORCE OFFICER 1

Now that's awesome.

(CONTINUED)

Gregory swings his sword at 2 more Bullies and jabs his sword at an incoming 1. Gregory TRANSFORMS his sword into a shield. He tackles an incoming bully, causing him to hit the wall.

DETENTION FORCE OFFICER 1

(smiles)

Well you better join the Detention Force. With more bullies coming into school, we need people like you.

GREGORY TERRY

What does that suppose to mean?

Sydney TELEPORTS to dodge an attack from a bully. Sydney REAPPEARS behind the bully and throws a kick at him, knocking him off of the second floor and falls down onto the lower level floor.

SYDNEY FORCE

He means, if you join a school club here, or something else like that, you get extra credit, which mean it increases your grades and increase your capability in your powers.

Gregory swings his sword at more incoming bullies.

GREGORY TERRY

Wow. I am starting to think that this school is getting even more awesomer.

That's the end of those jerks.

SYDNEY FORCE

Now it's time for us to go to our next class.

(CONTINUED)

ARTHUR KNIGHT

(to Gregory)

Before you leave. You are a great fighter. You fight off all of those bullies.

GREGORY TERRY

Defiantly. So those bullies come from the Bully Society...Right?

IRIS BLACK

Of course they did.

GREGORY TERRY

Do you know why they become like this?

ARTHUR KNIGHT

You can only know about that when you join the Detention Force.

GREGORY TERRY

Join the force?

IRIS BLACK

Yes. Join the force. The detention force is always looking for new members.

Iris takes out a brochure out from her coat pocket and hands it over to Gregory. Gregory opens the brochure and starts to read it.
