## PROFILE

Creative storyteller and narrative architect with 15+ years of experience writing for film, television, and immersive media. Known for fusing emotional depth, cultural insight, and high-concept storytelling into distinctive worlds and unforgettable characters. Whether leading a room, shaping a pitch, or building interactive experiences, I bring a director's vision and a screenwriter's precision to every frame.

## FEATURES

## TELEVISION

- **Quetzal** - Creator / Writer  
*Completed Pilot Shooting Draft / Series Pitch Deck*  
When a young teen discovers he's the reincarnation of the Aztec god Quetzalcoatl, he must juggle high school, hormones, and cosmic destiny as he prepares to face the god of chaos in a mythic coming-of-age dramedy.
- **Exorcist, Inc.** - Creator / Writer  
*Completed Pilot Shooting Draft*  
When a Vatican-trained exorcist hiding his alien identity returns to L.A., his cover is blown by a tech-savvy oddball who insists on demon-detoxing their besties. Together, they launch "Exorcist, Inc."—a ghost-busting business that battles demons, disrupts friendships, and stumbles into a cosmic conspiracy.
- **Worlds Aquarium** – Creator / Writer  
*Sizzle Reel Shooting Draft / Series Pitch Deck*  
In the endangered waters of the Sea of Cortés, a young marine biologist wages a dangerous war against cartels and traffickers over a rare fish prized on the black market—an eco-thriller where activism, family, and survival collide at the frontlines of climate collapse.

## IMMERSIVE

- **The Last Supper 360°** – Creator / Writer  
*Completed Shooting Draft / Pitch Deck*  
An immersive retelling of the Last Supper told across 8 VR episodes, where viewers embody Jesus and the apostles. Fusing historical realism with spiritual intimacy, this experience invites users into sacred lessons of love, betrayal, and redemption—one perspective at a time.
